I tickle
it with the
fingers in
both my
hands to
hurriedly
make it
big.

I pick up
dad's still
limp penis
and...

stop!!
stop!!

Stoop!!

and
with my
mouth,
I...

Hold
on!

I dribble
some spit
on his
penis...

And
once it
becomes
stiff...

Ho-!

I am
Shiratori
Asuka's
father.

Dad~!

E-
Excuse
me...

Could
Shiratori's
guardian
please
step
forward?

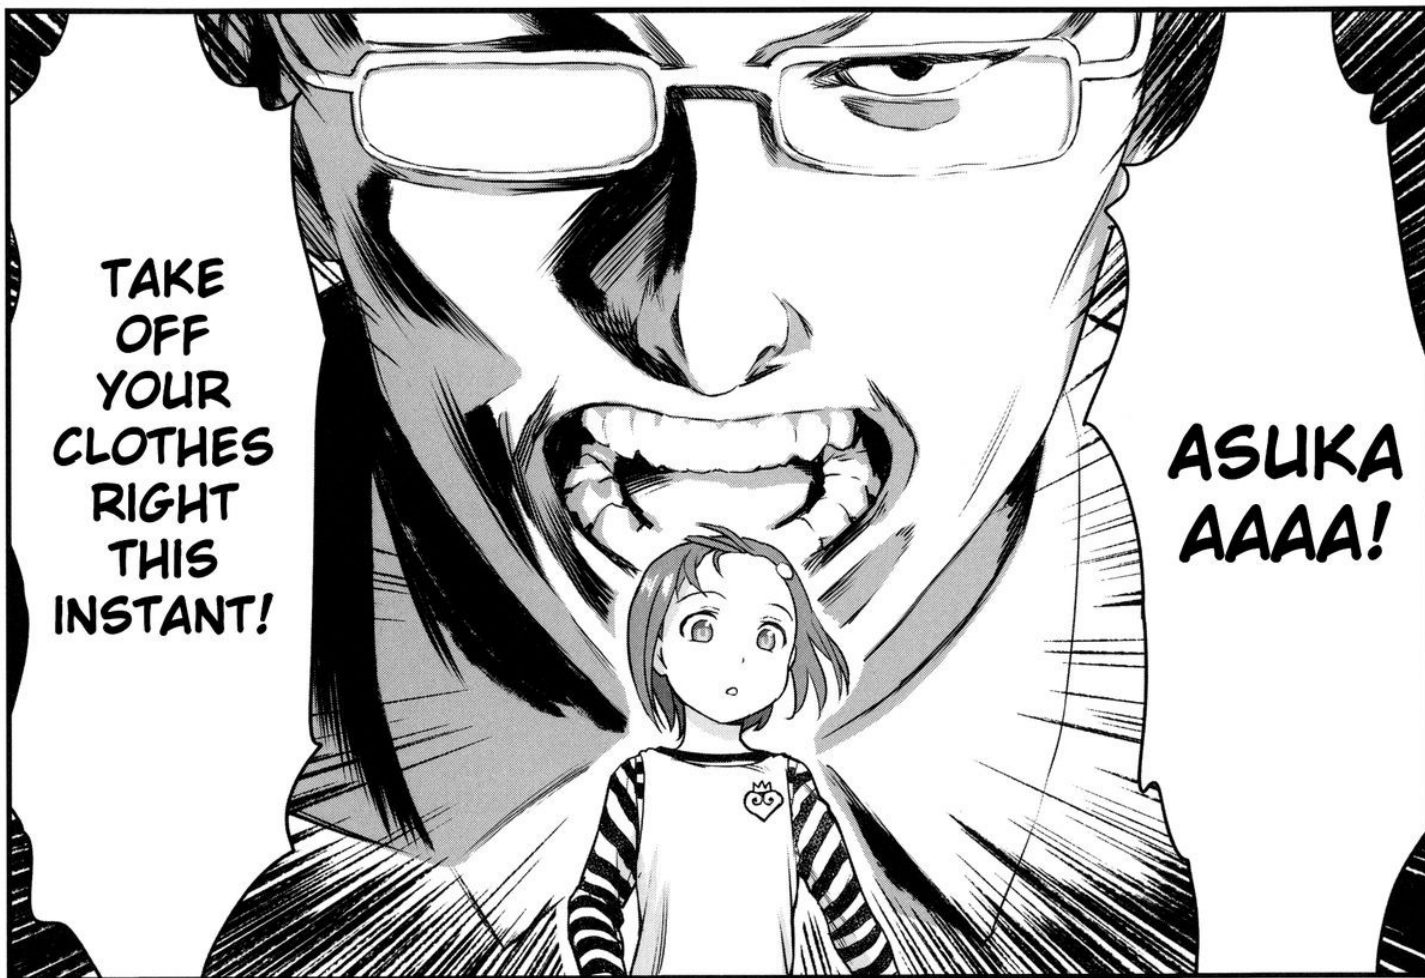

But stop
reading
and wait,
okay...?

I-I'm
extremely
sorry...

Yes.

immediately
raise your hand
to the sky,
please!!!

Together
with a clear
reason as to
why and your
own personal
opinion on the
subject,

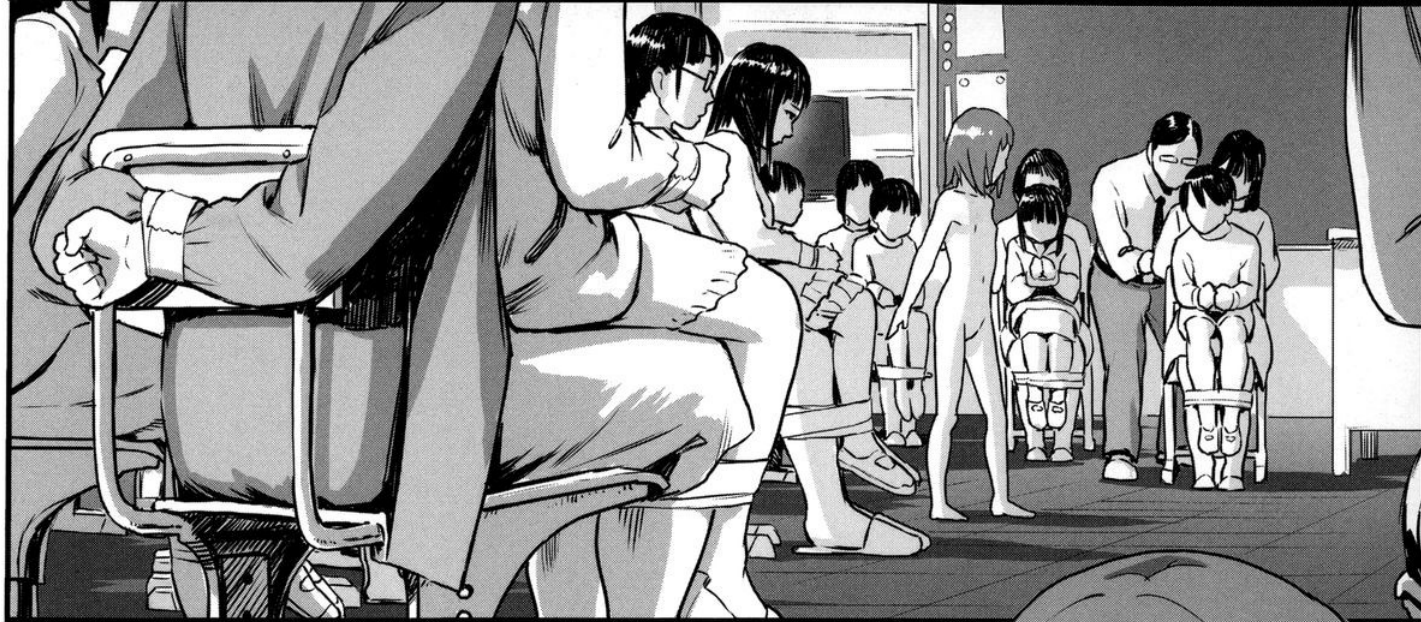

Those who
do not wish
to see our
father-
daughter
relationship,
raise your
hands!!

Okay!

If you
want to
get naked,
then get
naked.

Asuka,
I am not
coercing
you.

Think for
yourself, as
you always
do!

...
Kh

Even so,
your best
friend,
Yui-chan
is crying.

You see,
they're not
like us. They
abhor this
sort of
behavior.

Eh~?

Just imagine
we're at home,
Asuka.

I think
it's fun
to have
everyone
watch us!

Ehe!

let's start by letting
everyone see you
licking my penis
and then ask them
their opinions.

Asuka..
How would
you react if
I told you
that

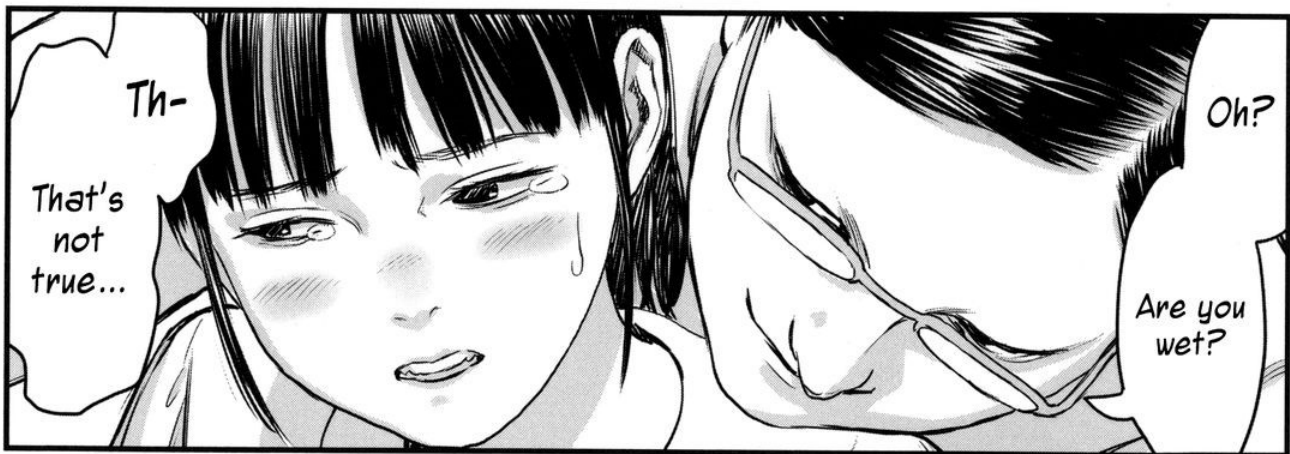

after
today,
we would
quit doing
what we
always
do?

Eh?!
Why?!
I would
hate
that!

...I
thought
so.
In that
case...

S-Stop!
Asuka-
chan!

So, as
you can no
doubt attest to,
she's become
quite skilled
at it.

She'll slide
her tongue on
anything and
everything...
Haha!

Asuka has
been a big
fan of the
act of
licking for
many years.

No...!
Stop...!

That's
my...!

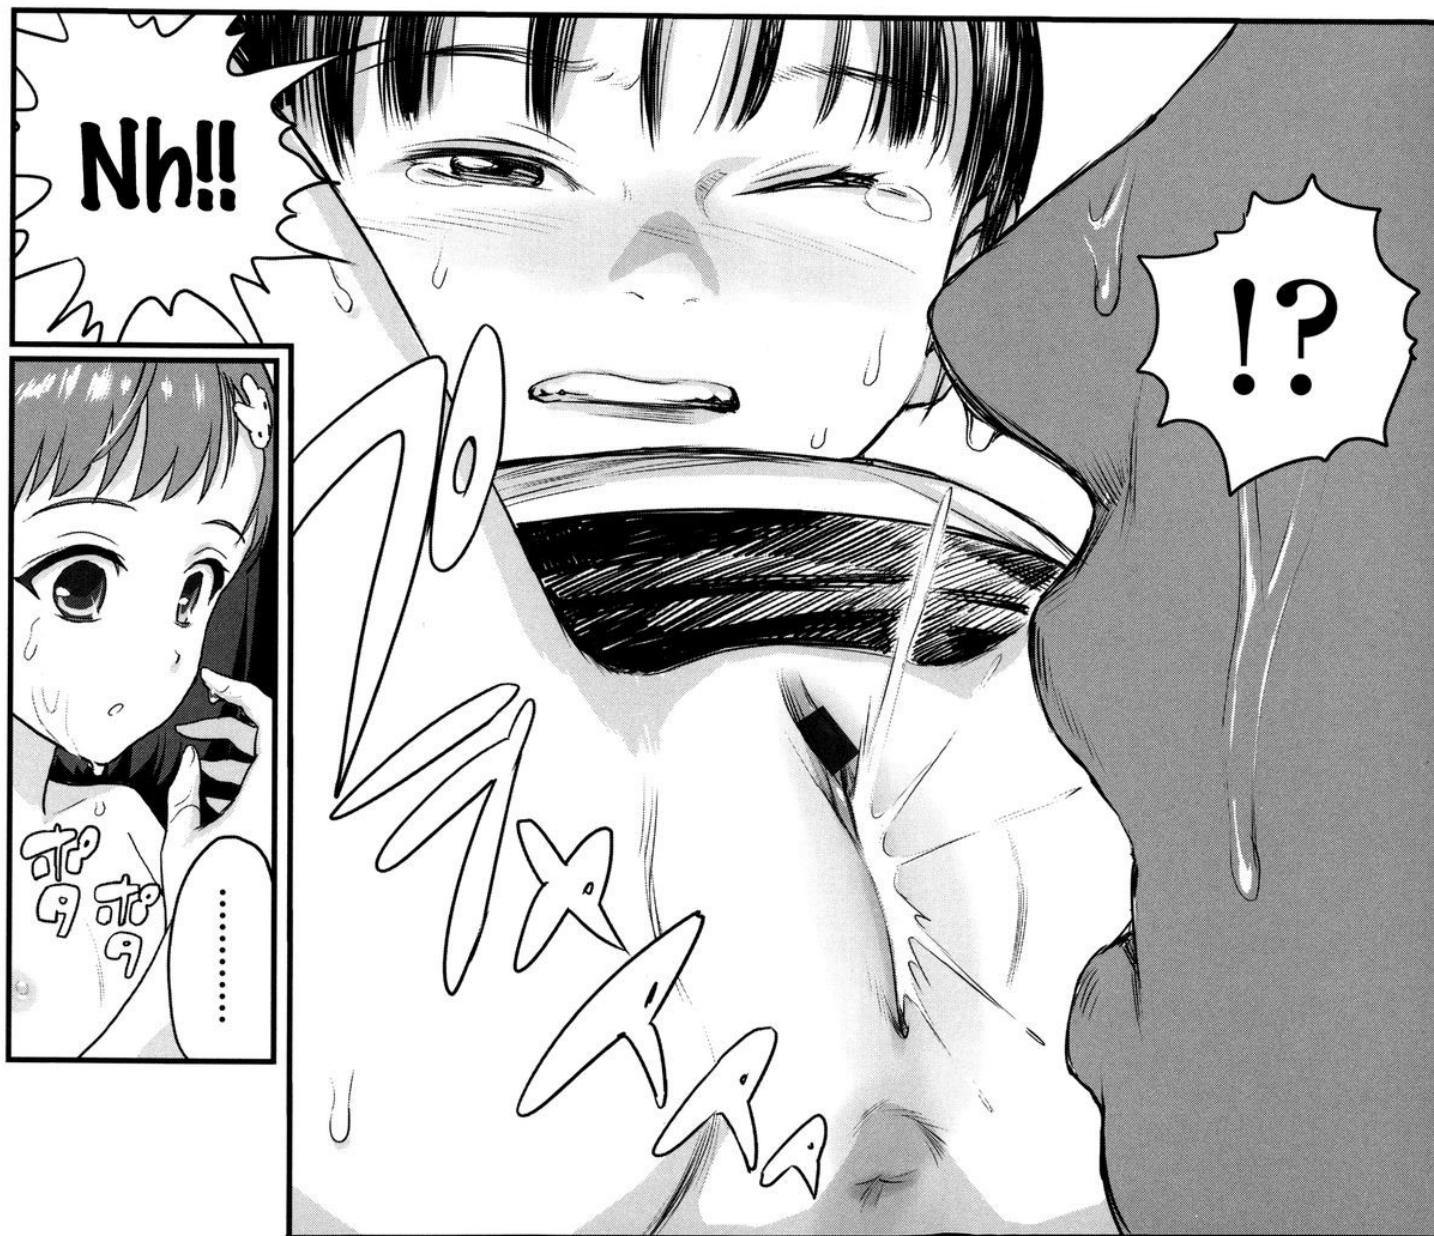

Yui-chan's
downstairs
is so pink and
it's twitching
so much!

Yeah!

Asuka,
be sure
to peel
back the
skin to
give her
a good
lick.

Ah!

Yui-chan,
you're so
funny!

What the...
She went
psssh...!

Huh?!
Really?

Although
actually,
Asuka...

I've made
you squirt
many times
before.

That's
called
squirting.

It's proof
that you made
Yui-chan have
a very good
time.

Yes, but you
always end
up in a daze
so you never
notice.

Ah

Eek

Uh...
Uh...
Uh...

Dad!
I wanna go
psssh too!

Ooh!
Good idea!

Or maybe here...?

Hih!

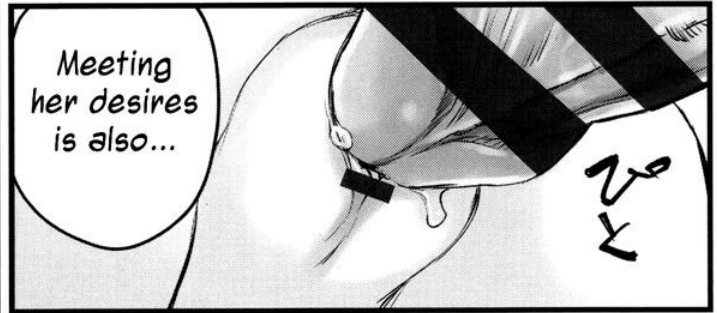

Yes...! There...!

Your body responded by stiffening up!

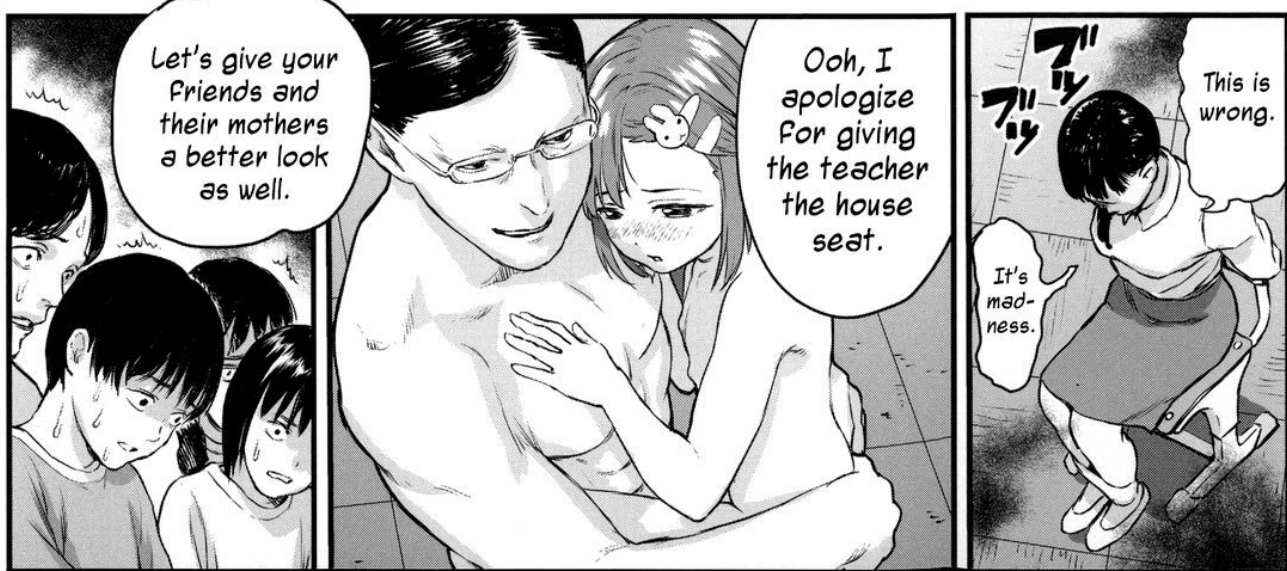

Rino-chan and her mom are as elegant as advertised, aren't they?

Ah

すっすっ 31 31

It's Sae-chan and her mother.

Could I ask you to get along with my Asuka?

Kana-chan you little rascal.

I hope you'll accompany Asuka to the pool again one of these days.

Hah

Hah

It's been too long Mari-chan and mom.

And who might you be? Good day.

フフフ

Doesn't anyone have an opinion they'd like to share?!

H-Hey dad...

Yes?

W-Why is everyone so quiet...

You're right. I wonder why no one is saying a word...

We're an open-minded family!!

あ

If there's anything you wish to say,

don't be ashamed to say it!!

ずずず

ずずず

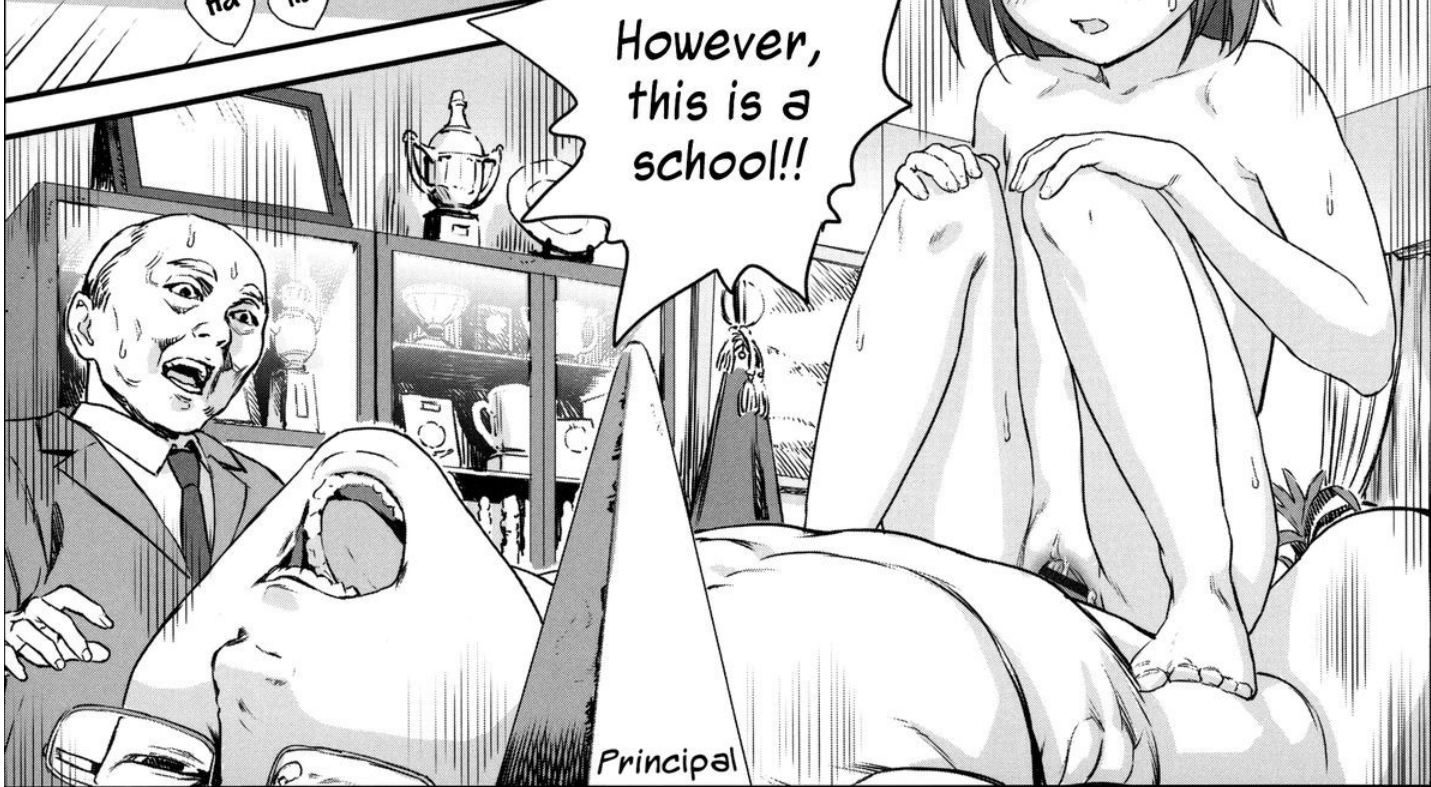

As you
can see
we're both
consenting
parties,

having
our fun
without
hurting
anyone!!

But out-
numbered
as we
may be!!

People
like us
may well
be in the
minority!

However,
this is a
school!!

Principal

An
educational
institution

project
your values
onto us as
if they're
the normal
ones,

But if
you, in the
majority,

then we,
from our
standpoint
as the
minority...

will do as you
do, and convey
our own values
onto you!!

Open
your shut
eyes!

So we
can build
a society
where
we can
coexist!

You,
who are
trapped by
the narrow
set of
values you
learned!

Why
doesn't

I hope one
day, we'll be able
to live in a society
where we can all
get along.

Yeah!!

Because
they have no

in their own

But...

That is
also a

Is it
something
club related?
Alright, tell
me what
it is.

Uhm...

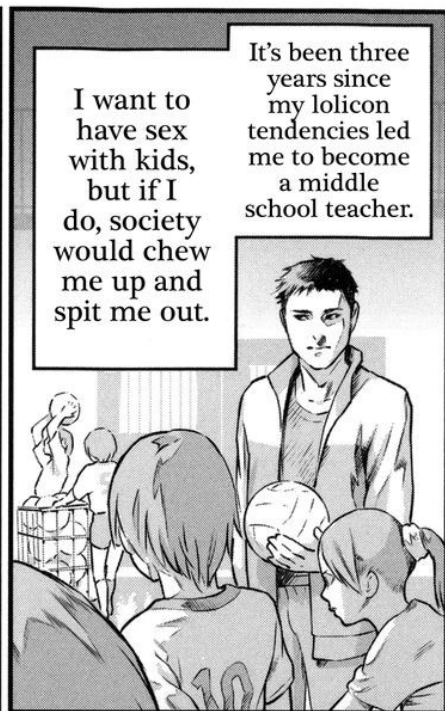

There's...
something
I want you
to teach
me...

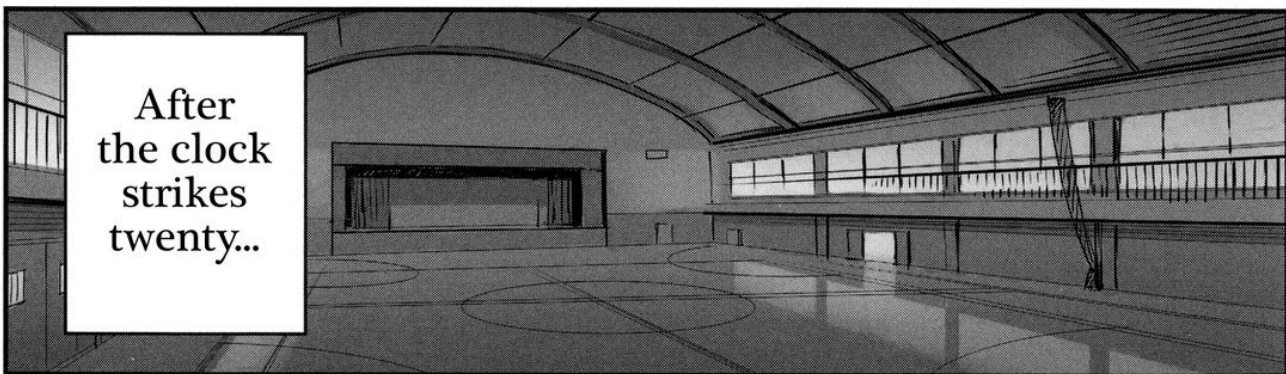

I've been
at odds
with myself,
anguishing
over this
matter the
entire time.
However...

I want to
have sex
with kids,
but if I
do, society
would chew
me up and
spit me out.

It's been three
years since
my lolicon
tendencies led
me to become
a middle
school teacher.

After
the clock

In this
situation,
then...

alone with
a little girl
in the equipment

of the school

that
off...

It's just
us two.

There's no

embarrassed.

All the
clubs are
done for
the day,
so no one
will come
here.

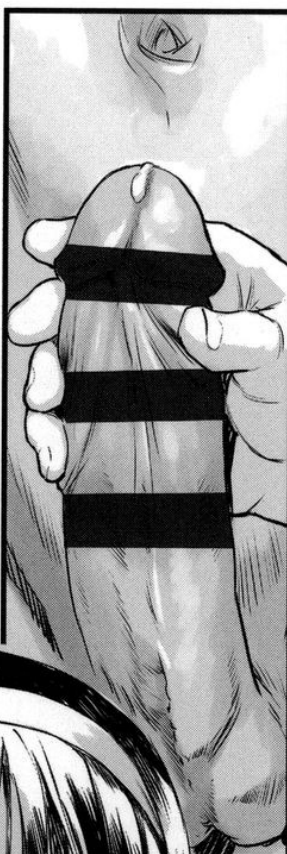

Yes, your
entrance does
seem small,
Kimijima

I don't
think...
that's...
possible...

This guy is
going to
be inside
your belly
soon.

Focus your
attention on
the movements
of my finger.

Sit down
over there.

It's very soft,
but it could use
some more
moisture.

It's going to go back and forth inside you.

This is where my penis will enter and exit.

Do you know...

in what place my finger is touching you?

It's in very good condition.

Oh, it seems you have.

しゅっ

Have you ever stuck a finger inside here?

This is your first time taking a penis, right? Then today's a special day.

Lift up your hips a little more.

ちゅぽ

If you don't answer, I'll shove it right inside you, got it?

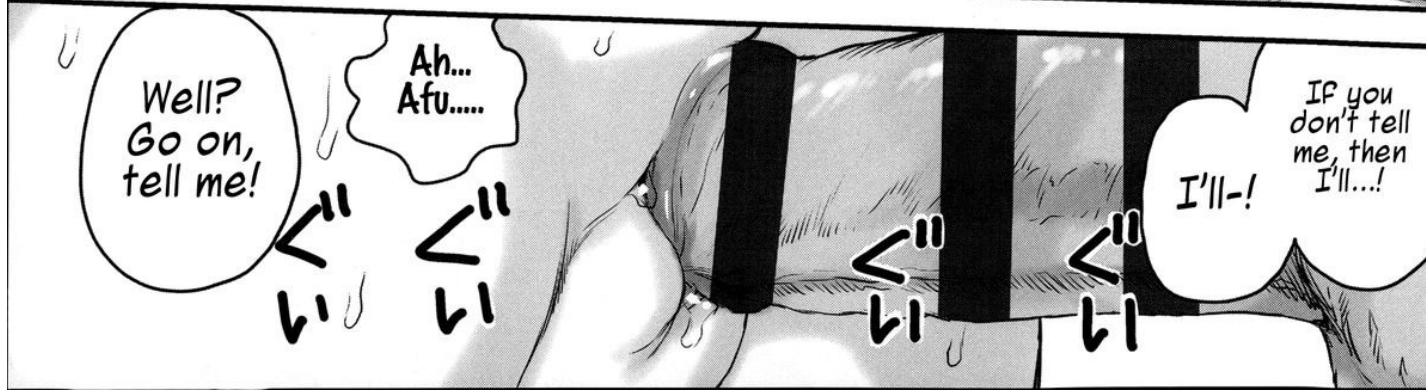

Huh...?

Sensei... Something that huge... will never...

You want to learn about men and women, don't you?

Oh, right! First, I have a few questions for you, Kimijima.

Unfortunately,
you answered
too late.

I think
about you
when I...
move my
fingers...

I...

You're
so cute,
Kimijima.

The tip is
already snugly
stuck inside!

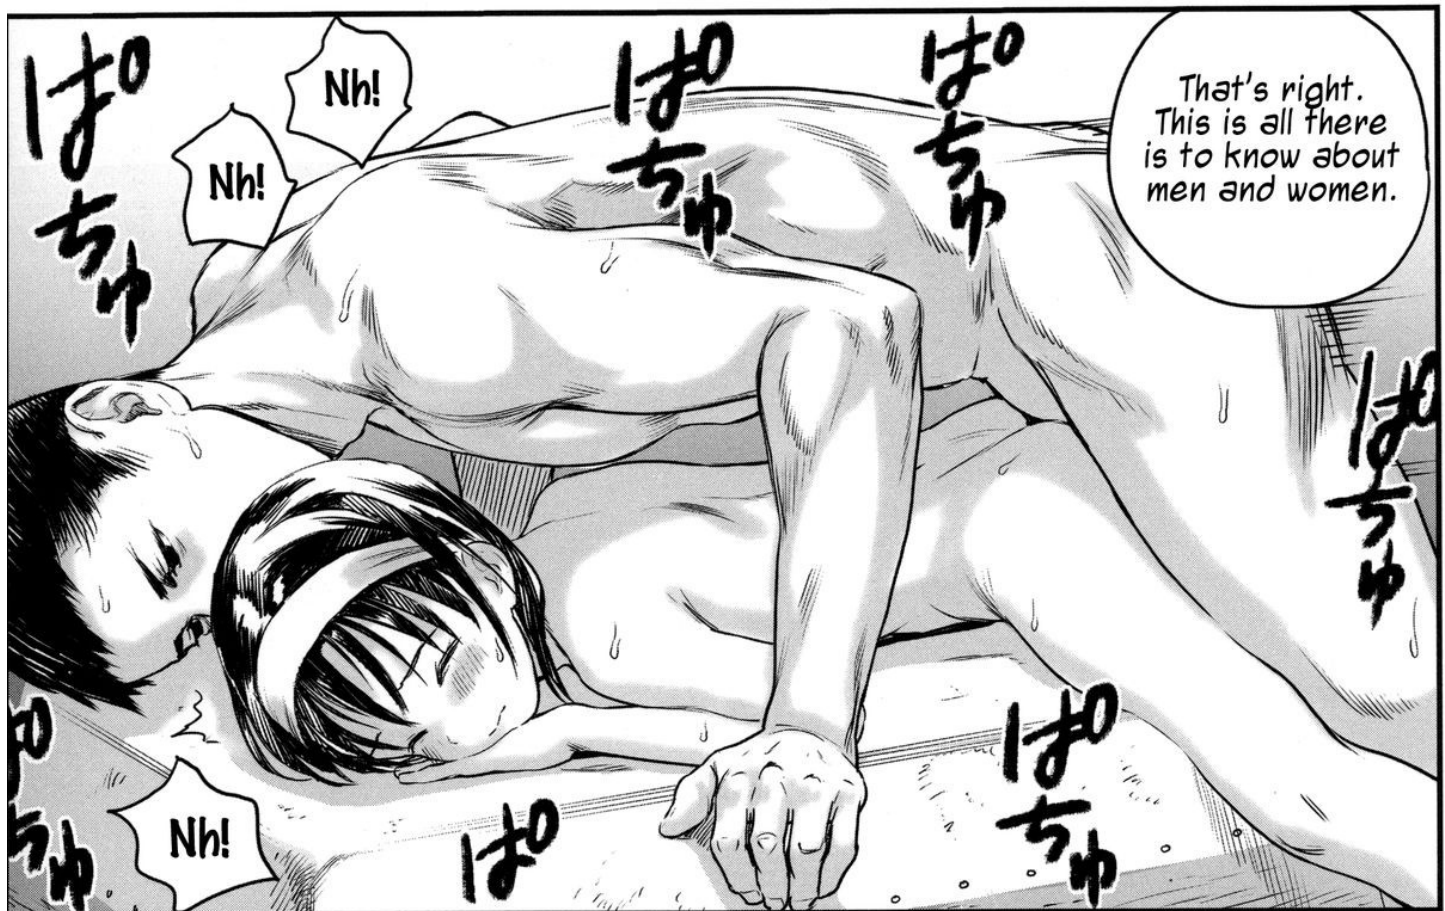

Can I...
understand
men and
women...
now...?

men and women.

too much?

Hm?

Ouch...!

We really should be doing it in the missionary position since it's your first time.

You're a child after all, your pussy is still shallow.

...Ah!

Ah...

Fua...

I'm going to massage the folds in your entrance again and again!

「神性儀式」

Makamura Nie,
only daughter of
Makamura Emi.

Today, you greet
your ninth birthday
with a sound mind
and body... virginal.

Mom,
this is a
classroom,
right?

What's
going
on?

Don't be
worried.
Tonight's
special.

So the
layout's
a little
different...

Correct?

Please...

Don't cause
trouble for
mommy...

I'm
leaving!

Screw
this! What?

W-

Nie!

Hold
it!

神性儀式

Divine Ritual

M... Mom?

Something's not right about this, mom!

I-I don't want to do this after all!

So their bodies... are fraught with the impurity of hedonism.

Huh!?

Ah!

Mom!?

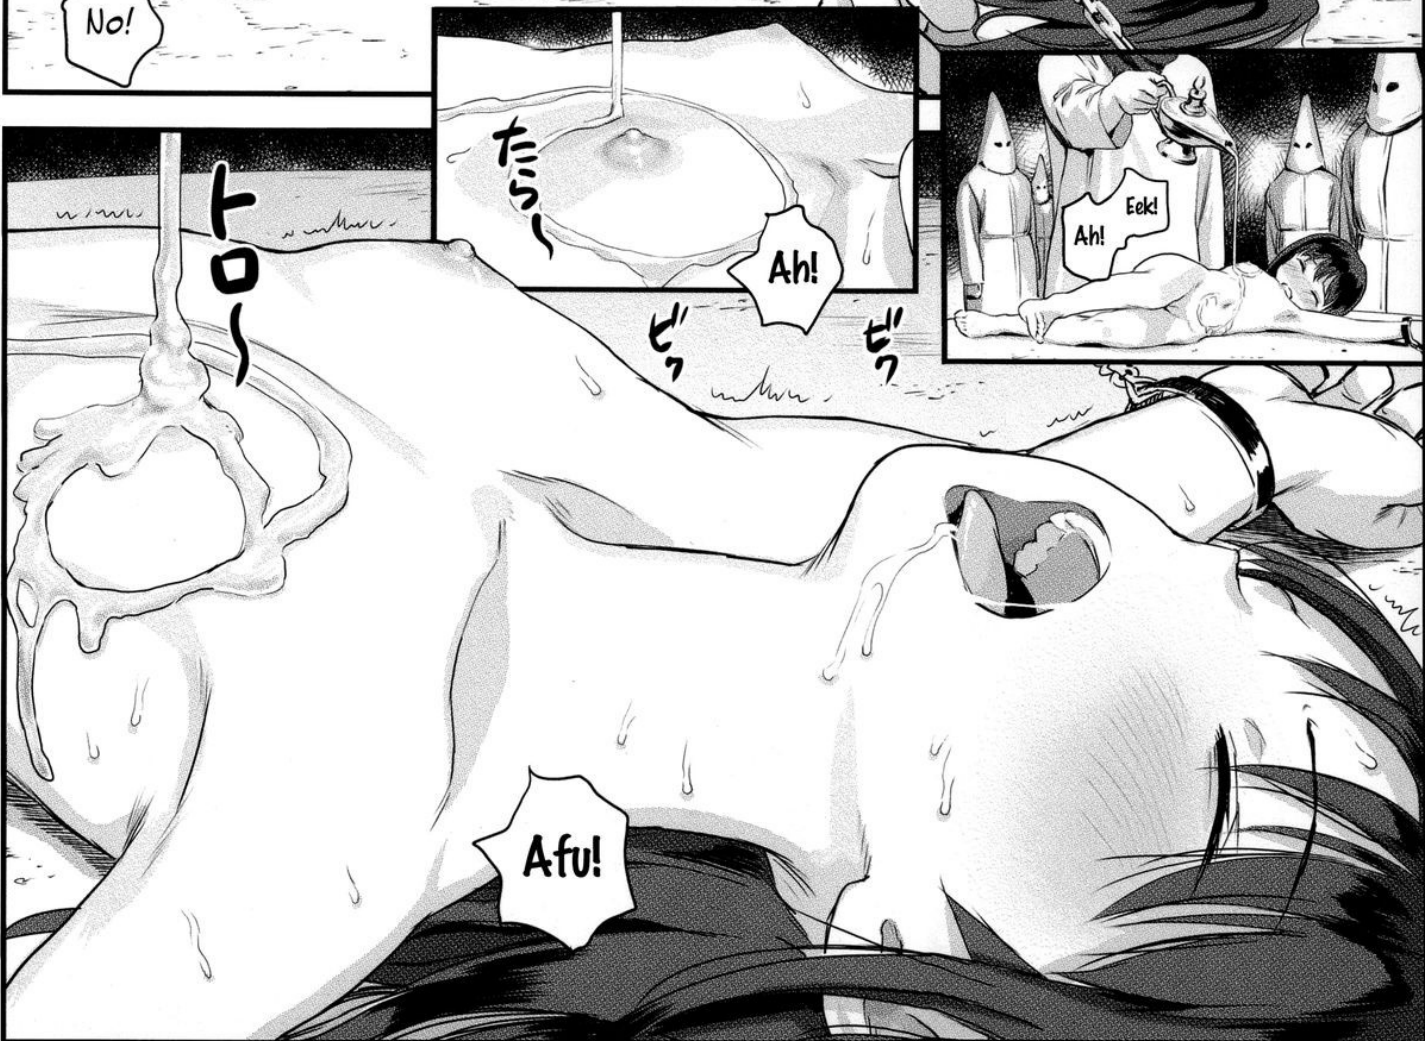

...People

are birthed from the mutual hedonism of both their parents...

Huh!?

Hey! What're you-!?

Fufu... Even if enhanced by the incense and the oil, this is a wonderful reaction.

Ah Ha

No! Ple-!
Please, stop it!

Stop!
Aah!

Our lord, GOD, put mankind on earth to serve him.
And the beast that serves mankind.

is the DOG. They have released the hounds.

Do you like dogs?

Huh?
D... Dogs?

Wait, not yet.

I-!
I'm scared...

Okay,
GO!

Now,

Huh?

Ah!

Seems these shackles won't be needed anymore.

Ah!

Now, now,
don't look
away.

You're going
to learn how to
lick even better
than a dog.

Huh?

In service
to our lord.

Harder.

Nh
...

That's it.

Suckle
the tip with
your tongue and
lips to make
it grow.

Come, now.
Cup the balls
gently in your
hands.

And creep
your tongue
along the
back of the
shaft.

Ah!

Good girl,
well done...

Ngh!!

If you hold
those tight,
it'll be easier

B-
Bear...
what?

Grab
those.

Now
get on
that...

Huh?

But you
must feel
this pain.

N-No!

I
don't
want
this!!

For people who
have tasted
the seed of
hedonism,

Ah!?
Eeeek!

you
know?

I'm only
plugging it
with the
tip right
now.

Huh?

Ehi!

your body.

this is their
punishment.

That's
not...
true at
all...

That's...

Ah!

Within the
pain, there's
pleasure,
isn't there?

N-No!

It
hurts!

Its size

as it pries
you open and
makes its way
inside!

Ah!

Ah!
Uh?

Focus!

Feel it
carefully!

うん...

Ah! Ah!
It's going
deeper!

Eek!
Aaah!!

Here!
How's
this?

Now I'm going
to plunge the
whole thing...
inside!

Huh!?

IT'S IN!

Can you feel it all the way inside you?

Reveal your impurity!

Perfect tightness. Remember this shape well!

I-I can...

Don't move?

Uh! Please don't move...!

Ah!

You seem to be misunderstanding that this is sex.

N-No!
I'm sca-...!

Huh?

I can drive it
even deeper.

Second,
the ears,
with which
to hear the
world.

Third,
the nose,
with which
to smell the
world.

Humans
possess nine
holes with which
to interact with
the outside
world.

First,
the eyes,
with which
to see the
world.

Fourth,
the mouth,
with which to
consume and
taste the
world.

Listen
well.

However,
the anus is
not a hole
solely meant
for excretion!

The seventh
is your anus.

Huh?

Sixth, the hole
you are currently
using to accept
me inside you,
the vagina.

And the
seventh!

Fifth,
the nipples,
to provide
milk.

Ah!

Ha!

Don't what? Your front hole won't stop squeezing, you know?

Hya!

D-Don't!

Eight!

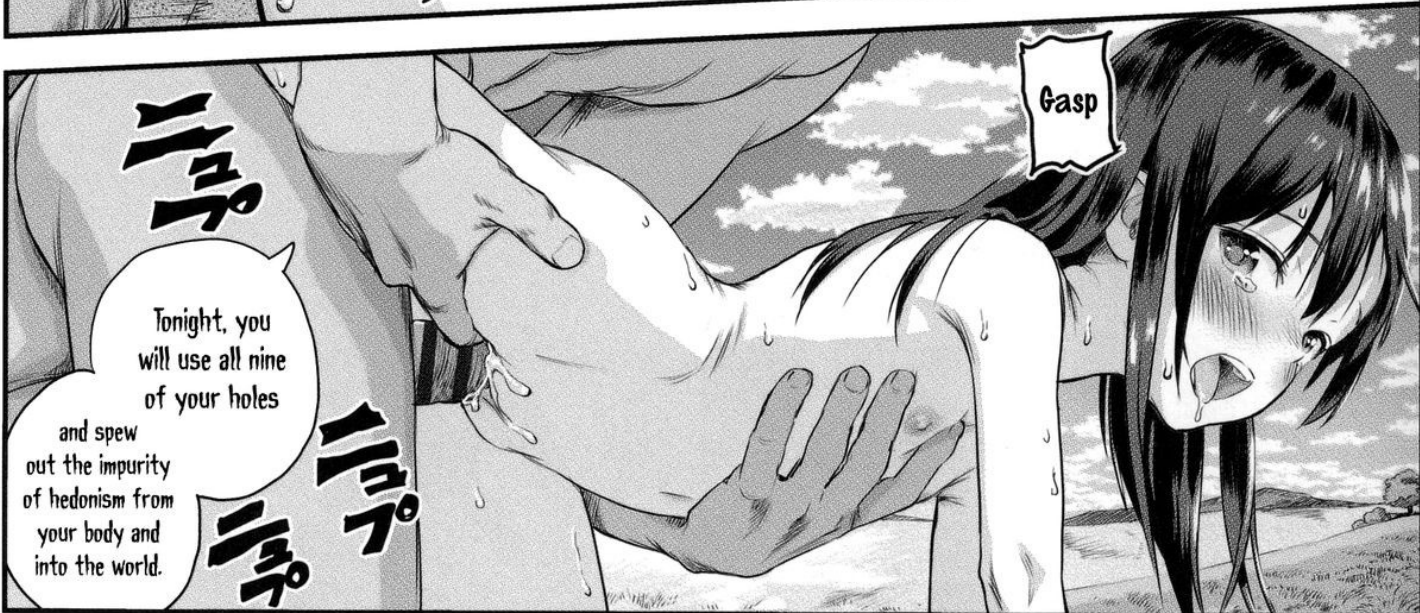

The urethra, with which to release fluids out into the world!

Ah!

N-Nooo ooo!

Aah...

Wh... What is this...

The ninth
and final
hole is-

...Now
Do you know
where the last
hole is?

...

Hi!
Ehi!

the hole
located

in the back
of your
vagina!

Hah

NOOO!

I'LL GO
CRAZY...!

Fan the
fire...

It's reaching a weird place!

I- It's reaching a weird place...

UH!

Here!
Here it
is!

The hole
that births
humans into
the world!!

Come now,
don't forget
to clean it.

Nie-chan,
I'm very
proud
of you.

Uuh!
Very good.

You've
certainly
overcome
the ninth
step...

When I
turned nine,
I had the
same thing
done to
me.

You know,
this wasn't
anything
abnormal.

Oh,
my.

M-
Mom!

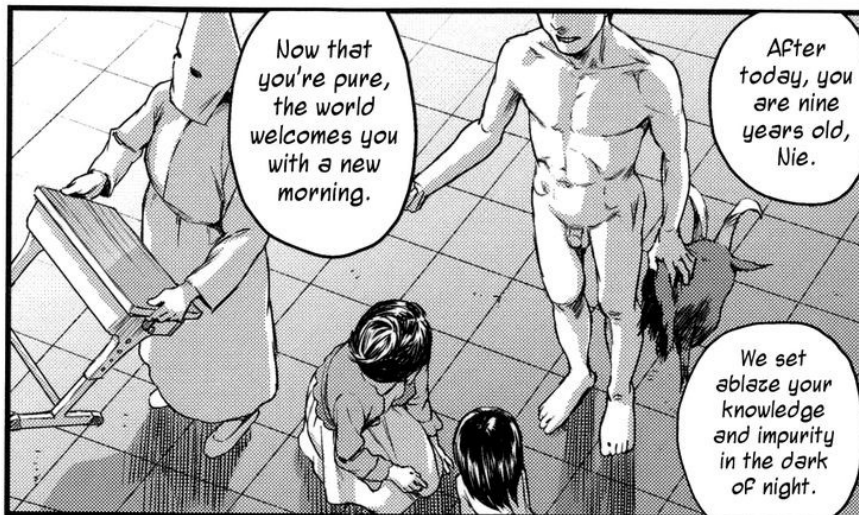

And
afterwards,
whenever I
had the time,
I would come
back here...

Even
after I
met and
later
married

Right,
Sensei?

After all,
I wasn't
able to

Wait...
Does that
mean...
