

Here, huh.

Summer break.

I was invited to come visit my classmate Shirou's parents' house.

And we became friends through our school's basketball club.

Shirou's a transfer student.

IN YOUR GAZE I CAN SEE

THE SPARKLING MOONLIGHT

This girl's really cute!

Who are you?

Perhaps you're one of my brother's friends?

...yeah, I am.

TYPESET, EDIT: RESURRECTIVE

People usually don't come here so we don't need one.

I'm Chigusa, Shirou's younger sister.

It's not like you're living on a desert island though...

See...

No-body comes here?

Ah, I'm Morita Yuuto. Nice to meet you.

By the way, I couldn't find the doorbell anywhere...

You must have had a great walk to here from the bus stop.

Hey, I didn't think this place would be all the way up on a mountain.

Ah, Yuuto, you're here.

...

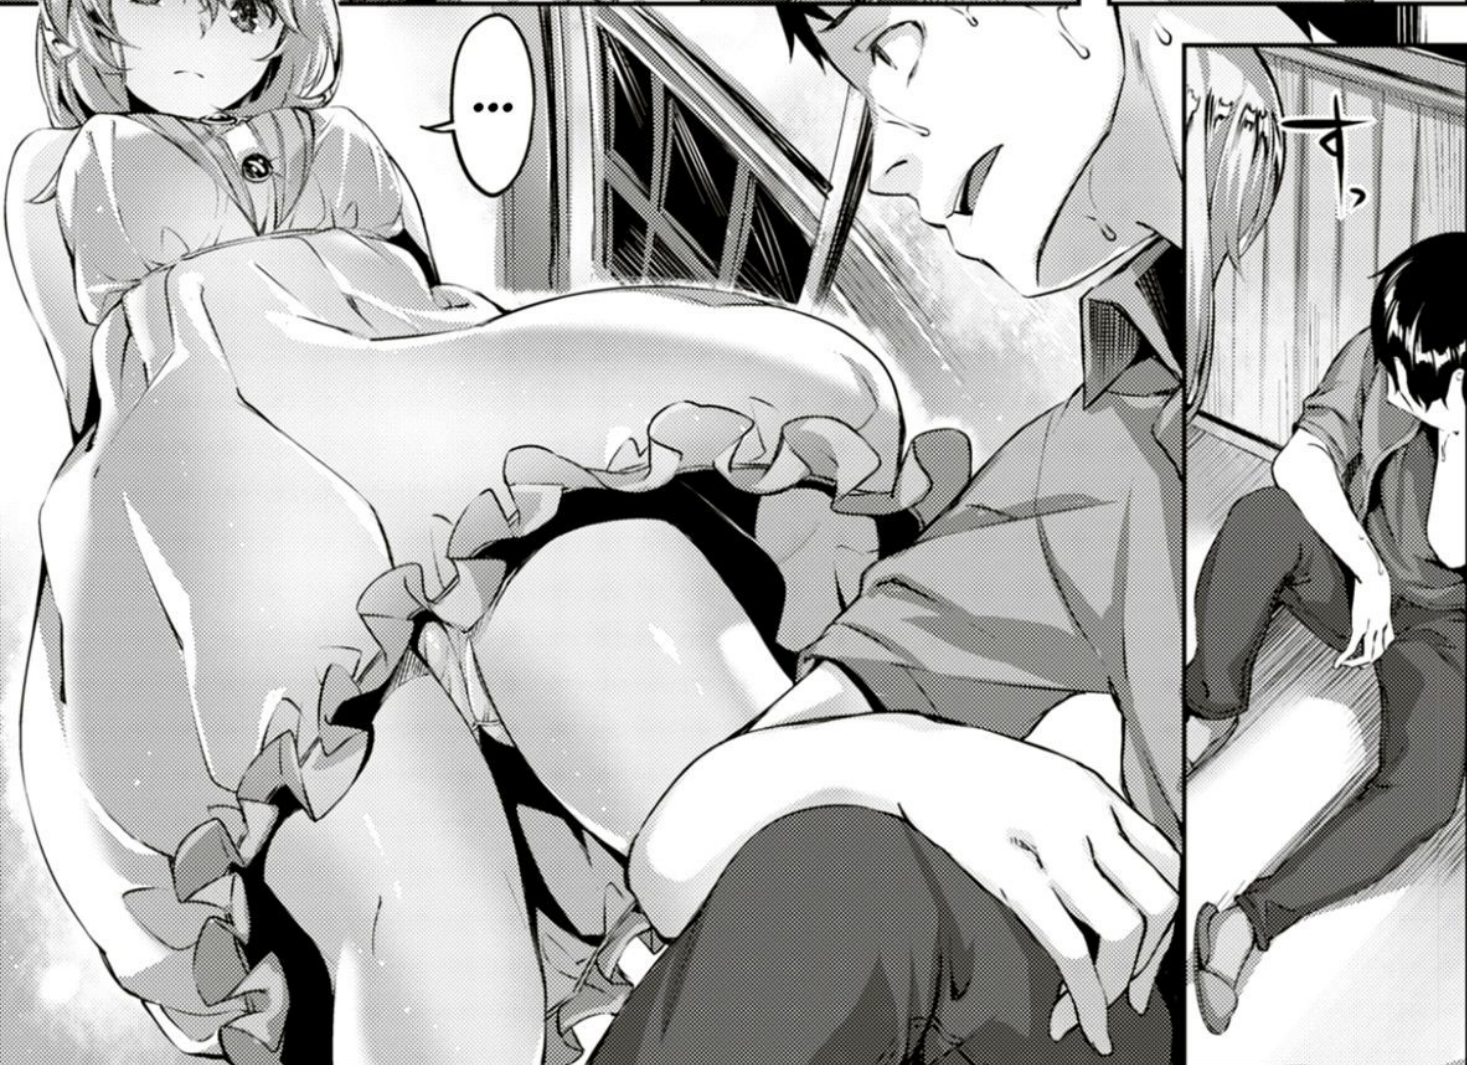

Tonight's gonna be good.

B... but
they're
mother
and son!
What the
hell is
going on
here?!

Wh-wh-wh-
what?!

I and my brother were just brought here a long time ago by Genya and Kirika.

Huh?!

B... because your mom is... um...

Kirika is not my mother.

An owl!... That's pretty unusual.

...this sounds like a hell a big can of worms...

...I wish I wouldn't have heard anything...

Why don't you come to my room? I'll show you something good.

...really?

Yes. This one is special.

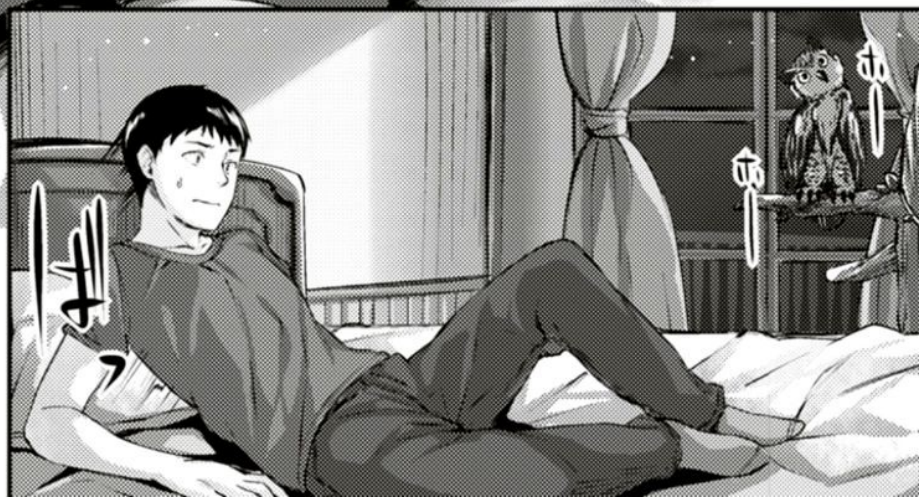

This one's been alive for over 100 years.

I've heard that owls live for about 40 years...

...related to me by blood...

Uahh...
It feels so
good...

It's mixing
around
inside of me...
I'm so happy!..

COME ON~

I MEAN IT~

Kill?!
Taste?!
Erase my
memories?!
What the hell
are you
saying?!

We'll just taste
him a little
then erase
his memories
and send him
back home.

I never
said we'd
kill anyone.

The fact that
your parents
died was good
for us, but...

But still,
you've made
him one of us a
little too early.

Yuuto still
has a home,
you know?

You must
have been
quite lonely,
Chigusa.

Shirou
was out
looking
for you...

Call us
whatever
you wish.

What the
hell are you
people?!

Who
knows?
We don't
really know
either.

...Don't try so hard...

How the hell did you manage that?!

You're so cool, Yuuto!

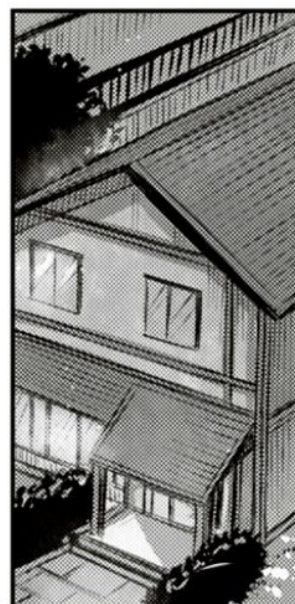

I'm getting the feeling like something huge is going to happen...

But I'm no longer worried about that strange feeling I have.

Yesterday I made a test cut, yet today I can't even see a trace of it!..

But even if it was, I want to meet Chigusa-chan again!..

Sometimes I wonder if it might have all been a dream.
