in the

am part
of.

Good work,
Sotome.

You are in
great shape,
recently.

Thank
you
very
much,
Buchō.

Buchō=Club president/manager

Hmm~

Well then...

Let me take you up on that offer♪

She has good looks, a charming personality, excels in sports and is very popular in the entire school.

She stole my heart in the first moment I saw her.

Saotome-senpai! Would you like to go home together?

I brought an umbrella with me and would hold it for you!

Asai-kun.

I also got to know Senpais unserious and funny side.

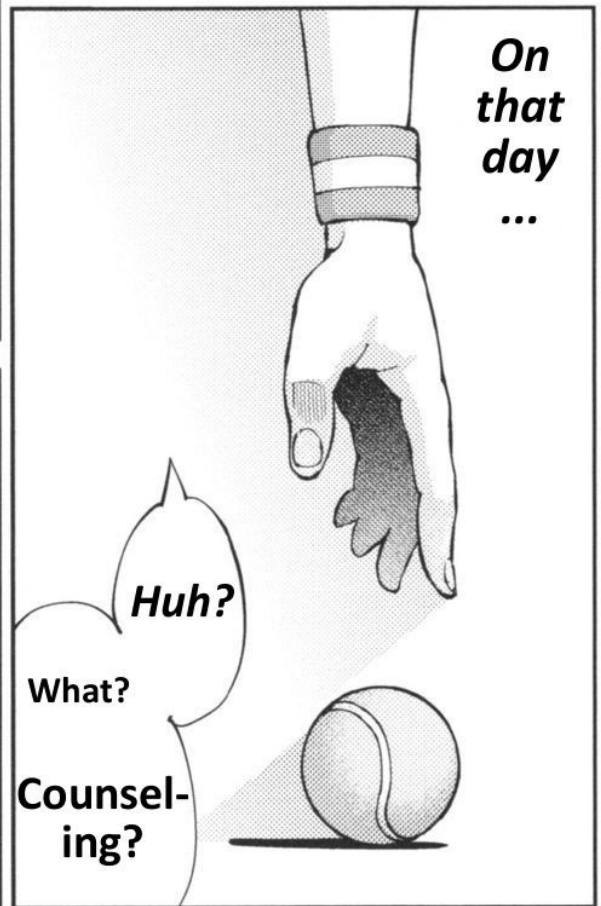

And finally, the evening arrived in which I planned to confess my feelings for her.

After a few months of desperate attempts to approach her the distance between the two of us has become closer and closer.

Something you would like to consult me with...

Yeah...
Actually, it is something that I have been thinking about consulting you with for quite some time...

On that day ...

Huh?

What?

Counseling?

I'm sorry, this is something I can only ask of you, Asai-kun ...

Yes!

Well then, when the club activities are finished could you stay behind and wait in the clubroom?

I...!
If you are okay with it being me then I don't mind whatever it is that you want to talk about!!

Something she can only ask of me, she says...

This is making my heart race!

テニス部

Asai-kun,
thank you
for
staying.

I said I
needed to
consult you
about
something
but that's
actually...

not

I've been

my

I want
to
make
up with
him.

Huh?
Is she
okay
with the
club
president
still
being in
the
room?

It's about the cause for his violent outbursts against me...

There was a guy who got that close to Senpai!? When!? How!?

BOY FRIEND!?

He gets extremely jealous very fast and did not listen to me at all when I told him that Asai-kun is just a nice friend to me...

So he seems to think that I am cheating on him with you.

It seems that he found out that I get along well with Asai-kun...

In front of Asai-kun ...

Sex...
He wants to do me in front of you...

So I asked him what I had to do to make up with him ...

Then... He said...

This is hard to say, but...

Go along with us to prove that she speaks the truth.

My bad, Asai.
I just can't trust in Rino's words alone.

Asai-kun, let me introduce to you:

This is your punishment for getting along so well with Asai!

I will rape Rino's fuckface with my sweaty cock while Asai watches.

No.

There is nothing at all ...

Ora, ora! Is there is really nothing between you and Asai, bitch!?

He is a kouhai and just some friend!

Shut the fuck up, wimp!
I'm listening to Rino while she gobbles on my cock.

Buchō !!!

Senpai is my-

C'mon!

Properly serve my manhood with your cock pocket as usual.

Don't hold back just because that pansy is watching.

Sucking me off as my submissive smegma vacuum cleaner as always is the best way for you to make me believe you don't give a shit about that faggot...

GOOD GIRL !!!

Hehe ...

Should that really be the face you make while you are greedily slurping my raunchy and sticky sperm like water?

ずるずる...

Because I love his majestic cock...

Sorry, Asai-kun ...

I don't want Sayama-buchō to dump me no matter what.

Look at all of my embarrassing and obscene parts while he defiles and ravishes me.

Why do you look so overjoyed?

Your most sacred parts all got trained and disciplined by the club president the whole time and I was completely oblivious of it...

She had a much, much deeper connection to him despite the fact that I was one of her best friends for the last months.

If you do that then I will...!
I will come very quickly!!!

Nyahaa!
You can't push there!

my semen!?

Haah...
That
felt
great,
Rino.

Let's
play a
little
game.
Depending
on the
result I will
decide if I
should ditch
your cunt.

However, I
won't let the
matter with Asai go
just yet. The fact that
you were bothered
when he watched us
fuck is evidence enough
that you care more
about him than you
should.

That's
just
...

Rino will without question choose my glorious cock.

The rules are simple. We will line up here with our cocks out.

She will obviously be blindfolded. Otherwise there would never be a chance that she would mistake my huge, tanned cock with your tiny shrimp.

In addition to that, she is not allowed to check the shape with her hands.

What am I even doing...

I should have refused...

Yes, Sayama-buchō, I understand.

If you really love me you should be able to identify me through the smell of my cock alone.

But this
is a
contest
based
on
sheer
luck!

If Senpai
chooses me the
club president
will break up
with her so
there might still
be a chance for
us to get
together!

Come

Thanks to
Asai-kun
we get
along even
better now!

To properly
thank you for
your help we
decided to
send you this
DVD.

Yaaho~♪
Asai-kun!

Thanks
again for
your help
regarding the
consultation
the other day.

Well, if
you are, you
are allowed to
watch me get
rammed by
Sayama-buchōs
cock while you
desperately
stroke your tiny
peashooter for
me. Since you'll
never get to
fuck me~♥

Asai-kun,
you must at
least be a little
bit romantically
interested in
me since you
immediately
ejaculated just
from poking your
peashooter
against my
face, right?

Asai-kun
might
find out
where
my weak
point is!

He will find
out that I'm
a perverted
slut that
loves to get
her assussy
rammed!

Nyahh!

I didn't
expect to
suddenly get
fucked in my
assussy
with so
much force!

You're thrusting
so violently while
simultaneously
splurging your
thick semen deep
inside your
personal assussy!

Even though you just
completely dominated
me on the tennis court
by winning with a love game,
you have such a huge excess
of stamina left to fuck me
in such a degrading manner!

To athletically
and sexually
humiliate me
like this is only
befitting of a
winner in life
like you,
Sayama-buchō!

If you pump
so much of
your thick
manly sperm
inside my
exclusive
assussy, I...
I'll...!!

END

Oh well,
doesn't matter.
Since Sayama-
buchō might
misunderstand
our relationship
again never talk to
me ever again.
Actually...
Even better would
it be if you would
just kill yourself.

What was
your name
again?

BONUS

Bi Bi Bi ♡

Hehe...
Even though
we are in
the middle
of practice
you tell me
you want to
drink my
sticky
semen. You
became a
really
nymphoma-
niacal bitch,
Rino.

That's not
shtrue... ♡
My throat
was dry and I
was thirsty so
I want to
drink it to
♡ refresh
myself a little
bit. I didn't
want to suck
you off just
because I
can't control
and hold
back my
♡ libido ♡
anymore...

Nothing but
lies...
I can see just
how
desperately
you want to
get fucked
hard because
of the way
you
desperately
stretch and
shake your
ass around.

If you
won't
be
honest,
I won't
give
you my
hot,
thick,
white
soup.

I will win my
next tennis
match with
Sayama-buchōs
godly sperm in
my belly. ♡
After that
when we are
alone please
bend me
immediately
over and
 creampie my
stupid cunt
with your
superior sperm
until you are
completely
satisfied. ♡
♡ ♡ ♡ ♡ ♡

I can't
get
enough
of these
fertile
nutrients
from
inside
your
balls!
♡ ♡ ♡

So
please
~
Give
me
your
steam-
ing hot
semen
soup!
♡

I'm very sorry,
Sayama-buchō.
I lied! ♡ ♡
Rino is such a
perverted bitch that
she can't
concentrate during
tennis practice
because all she can
think about is
Sayama-buchōs
majestic cock! ♡
