End

Azuma Tesshin here.
Thank you for staying with me to the end!
Please check out my previous adults-only tankoubon "Hole of Pink" too~!!
I actually got the wrong number and faxed all the pages of my rough story-boards for a scenario involving gym clothes in a school infirmary to some company.
I got a phone call from them saying, "Is this Azuma Tesshin-san? You got the wrong fax number." It was embarrassing.
I changed the end of "Nee-chan is my girlfriend" a bit.
I hope we can meet again next time as well.
