They are my childhood friends who live in the neighboring houses. They used to be nice girls, but people started talking about them when they became high school students.

Even though we didn't talk often, recently we've been going to school together. I felt happy and embarrassed...

Nagisa Kanane

Orihime Seika

Hey, cherry boy! Did you jerk off?

Oh! Good morning, Tomo-kun

He still hasn't noticed. What do we do, Seika?

Huh? Isn't Tomo-kun too innocent?

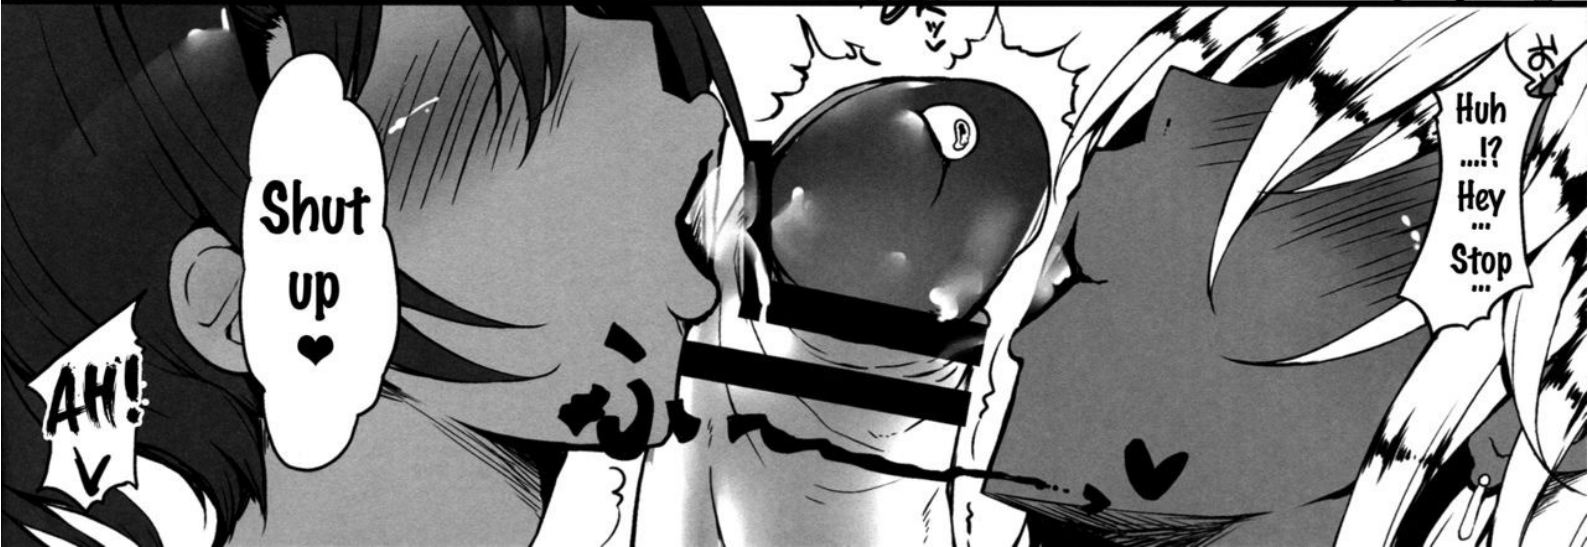

We'll fuck every day

I can't hold back
Let's eat him

Now they are craving sex.

Both of them were dumped.

3 days ago ...

It's an illustration of Seika and Kanae
I drew for character design.
I didn't have enough time and had to cut Seika's part.
If I ever get a chance, I'd like to try drawing it again.
There's a story about the dark-skinned gyaru pervert
starting on the next page. See you next time!
