DESPITE SQUEEZING EVERY DROP OUT LAST NIGHT, HE WOKE UP THIS MORNING WITH A SOLID ERECTION. IT LOOKED TO BE THROBBING AND ACHING WHILE HE WAS ASLEEP, SO I, HARA SAYAKA, DECIDED TO OFFER A HELPING HAND.

You don't mind if I help you out with these early morning... body issues... right?

Seeing how you're like this, perhaps we can help each other out. So what would you like to do?

What would y-o-u like to do?

こんにちは！遠藤弘士です。「愛して！ほむん」は同居人というイメージの5人で回していくつもりだったのですが、一冊一人という感じのシリーズなので、どんどん新しい娘を出した方が楽しんでもらえるのかな、と思い新キャラを出してみました。それでは、ごゆっくり堪能して下さいませ～！

She's a shy, but very curious younger classmate. She's keenly interested in learning more about sex.

"Senpai! Umm... Please teach me everything there is to know about sex!"

While timid and shy, her curiosity is stronger than her passivity and she'll often meddle and take great interest in a variety of things! She's full of ideas and often acts without thinking things out first. Because of this she often does ends up doing embarrassing things, hoping people will overlook it!

So this is...
Senpai's
penis ♥

Can
something
this big

Even just
putting in

tight...

Maybe it'll
