I was taken by my girlfriend to what seemed like a room of a mysterious apartment inside a multipurpose building. And when I opened the door...

Me:
No matter what happens, my feelings will never change!

Thank you... you've made me really happy... do you think I deserve this...? Will you still love me when you find out about the other side of me...?

After this, I've got an appointment for this other business, so I'll give you my reply after I've shown you the real me.

Me:
Let get married!
I'll treasure you for the rest of my life!

Today, I'm finally going to propose to my girlfriend!

She's both smart and beautiful, an excellent cook, and even has a great personality. She's also really sweet when she fawns upon me, and she's my girlfriend who's almost too good for me.

...

This wasn't the end of it.

From here onwards,
it was a rush of
Haruka's martial arts moves
that made me want
to cover my eyes...

Haruka picked up student-kun while
grabbing onto his phimosis cock,
but didn't slam him straight away.
Instead, she shook his body up and
down on the spot to stimulate his sense
of fear while bullying his spine...

After torturing him for a good while,
she appeared satisfied and slammed
him into the mat at once.

He was slammed so hard that
the back of his head sunk into the mat.
At the same time, a dense "rip" noise
was heard, and his masochistic
phimosis cock became circumcised
by my her throwing move...

Haruka locked student-kun in a Cobra Twist,
and then she began to furiously stroke
his cock that was now circumcised.

I was the referee and couldn't do anything,
and as if she was trying to mock me for it,
she grabbed onto his hair and showed off his face
that was distorting from both pleasure and pain...

This is so frustrating...

I was supposed to be feeling extremely jealous,
but for some reason my crotch
was responding to it...

me to perform this move

you backwards even more
than this... I'll perform it
with an even nastier
angle... and knock you out...

Now it was a Camel Clutch.
The backwards bend was so nasty,
and it could easily destroy a man with a stiff body.
Even I could hear the sounds of his spine creaking.

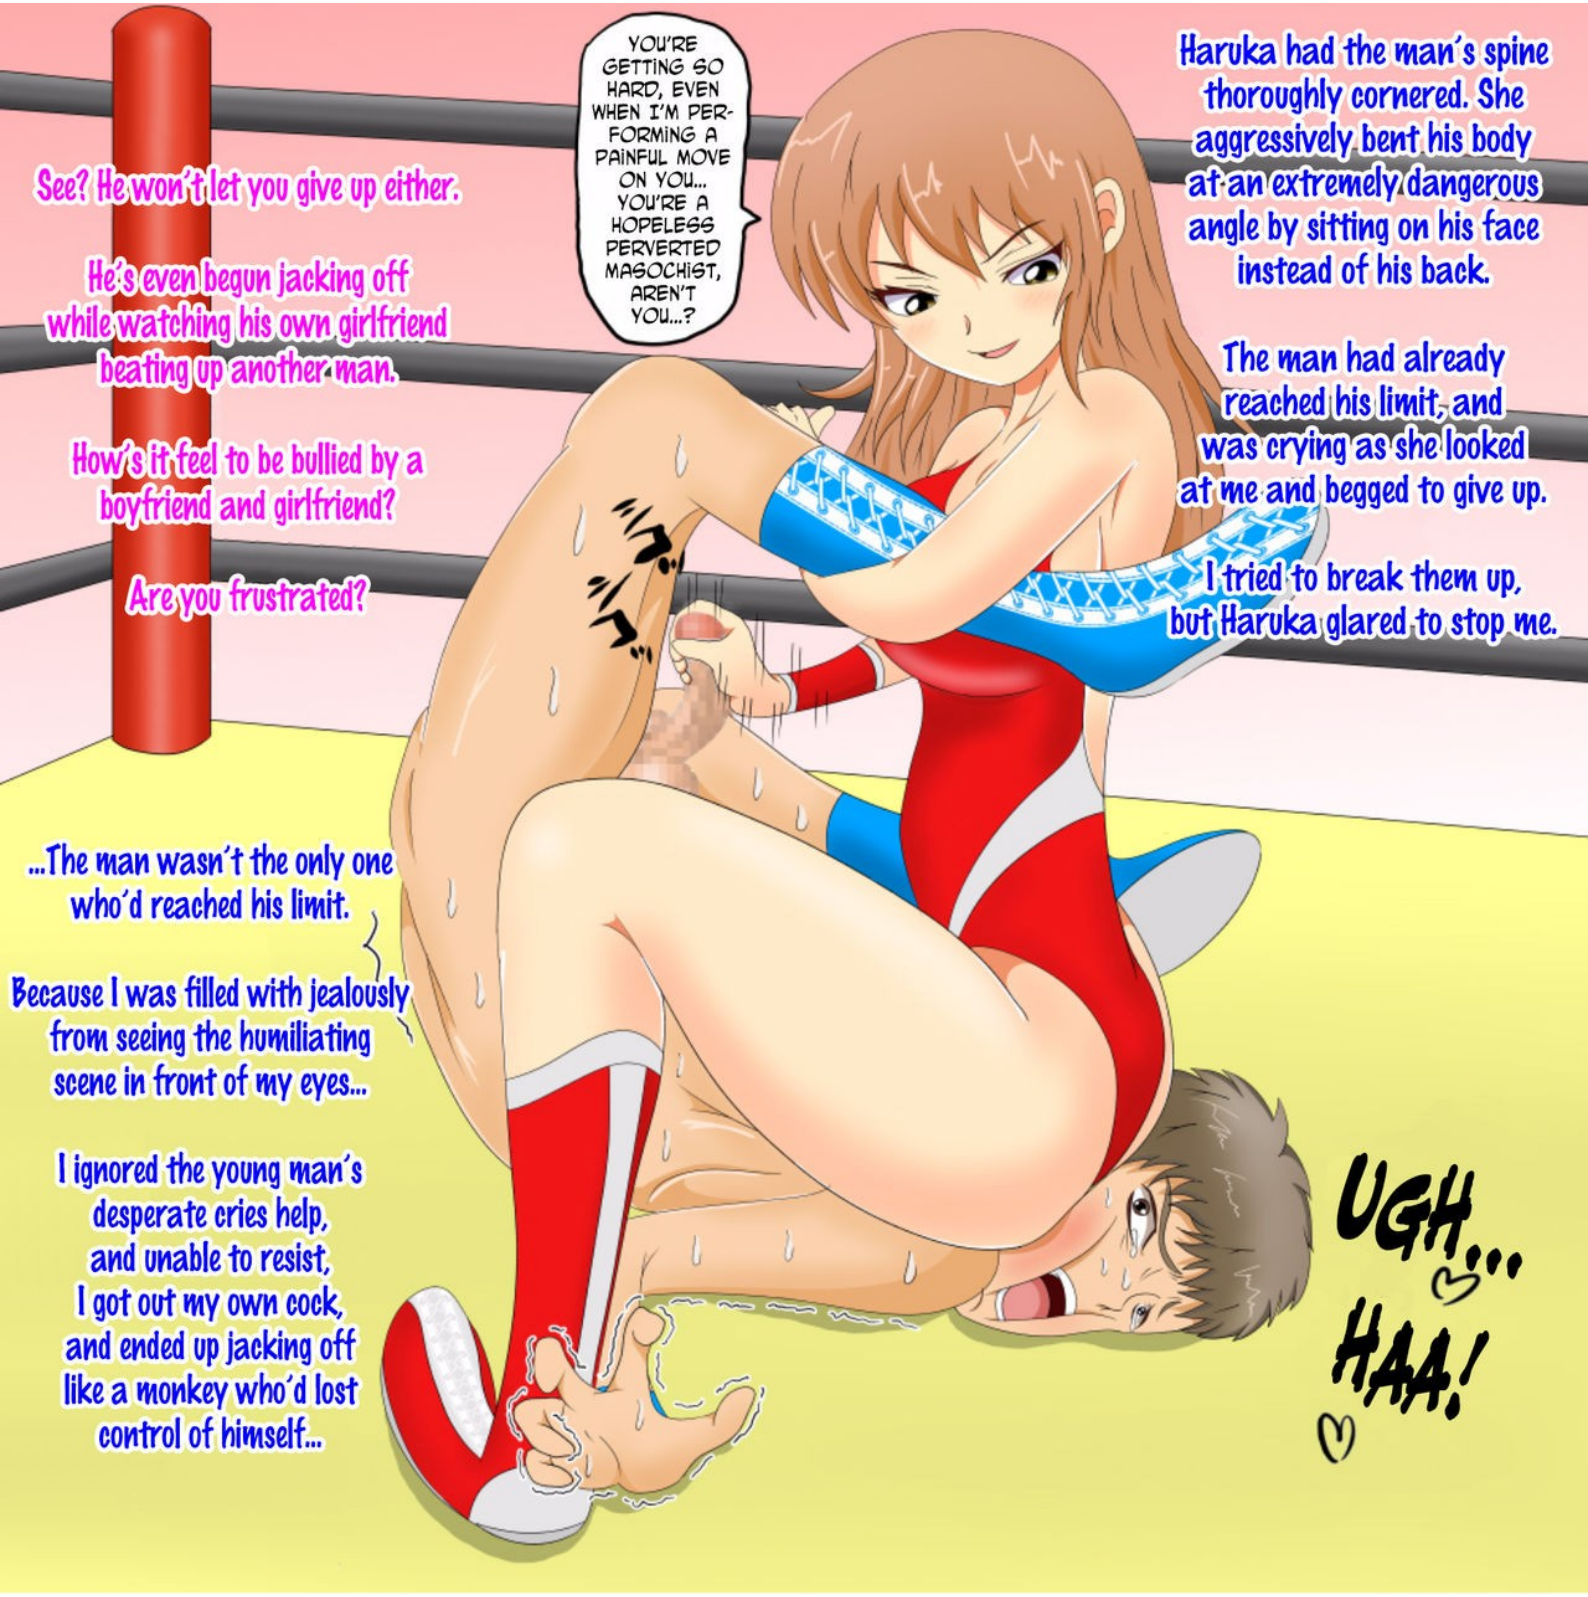

As expected, the man couldn't endure it,
and he immediately tried to verbally give himself up.
But Haruka covered up his mouth and wouldn't let him.
At the same time, she fondled his nipples
like she was toying with him...
where did she learn about this...?

Haruka moved her waist back and forth
as she ground the man's cock against the mat,
and guided him towards cumming with forced
floor masturbation while keeping him pinned.

Please stop now...
I shouldn't want to see my own girlfriend
raping another man before my eyes...

すりっ

YOU'RE GETTING SO HARD, EVEN WHEN I'M PERFORMING A PAINFUL MOVE ON YOU... YOU'RE A HOPELESS PERVERTED MASOCHIST, AREN'T YOU...?

Haruka had the man's spine thoroughly cornered. She aggressively bent his body at an extremely dangerous angle by sitting on his face instead of his back.

The man had already reached his limit, and was crying as she looked at me and begged to give up.

I tried to break them up, but Haruka glared to stop me.

UGH...
HAA!
♡

See? He won't let you give up either.

He's even begun jacking off while watching his own girlfriend beating up another man.

How's it feel to be bullied by a boyfriend and girlfriend?

Are you frustrated?

...The man wasn't the only one who'd reached his limit.

Because I was filled with jealousy from seeing the humiliating scene in front of my eyes...

I ignored the young man's desperate cries help, and unable to resist, I got out my own cock, and ended up jacking off like a monkey who'd lost control of himself...

FUCKER,
DON'T

YOUR DIRTY
CUM ONTO
THIS YOUNG

THIGHS!

Haruka hung the man's body on the ropes upside down as if she was going into the finishing move. She then began to stroke his cock extremely aggressively while sitting on his face and showing off his swimsuit like she was trying to provoke me. She did this while looking down at him with a frighteningly cold expression...

And then in the next moment... the man outrageously reached climax.

The young man's cum rained onto my precious girlfriend's thighs...

AH!

You're so weak...

Was it really worth hiding that tiny cock with this piece of cloth? If you're disappointed, then try and get it off me by force!

You've been beaten up by a girl and have cum dripping from your cock. You're so pathetic...

Once Haruka confirmed that the man had reached orgasm, she kicked him while leaning on the ropes and flaunting the swimsuit that she took from him.

I had never seen my girlfriend make a mischievous expression like that before.
