A black and white manga panel showing two young men sitting on a ledge at night. The man on the left is wearing a dark jacket and looking towards the right. The man on the right is wearing a light-colored hoodie and looking away. The background is dark with some light reflecting off the ledge and the wall behind them.

I still

Hello, Everyone.

This Manga is retranslated from Korean, and I'm not the native English speaker, it could be mistranslated. At most of all, Grammar may be shit.

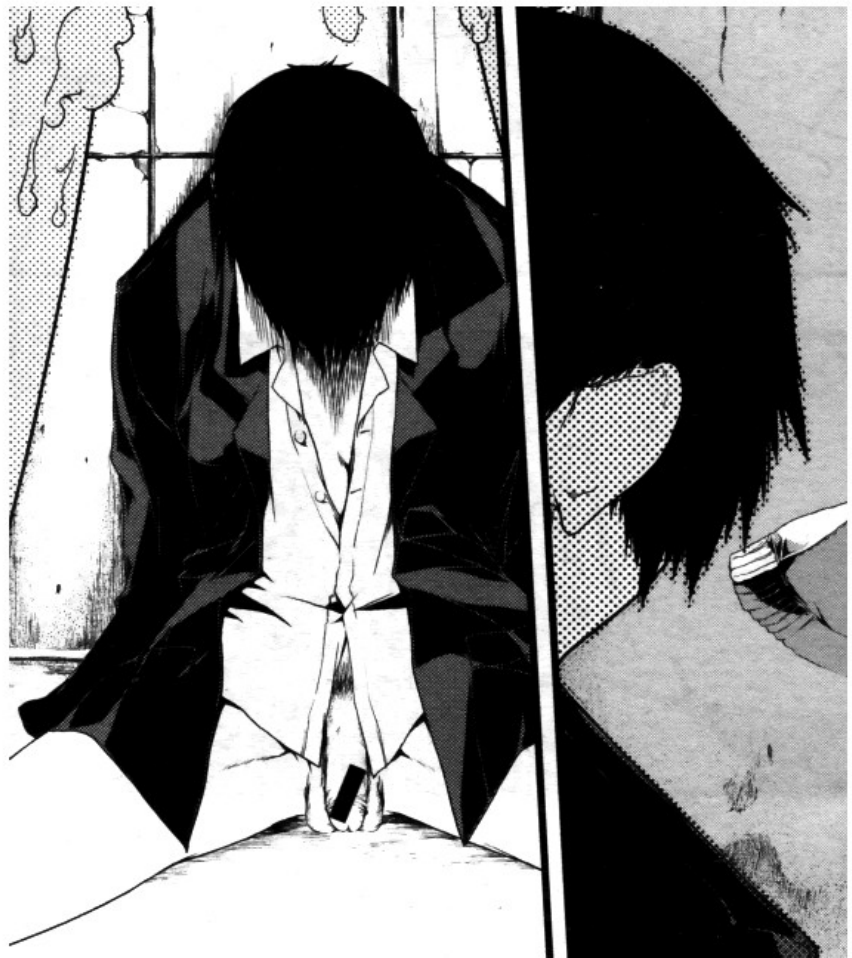

Although I'm not used to translate in English, the reason why I translated this one is because I want to introduce this manga.

It has been 6 years first updated on the internet, but no translated version was uploaded until 2017.

It was sad for me this masterpiece is hidden so I decide to translate it into English.

I hope somebody translated this from original work with more fine results.

So, it was asda speaking.

P.S. Justice.
