

So
tasty.

Hm.

...

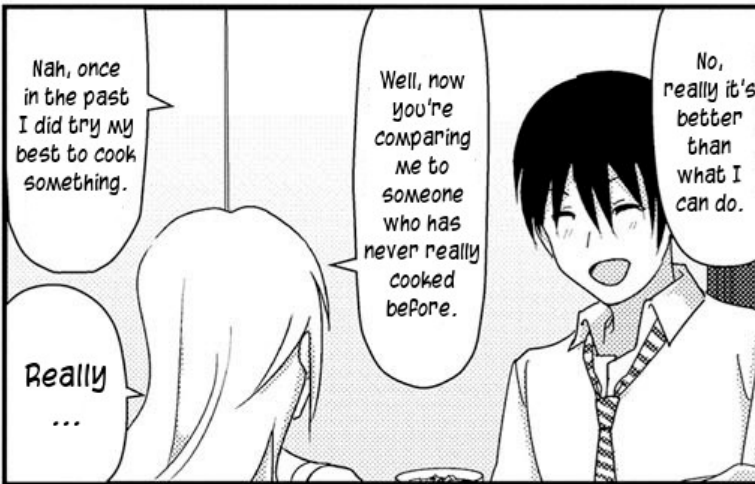

So
tasty.

Uoh

もむ

Nah, once
in the past
I did try my
best to cook
something.

Well, now
you're
comparing
me to
someone
who has
never really
cooked
before.

No,
really it's
better
than
what I
can do.

Really
...

So
tasty.

I got it
already!

コト

The most
valuable
thing is right
here, the
Flavour!

Wahaha,
but your
cooking
really
makes me
feel like
I'm home.

Indeed. And
you've always
been clumsy,
bro.

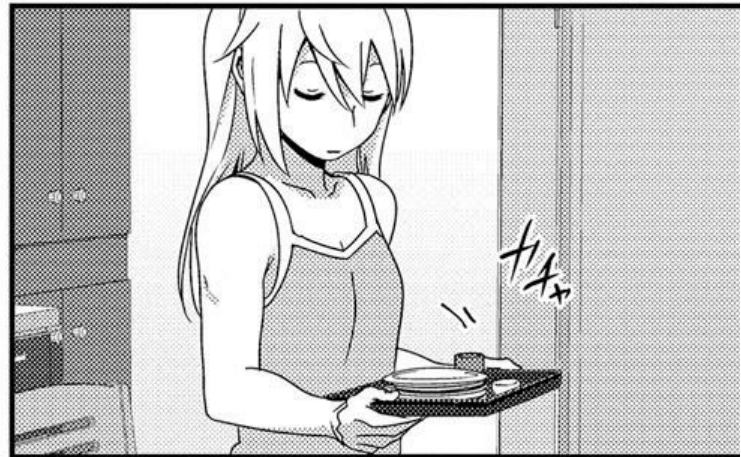

You've
always
been
really
skillful.

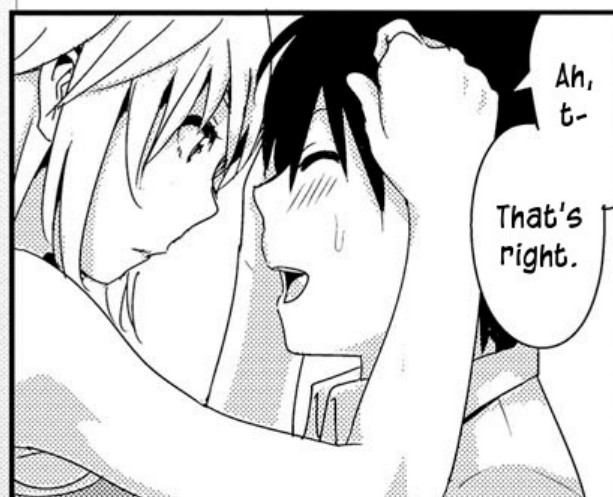

O-
ooh

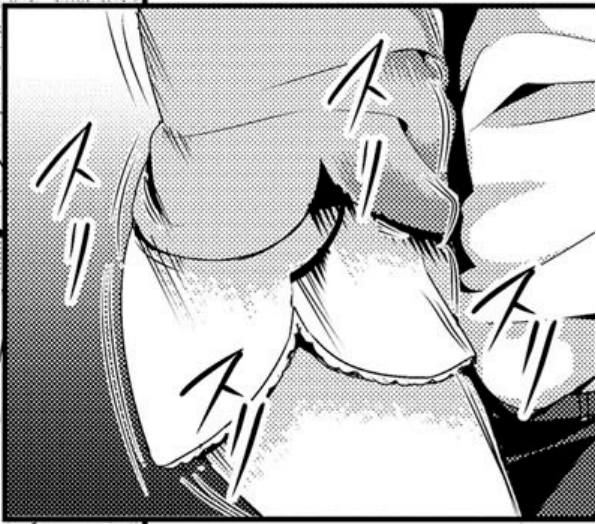

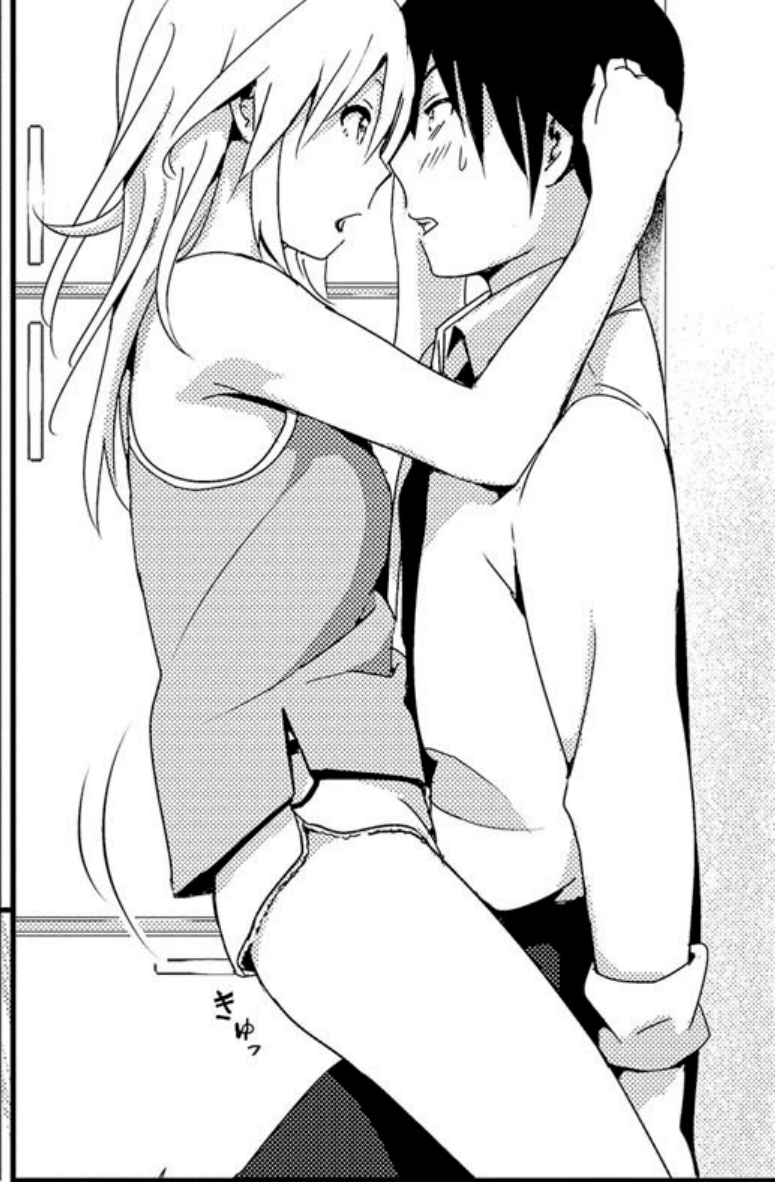

Hey!

Stop talking
and eat up
already!
Cool down!

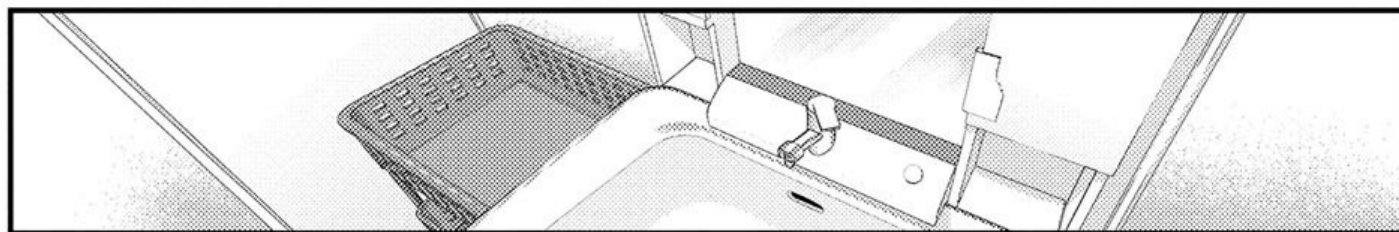

Well then,

Sorry, you expected I would come?

As expected, you came.

!?

N-no ...

Here.

Err, if
you like
it...

AUh
...

Ah...

...

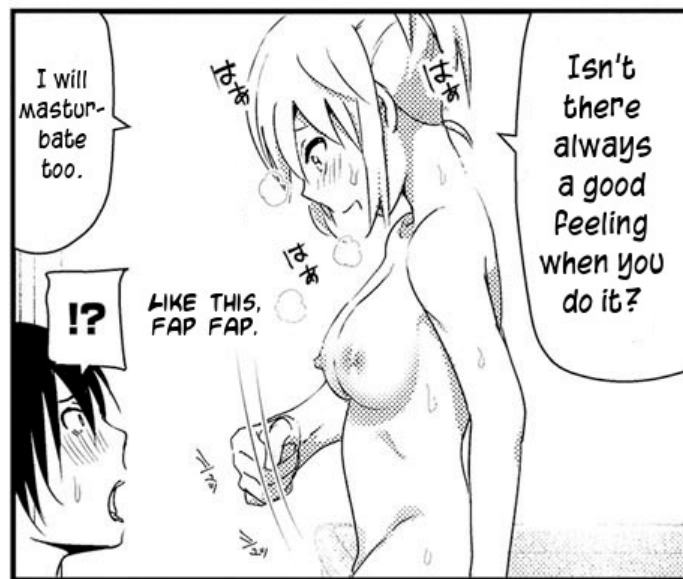

While
you're
looking.

Here,
while
you're
lo...

Mastur-
bate.

Oh!?

You can
masturbate
now.

I will
mastur-
bate
too.

!?

LIKE THIS,
FAP FAP.

Isn't
there
always
a good
feeling
when you
do it?

Look.

Look.

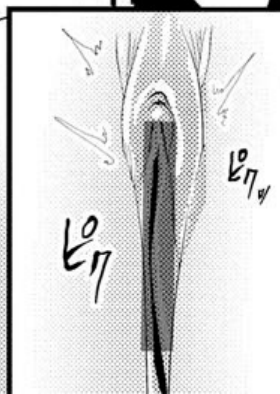

Ah.

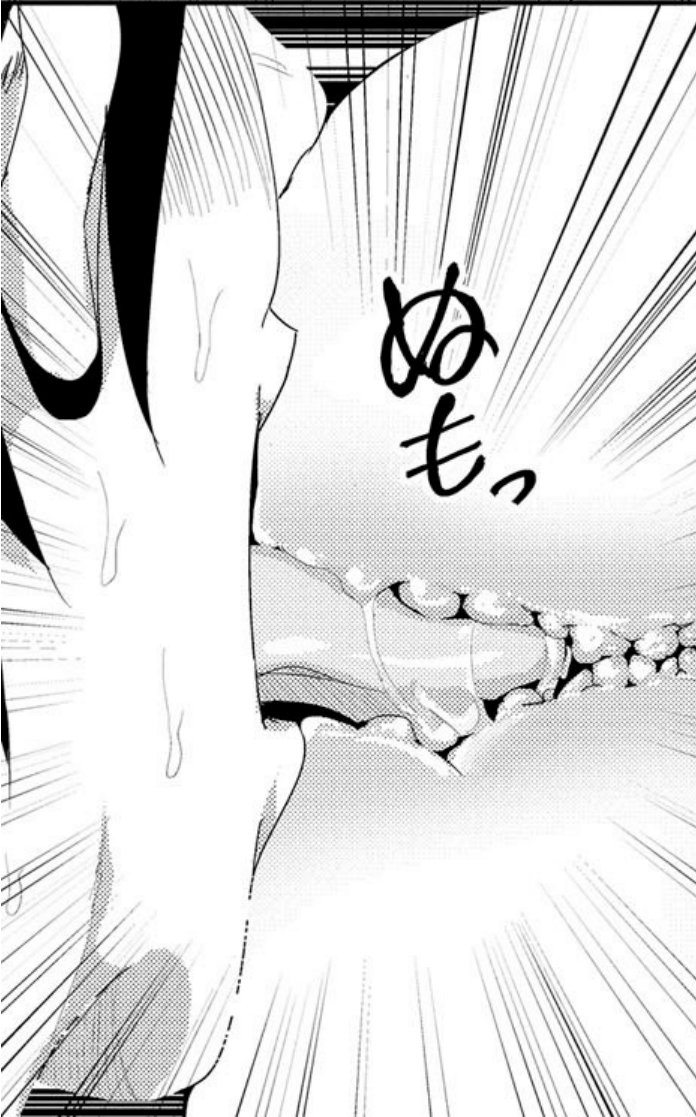

Ah.

Ah.

!

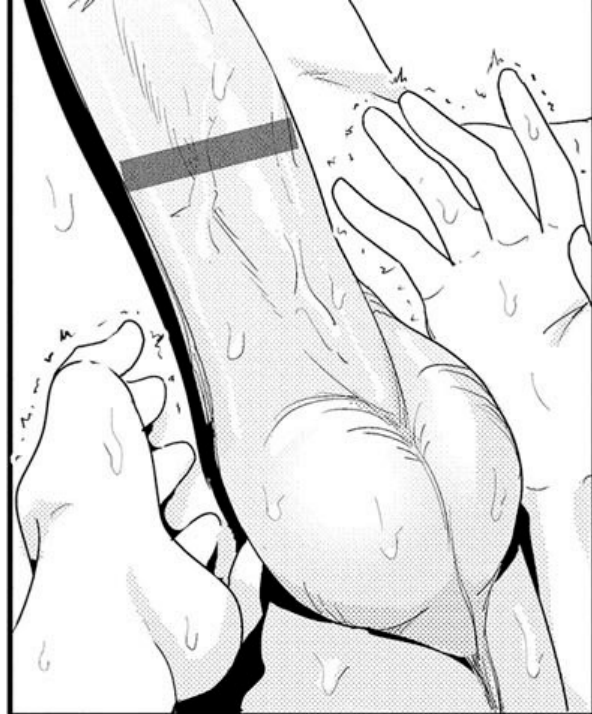

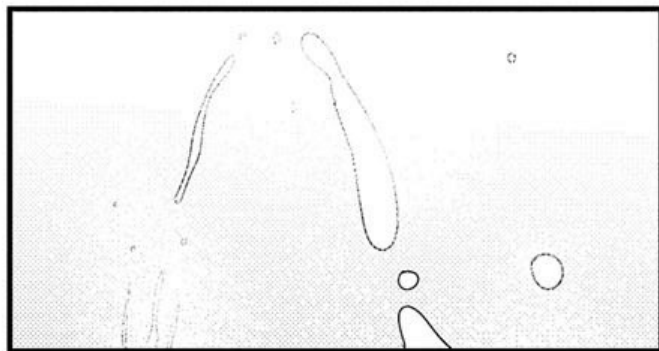

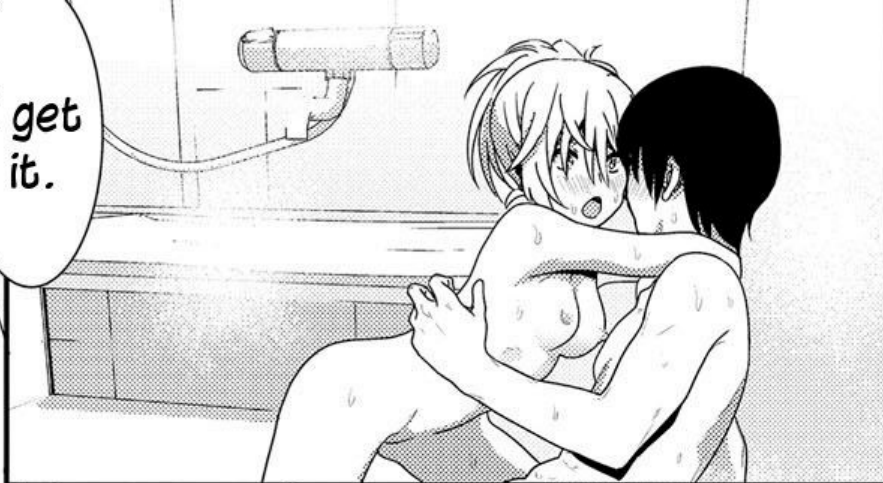

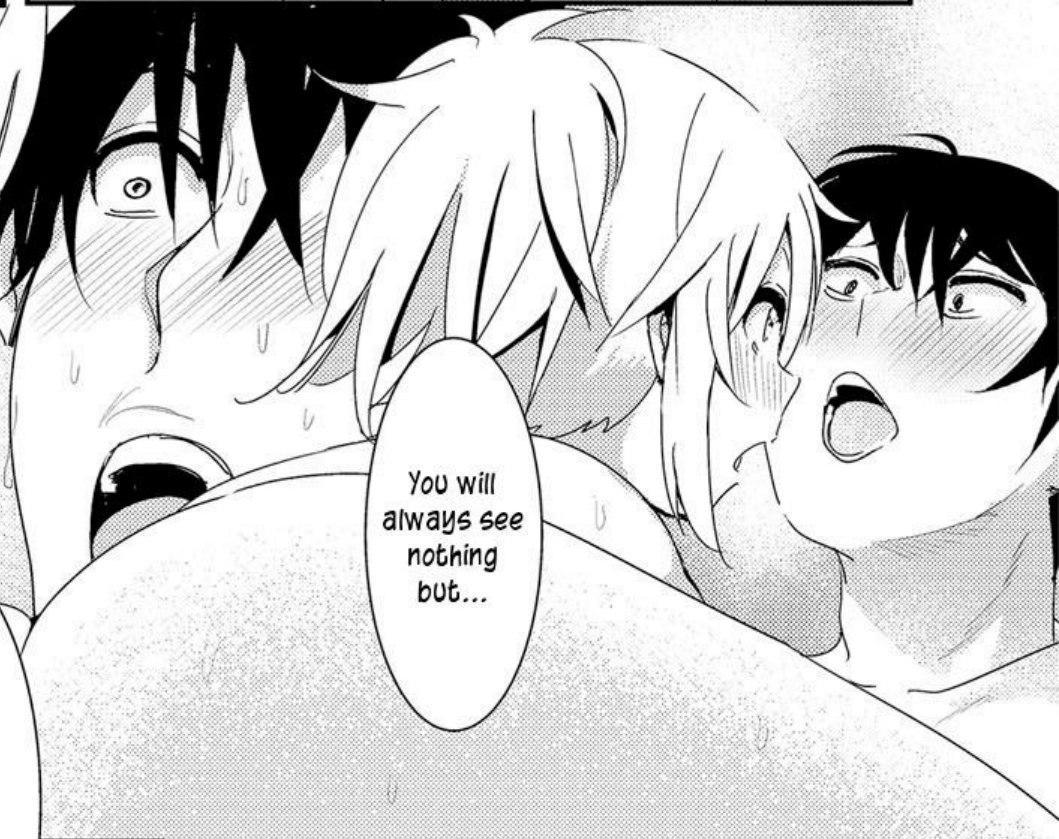

Always.

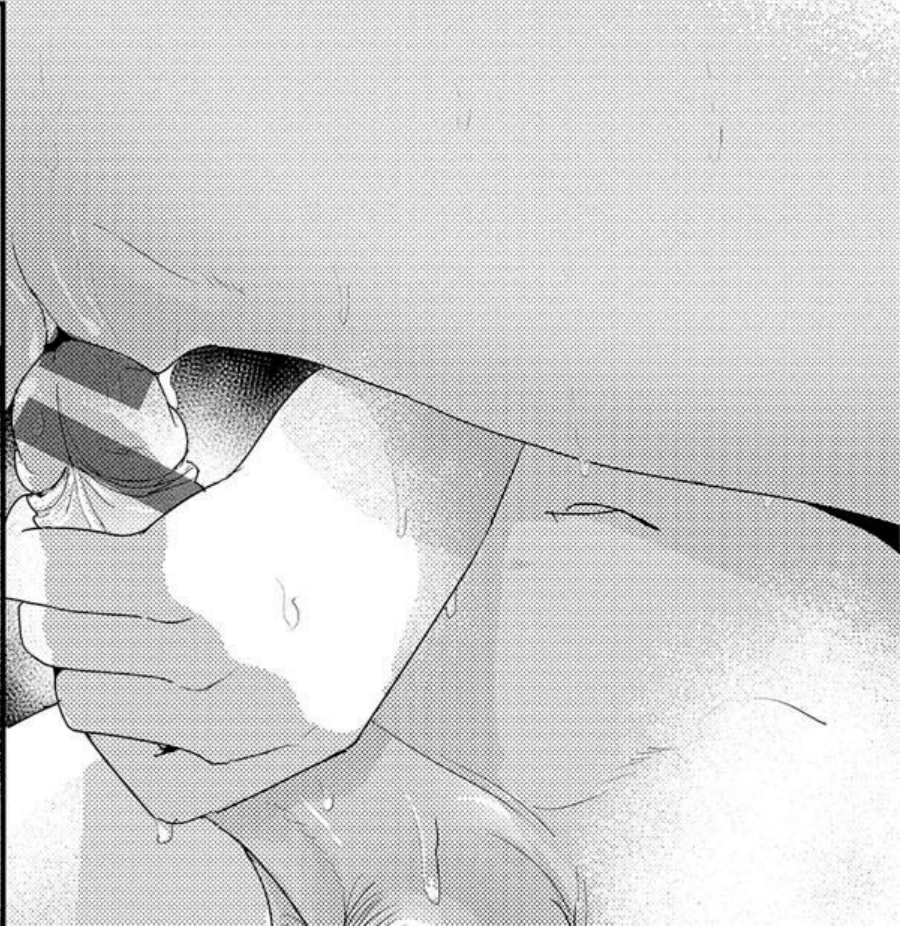

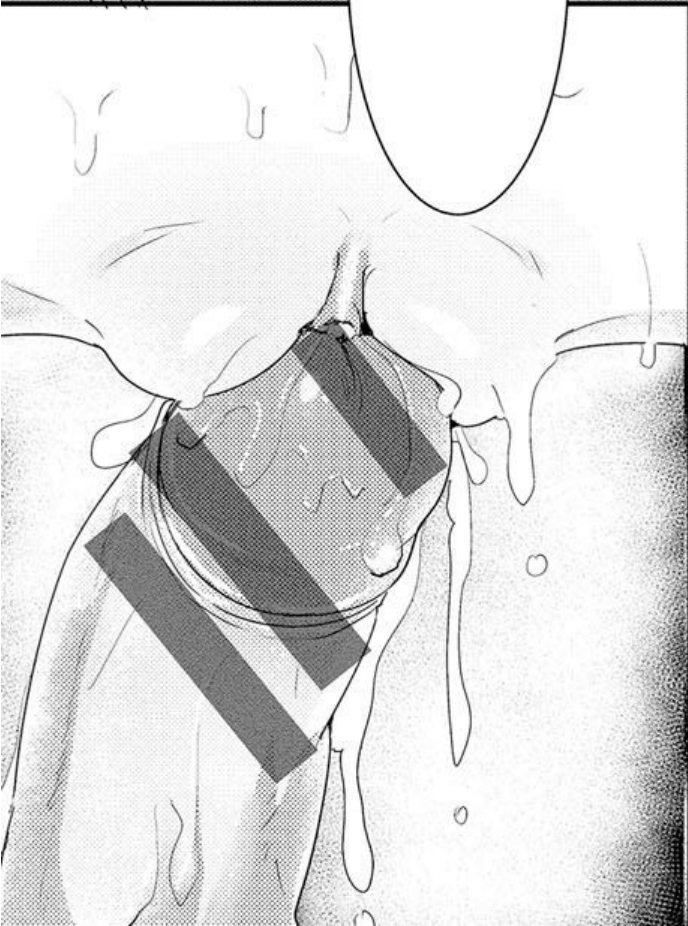

I get it.

Me.

You will
always see
nothing
but...

I'M

...

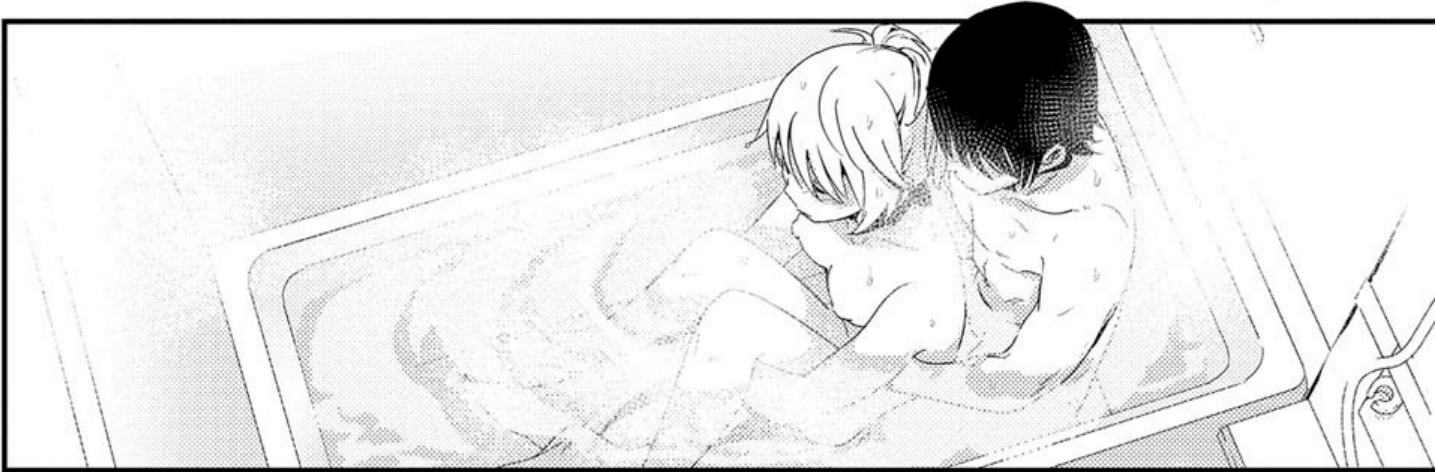

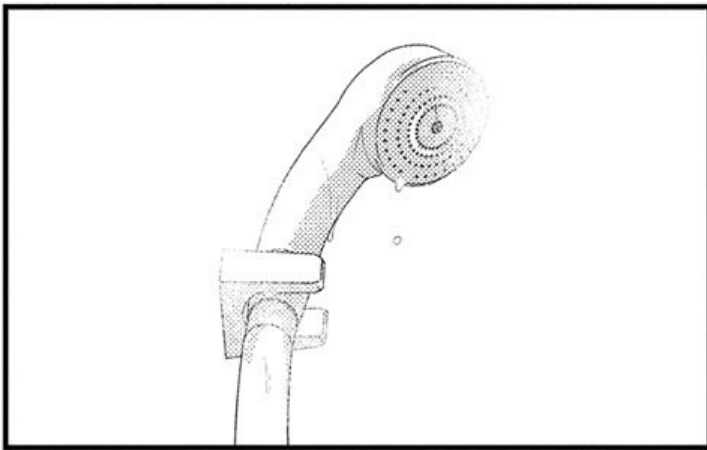

I...

Yeah
...!

Yeah
....!!
