■Afterword■

Hello, nice to meet you.

And for those of you who aren't new, it's been a while.
Tsuttsu here.

Although it's a bit behind the schedule, I was able to release my 10th original book without problems. I'm a bit surprised myself, I never thought this series would continue for this long. For those of you who picked it up, thank you very much.

Today's story is about a temporary toilet, and is focused on blowjobs, a kind of book I've been wanting to draw for a while now (I'm been finding mouth scenes quite hot lately, personally).

Well, it's basically a book where I vent my desire of wanting to have my dick licked by a middle schooler.

The girl here is Aya-chan from my first book, "Pee fund-raiser". She's also a character I wanted to draw again, so I'm glad the wish came true.

There were few pee-segments this time (especially Aya-chan's), but I plan to have the pages covered in it at the next Comitia!

One about wetting yourself, or perhaps, peeing your pants?

Well then, if you enjoyed this, I hope to meet you in the next book.

-Tsuttsu

■By the way, I came up with the title of this book (Temporary Toilet on the Third Street) while thinking about what would be a good name for a circle if I ever decided to make a new one. I kinda like the ominous sound to it.
