

See You!

Okay, Bye-Bye.

Bye-Bye.

See you later.

Let me know what you think tomorrow, Tina.

You can just say "thanks" for something like this.

Thank you very much for the comic.

Thanks!

on!

メイドインジャパン

無道叡智 Presented by mudou eichi

Yes.

Welcome back, Tina.

I'm back Sasaki.

よい子の異文化セックス漫画16P。

金髪碧眼でも、カラダの発育がよくても、少女は好きな人の前では、もじもじしちゃうものなのです。

Can I stay until Mummy comes home today, too?

Ehehe.

I borrowed a lot of comics.

Okay, Okay.

Come on inside.

Her mother said she'd appreciate it if I could look after her daughter on days she was late coming home.

An elementary sixth-grader from America, who's moved in next-door.

Her name is Christina.
Tina for short.

She's not bad at everyday conversation, but it seems she wants to learn various other things.

I'm also teaching her some words and learning English from her...

Since then Tina comes here every day and learns Japanese by reading manga she borrowed from her friends.

I... I have... always...?

Loved... y... you...?

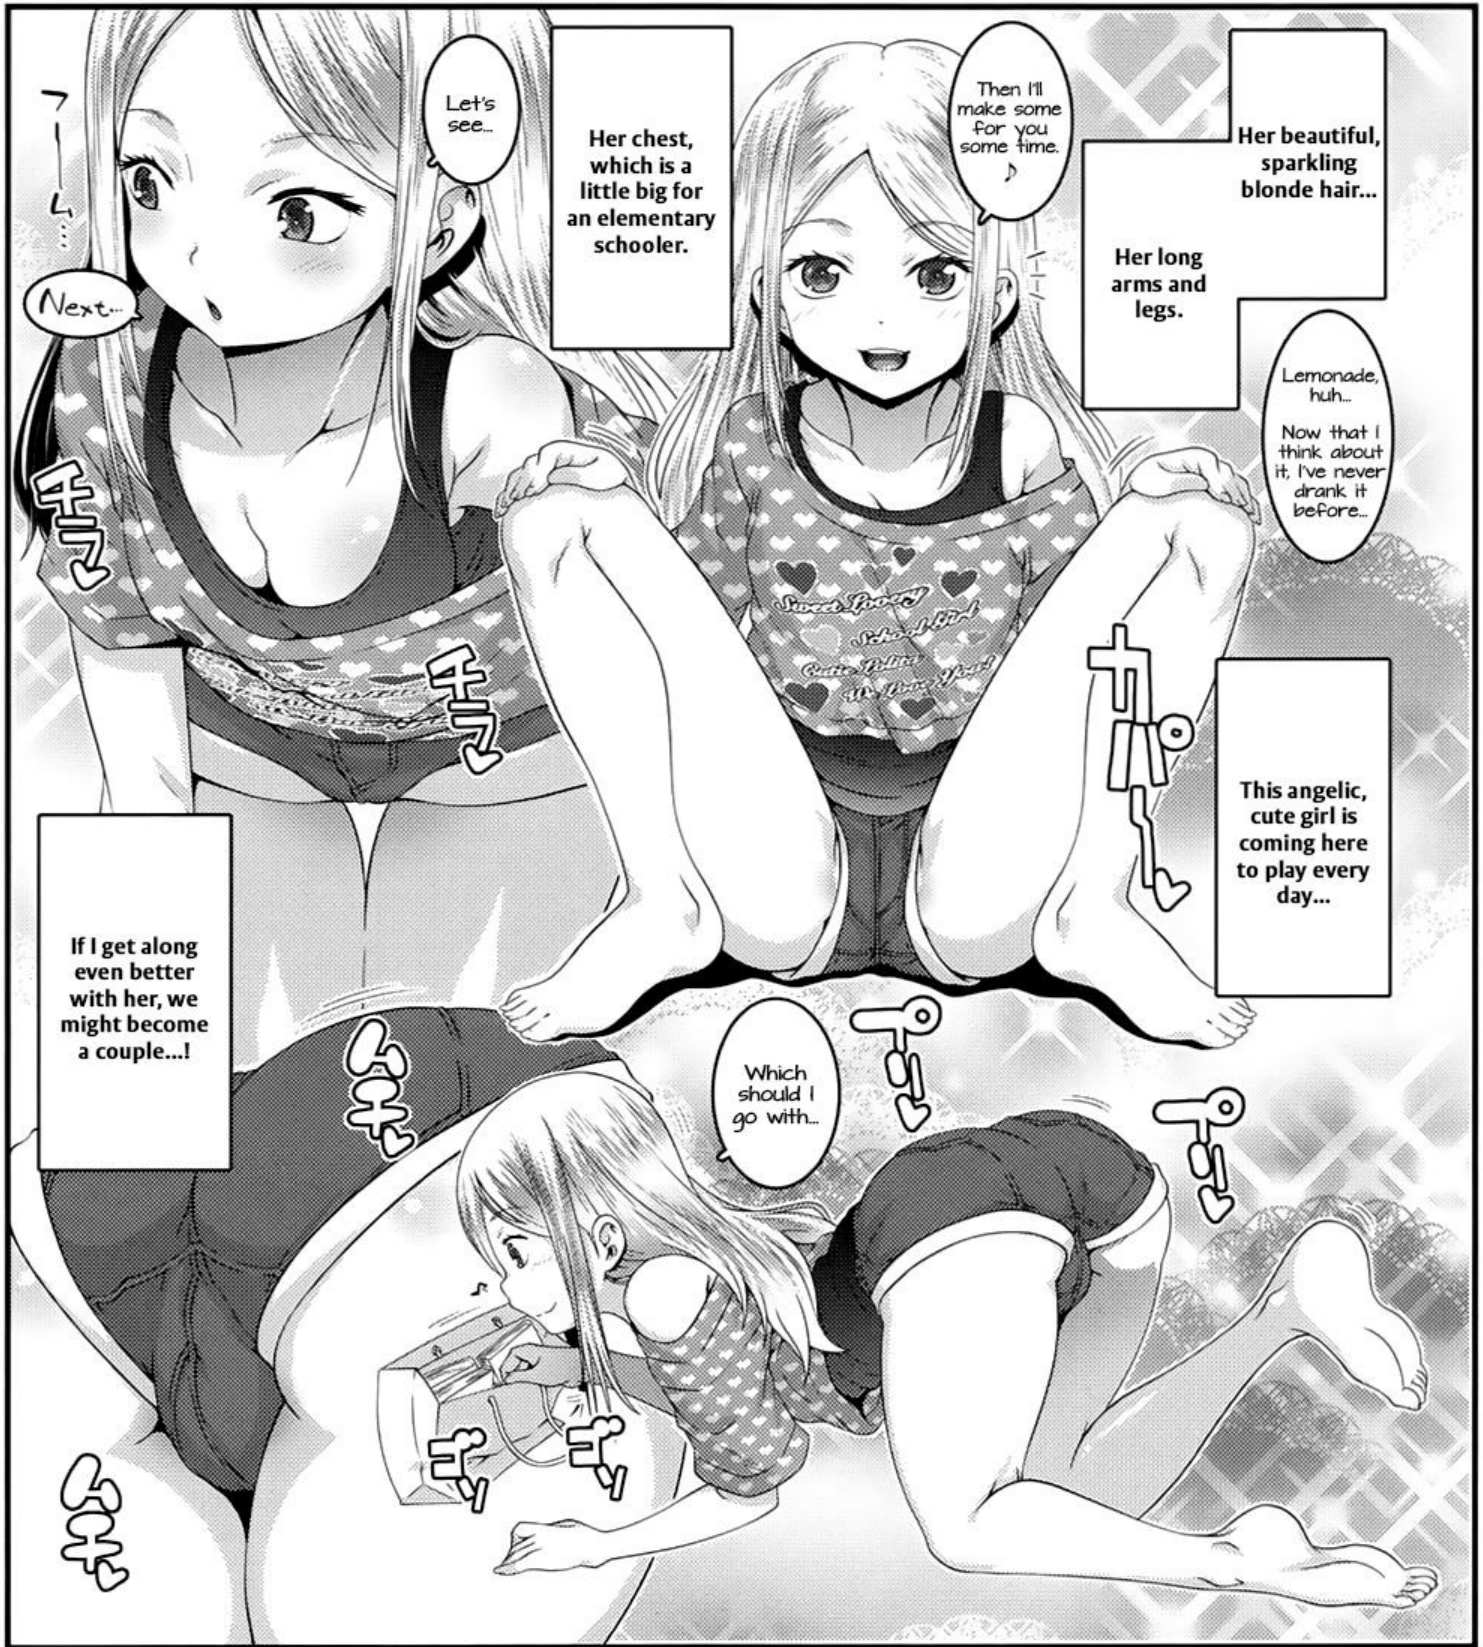

At first, I was surprised that it didn't have any sugar in it!

Thank you!

I love barley tea!

Moreover, we're creating a relationship that's good for both of us...

Okay, here you go.

Next...

Let's see...

Her chest, which is a little big for an elementary schooler.

Then I'll make some for you some time.

Her beautiful, sparkling blonde hair...

Her long arms and legs.

Lemonade, huh...
Now that I think about it, I've never drank it before...

This angelic, cute girl is coming here to play every day...

If I get along even better with her, we might become a couple...!

Which should I go with...

Love stories are my favourite!

By the way...

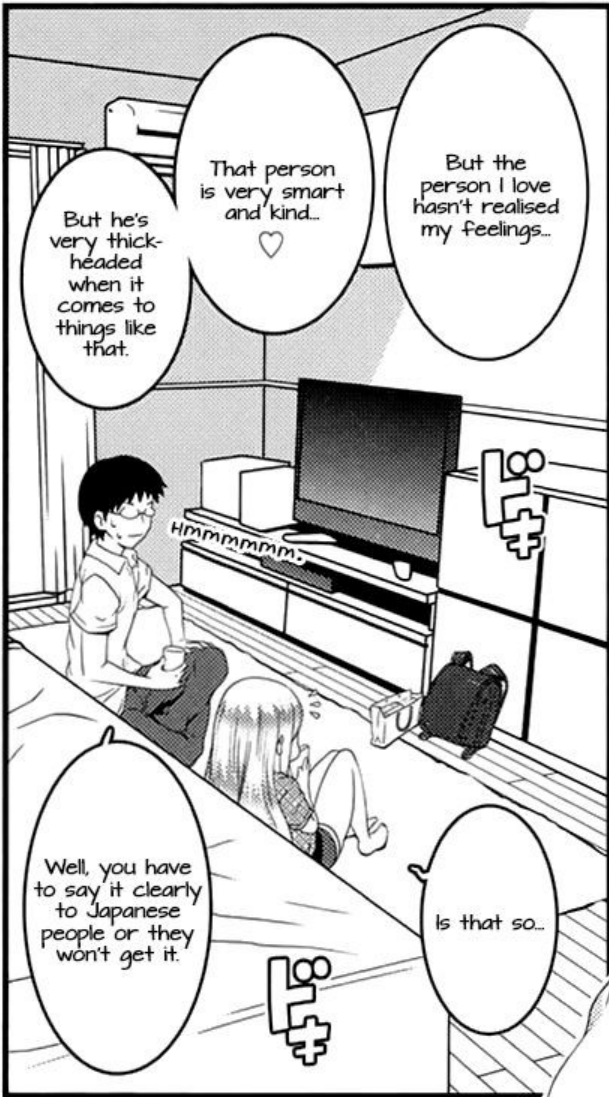

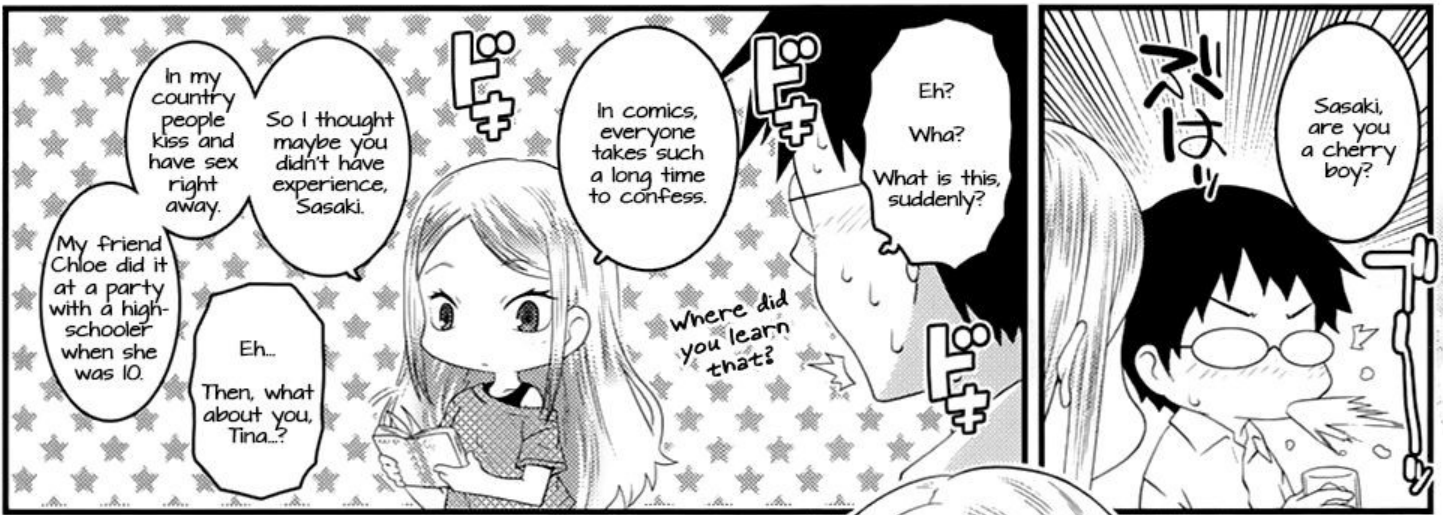

In my country, the comics are all about superheroes.

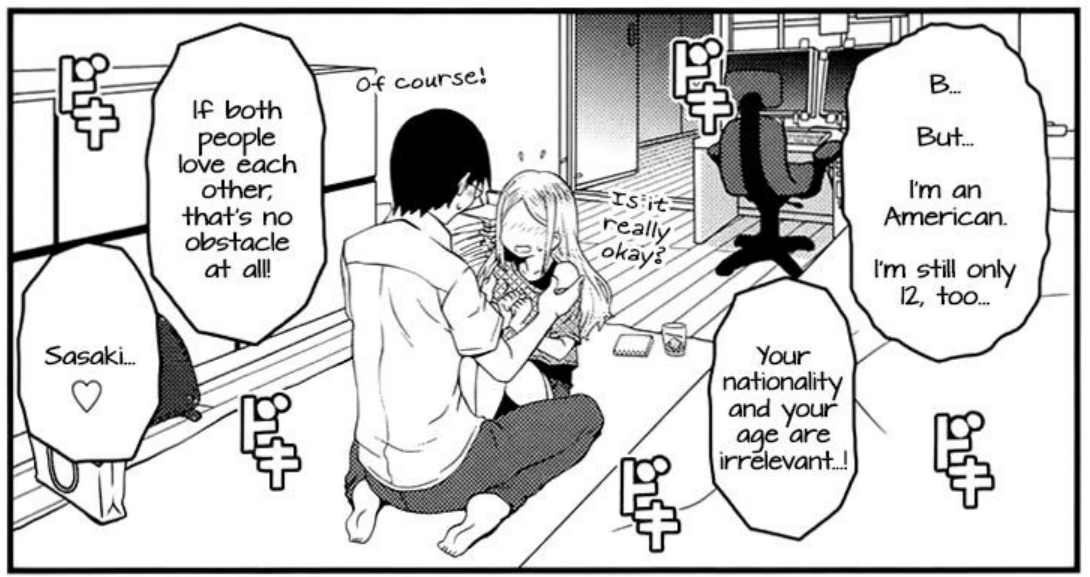

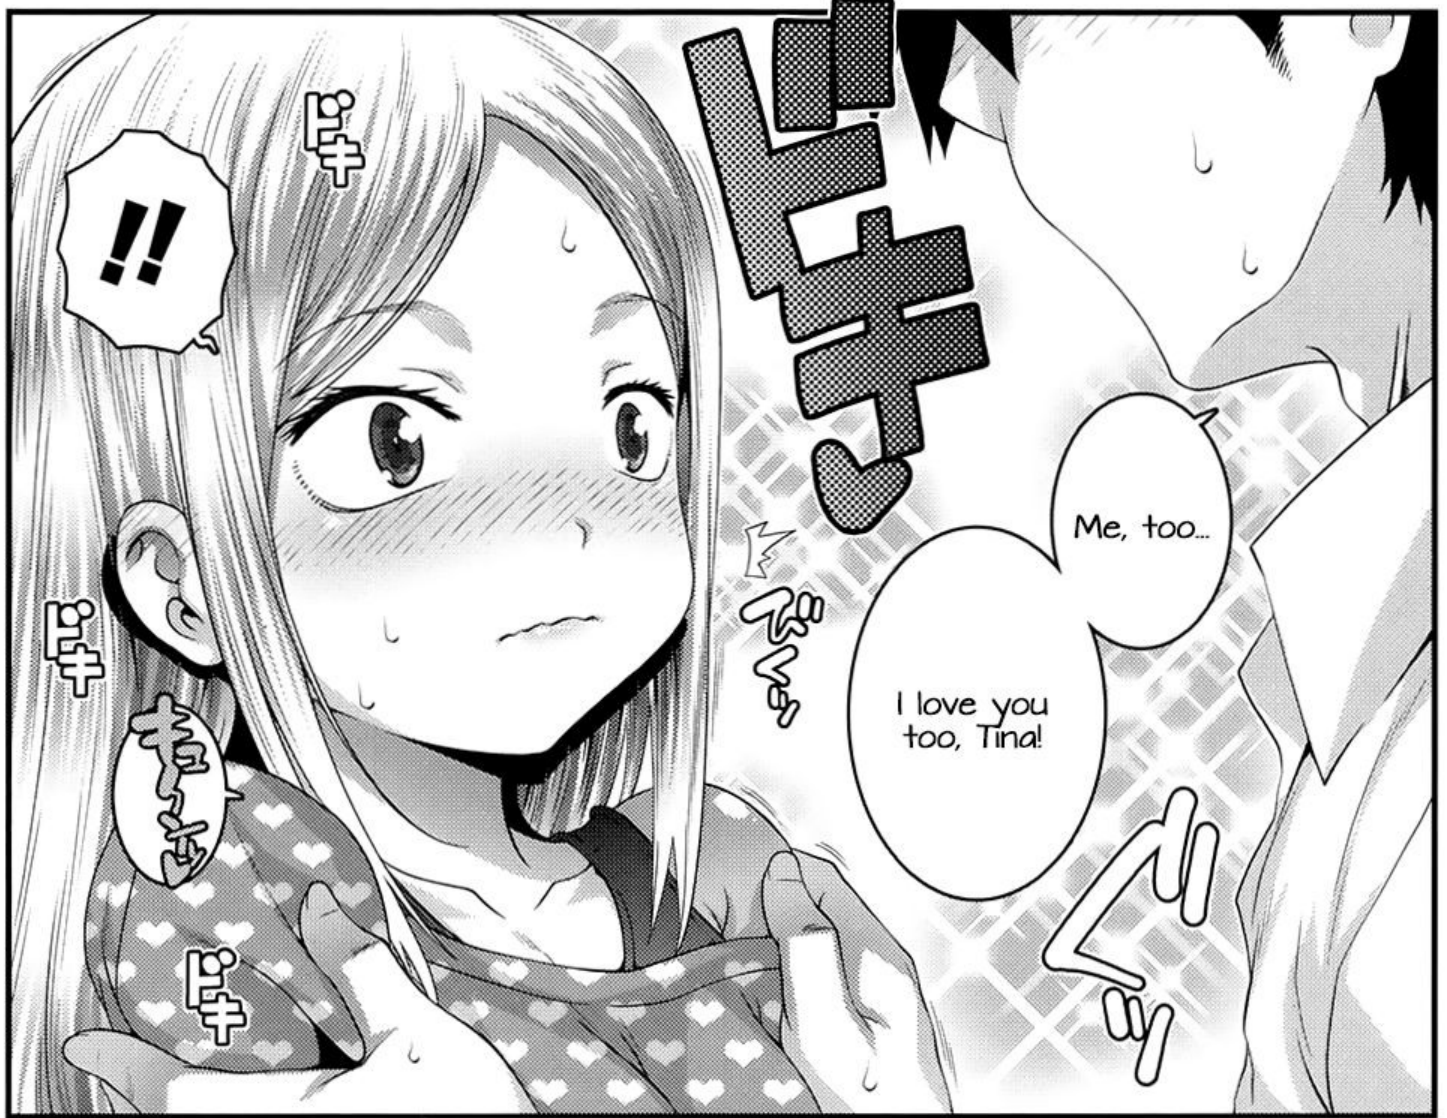

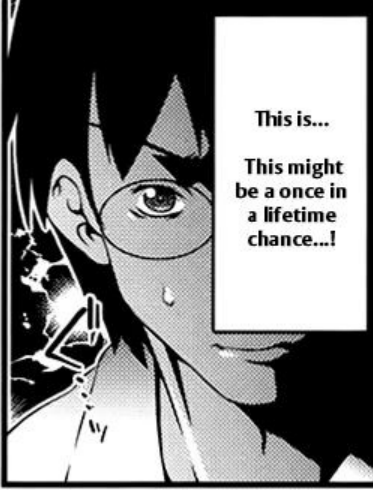

In Japan, there are lots of lovey-dovey comics!

I went with this one.

You really love manga, don't you Tina?

Tina...

Pha...

Makes me very happy, too...

Sasaki being the partner for my first kiss...

I'm happy that my first kiss was with Tina.

Mh...

Wai... Sasaki...

So this is Tina's... The sensation of an American elementary school girl's butt!

It's so squishy, it's like a freshly pounded rice cake!

Don't... touch me there!

By expressing my feelings not through words, but actions!

I'll follow your example...

Pha?!

Shame...

So 12 year old girls wear panties like these in other countries, too...

So cute~

Your fat ass is making the picture of the unicorn stretch...

Will you put your hands on the bed and turn your butt towards me?

Y... Yes...

But it draws attention to your cute butt this way..

Mummy bought these panties..

They're a little small..

Your development sure is something, Tina..!

Your ass is straining them and sticking out..

WTF? What the fuck?

I wonder how it smells?

Sa... Sasaki?

Nhh... Inhale

At times like this!

Omg!

I don't understand Japanese..

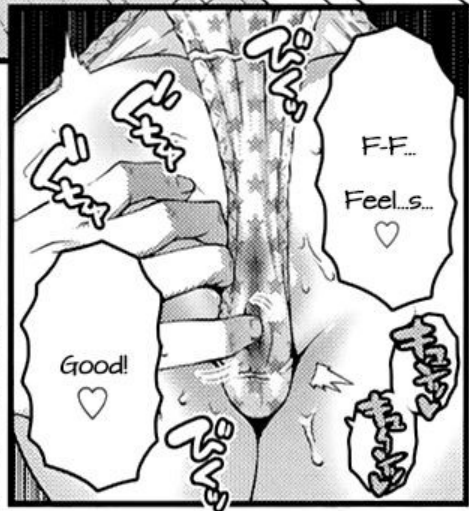

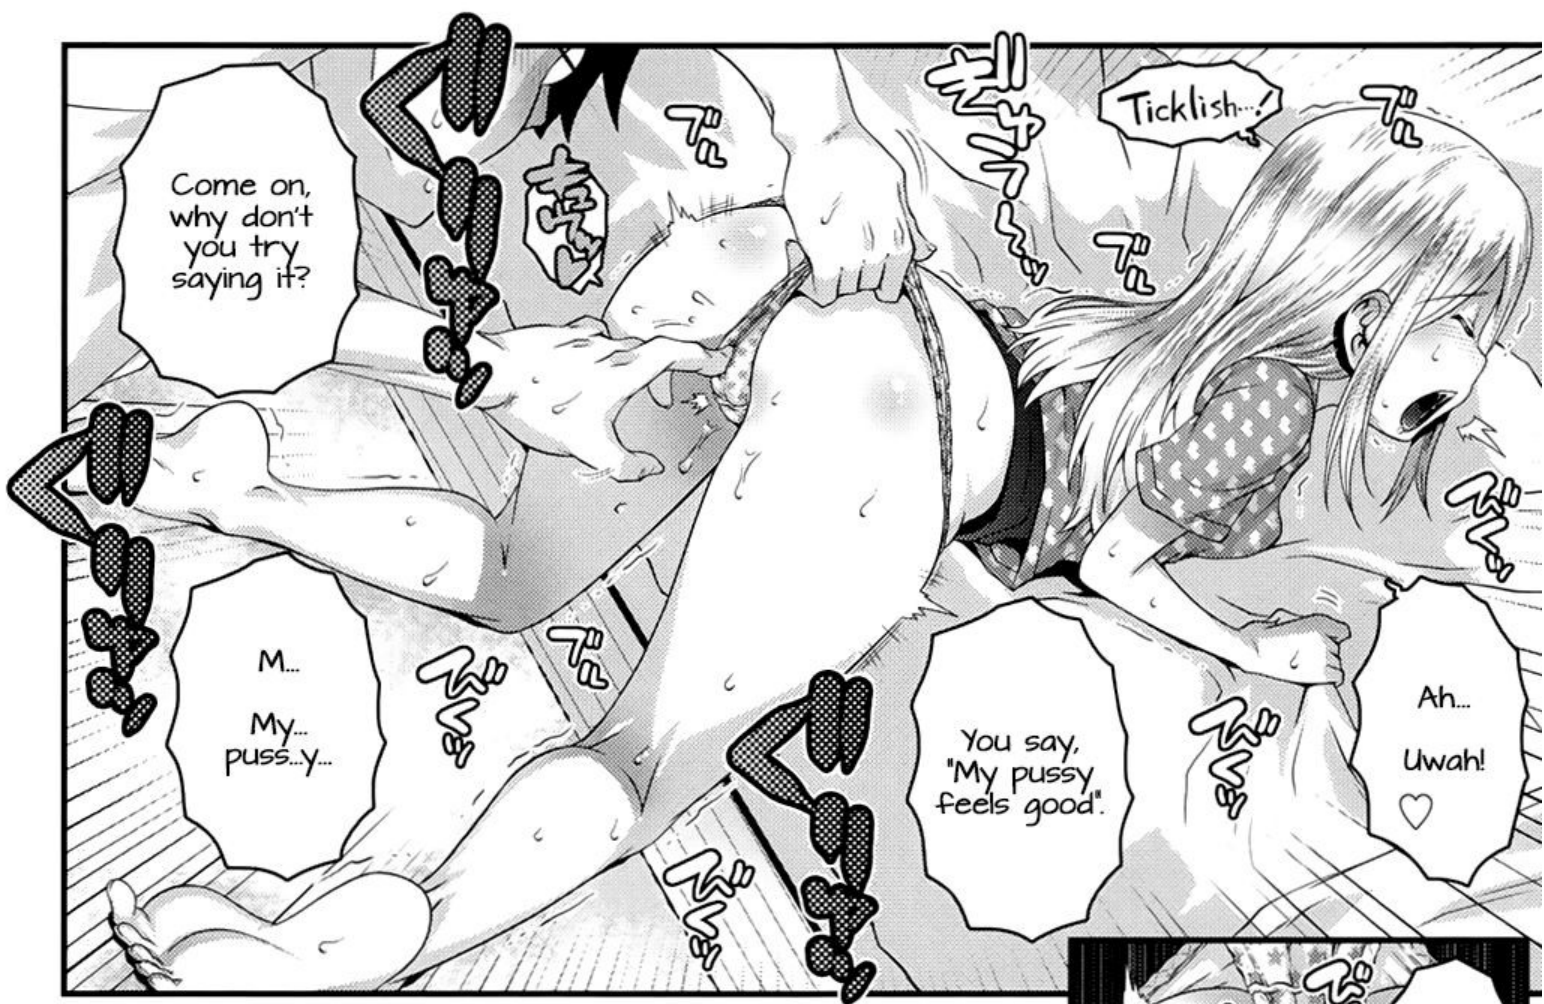

What am I supposed to say now..

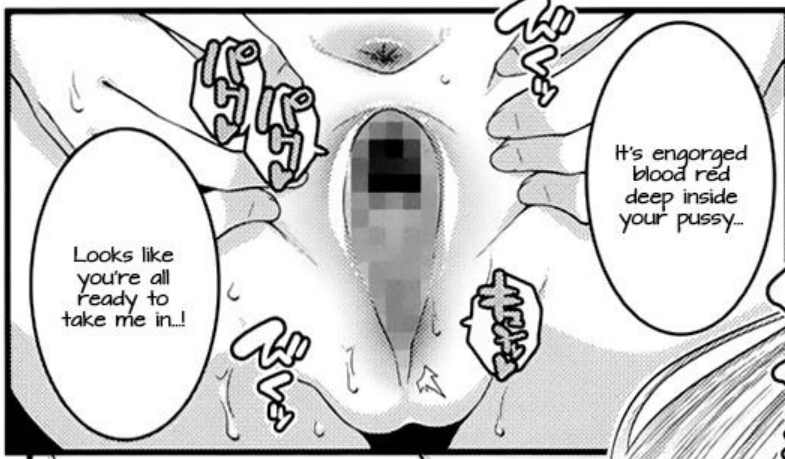

Are you getting turned on, Tina?

It smells a little sour..

It's also moist..

Uuugh~
♡

It's squeezing so tight it feels like it's going to tear me off!!

So this is an elementary schooler's... pussy!!

Ahhhh...
♡

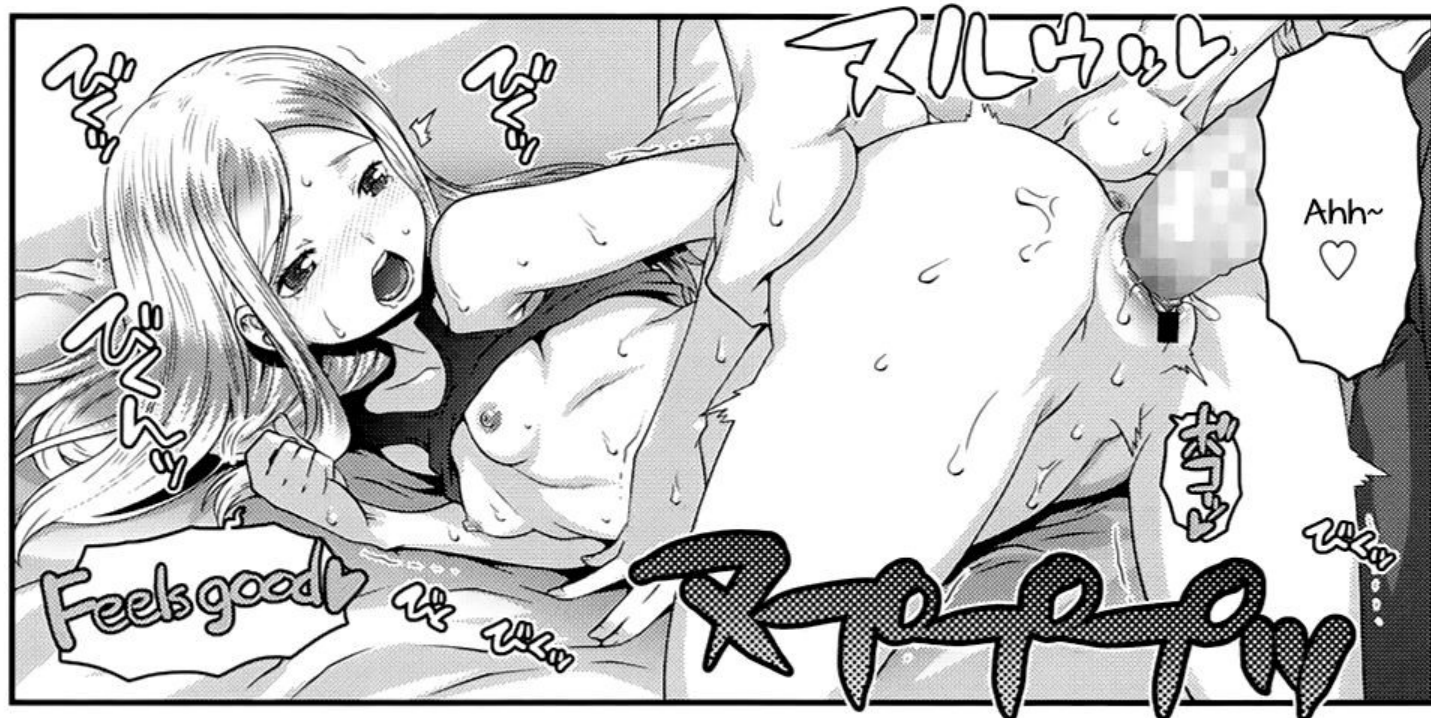

It's fine...

Then I'm going to put it in further, okay?

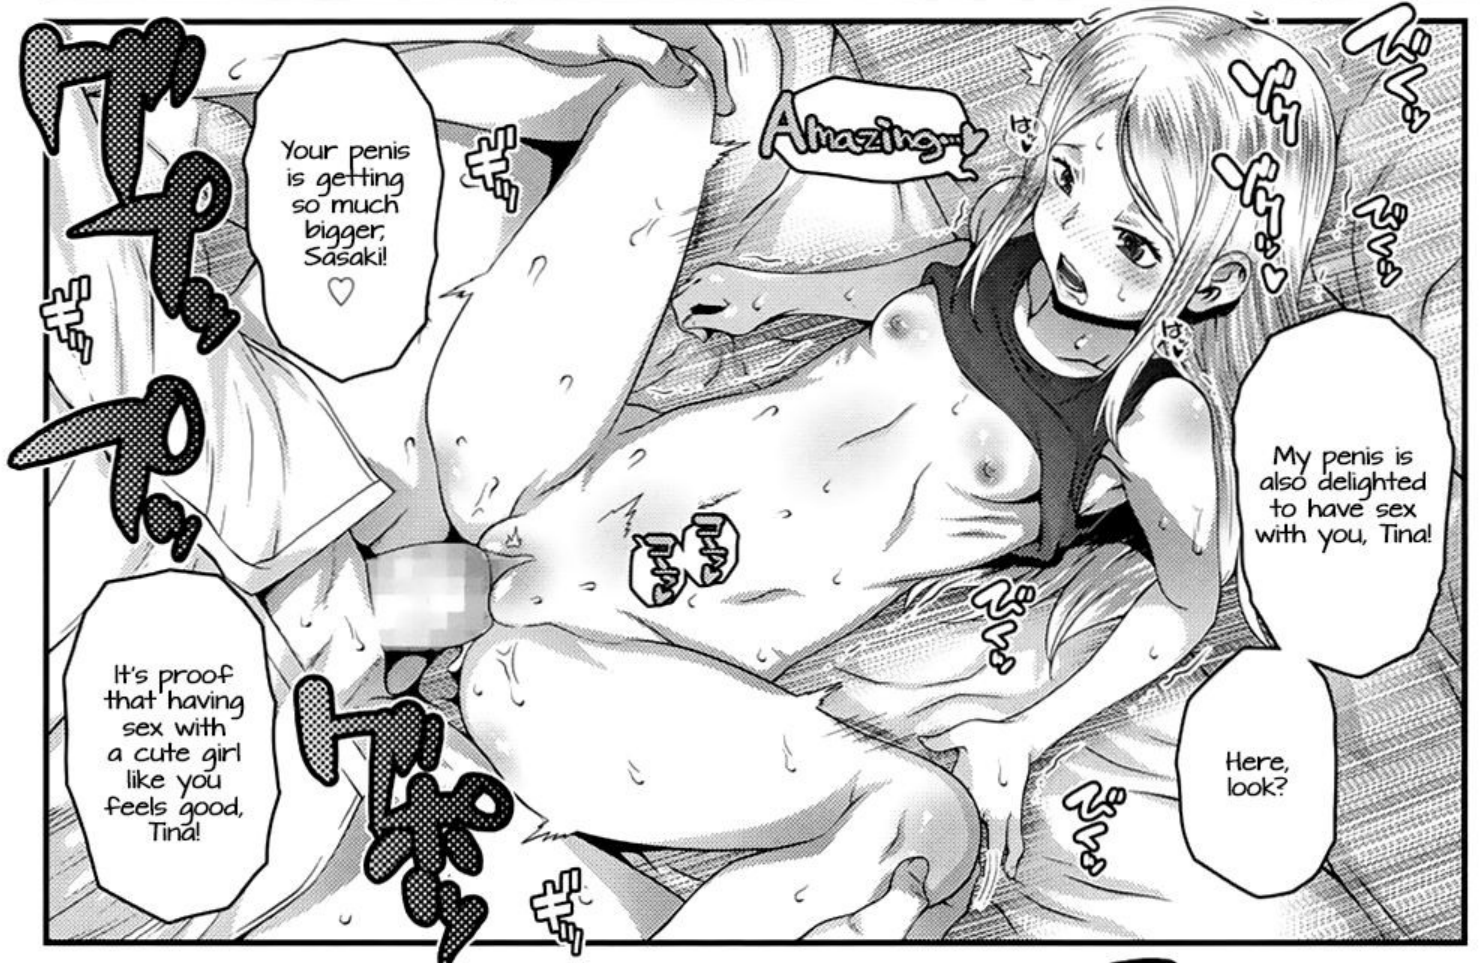

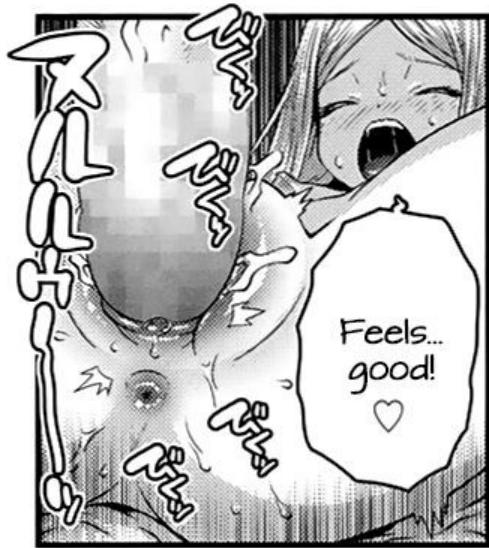

Are you okay, Tina?
Does it hurt?

I'm...
Fine...
♡

Feels good

Ahh~
♡

You don't approve?

Sasaki...
You're a little wild today, unlike usual...

No...
♡

When you're kind and when you're wild, Sasaki...

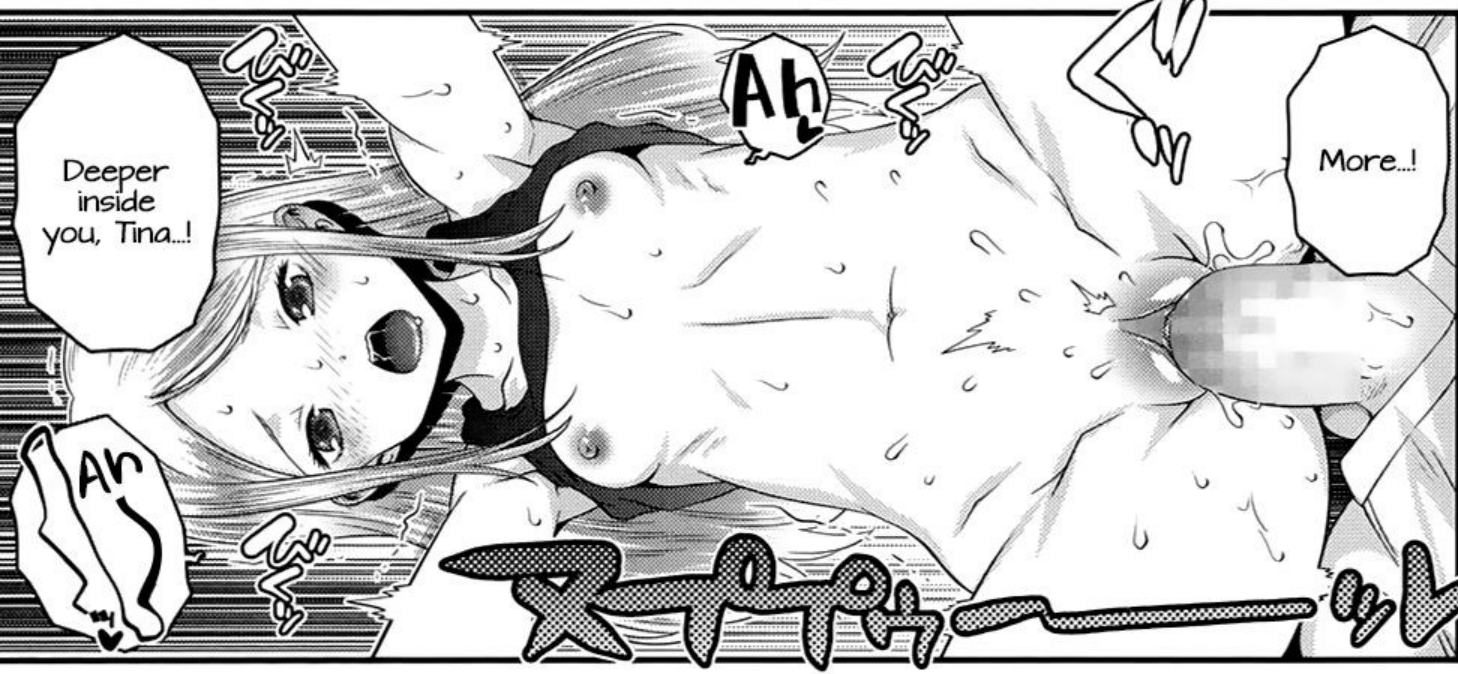

I love them both...
♡

Sasaki...
♡

I love you too, Tina...!

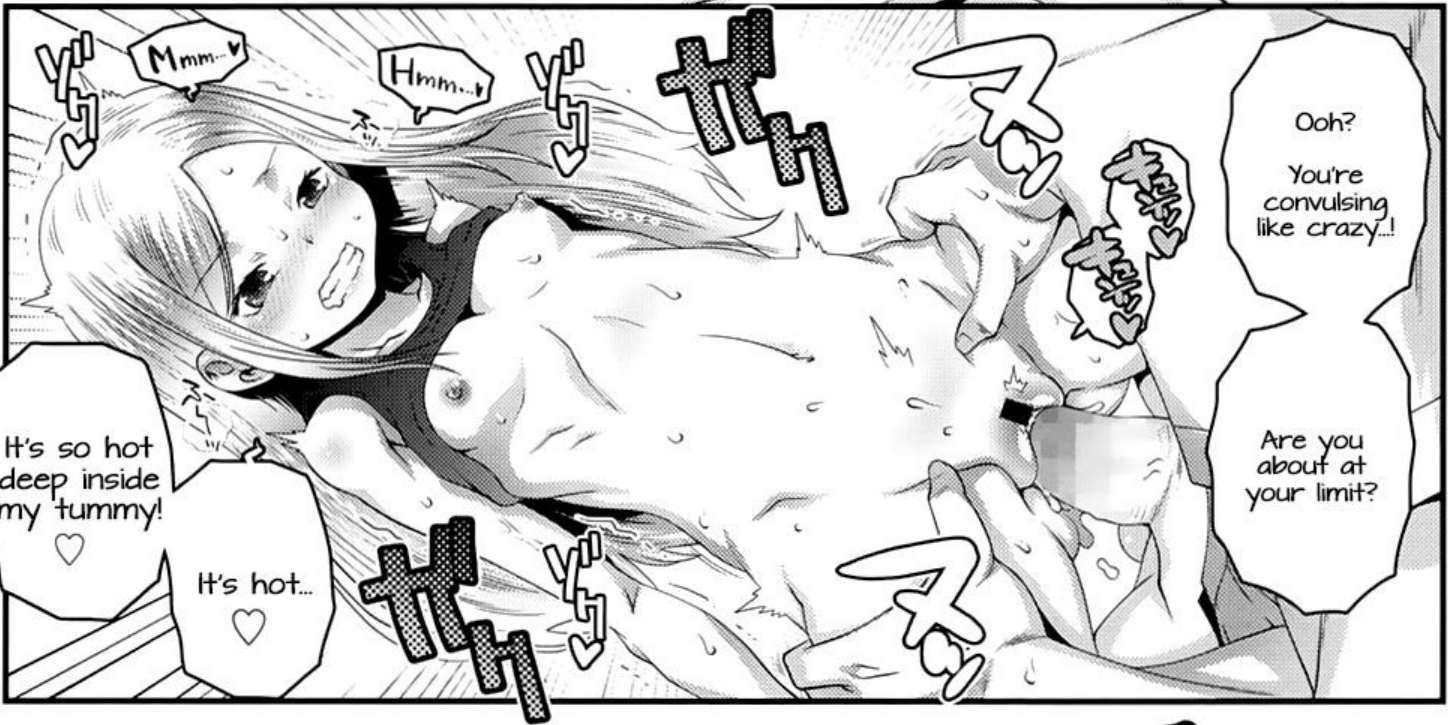

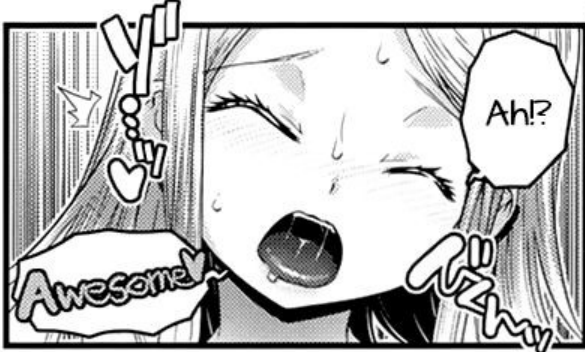

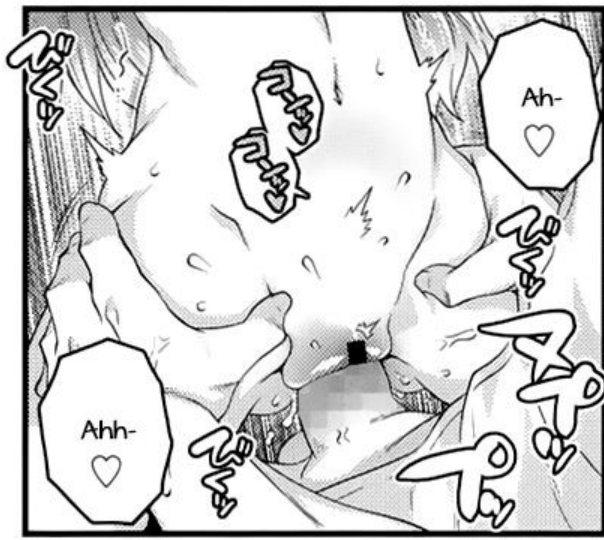

Deeper inside you, Tina...!

More...!

Ah

Ah

My pussy feels goood

Ah-
Ah!
Ahhhh!
♡

Tinaa!

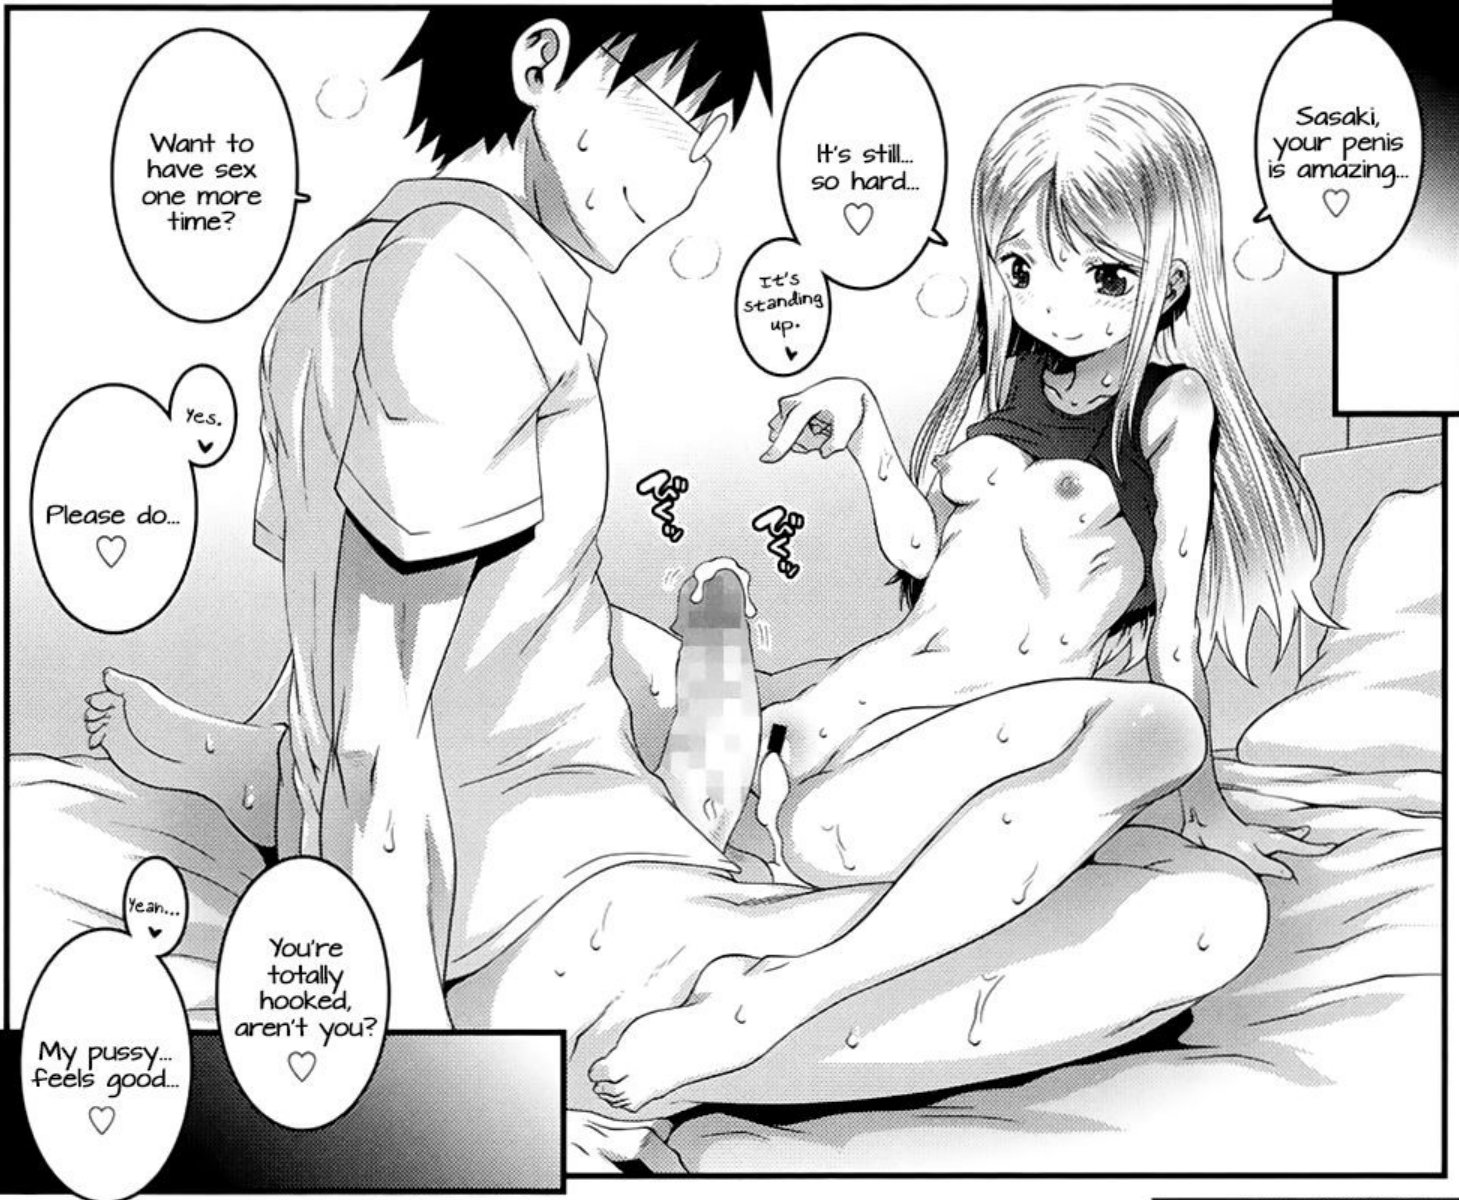

It's flowing in...

So... deep...
♡

Haah...
♡

Haah...
♡

Want to have sex one more time?

It's still... so hard...

Sasaki, your penis is amazing...

Yes.

It's standing up.

Please do...

Yeah...

You're totally hooked, aren't you?

My pussy... feels good...

That's not quite accurate...

Pussy... Pussy...!

Uuumm... About what that means...

The romantic lovers' phrase... My pussy feels good...

!?

Tina...

Wha-

My pussy feels good...!

yep, yep!

Hmm... It really is such a nice phrase...

Fuuck!

End

Words are difficult.

Fucking asshooole!

I'm sorry!

ボク

ボク

It just means "My vagina feels good"...

I thought you understood because of the nuance...

かあ?

かあ?
