Where am I...?

チャイナ・ガールズ

Just as I thought.

after inspecting his belongings, I was able to confirm that this Japanese man was travelling alone.

Shaolin-sama,

Eh?... Who is it...?
Kidnaping...!? Ohh right, I was forced into a car on the street and abducted.

BE
QUIET
!!

What
should
we
do?

Hm?

Seems
like
this
guy
is
awake.

Ain't that
obvious?
We will do
what we
always do,
hold an
auction
and sell
him off.

!?

We are
discussing
some very
important
things
here so-

I'll
teach
you
who we
are.

Fufuu,
does it
hurt?

because the human auction you are going to afterwards specializes in masochists.

However, to make a human worth selling, it's important to train them like this

We are human traffickers of the Chinese Mafia.

Well, not that anything you try now would have any effect.

Meaning that people who do not oppose their master are better.

In short, from now on, you will be trained to be submissive and a masochist because they're in demand at the moment.

Remove the shackles on his ankles so he can move!

Iso!

Yes, ma'am.

If I don't escape-

This is bad... What should I do...?

Human Auction

Auction!?

カチャ カチャ

I even warned you, what an idiot.

There's no way you would be able to escape with your eyes covered like that, right?

Do you know what this sound is?

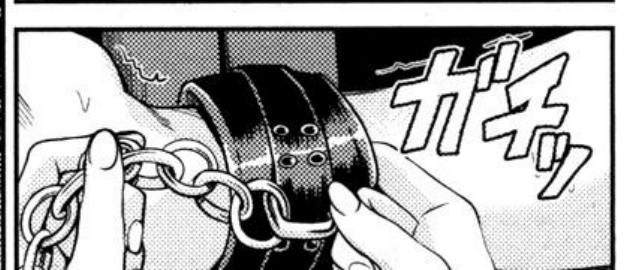

Iso, prepare "that item".

Understood, Shaolin-sama.

It's a high voltage stun gun.

I'll let your body experience it first-hand whenever you anger me.

W-what?

Let's see if his prostate gland is working as it should.

Uua
ahh...
There's
a finger
in my
ass...

The preparations are finished.

We even cleaned him while he was asleep.

Well then, I'll start with his ass.

because I won't hesitate to push my fingers in as far as I can anyway.

It's pointless for you to struggle

It's kinda painful right now, but it'll start feeling good soon.

If we tease this part, any man would get hard, wouldn't they?

Look, he got hard.

We will both put our fingers in without mercy

and then violently double penetrate him!

Iso!

I will help too.

Well... should we start over here as well?

In that case, we should increase the number of fingers we put in.

This certainly increases his value as a product.

It should be stretched enough to easily insert a dildo now.

Hey, don't just start talking.

Please... help me...

Fwoh

AH!

Do you know what this is? It's a man-made cock.

We will now start training on giving blowjobs!

This is...

It was to make you suck on this.

We didn't remove the gag for you to start talking.

I'll use my stun gun if you don't open your mouth, you know?

Even if you make a face like that,

Open your mouth.

I'm putting it in~

MMPL!

since I'll be fucking your ass with it.

If you don't make it wet now, you will have a painful time later on,

I'll ram it in without mercy.

Here, is it tasty?

Urg
ghh...
This
hurts...!

Don't worry, you will get used to this size pretty quickly.

I was waiting for that.

It started to loosen up.

Shaolin-sama, is it okay to put it in here as well?

UAH!

With that reaction, we won't be able to fetch a high price when we sell you.

The only thing you can do is quickly remember the pleasant feeling of being fucked in the ass.

P-please stop it.

It looks quite painful even though I haven't even started moving for real.

It's a little thick, but there's no point in resisting it.

You've gotta start acting like you love anal.

ゲルチュニッ

UAAAH

Pull it out!

I won't.

You have to endure it even if it's painful.

Stop... Pull it out...

Shaolin-sama,

I want to tease this guy too.

I must say that I really love your painful expression.

I'm gonna start moving more.

He's still not used to giving a blowjob, is he?

I'm going to train his mouth.

UUAH

I'll teach you how until you can do it with a smile on your face.

Don't you know how to give a proper blowjob?

You have to happily slurp on your buyer's thing, got it?

Even though I don't want to lick this thing...

Stick your tongue out and lick the tip.

That's right.

You should make more noise when you suck on it to show that you feel flattered you were sold off.

If you can do it properly, I'll start going easy on you.

MM-MNN!!

I'll also go all out.

We've got no choice but to thrust it in more often and make him obedient, right?

He wasn't able to do it right...

ブルブル
COUGH

Jeez, stop resisting!

ワァ
ワァ
ワァ
ワァ
!!!

Let's try all sorts of sex positions.

This one is bigger than the previous one.

ウウ

We won't stop even if you cry.

I'll hold him down so you can thrust it into his throat.

You are quite troublesome.

I can't breathe...

MN PU !!!

Are you aroused? Does it feel good?

Haha, looks like you are really suffering, but you got an incredible boner.

I'm cumming....!

Uuhh...
They're doing such horrible things to me and yet-

Are you cumming even though your cock isn't even being touched?

I'm cumming from having my ass fucked!

MEU GUH!!

クッ

He came without any problems.

Haha. ♥
You came a lot.

クッ

It's finally over...

!?

What are you doing? It's not over yet.

These girls aren't satisfied yet.

We're not the only ones who want to train you.

Hiiii I want this to stop!!

Behave yourself, won't ya~?

We won't be giving your asshole any time to rest.

Should we see how long he can resist against this many people?

It has to be injected into a sensitive spot to take effect.

Moreover, his amount of semen, his desire to cum, and his lust in general, will be amplified tenfold.

Then all we gotta do is wake him up.

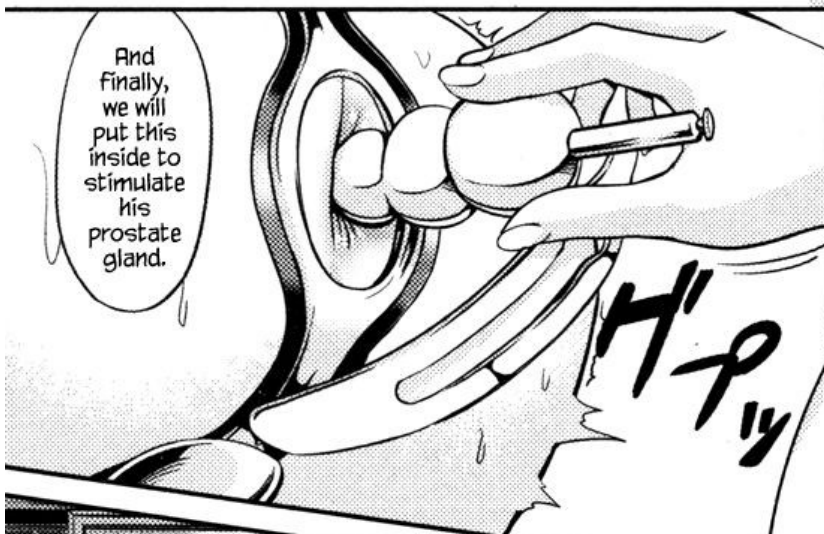

My family's aphrodisiac should do the trick.

so he won't be able to get a boner...

We should make him wear this as well

And finally, we will put this inside to stimulate his prostate gland.

Let's come back after enough time has passed.

We will keep him restrained like this until the drug takes effect.

SHUT

What's that drug?

It feels like I'm about to cum, I want to cum...

I've lost track of time...

How long has it been since I was left like this...?

You were hoping to have a lot of cruel things done to you, didn't ya?

What do you think will happen if I pull this out in one go?

Have you been able to bear the teasing?

How do you feel?

I want to jerk off.

Hurry up... and release me from these shackles!

I'm pulling it out!
Your training will resume now!

Do your balls hurt?

This place has to be trained too.

I bet this guy wants his ass to be messed with and fucked pretty badly, but that's no good.

But you're in pain here as well, ain't ya?

FUH

FUH

UUH

He really wants to cum, huh...? His cock is twitching like crazy.

MNG

MNN

If you want to release your pent-up cum and feel refreshed,

you should make use of that tongue and lick me.

C'mon,
cum!

Since
you're this
pent up,
the
amount
you
release
will be
amazing.

The day
of the

is in perfect
condition.

A

trained,

man.

Moreover,
as you can see,

grip his balls,
he won't make
a sound!
