商壳繁盛

We want  
the usual

Little Light  
seems a bit  
empty today

Well  
it's 3pm...  
thats why  
it's so empty

Haha...  
What  
was  
that?

Go make  
them their  
usual juice

ok

Come  
again  
soon

Welcome  
you  
two

Darnit!  
I forgot  
the juice

Little light  
has been  
doing good  
business  
lately

But it's  
really hard  
work

So I'm happy  
to help  
in whatever  
way I can

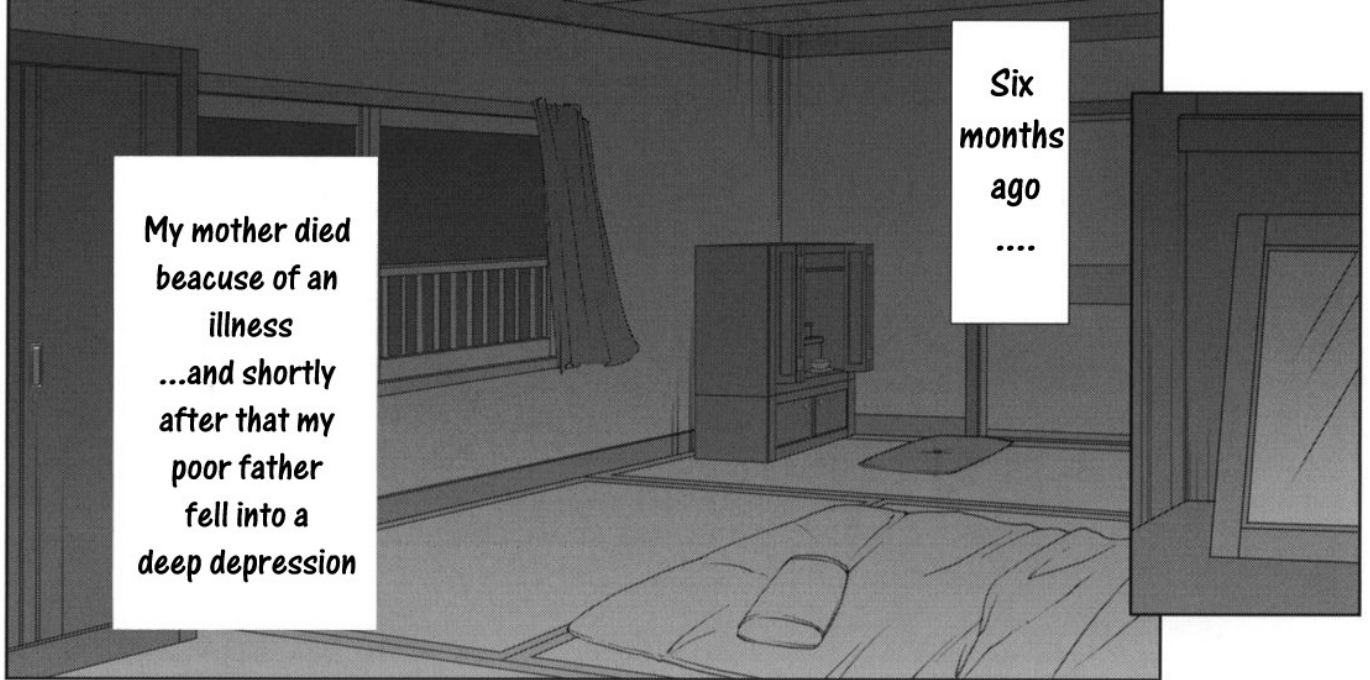

My daddy  
likes to give  
each and every  
customer a  
personal  
service  
...which can  
be very  
tiresome.

It's closing  
time ...lets  
go home

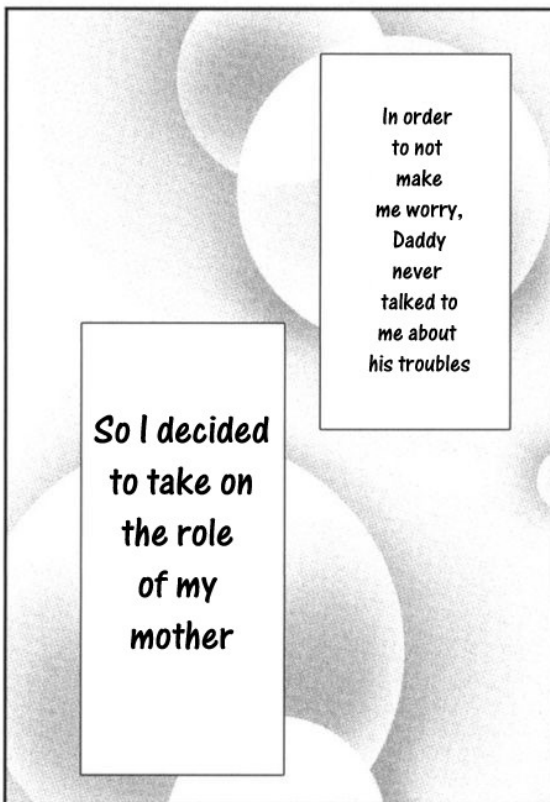

Yeah  
I'm almost  
done with  
the cleaning

My mother died  
because of an  
illness  
...and shortly  
after that my  
poor father  
fell into a  
deep depression

Six  
months  
ago  
....

In order  
to not  
make  
me worry,  
Daddy  
never  
talked to  
me about  
his troubles

So I decided  
to take on  
the role  
of my  
mother

I told  
my father  
to not think  
of mother  
anymore  
and instead  
think of  
of me  
and Little Light

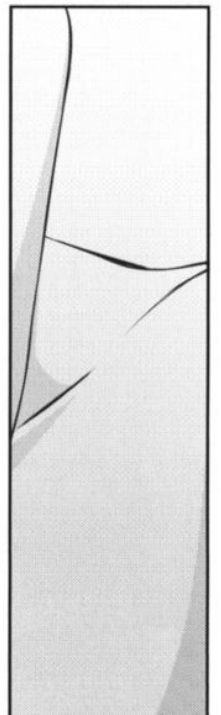

Not being  
able to see  
my Daddy in  
so much pain  
I made it my  
life's mission  
to cheer  
him up

And that  
was the  
beginning  
of  
everything  
...

7

...and we  
started  
getting  
intimate  
with  
each  
other

Eventhough  
we both  
knew  
we  
shouldn't be  
doing that

My father  
and I  
found  
something  
to do  
very often

...also  
my daddy  
seemed  
to really  
enjoy  
those  
"activities"

Daddy  
told me  
he used  
to do  
these things  
with mommy  
all the time  
...so I'm just  
doing what  
mommy  
used to do

yes

...

oh

yes

Mmm...

Mmm...

Mmm...

Let's play  
with this  
now...

Daddy's  
penis

Huh

...

you've  
gotten  
really  
good  
at this

Thats  
it  
yes

I cant  
be more  
comfortable

you're  
very  
kind

ちゅ  
ちゅ

Uh... ha  
really?

comfor-  
table?

Puff...

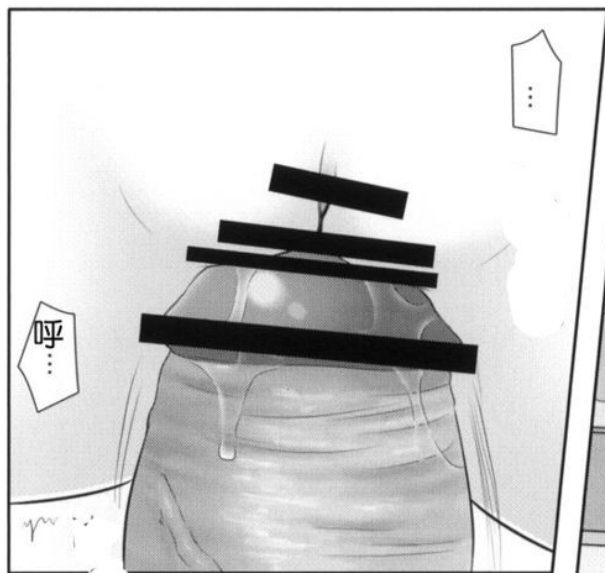

Angelin

....

Angelin

...

Next,  
I'm gonna  
insert my  
penis inside  
you ok?

All  
righty  
then...

...ok

ah  
ah  
ah  
Ah  
...

11

It always  
feels like  
the  
first time...

D  
a  
d  
d  
y

Be gentle...  
Daddy

when  
I go  
inside  
you

Hey..  
can I  
move it  
a little bit  
deeper?

hearing  
you  
say that  
makes me  
happy

Ha ha  
...

I have...  
been...  
waiting for...  
this...  
for a...  
looonng time

what

it  
hurts...

yeah  
you  
can go  
a bit  
deeper  
if you  
want

I'll  
probably  
get used  
it soon

DADDY!!!

Ah  
ah

Hang  
in there  
baby

It'll feel  
good  
very  
soon  
baby...

Ahh  
yeah  
yeah

your  
sweet  
little  
body is  
ripening  
very well

Mmm..  
feels  
so good

Ah...  
My body is  
reacting to  
daddy's  
movements

My body  
and  
my soul  
belongs to  
my father  
now

It feels  
like I'm not  
in my  
body  
anymore

My daddy  
is my  
favorite  
person  
ever.

I'll do  
anything  
to  
make my  
daddy  
happy

!

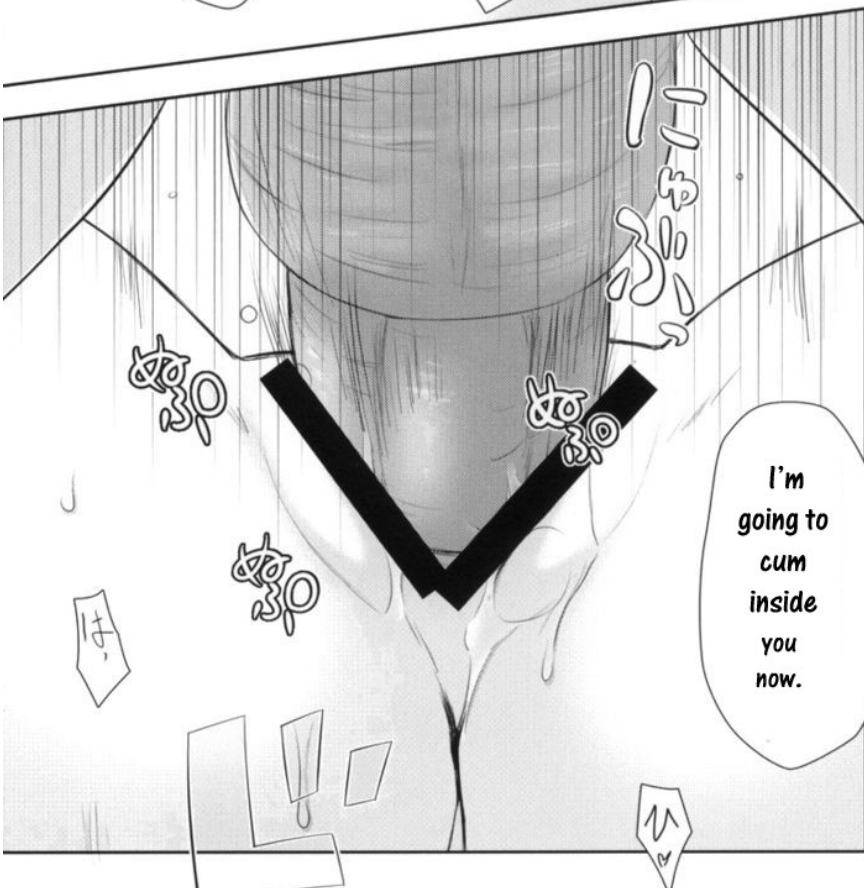

It smells  
so good  
baby.

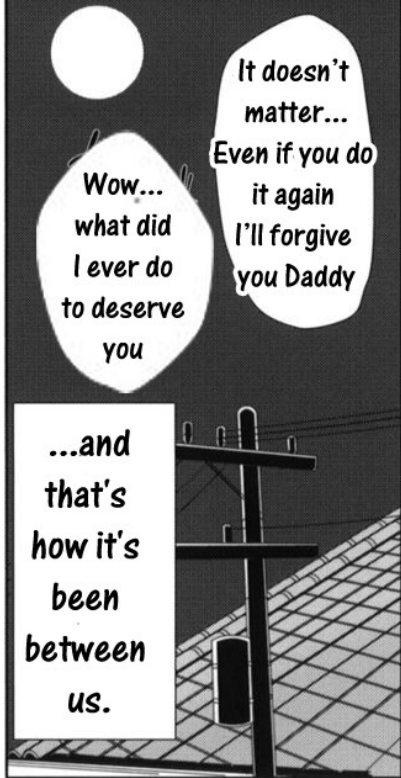

It's  
happening  
...

Daddy  
...  
daddy

I'm  
going  
to  
cum  
daddy!

Wow...  
what did  
I ever do  
to deserve  
you

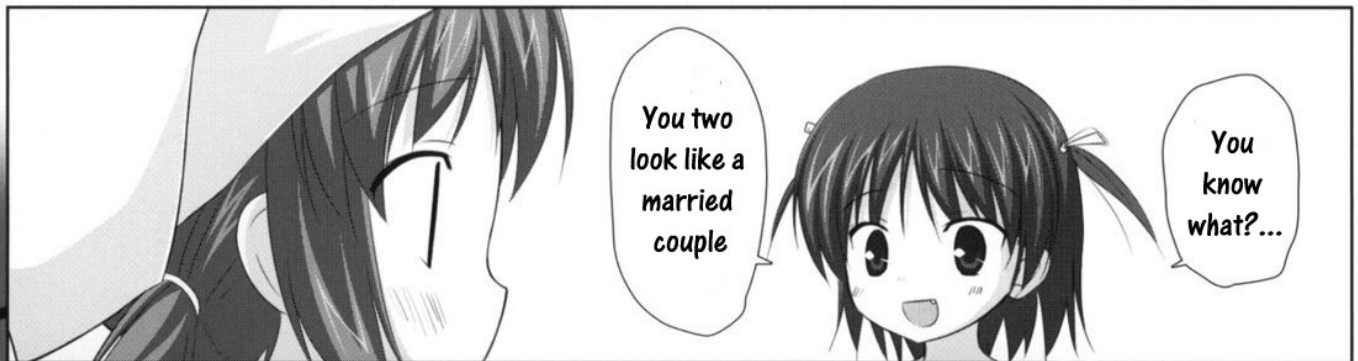

...and  
that's  
how it's  
been  
between  
us.

It doesn't  
matter...  
Even if you do  
it again  
I'll forgive  
you Daddy

Sorry...  
I so sorry  
baby

It'll  
never  
happen  
again,  
I promise.

You two  
look like a  
married  
couple

You  
know  
what?...

We  
both  
still  
miss  
mom  
very  
much

But we  
needed  
to move  
on with  
our lives  
with love  
and our  
Little Light

I'm just  
gonna  
shut up  
now

I think  
what  
I'm trying  
to say is...  
you two  
share a  
deep bond

I'm sorry...  
It's probably  
because you two  
look at  
each other  
so passionately  
all the time

...

# ーあとがきー

こんにちは、みなとです。

今回で4冊目のオリジナル本になります。

陵辱系な話を続けて描いてて

「ずいぶんすさんだ街だなぁオイ」と

周囲からツッコミがきたので

ほのほの系のストーリーにしてみました、

世界観自体はいたって普通の温泉街のお話なんだよ？

気がつけばここ最近オリジナルを続けて描いていたので

そろそろ二次創作を描きたいなと思ったり。

夏コミも無事に受かったなのでそこで描こうかな。

P. S

トトリが可愛すぎて生きているのが辛い

## Translator's Note

Hey guys! So I reuploaded it. It was brought to my attention (by a lot of angry comments) that I had made some ridiculous grammatical errors in my last upload. I hate reading grammatically incorrect shit too but it's hard to think about grammar when you're trying to make sense of whatever nonsense Google's translator app has translated for you... especially for someone who doesn't speak Chinese or Japanese and for whom English is not the primary language. So yeah I've "tried" to fix some of these issues in this upload and I hope you like it ^^
