Ya'll got the squirts, huh? Alright... I'll figure something out.

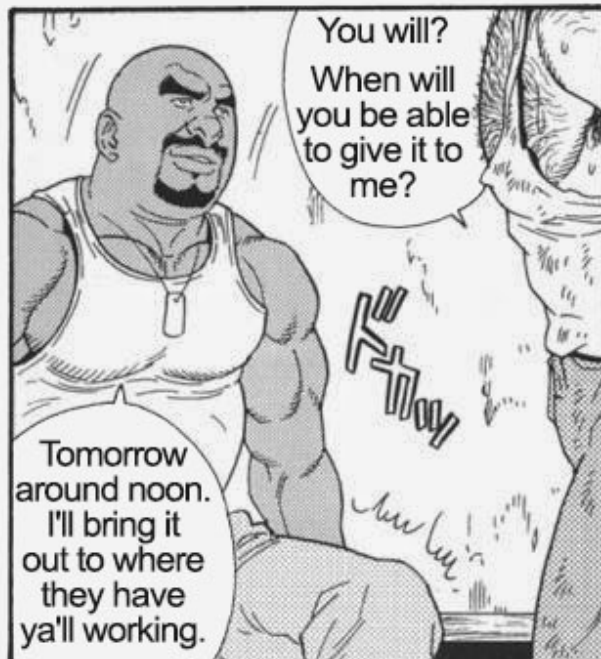

Hm h...

Can you do that?

I need enough for at least 10 men.

Your lips are doing more flappin' when they should be down here suckin'!

You will? When will you be able to give it to me?

Tomorrow around noon. I'll bring it out to where they have ya'll working.

Really? You swear?!

Don't push it, bitch! I told you I would!

Lets go!
It's time for some nice, hard skull-fucking!

...Oh
piss
off!

Calm
down,
Sakaki-
bara-san!

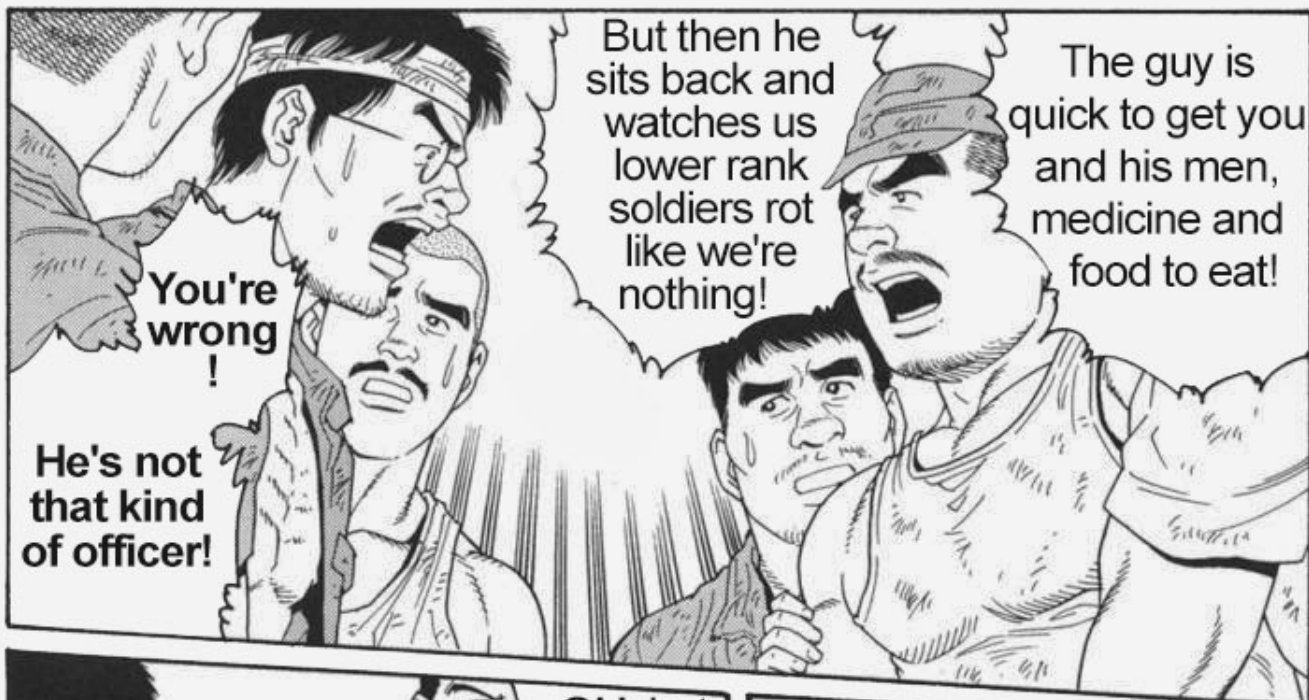

Like you
know
anything!

What do
you
know!?

He's a
great
man!

And
I won't
stand here
and listen
to you
insult him
like that!

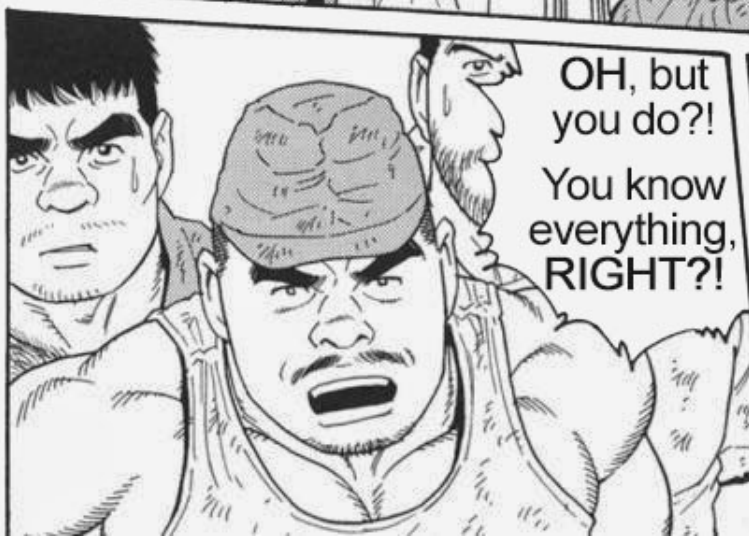

You're
wrong
!

He's not
that kind
of officer!

But then he
sits back and
watches us
lower rank
soldiers rot
like we're
nothing!

The guy is
quick to get you
and his men,
medicine and
food to eat!

OH, but
you do?!
You know
everything,
RIGHT?!

You know
nothing
about him!

How come
he can get his
hands on
medicine and
food?!

Where
is he right
now, huh?!

What's he
doing?!

You claim
to know
so much,
then tell us!
TELL US!

I bet
I know what
he's doing...! The
mangy dog is on
his knees right
now, **begging** for
more treats...!
Isn't he?!

Rrrrrrr...

Sakaki-
bara-san!

**SHUT
UP!!!**

Let go,
you idiot!
Stop!

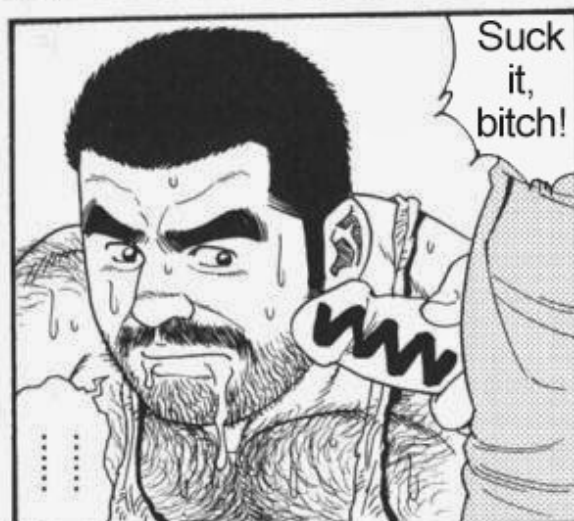

YEAH!
Hit him
harder!

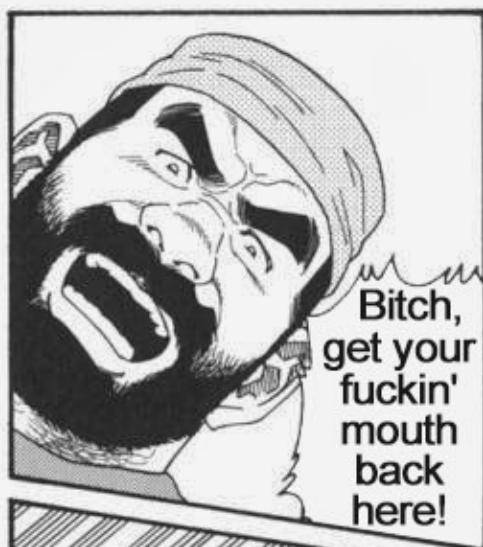

What
the
hell's
going on
here?!

Hey!
Stop!
Stop it!
Guys!

Guards
are
coming!

Bitch,
get your
fuckin'
mouth
back
here!

GLMF!!

H...
HEY...!

What
are
you--

Relax
...

I'm even
gonna
lube it
up first.

Furmu!
Fumuu!

...don't
mean
your ass
is safe,
sweet
pea!

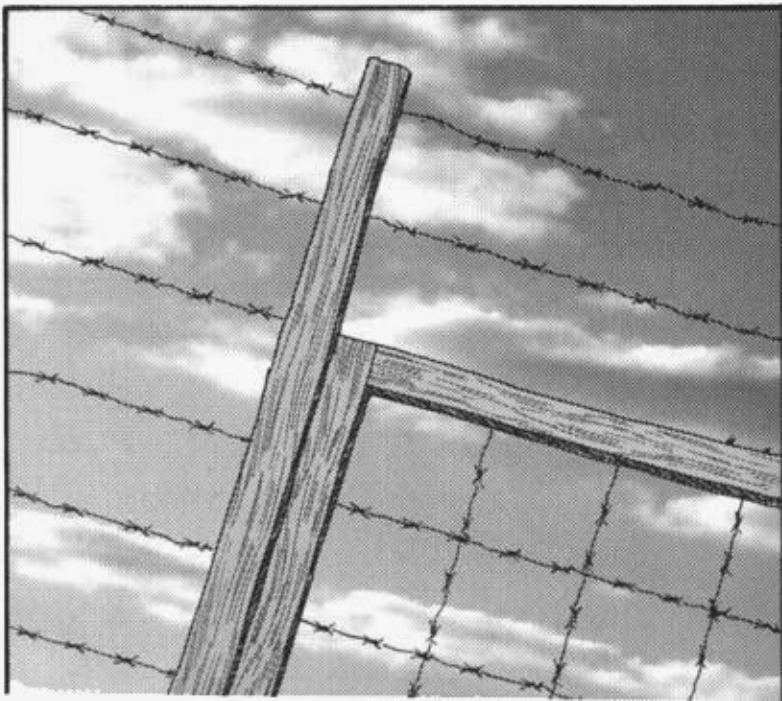

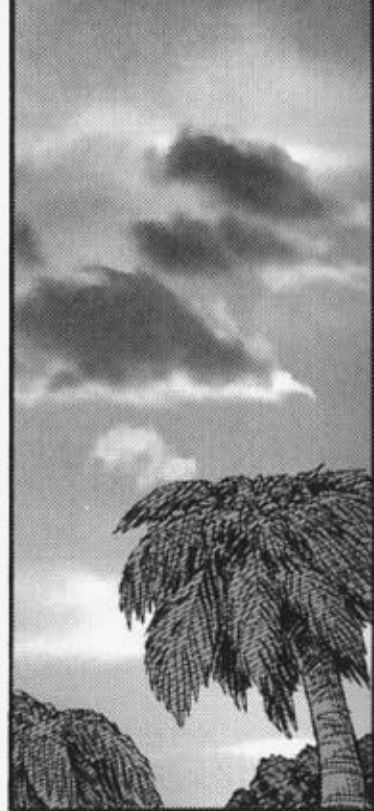

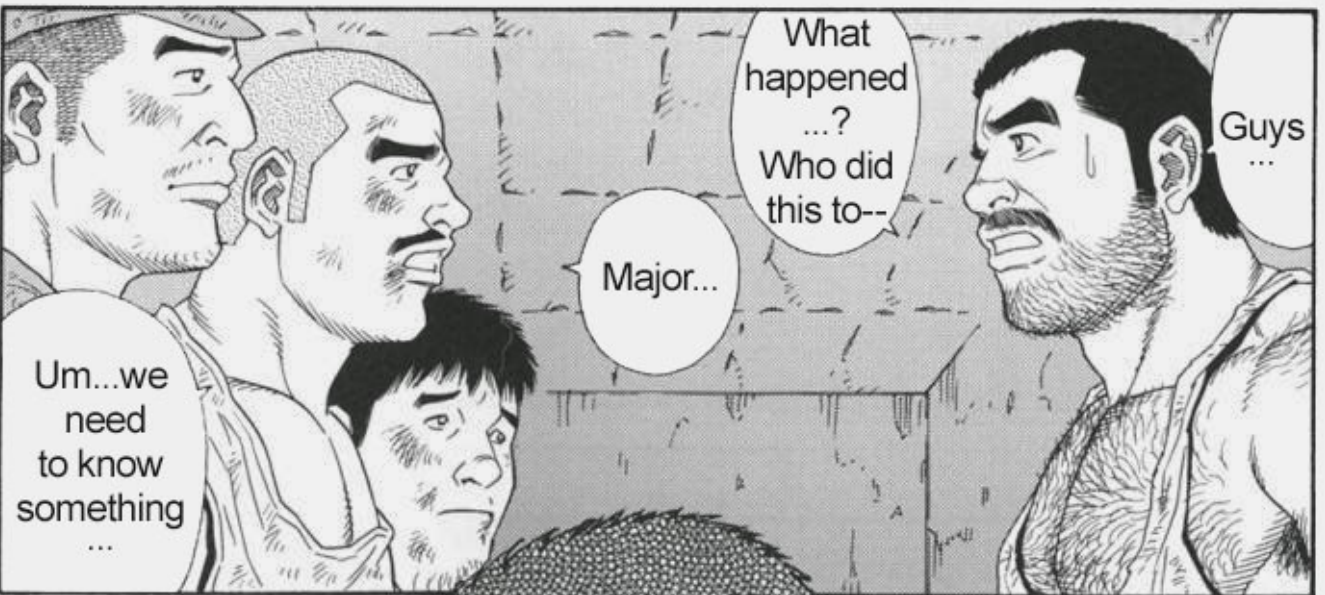

Just
because
you're
sucking
dicks
now...

Heh!
Heh!
Heh!

What
are you doing
every day with
those people...?

You and
the
Americans
...

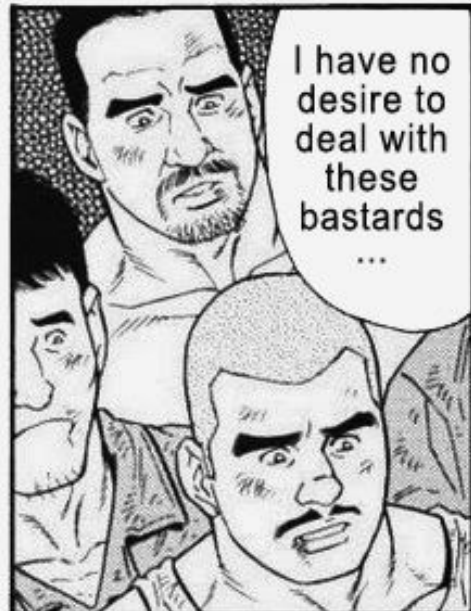

To Be Continued...

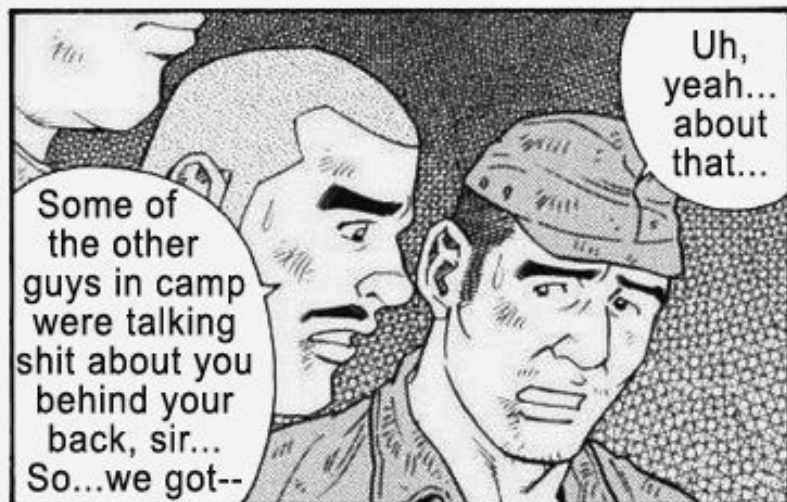

What is it they're making you do, sir?

But I've... **PAINFULLY** learned that refusing to cooperate usually means getting beaten up, so...

I have no desire to deal with these bastards ...

Some of the other guys in camp were talking shit about you behind your back, sir... So...we got--

Uh, yeah... about that...

No... I mean... If you can--

You guys are acting so weird...

Anyway, what's with all the bruises?

They're idiots! Don't bother yourself with such nonsense!

And so to the victors ... **TAH-DAH!**

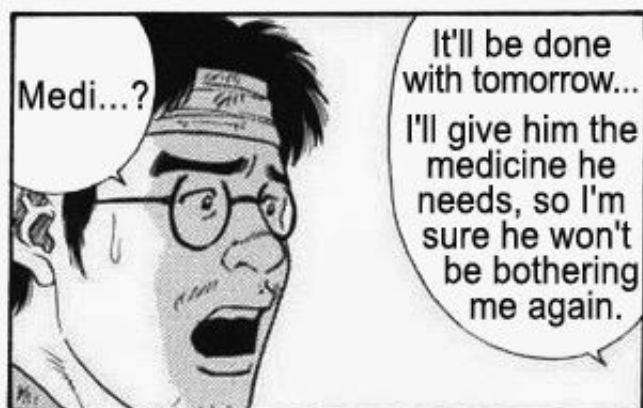

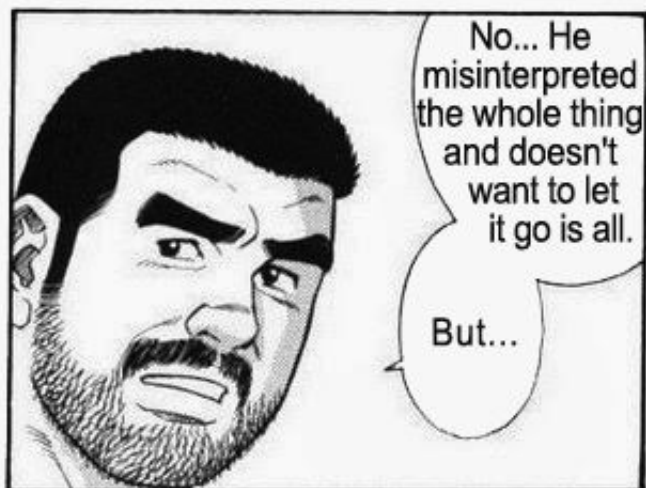

Eat up, guys!

Well...I guess a little **FIGHT** every now and then helps blow off some steam.

Yes sir... Sorry ...

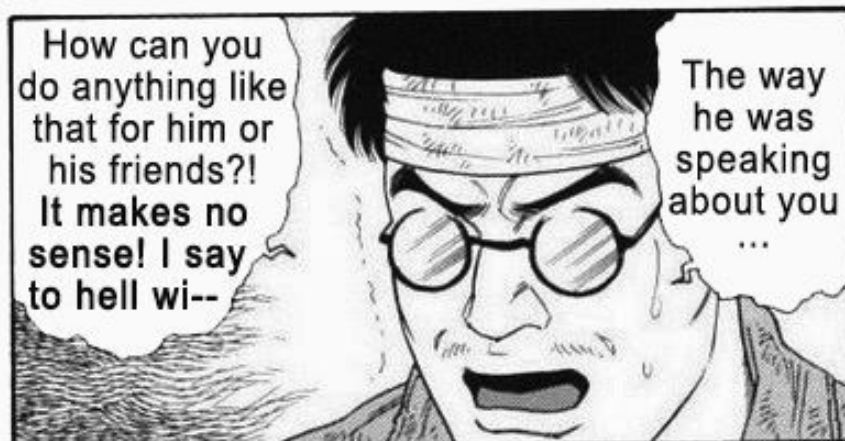

SERGEANT!

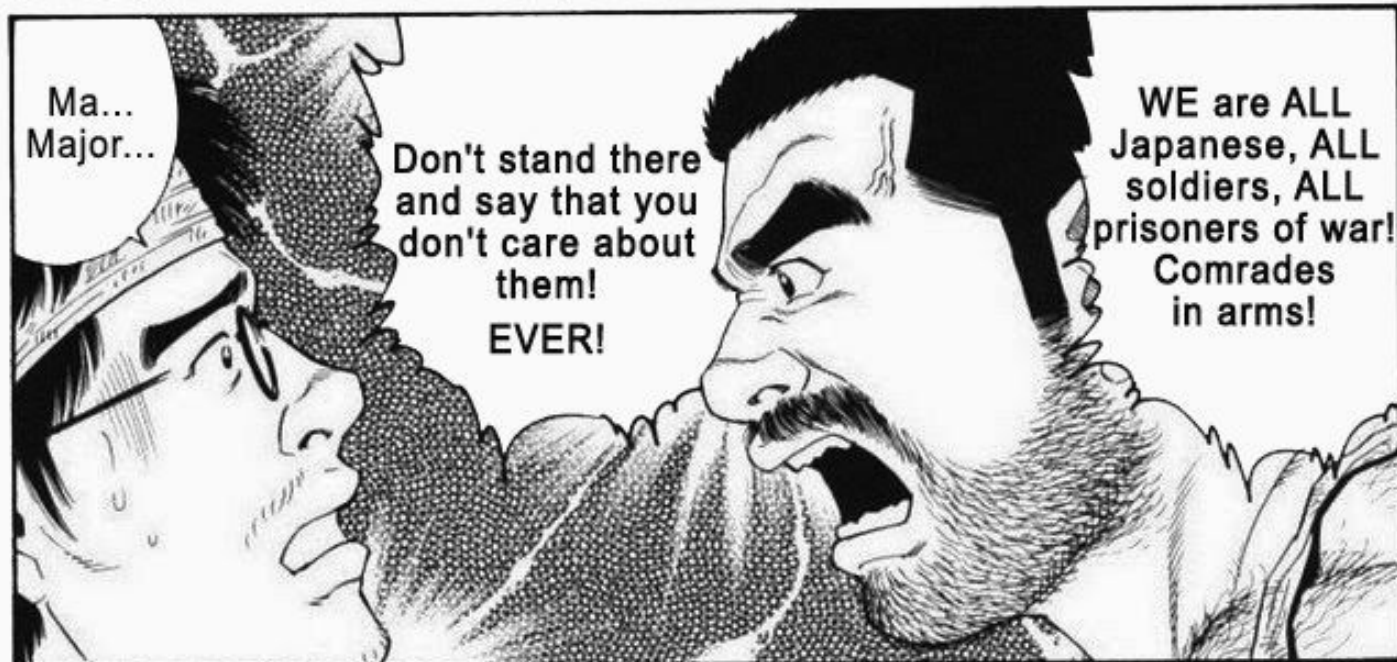

But...

That might be so...

How can you do anything like that for him or his friends?! It makes no sense! I say to hell wi--

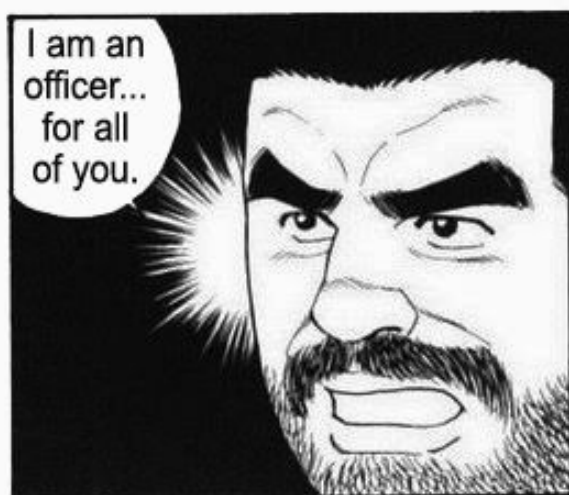

The way he was speaking about you ...

Ma... Major...

Don't stand there and say that you don't care about them!
EVER!

WE are ALL Japanese, ALL soldiers, ALL prisoners of war! Comrades in arms!

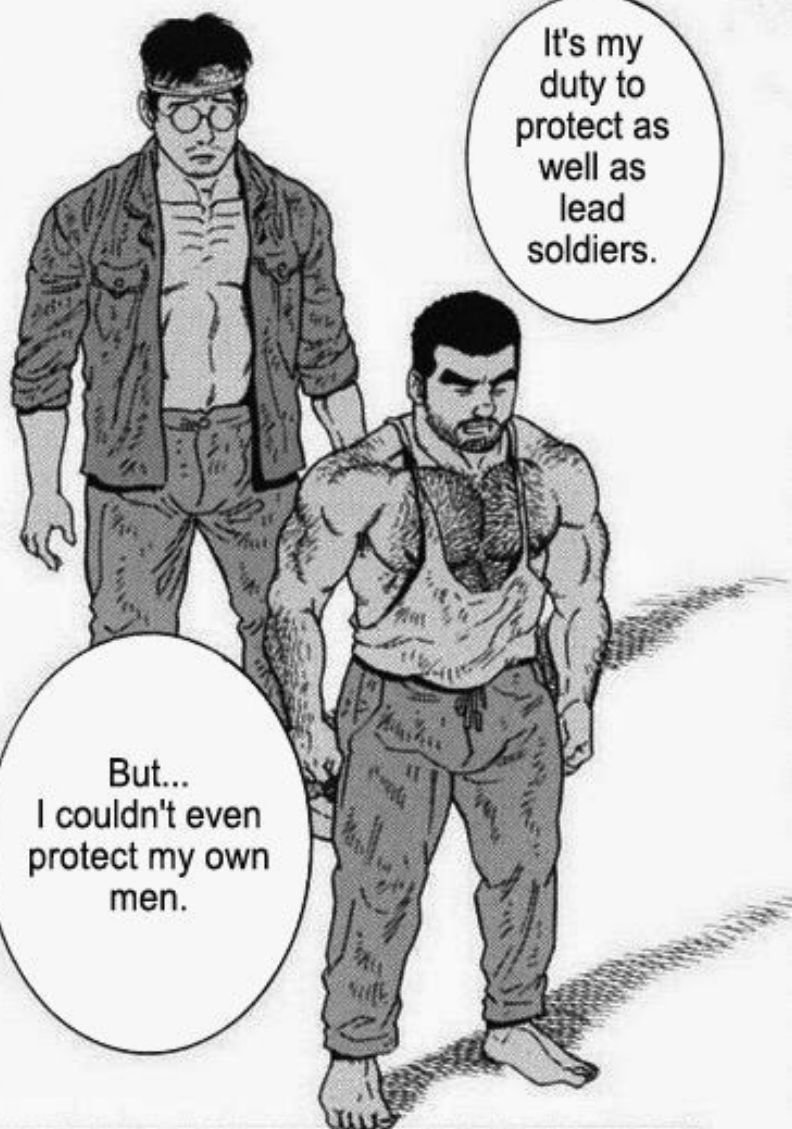

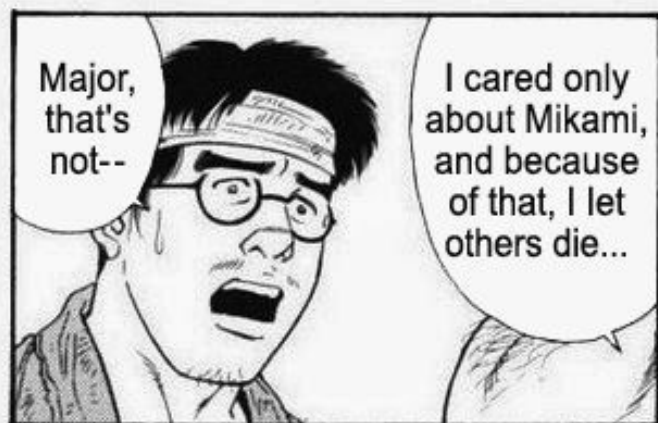

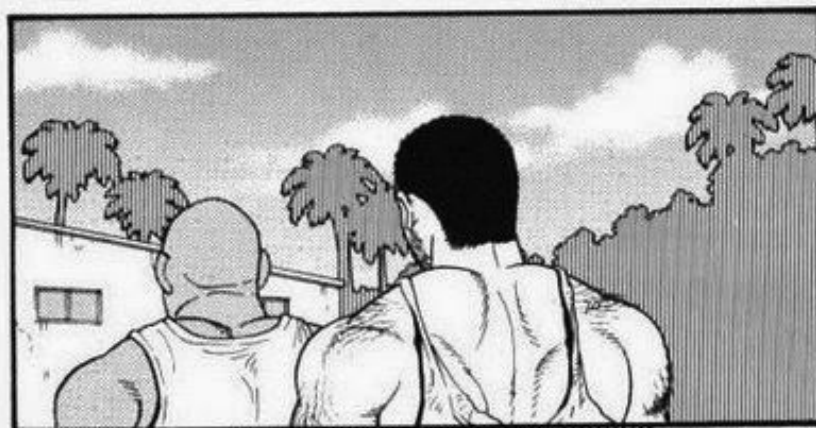

I am an officer... for all of you.

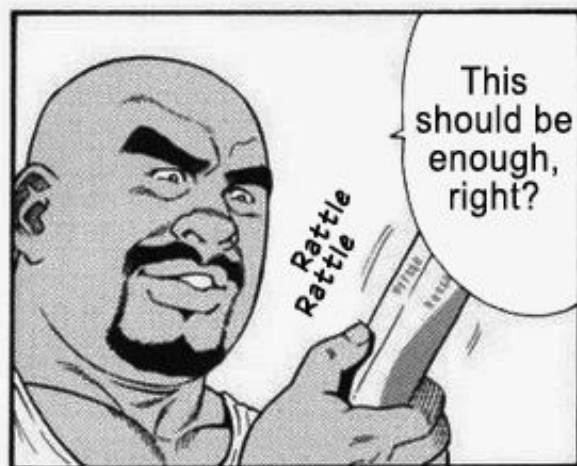

But...

He and I may be from different units...

Hmmn...

This should be enough, right?

Rattle
Rattle
Rattle

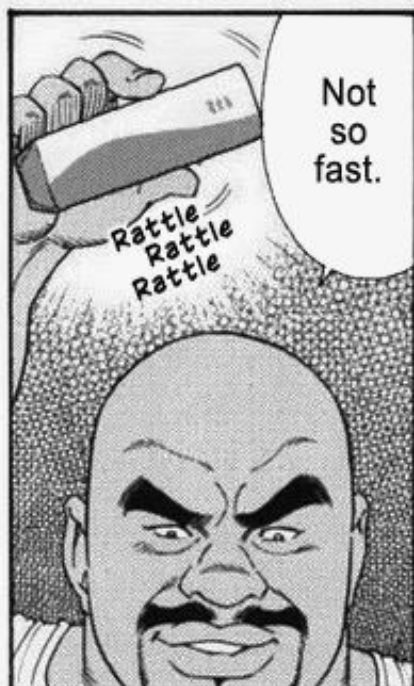

Yes...!
Th...
Thanks...!

Um...
'Thank
you, sir!'

Well, I brought what you asked for.

Rustle
Rustle

Not so fast.

Rattle
Rattle
Rattle

WHOA!
Whoa there...

!?

Now, what'll cover it?
Hmm, let's see...

OH, I know!
Blow me with that cute little mouth of yours. Yeah, that should do it.

Delivery ain't free now. Not to mention it took a lot to get ahold of this much.

You're starting
to piss me off,
bitch. Do
you WANT
the drug or
not?

But... But
someone
might
come
here...

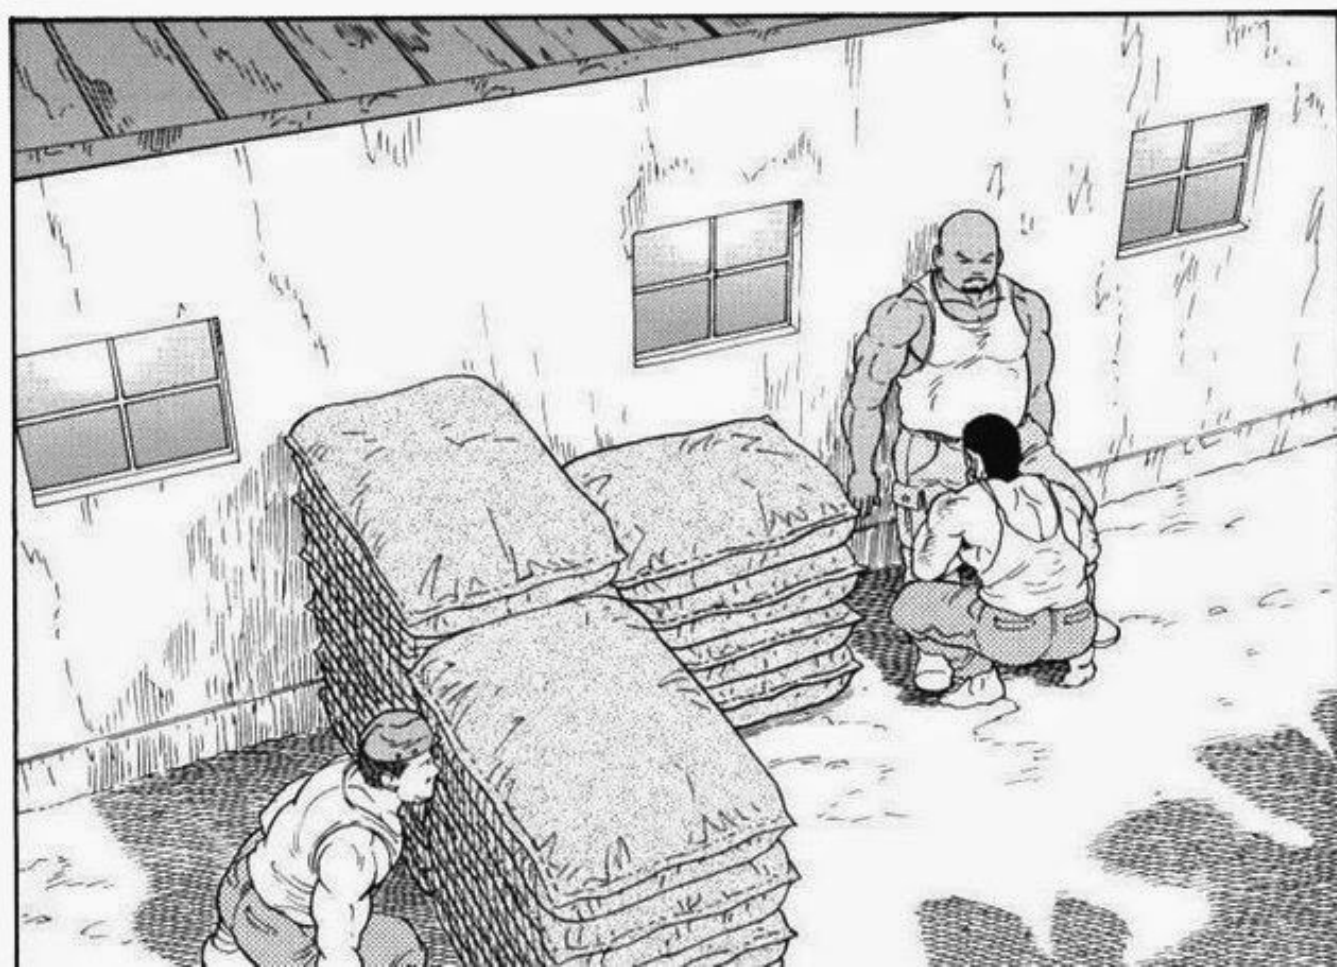

You...
You want
me to do
it NOW?
Right
HERE?

Yeah,
why not?
Let's go, ho.
Get to it.
Chop-Chop.

Heh-Heh!
There you
go. That's
my girl.

Oh,
Kine-san...

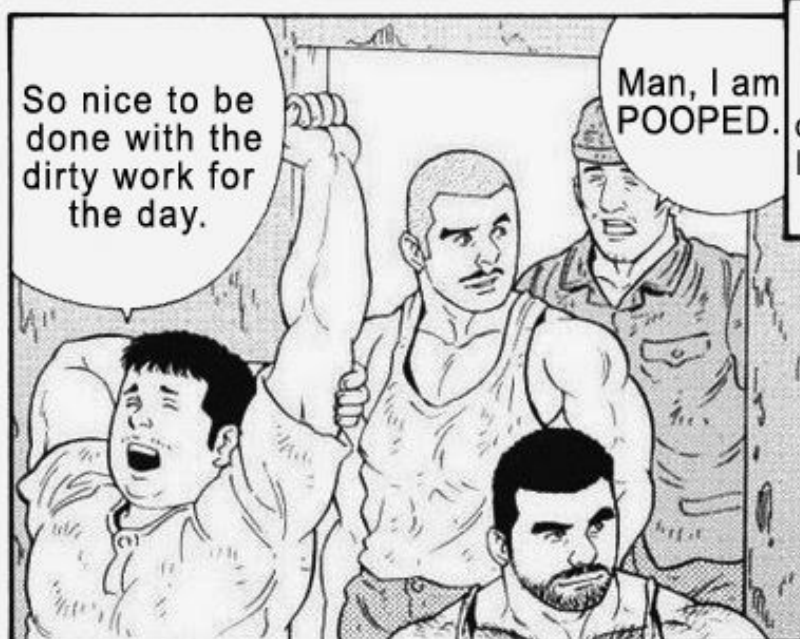

Where
you
been?

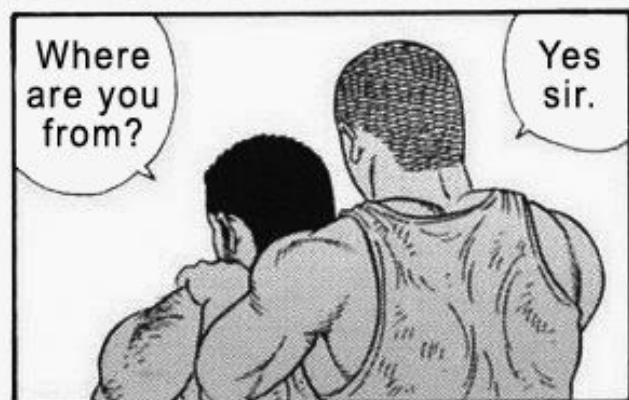

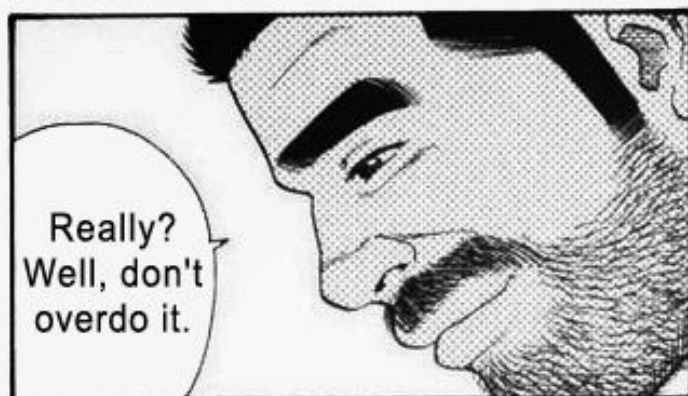

Kine-san
...?
You
okay...?

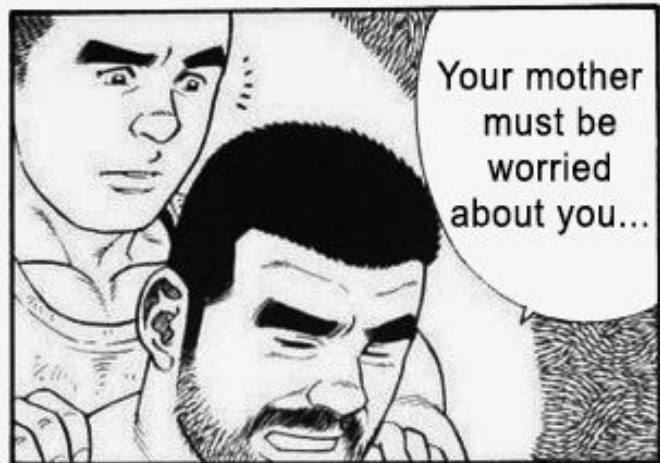

A
few
days
later
...

Your mother
must be
worried
about you...

No
way...

She's
very
strong...

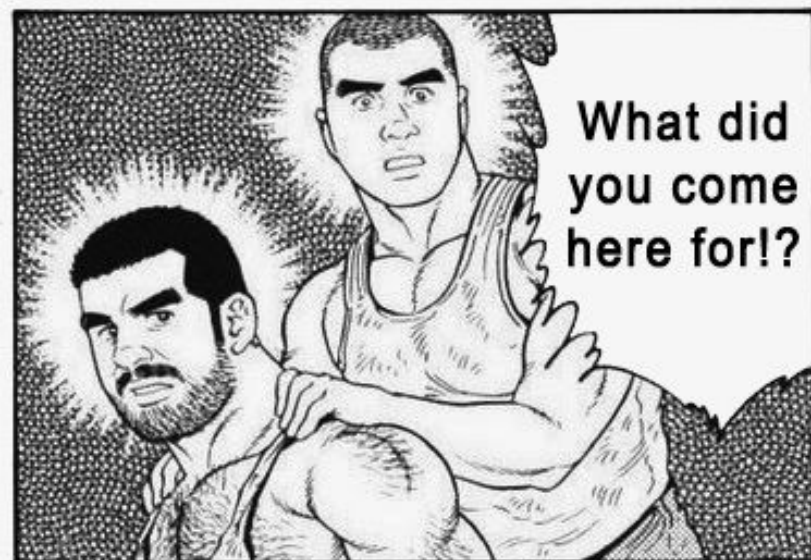

There was
a single old
temple...

...where my
mother and I
went to pray
together before
I had to go
to war.

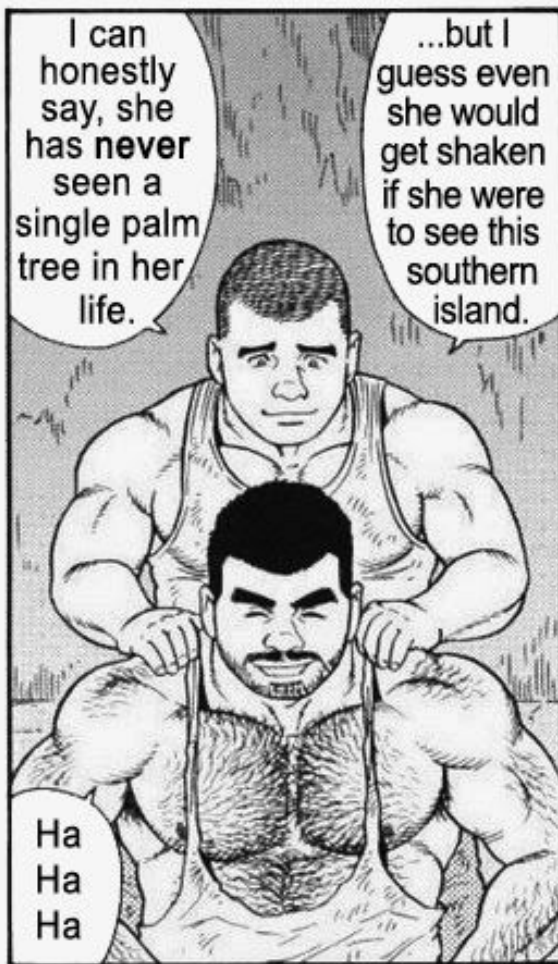

Aahn!
It's you
again!

Major,
do
you--

What did
you come
here for!?

I can
honestly
say, she
has **never**
seen a
single palm
tree in her
life.

...but I
guess even
she would
get shaken
if she were
to see this
southern
island.
