

This person is Mira-san. Ever since she took my freeloader self into her house, she's been like a mother to me. But now...

Are you ready to accept your punishment for being late?

Hey, Tsubakihara-kun...

But Mira-san, that's cause-

You mean "Senpai", right?

UG... UGH!

The beautiful MILF is sometimes A Sadistic Senpai!?

What's this right here?

It'd be such a waste to ruin this rare school kid mood, wouldn't it?

Be-because Senpai has been stroking... Nghuh?!
