As popular as ever, I see.

Hiro.

pout

There's so many.

Hiro...

WHAT?  
!!

Hiro. You look so handsome, but you're a total coward on the inside, hmm?

You don't need to be teasing me too, Miss Student Council President.

How do they even know it's my birthday anyway?

You're too kind.

That's why you can't turn them down.

Well, the internet does exist. The prince has many fans, so info gets around fast.

Whoa, the internet is scary!

Mister Prince.

Don't you drag me into that.

Ah ha ha

They call you "Princess" too, you know.

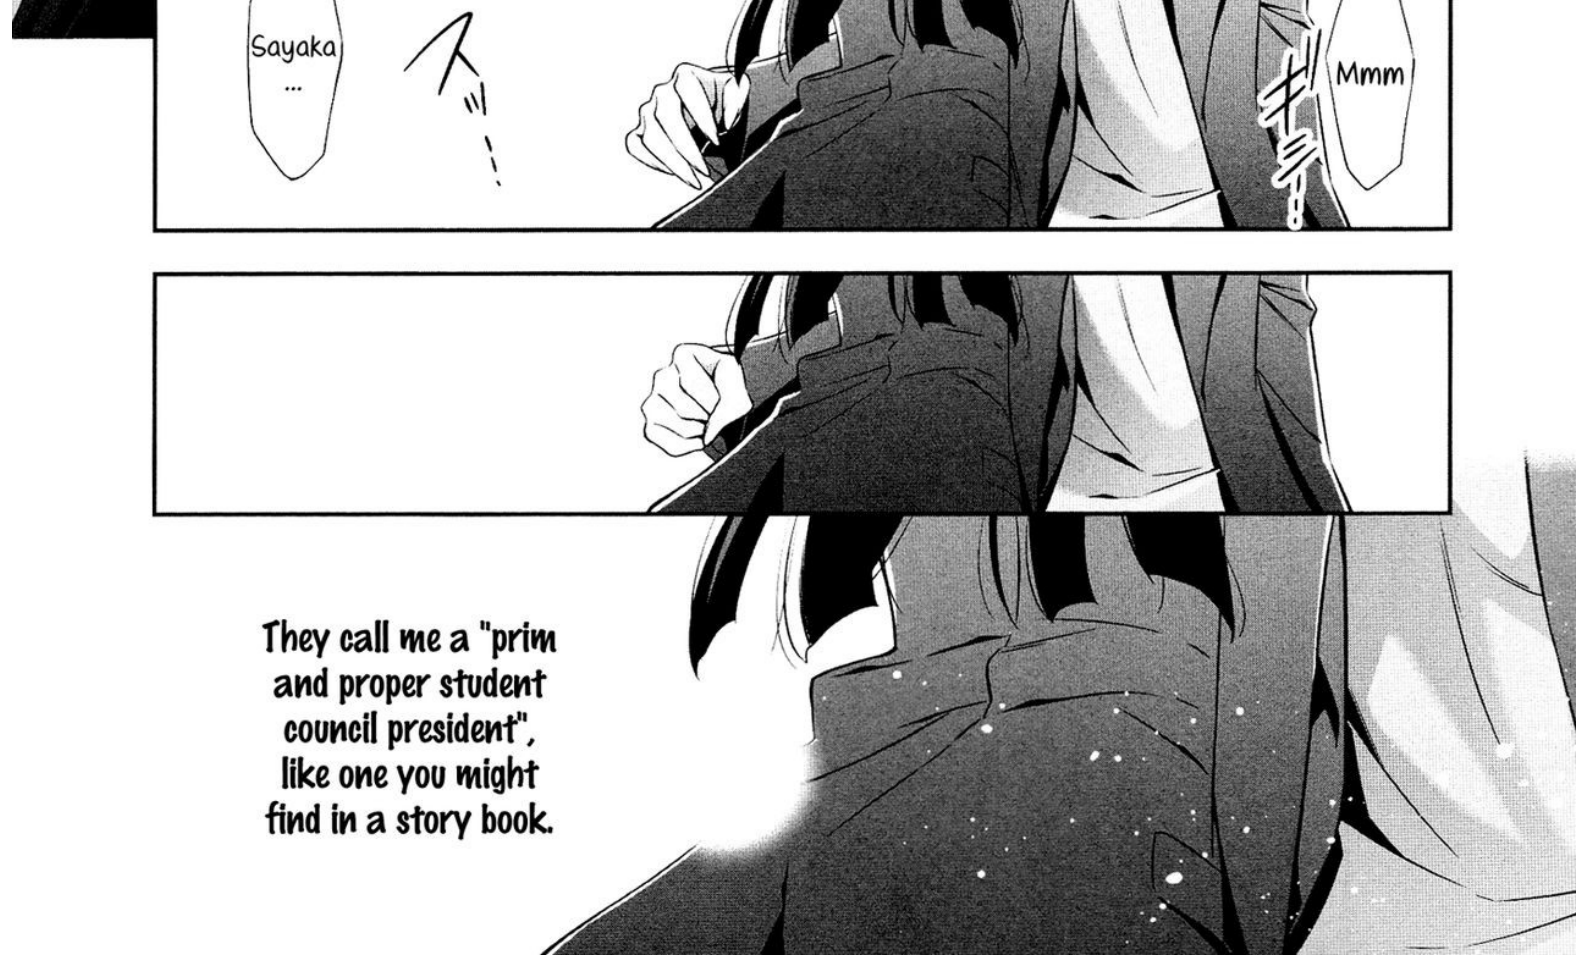

a happy birthday.

I wish you

Sayaka ...

Mmm

They call me a "prim and proper student council president", like one you might find in a story book.

But that's not who I really am.

Sure.

Let's head home.

I once broke that bond we shared.

However,

We've been together since grade school.

Hiro and I are childhood friends.

### Two Years Ago

I told Hiro how I felt about her.

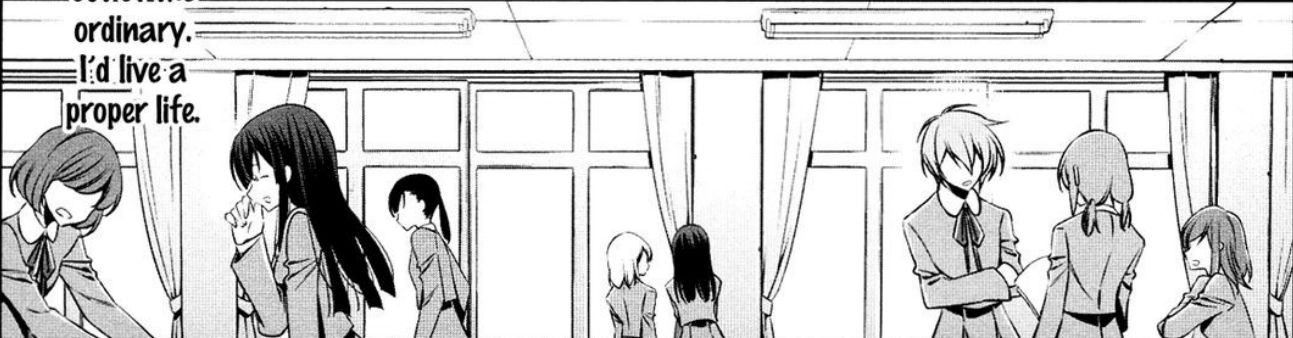

I'm sorry.

get any of that.

I don't really

Ever since that happened, I vowed to not do anything out of the ordinary. I'd live a proper life.

Stupid Sayaka!

Let me go!

At least hear me out!

But...

Graduation Ceremony

I'm trying to tell you that I'm in love with you!

Hiro...

I'm sure I made you feel so lonely all this time.

I'm sorry.

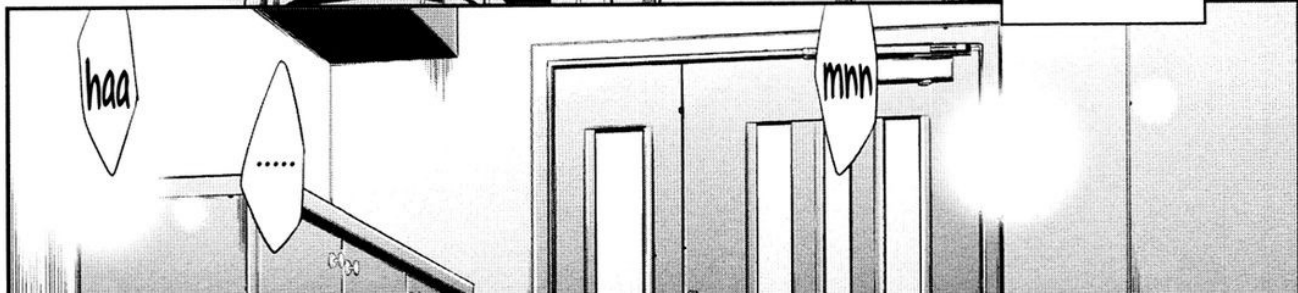

Despite this,

I think what she feels towards her old friend

her feelings for me aren't those of love.

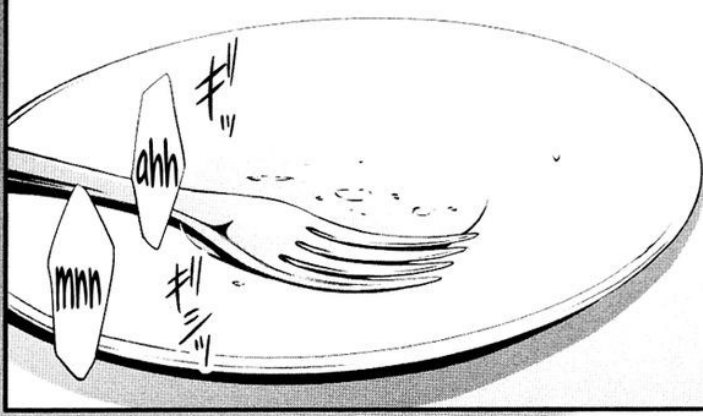

I'm pretty sure

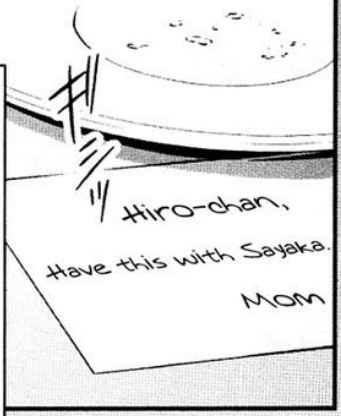

haa

....

mnn

is pity.

That's why...

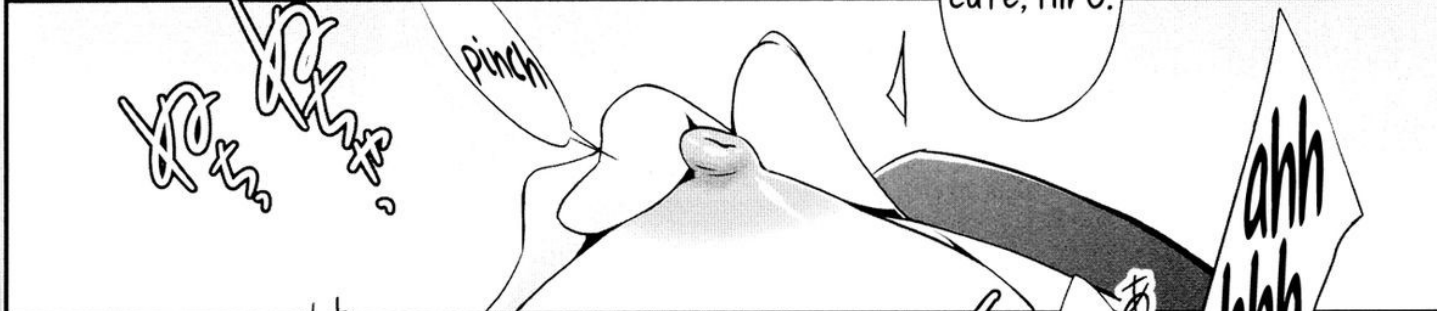

And restraining her.

I'm using my position as her childhood friend.

I'm taking advantage of her kindness.

I'm the one at fault here.

I've caused you pain, too.

I put you through a lot of trouble.

Ever since I fell in love with you,

I still do, even now.

~~I'm sorry.~~

For having you do-

Sorry, Hiro...

You idiot.

Oww!

Stupid Sayaka!

I wouldn't do this to someone I didn't love just because I'm a kind person.

Do you know who I got my favorite present from today?

You're so smart, Sayaka. But why are you so thickheaded when it comes to this? Why are you apologizing to me?

Hiro?

Hiro-

She's the student council president who masquerades as an honor student,

She only tackles the most annoying tasks. Even today, she took care of the student council's busy work all by herself.

She's clever, but also oddly forgetful at times.

She's bright and beautiful, but a total idiot.

ハハア

Ootsuki Sayaka.

HUH?  
!!

You're a coward with nothing but good looks to get by, Hiro!

A-And what do you mean, "masquerading"?

You're one to talk when you barely pass, Hiro!

Eh... huh? You idiot! W-What's with all that?

What? Oh, no... You look great, Hiro. I like you just the way you are.

Huh...

You know... Having such a masculine face actually kind of bothers me...

THAT'S WHAT YOU LOVE, HUH?

I LOVE YOUR FACE SO MUCH!

AND HIRO,

You're kind.

W-Wait, hold up!

Totally obsessed with basketball, and poor with your words.

You're gentle and stylish.

No, dummy. Everything.

I love everything about you so much.

R-Right...

Shuddup, stupid Sayaka.

You big baby.

But you just said a whole bunch of things about me, Hiro.

This is embarrassing.

Lean

Hiro.

I love you so much,

for practically forever.

I've known that...

Dummy.

Your entire face is bright red, though.
