

"IF A LIE IS NOT TOLD, IT CANNOT BECOME YURI!"
OMAKE MANGA.

This is a story from before I confessed to Saika for real.

To prepare for the time when I got a boyfriend, it was decided that Saika would teach me the trick of having vaginal orgasms.

I was made to cum again and again, but...

You can have confidence in yourself.
Now you'll be fine whenever you get a new boyfriend.

You've really gotten the hang of it, huh?

Ahh!

It's no good!

I'm cumming!

Haa

Ha

Fuahhhh!

Crunch
Crunch
Crunch

It seemed like Saika didn't have any special feelings for me.

Wew..

Haa

Haa

And whose fault do you think it was that all those fluids came out?

And just whose fluids do you think they're swollen with?

Eh, really? Let me see.

Wow...

Your fingers look like an old woman's!

いちゃいちゃ

My fingers are all swollen and wrinkly.

Aah

But from the start I've liked boys

Surely tomorrow I'll be able to forget about her.

'K.

So let's get ready to head back.

Hey, our time is gonna be up soon.

After this
I won't
ever try
to make
you have
sex
with me
again.

Setting
boundaries
is
important
in
this
kind
of
relationship.

Once we
leave this
hotel,
we'll go
back to
being
just
classmates...

Wait
a
minute!

Well
then,
shall
we
go?

Ah!

ガチャ

No,
it's
OK.

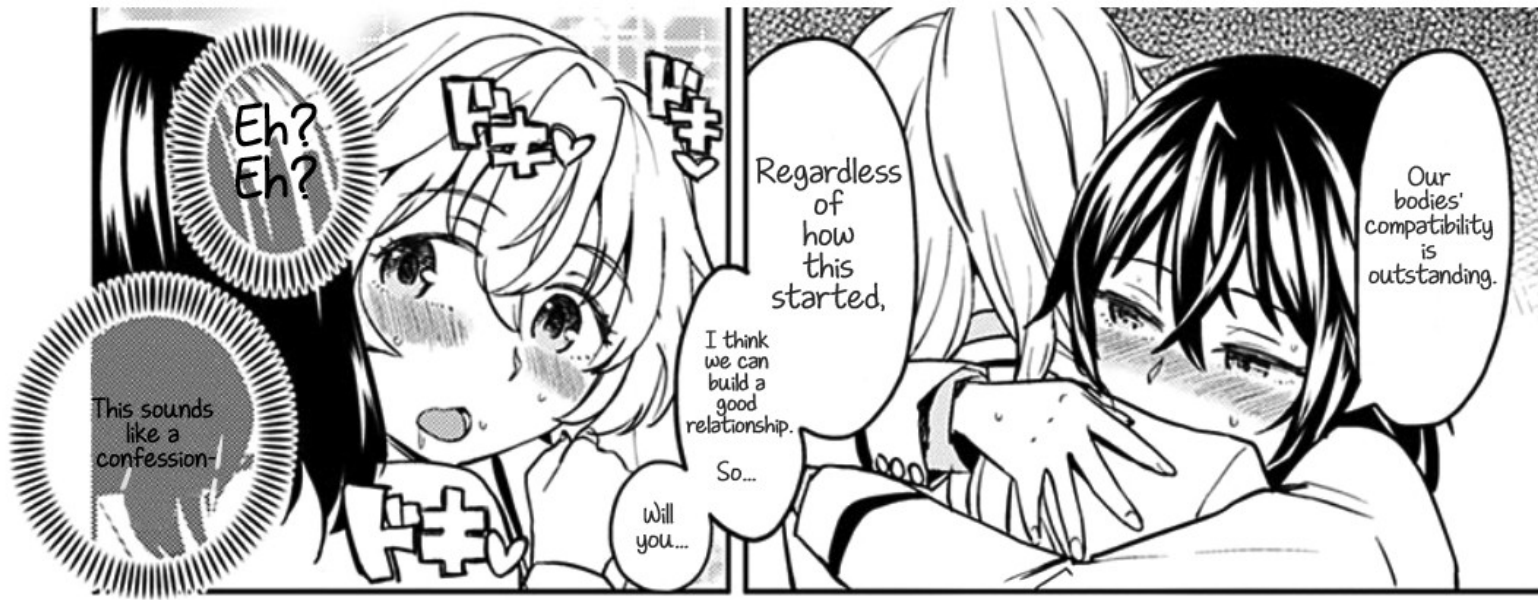

Did you
forget
any
thing?

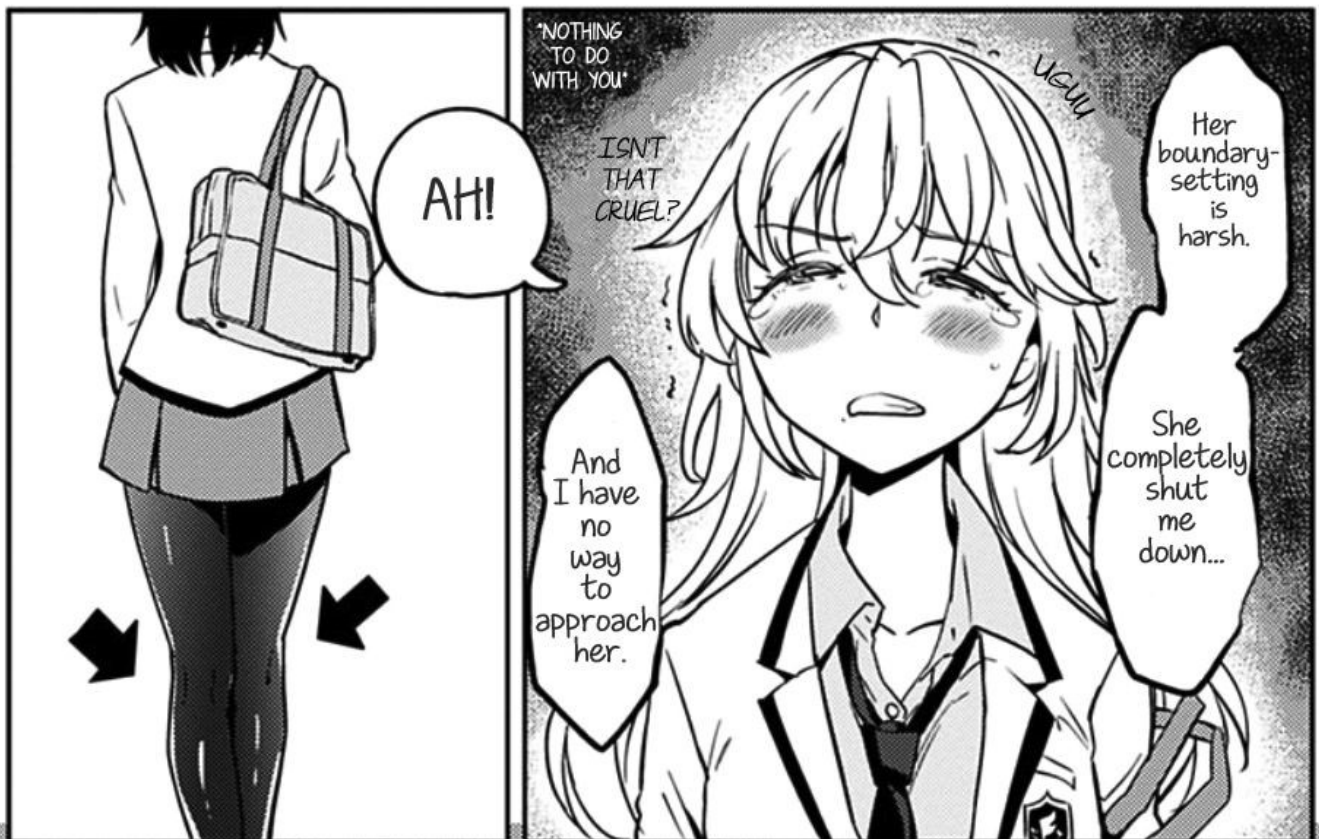

I did
forget
something!
