ACT 3
**SLAVE
TRAP**

所帯庵
SHOTAIAN

During your training you're going to wear this suit all the time.

Got it?

Yes...

All right.

Raise your butt higher...

Let's check your asspussy.

AH...

It feels surprisingly loose.

What's this?

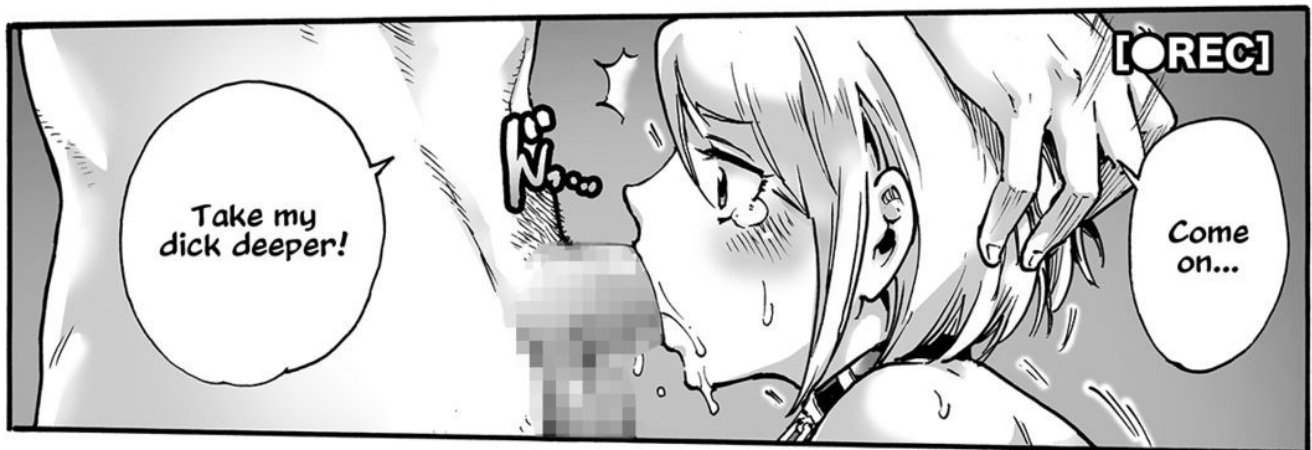

And how many cocks had drilled this hole?

Good.

Now give me your hands.

I've...

...finished dressing...

[OREC]

AAH...

Hmm...

KHA

OOH

KHE

Well?
How do
you like
your first
sperm
load?

Is it tasty?

It means
that you
are a
masochistic
pervert...

You've
got such
a boner
after I
fucked
your
throat.

Yes...

Do you
want
to try
something
even
better?

If you
do, beg it
yourself.

My... my ass...
I beg you...

Master,
please,
plunge my
ass with
your cock!..

[OREG]

Ugh...

I'm going to cum soon!..

AAH...

AAH

Rah...

You fucked me so hard...

Yes...

You're so big, master...

Ha

Ha

Ha

くた...

Ah

Ugh...

Ha-ha... now that what I call a sensitive pussy...

You've just had a prostate orgasm, didn't you?

in my entire life...

It was the best sex...

No!

It's just...

かば

!!!

...

Best sex in your life, you say?..

How dare you lie to your master?!

Didn't you say it was your first time?..

[OREC]

[OREC]

Spare your excuses.

I'm already sick of them...

ヤア...

You...

You're wrong!

It's...

I'm not...

フ...

Stop
that
fidget!

To think
you could
fit my fist
so easily...

Take
this!

NGH

It seems,
you're
ten times
sluttier than
I thought,
bitch.

NGH!

NGH

NGH

Come on!
Come on!
Come on!

Cum as
hard as
you can!

[OREC]

This will teach you not to lie to your master.

Understood?!

...It's not over yet.

I shall continue this...

until not even a single drip of sperm is left within you.

Hmm?

It's just me, or you're really making a happy face?..

Damn it.

It's no longer a punishment. Rather, it's a reward?..

Fin.

I have to wear this EXTRA THICC anal plug, so master would always be able to insert his dick inside me.

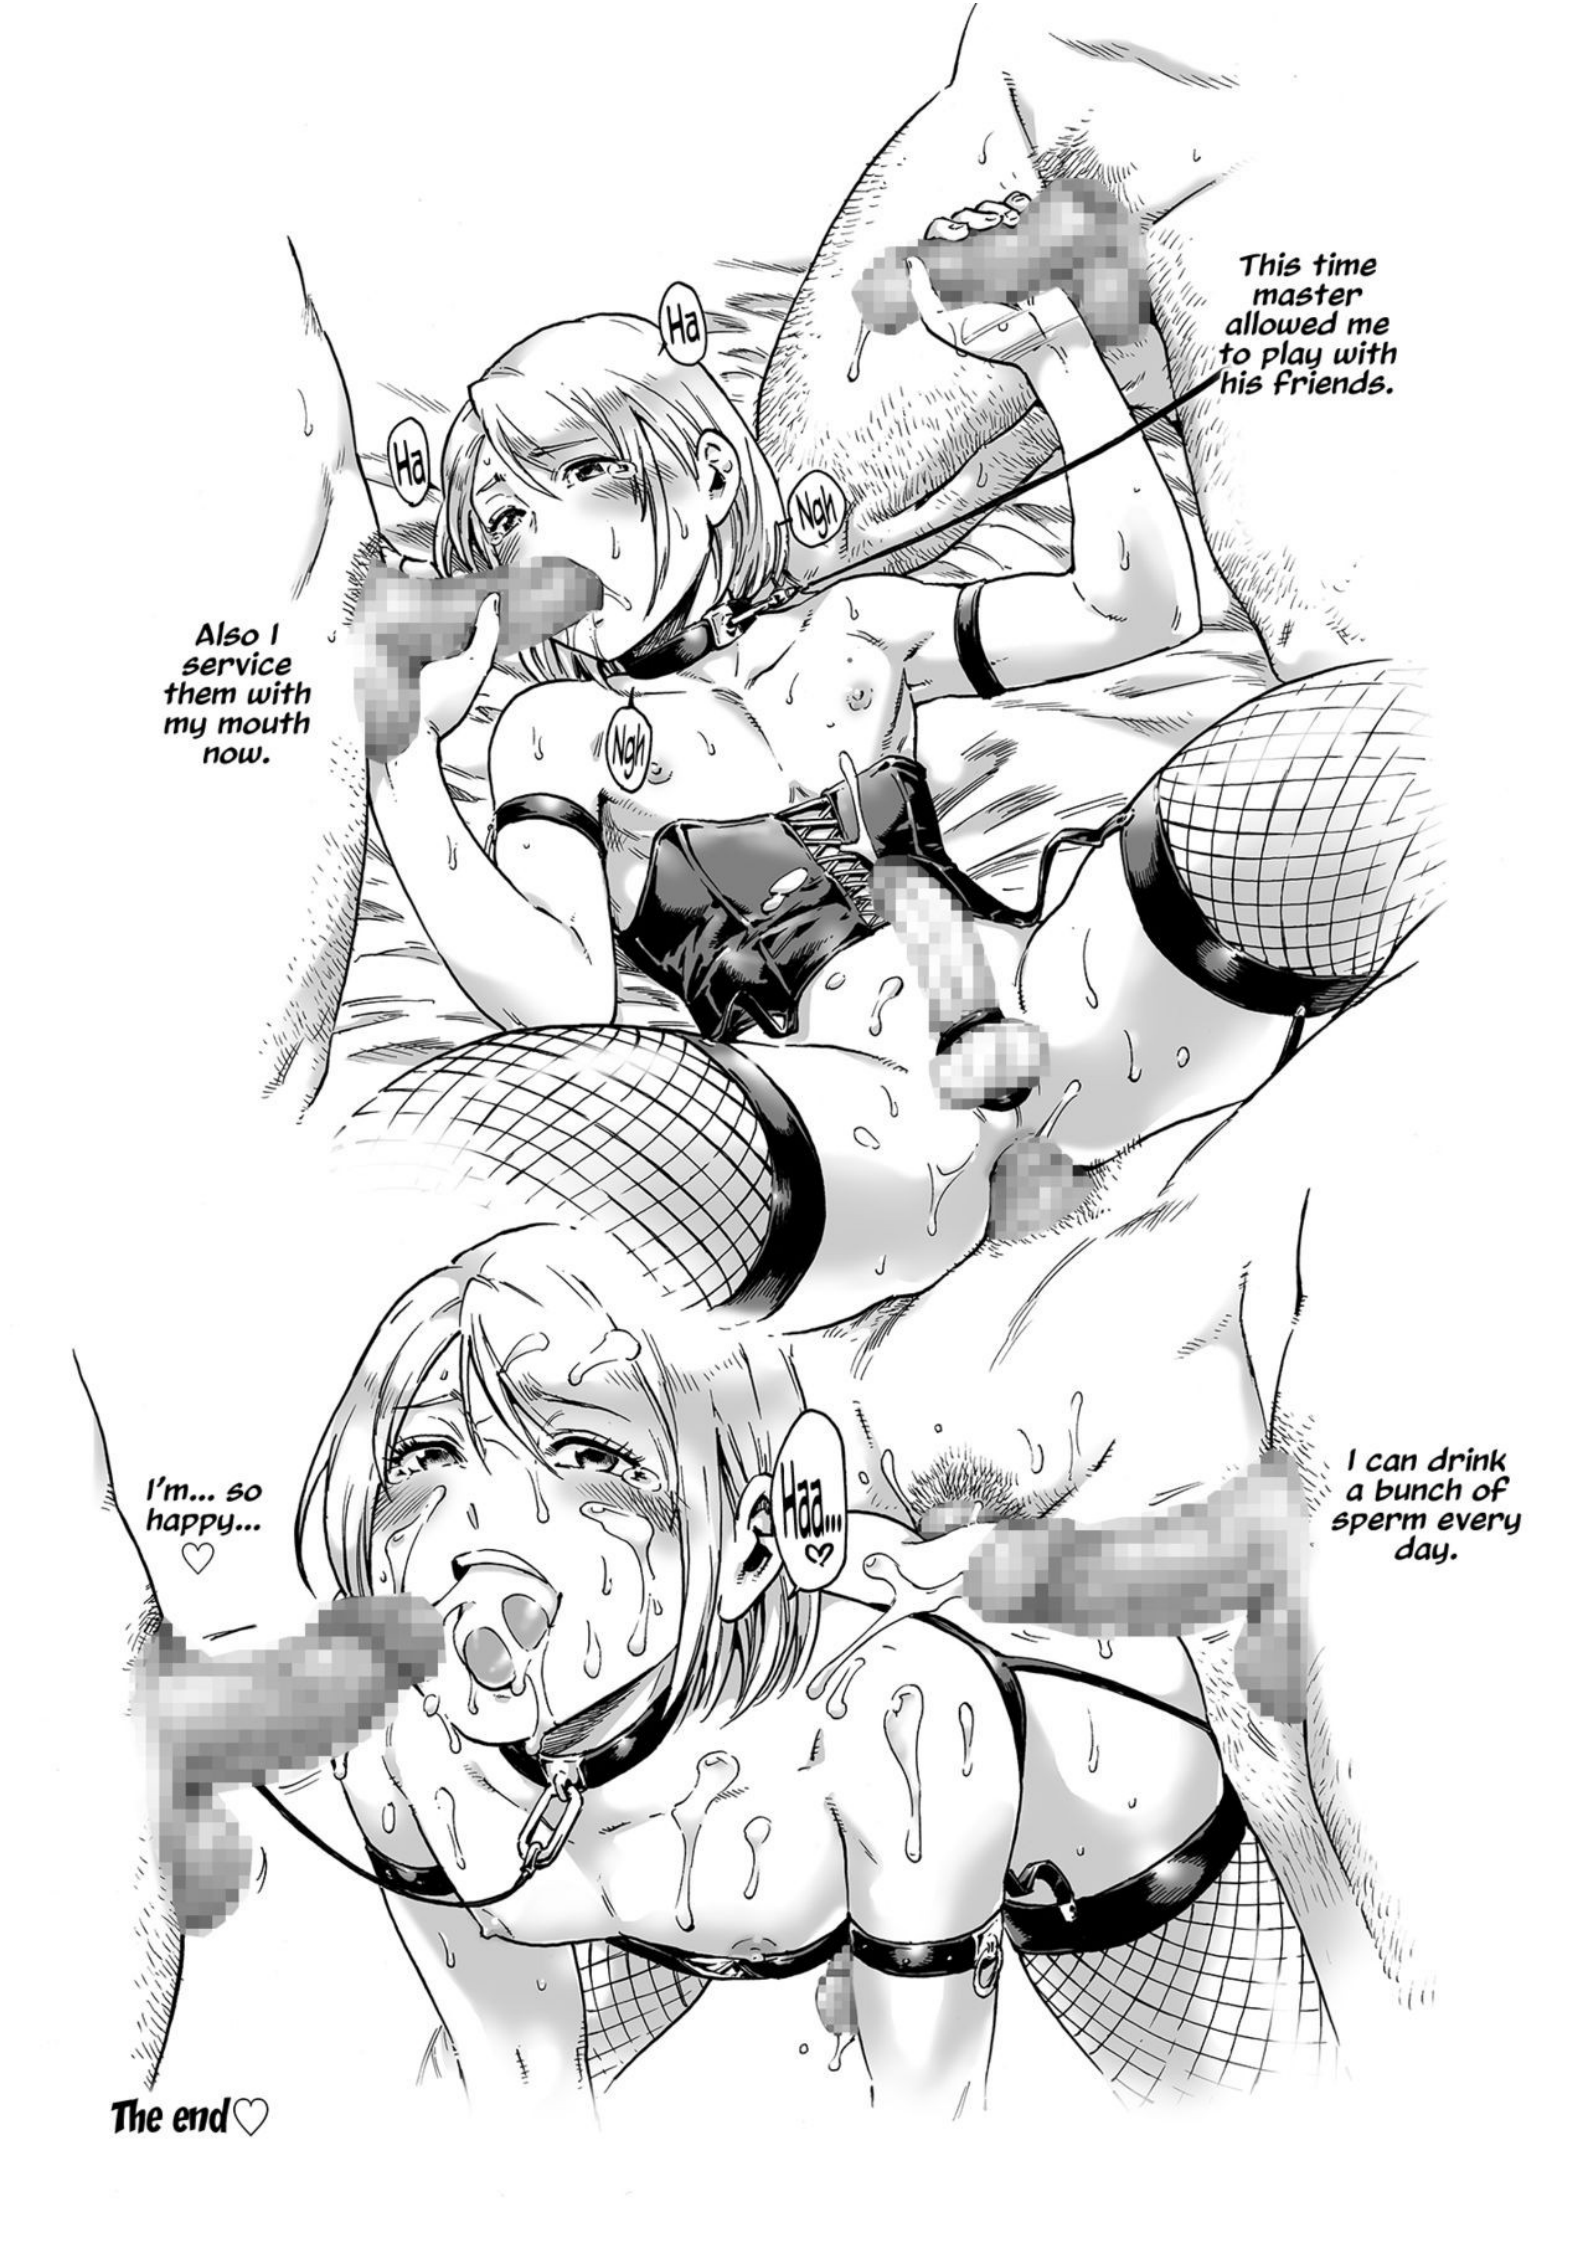

I'm allowed to cum only with my prostate gland.

Also I cannot masturbate with my dick.

Master allows me to suck his big dick and drink all of his sperm until nothing is left.

This time
master
allowed me
to play with
his friends.

Also I
service
them with
my mouth
now.

I'm... so
happy...
♡

I can drink
a bunch of
sperm every
day.

The end ♡

THANK YOU FOR READING THIS BOOK.

*This book, just like the previous and the one before previous is done in POV Format.
I don't know, whether it's good, or bad, but, as I think, - it's quite interesting.
I liked making this SM-theme book, but I want to draw some other things in future.
I hope I can figure out something.*
