■ Afterword ■

Nice to meet you!

And for those of you who aren't new, thank you as always. Tsuttsu here.

The last BOOK of the year ended up BEING my ninth original BOOK. It tells the story of what happened a day before the eighth BOOK, "Sis-Pee!"

As the title suggests, the theme is pee + live show.

Sex shows (real time ones) are good. Yeah, they are. Real good. I tried conveying the wonderfulness of a live show through my drawing, how do you think it went?

I gave a shot to having three characters so that I could draw both the "watching side" and the "Broadcasting side". I'm glad I managed to pull it off (was this the first time?).

The next time I draw, should I make a sequel to "Sis-Pee!", include the little sister Kanna, and have a live show with all three of them (threesome)...? (I have an illustration of it on the next page.)

Now then, it's about the next event, but I plan on putting something out for comitia 115 next year. However, my computer unfortunately died a day before I was going to send out this BOOK, so I honestly don't know if I will be able to put out a new BOOK (I'm writing this afterword from my old PC).

Well anyway, I'll let you know how things go on my BLOG and twitter. See you then!

Onii-san... Does it feel good...?
