ACT02
「やっちゃえ！少年！」
漫画：BECO
原案：ポリウしたん

The Feel-chan experiment is a huge success! I have never seen a happier mouse!

Heusken-kun! You always find a reason to punch me... It's fascinating ...

Are you kidding me !?

UAAH!

Obviously, you know that human females have been extinct for 300 years ...

Science
New facts about the disappearance of women!!

You keep inventing useless crap all the time.

Your stupidity is even more surprising.

I didn't mean to trick you. It was just a little surprise ...

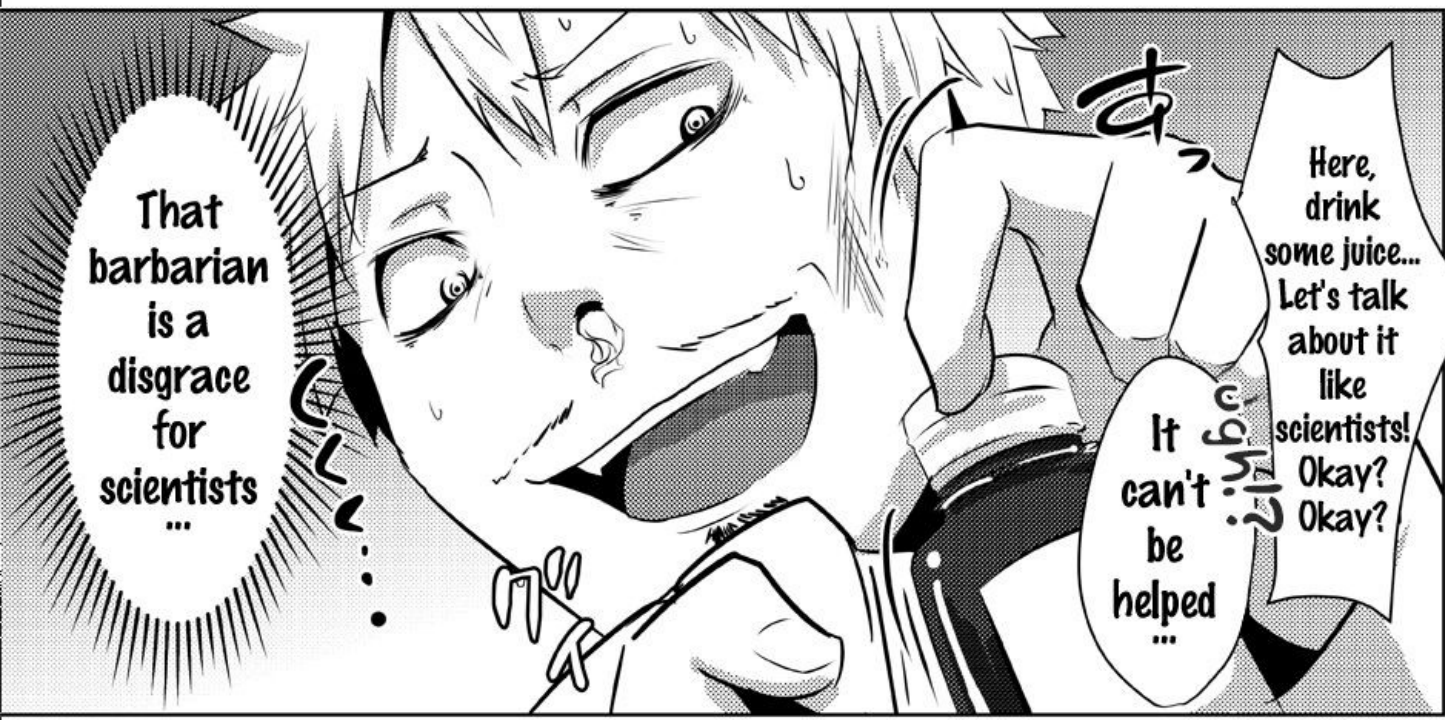

W-wait!
Let's calm
down for
a second!
Okay?!

If you
still don't
understand it,
I'll have to
beat some
sense into
you.

In the year of 20XX...
Because of a
mutation of the
X chromosome,
girls stopped being
born in the whole world.
Since all the remaining
females died out,
we've been living in
the male-only world.

In the past,
human species
had two sexes,
just like other
living beings.
Humanity didn't
have the current
medical technology
and used sex to
reproduce.
However...

That
barbarian
is a
disgrace
for
scientists
...

It
can't
be
helped
...

Here,
drink
some juice...
Let's talk
about it
like
scientists!
Okay?
Okay?

Finally,
a human
experiment!
Is my
"Drink to
weaken
Heusken-kun"
working?

My
body
feels
weak...
Is it...
because
of the
drink
...?

What's
this
weird
taste...?
Is it
expired...?
Wait,
what?

After my body comes back to normal, you're a dead man!

For the time being, I'll show you how it feels to be weak and make you regret your daily violence.

Cough...
It's hard to breathe and my chest feels weird too ...

Huh?
The changes are more obvious than I expected.

His physique becomes smaller and rounder and he has prominent breasts.

Wait!
A female !?

He looks just like a female ...

I'm a man ...
What the fuck is this!?
C-can you fix it?

T-that's impossible!
Heusken-kun,
you're a girl!?

What are you doing!?
Please don't touch me!

I don't know how.

Let's check whether you're a genuine female or not!!

You're the one who made that drug, right!?
Can't you do something!?

Wait a second!
Stop!

Hey!
What the hell are you doing!?
Give me back my pants!
I can't stand here like this!

Heusken-kun!
We are doing this research to help the humanity!
And I need the data to return your body to normal!

F-fine...
But it's embarrassing,
so please hurry up.

Uuh ...

It's for you and the whole world.

Ugh!
Are you going to touch me!?

You don't have male genitals after all...
It's a bit different from what I saw in the reference books, but I think that this is the female genitals ...
I'll start the examination.

It's softer than I thought ...

Touching it feels weird ...

Mm ... H-how is it?

Love juice?

Ooh! Is that the love juice!?

It's a bodily fluid women secret when they're excited ...

Hehe, are you excited?

Impossible ... I'm feeling the sexual excitement ...

Anyway, since you're a girl, I can do a few special things!

I wonder how will people react to my new invention!

No...
Uh...
I didn't...
I was just...

Were
you
planning
to hit me
again
!?

Will
you stop
it!?

ト
タ

Ehehehe!
This machine
will make
him fall in
love with me!
Now I can
do whatever
I want.

Uh
...
Uuh
...

He likes
me so
much
that he
can't
even look
me in
the eye.

I'm sorry!
Please
don't hate
me!

I hate
them!

To be
honest
about
violent
people
like you
...

Uh

I was

How is it?
Does
Feel-chan's
power feel
good?

AH!

UAH!

Is this the
female
orgasm!?
Why is my
body begging
for semen!?

No,
I can't
stand
up.

I'll...
never
forgive
you.
You're
dead
...

Gea!

うー

うー

Huh!?
Forget I
said that!
It was
a joke!
Stop!

UAAAH!!!

You
still don't
know
your
place?

You
jerk...
I'll kill
you for
sure,
so get
re-
...
HYA!

This is a

It's a

Hey,
are you
listening
!?

Please
cut it
out!
Stop
playing
with my
body!

Don't
worry,
I won't
make
you cum
again.
Unless you
beg for it,
hehe.

This
much
should
be good
enough
...

I'll
never
do that!
Dumb-
ass!

POWER

30 minutes later

I'll never hit or insult you again!
I'll do anything you want!
Hakase, please ...

Make me cum ...
I'm sorry ...

You're so cruel!
This is not fair ...

How about using your mouth to make me cum ?

Huh!?
Ah...
Uh...
F...
Fine ...

Then you'll have to spend some more time like that ...

Huh!?
Why did you take that ugly thing out?
I can't touch that ...

His cock is hard...
My body is turning him on after all ...

For some reason, it makes me feel weird too...

It got even bigger... Since I'm a woman now, it's okay to do this...

Obviously, it's a mating experiment.

Hey! What are you doing !?

Now I'll make you feel good ...

If you don't want an experiment, we can mate for real, hehe.

Experiment...? Is this a joke...? You can't do that ...

STOP!

Huh!? What!? I don't want to do that! Let me go!

It might hurt a little.

GHA!
Please take it out!!
It hurts!

Hakase's cock is going in!
He's raping me!
Is he planning to mate with me?!

Perhaps ...

I think that fucking you will be satisfying.

Sorry, I can't stop now.

UHH... UGH...
It hurts!
It hurts!

The reproductive instinct ...

The female instinct has woken up inside you.

And ...

You can't fight your instincts.

I don't care about mating! I don't want to reproduce!

Males and females wanting each other is the law of nature!

N-no! I don't want it at all!

Then tell me ...

Why are you moaning and why is your pussy dripping wet?

Stop... You're... Ah! Wrong... I'm not... Uah!

I feel my womb happily sucking in Hakase's semen ...

I don't know if it's because of my instincts... And I... don't care ...

Are you exhausted already? We're just getting started, hehe.

Ehehehe...
But my body still wants more...

You... Did it 10 times already...

Hakase!?! Hang in there!

You're the one who told me to give in to my body!

But my body still wants more...

NOOOOO...

PING PONG PONG
Huh?

Well... Women are scary...

I will write my report on the sex change drug...

I think I have a visitor.

My genes felt that something is off.

Can you hear me?

Hey, why are you taking off your pants !?

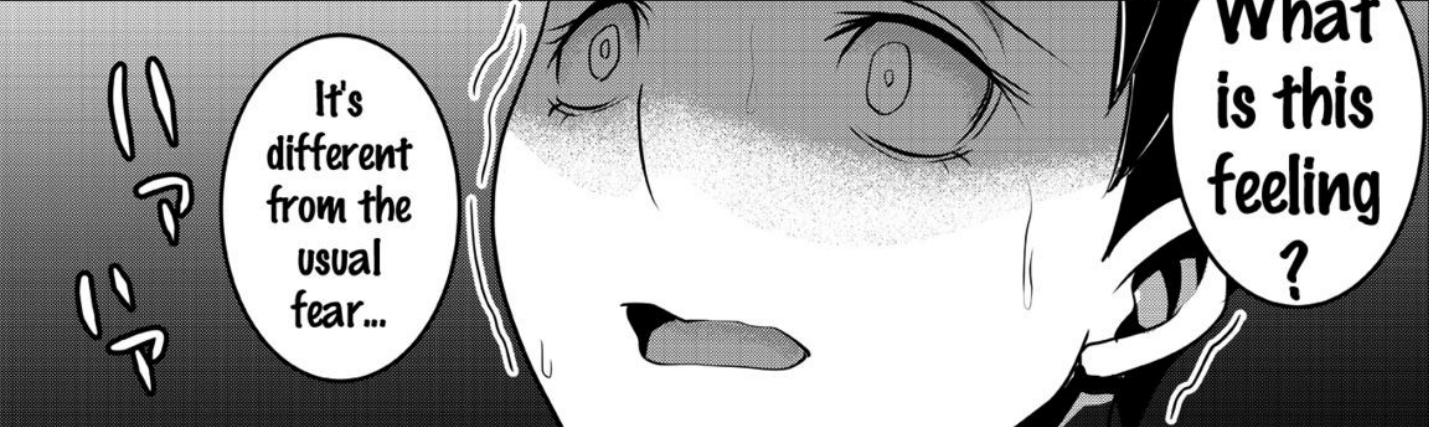

Ah ...

You're fucked.

Ah ... Agh ...

It's different from the usual fear...

What is this feeling ?

You pervert!
I'm a man!

Hey,
don't move.

A few days later...

Goriya, you're so annoying.

Uchida... Today I want to...

That's not how you ask for something...

Please ...

Instead of being bullied ...

I became a bully myself.

Hey... Is that thing throbbing ?

Just like Hakase said, I have power over men.
