

Absolutely all the money I earn goes away paying loans and debts.

My first girlfriend turned out to be a cheater. I've been a part-timer for three years by now.

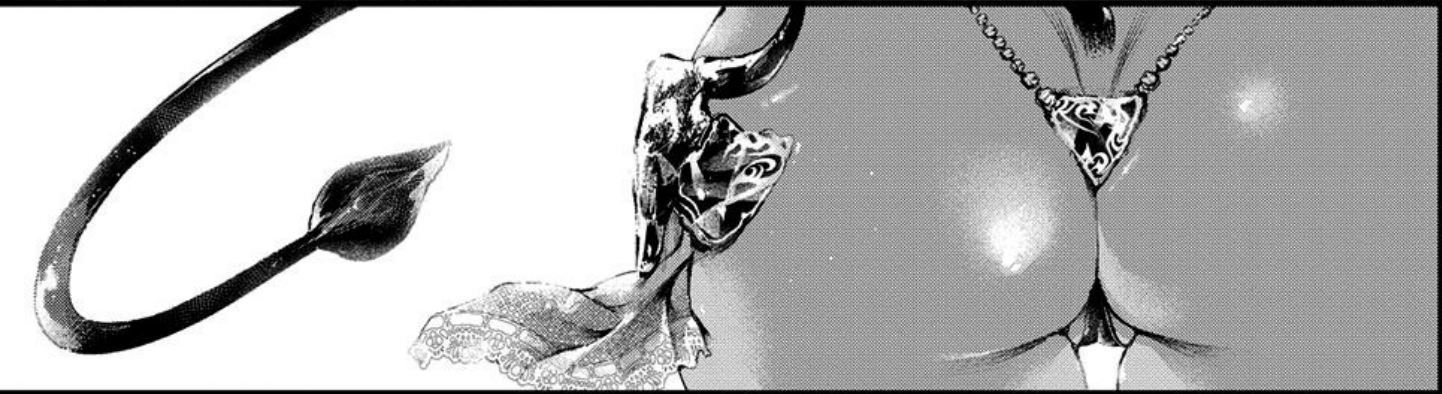

I really meant to do it...

with my own two hands...

Ending a life such as mine...

Presented by **MADOKA KUROIWA**

I came here...

一人ぼっちと一魔ぼっち

冬空の下 出逢った

...with that purpose, and yet.

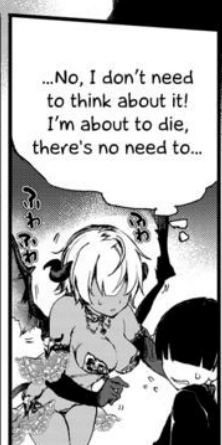

黒磐まどか Presents

Melty

You... You're not human, are you?

Just say it!

...No, I don't need to think about it! I'm about to die, there's no need to...

Such a lewd outfit... Is she a succubus?

Doesn't look like an angel... Is it... a demon?

I'm not hallucinating, I can feel this warmth very well; it's so soft too...

I can feel a heart beating away, and I can smell a breath on my face.

Aaah,
I'm sorry!
I said
something
rude just
now!

Me pals down 'n
the underworld
always made
fun of me,
callin' me accent
"disastrous"...
So I ran away;
that's how I
ended up here.

'M a
succubus,
Melty.

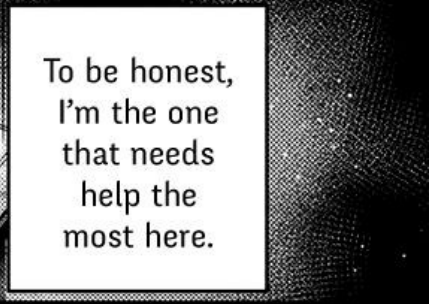

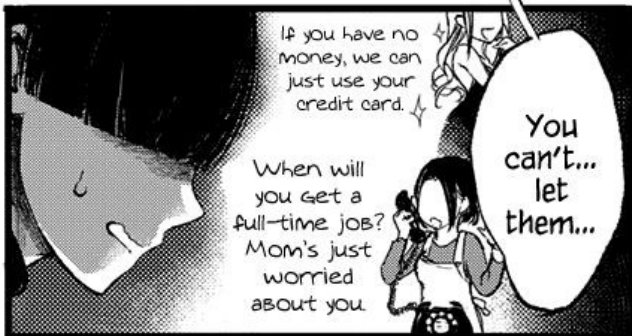

I... I
see.

So there
are bullies
down in the
underworld
too!!

Her accent...
Compared to
my problems,
this makes
my life look
like a walk
in the park.

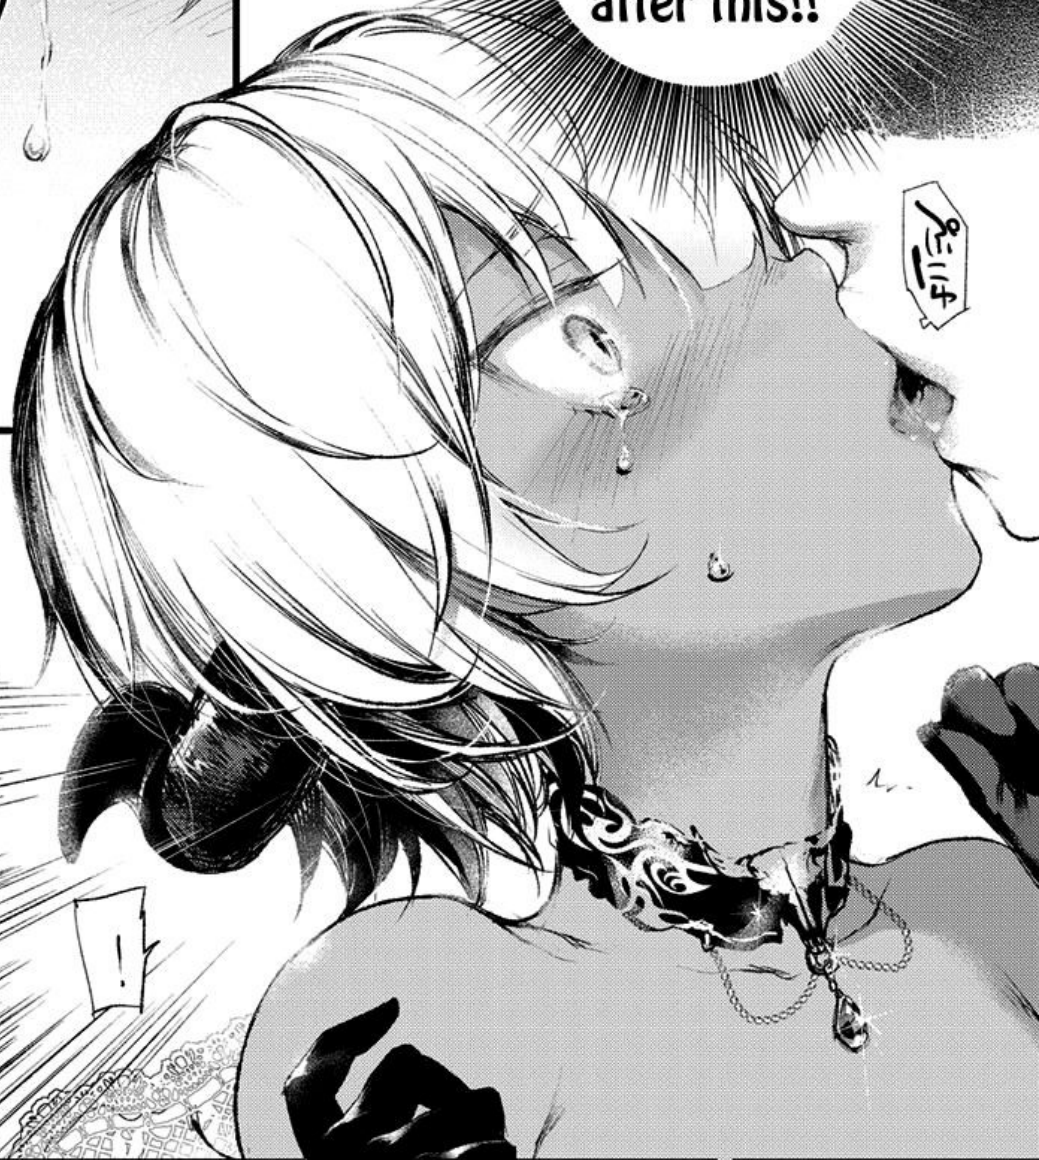

I came here to die anyway.

There's nothing scarier than death for me!!

I don't care if she hates me after this!!

If you don't get what I say, I just have to make you understand like this, right?

No, I can't back down now...!

Did she hate it, after all?

Eh?

What do ya think yer doing?

H- Heiza.

Yer name is?

Melty...?

Fluffy long hair.

Voluptuous curvy lady!

Giant breasts!

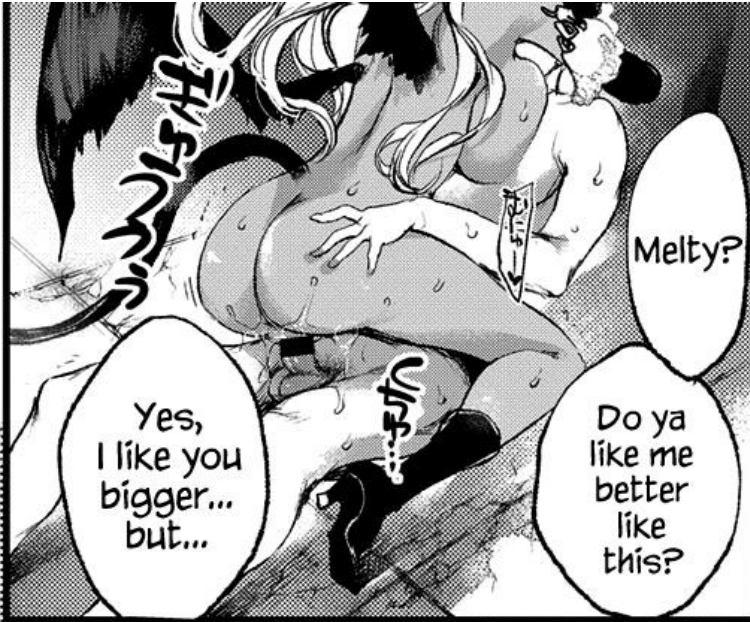

I like it even more!!

Why did ya turn aggressive all of a sudden...!?

Y'see, I become like this for a while when I get cummed inside of. I get bigger all around, so it's kinda embarrassin'...

Yes, I like you bigger... but...

Melty?

Do ya like me better like this?

Heiza!

But I...

Will you hate the tiny me? can't stay like this forever!

Heiza!!

♥

She makes me believe life's worth living.

Melty's here with me.

Living is still as difficult as ever, but...

I gotta get another job.

If it is for her happiness, I want to do my very best.

First of all...

You look pretty cute, Melty...!

I wanted to try to fit in, so I dressed like a human. ♡

Mmh~?

But why a school uniform?

...I have to start by correcting that phony knowledge of the human world she has.

If human females don't wear uniforms, their nationality is taken away and they're branded as slaves and become oppressed, or so I heard.
