**Rice from the
Same Pot**

飯釜同

SHIROI

Eng. translate by RungsitX, The Hulk, mitko

Hello, I'm Tamano-ii Jinichiro, I'm 20 years old, and I'm Jinsuke's brother!

I'll be the new member of the Mansome Dormitory. Nice to meet you!!

Gentlemen, I proudly present..

T/L note : The name is from Japanese idiom - 同じ釜の飯を食う (onaji kamano meshiwo kuu) = Eat rice from the same pot. 釜 (kama) is a type of pot used to cook rice. Since families usually eat rice from the same kama, this phrase is used to describe someone close, or someone who's been through a lot together like a family. [definition from JapaneseVideoCast.com]

Rice from the 1 Same Pot

Four years ago he came to Tokyo...

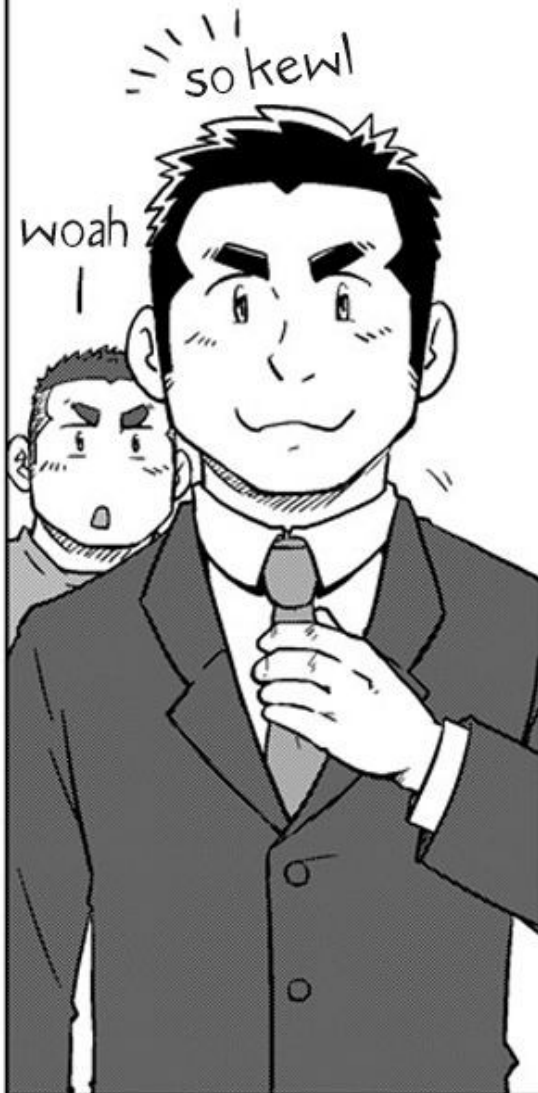

302

Kagami Tamanoii Tsurugi

This spring, my brother got a full-time job.

...and stayed with 2 of his friends.

So when he moved out on his own I moved to Tokyo and took his place

He used to visit my hometown with my bro, so we know each other well.

This is my brother's junior from high school, **Tsurugi Yuzaku**. He's 25 and works as a P.E. teacher.

Long time no see, you sure grow up a fast!

What should I call you? I already call your brother Jin, so you will be...

Ichi-Jin?
Nii-Jin?
Jinjin...??

← mumbles to himself

This is my first time meeting him.

And this is **Kagami Tomohiro**. He's 27 and he's my brother's senior.

He's a freelance writer, I think...

This includes electricity, water and gas, so please use them carefully.

The rent and other monthly expense are divided equally.

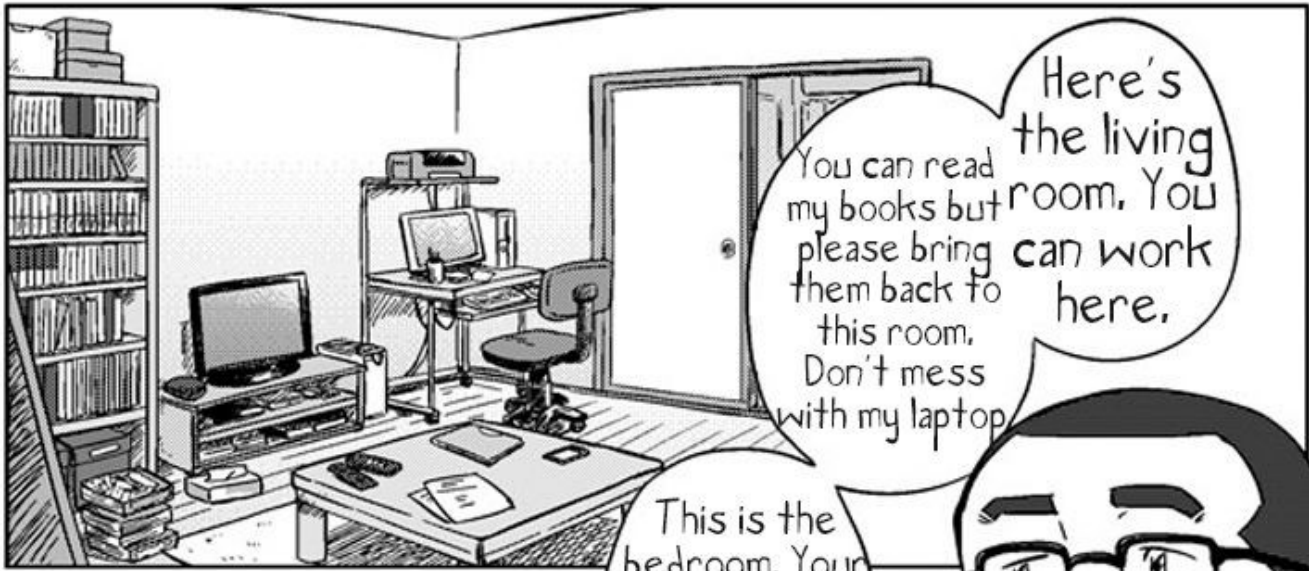

Our rules are simple

Cooking and cleaning duties will be decided later.

Pleased to meet you.

Make yourself at home

Here's the living room. You can work here.

You can read my books but please bring them back to this room. Don't mess with my laptop

Our place is quite small - If you need some private time, you're better off going outside.

This is the bedroom. Your brother used to sleep in the middle so now that spot is yours.

It's delicious and it deserves a superb name! ♥

Tomohiro-senpai has a weird taste in names.

Feel free to take a dessert from the fridge, but be careful with names like "Sakura dairy spicy matcha religieuse".

Don't worry, little by little, you'll get used to it.

It's a lot to remember right?

memory error

ermm

Do you have any questions?

—
ALRIGHT!

Jinichi!

It's
great to
have
you ...

Welcome
to our
Mansome
Dormitory

anyway...

Should be fun
and I can feel
great things
will happen,

I'm so
excited!

A country
boy moving
to the big
city, it's
great to
have nice
roommates
like this!

And now,
a new
chapter
of my
life
begins!

..and say hi to the doggy, yeah!

WOOF

Go straight ahead from the station.. ok

Turn left at the crossroads with the store...

I'M HOME

What? It's not THAT far...

Well Did you done break a tree branch as a marker to find your way?

Hey, welcome back!

I thought I may have to pick you up at the station or you'd get lost.

RungsitX Bara/Yaoi Translation

Shokugeki no Soma?

hmm
it tastes
...

Let's eat!!!

Wow

Say, can you cook?

Our standards are high. If it's not good you have to get takeaway!

How about your job at the curry restaurant? Are you planning on finding a second job?

Incredible! Delicious! Unbelievable!!

Your food is so good I'd like to eat it everyday if possible!

Nope, we take turns cooking and cleaning, one day it will be your turn!

I'm not talking with you about food!!

Can't be!! A great curry must be at least 60% rice!!

Will this bickering be turning into a food war?

Can't think of anything beside food, huh? Is your brain replaced by 100% beef curry?

Maybe at a coffee shop, hamburger place or a fried chicken restaurant.

That's nice..

Actually I am..

Should be delicious...

Don't worry, Today is my turn.

We ate all of it, that's good!

Let me help you with the washing-up.

Ahhh~ soooo full!

My stomach is bursting.

Leave the dishes, Yuzaku...

What? Today? Tomo-senpai, this might shock the newbie a bit.

Today is the last day of this month - Judgment day! Hmm.. Which movie is the perfect match here...

?

YES ☆

Don't tell me we're going to play a game to decide cleaning and cooking duties..

A game duel?

RungsitX Bara/Yaoi Translation

RungsitX Bara/Yaoi Translation

Are you sure the rules are that simple?

That game is totally insane..

Whoever cums first gets cooking duty, the last to cum gets the cleaning.

Get it?

This game has just two rules.. Use only your bare hands.

Ahng~ hurry, ♡ cum inside ♡ me~

We wank together so no one can cheat. It may feel strange at first..

This 3 men race has been going on in this room for many generations.

Ah! I understand now!

Beware. If you rush it or waste time without a strategy you'll lose for sure! Got it?

♡ Oh dear so hard!!! ♡

With two guys sitting next to me..

I used to jerk off after seeing my classmates change their clothes for P.E. class and during field trips..

Actually

But this situation..

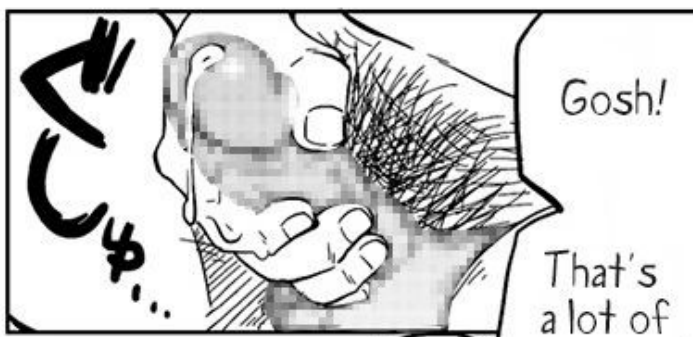

and jerking off together with me..

RungsitX Bara/Yaoi Translation

It's making me feel so awkward.

Gosh!

That's a lot of precum!

Need to focus...

If you don't cum before the movie ends you get all chores!

Obviously!! I've never done something like this before!

You're quite turned on, aren't you?

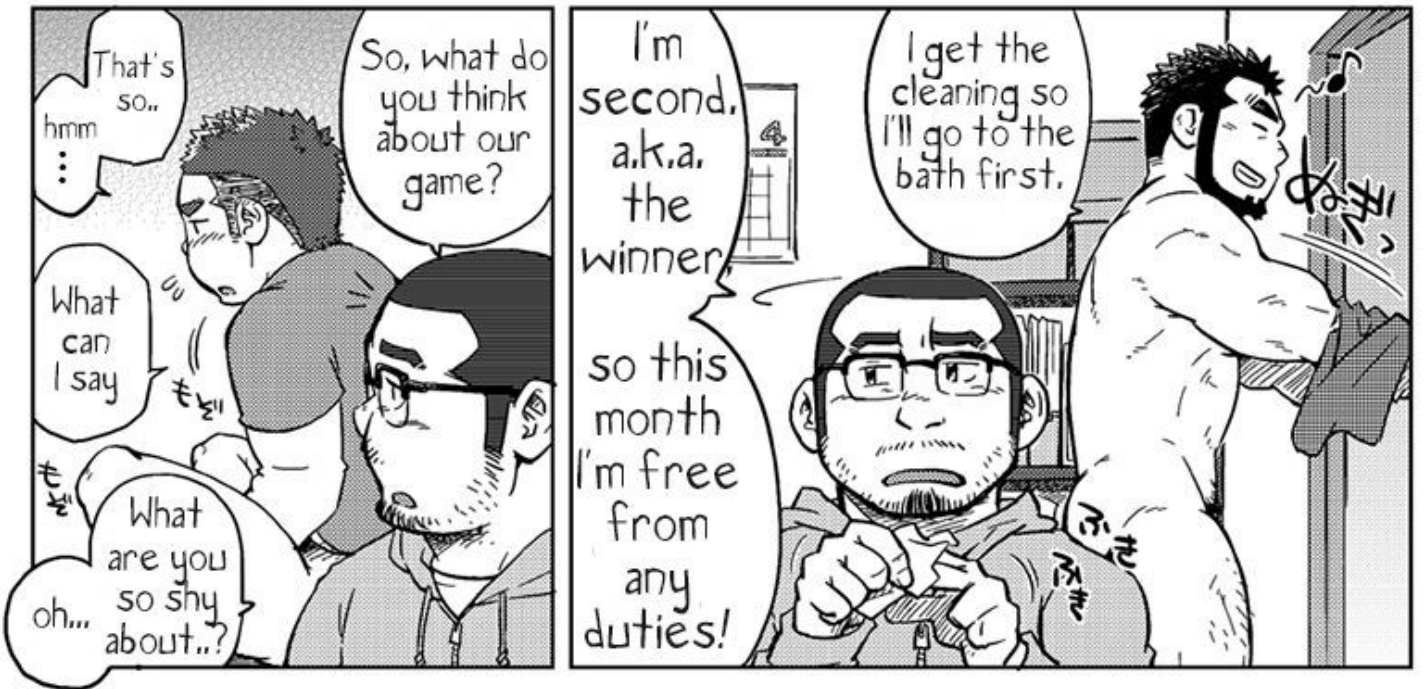

then I'll...
Take the victory
!!!

Hmh
Hmh
Hmh

Let it flyyy!
I'm shooting
!!!

I'm the loser, right?
Then..

RungsiX Bara/Yaoi Translation

And my cum rubbing around my cock makes it so warm and sticky!

Seems like you're hornier than your brother!

ah ah

Ugh!

ah

Ah! I can't hold it!!

Ahh!

I'm cumming again!!

So good!

Feels good, right? You're so hard, I think you like it.

Yes!

ah

Don't know..

It feels so hot and strange all over my body..!

this feels

so good

wank

Nothing... Just teasing the newcomer.

What's happening?

Whose cum is this!? It's too much and it all over my hands!!

Whoa aa!!

The water temperature is great, Tomosenpai.

ズッズッ

my new life in Tokyo started and it doesn't seem as bright as I thought...

This is how..

That's not a bit of teasing! I have to clean and cook for the whole month!?

Congratulation then. Can't wait to taste your food!

to be cont.
