麗人 ウーノ! REIJIN
uno!

Well then, until next week.

We will talk again la-

Got it?..

Honey...

Do me a favor and behave yourself.

I still hadn't hung up, you know.

NODA-KUN, IT'S WEEKEND AT LONG LAST. WHY DON'T YOU COME OVER HERE AND HAVE A DRINK?

Unfortunately I cannot. I am out socializing with a companion at the moment.

YOU'VE ALREADY GOT A NEW SWEET-HEART? AREN'T YOU QUITE THE PLAY-BOY.

Ha-ha...

Seems I didn't give you enough sleeping drugs, huh...

Bonjour.

Had a snug nap, didn't you, Sawatari-kun?

In return I will do something equally painful to you.

You toyed with my pride and put me to shame...

¥2080
¥3080
¥4080

I didn't lie, I never promised anything, did I?

You didn't, but!..

AH?

You lied to me! Didn't you say I was a strong contender for that project?!

It's true I don't have any winner qualities like that... but...

Market research is Yoshida's field of expertise and she's a good person to have by your side during negotiations.

Uh... (Sound effects: ぐわんぐわんぐわん)

Kazuga has connections to Company A and good authority as well.

I wanted to work with you, boss...

I've honestly always wanted someone to adore me.

He said so without any ulterior motives.

Yeah, yeah, good luck~

I want to become your right hand, boss!

I appreciate all your hard work.

Sawatari is a bit of a loose screw in spite of what an attractive subordinate he is.

Haa

Haa

You always look miserable when we're together...

Is it because I'm not pleasing to you?

I can't... Sorry...

Eh?

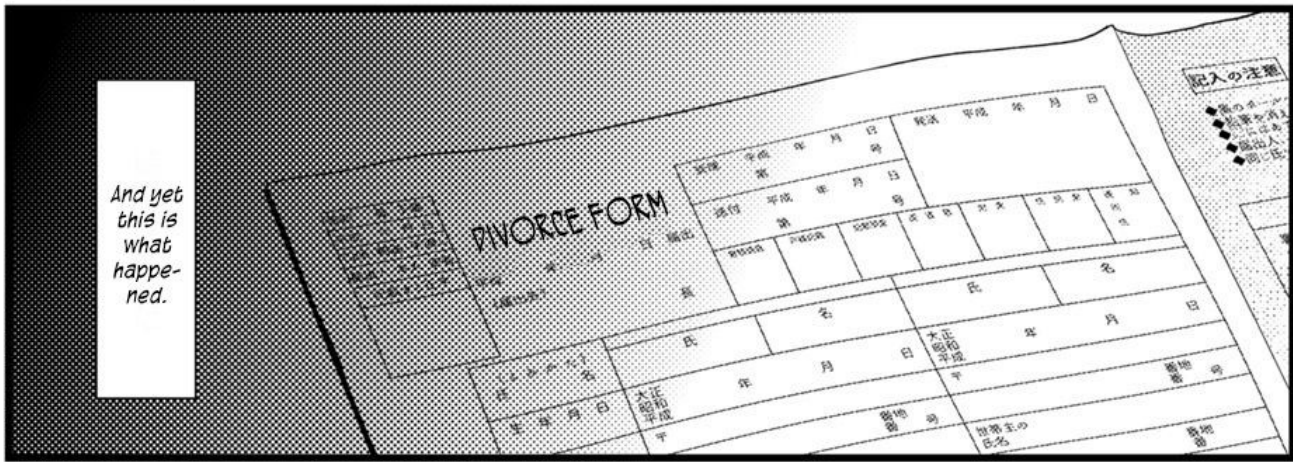

Ah...

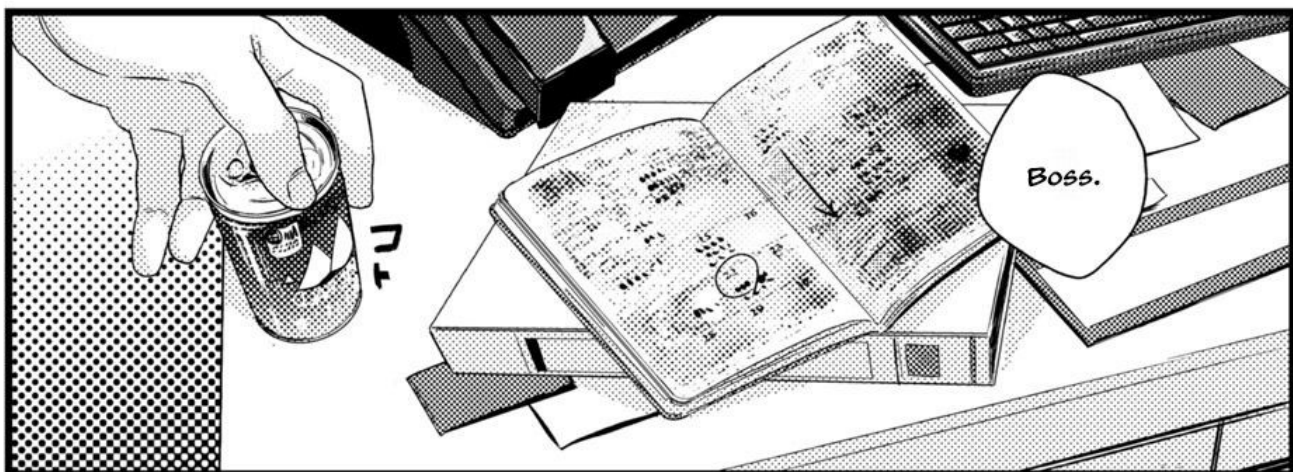

still like
me for who
I am...

I thought
my wife
would...

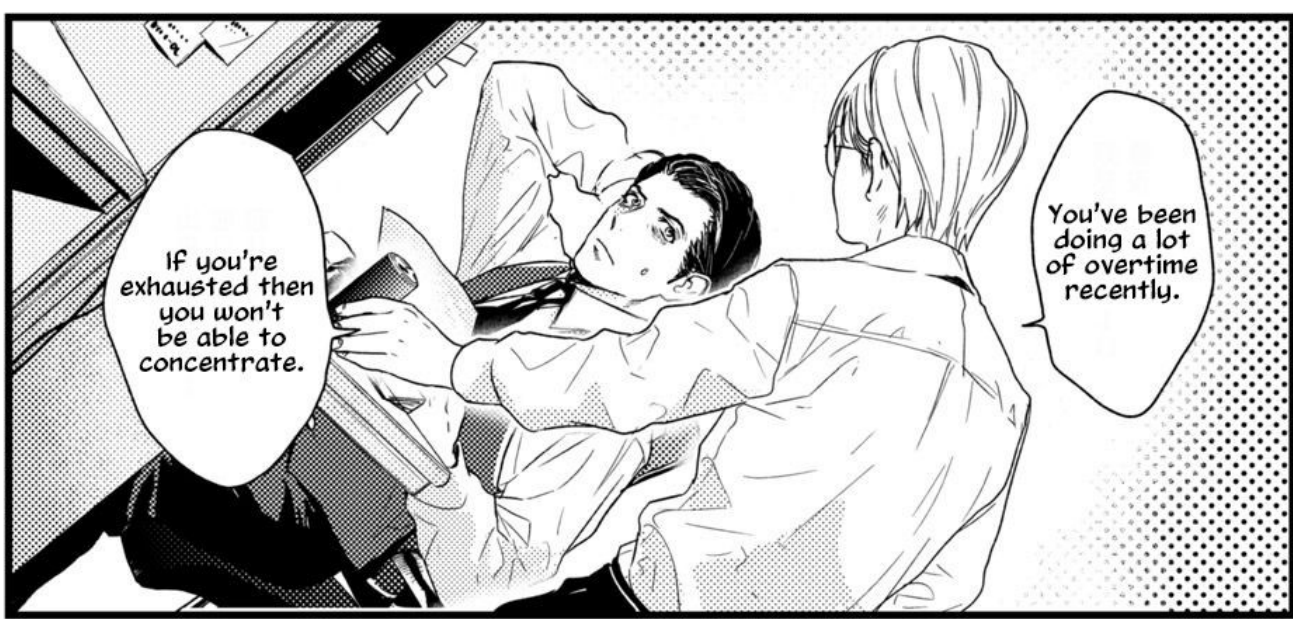

All the
stress
from work
has given
me ED.

And yet
this is
what
happened.

Boss.

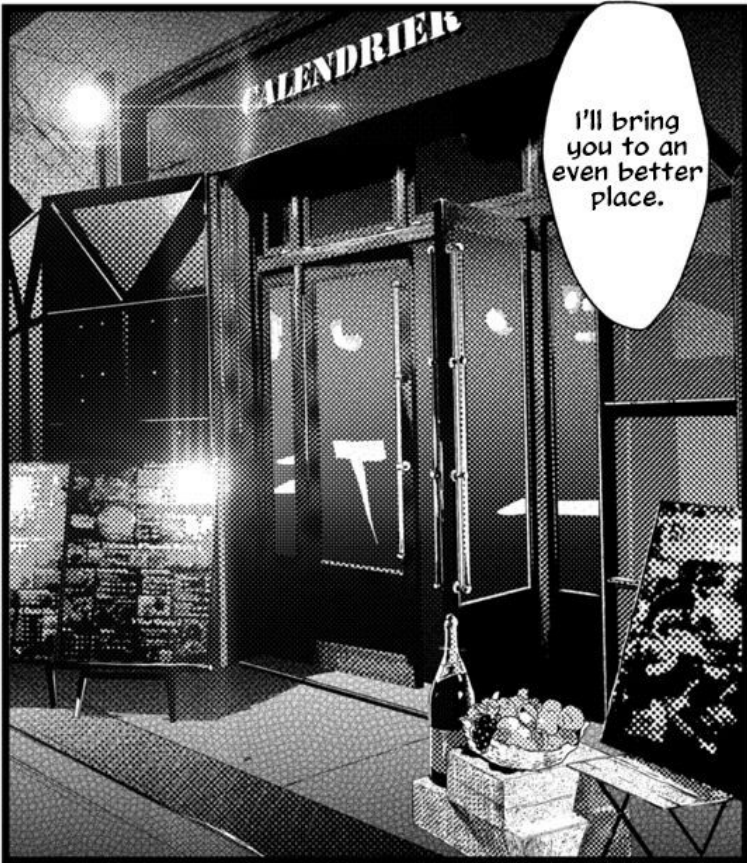

If you're
exhausted then
you won't
be able to
concentrate.

You've been
doing a lot
of overtime
recently.

I'll treat you, boss!

I found a really good ramen store and I was wondering...
How about we take a break and go there together?

I'll bring you to an even better place.

After a divorce that ruined me...

his innocent smile brought peace to my mind.

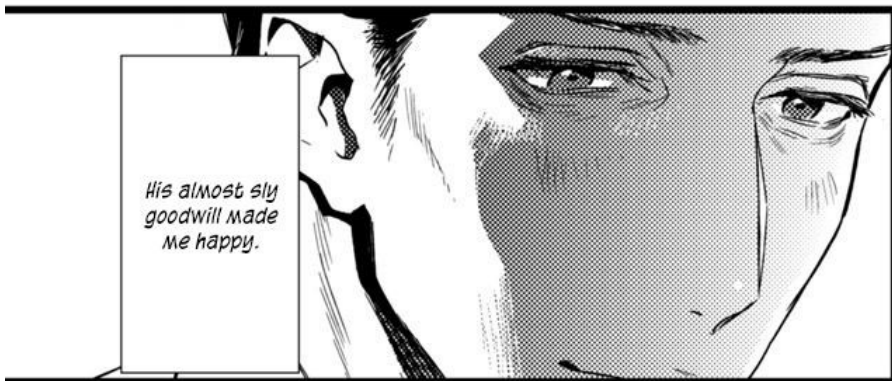

I'll...

Ah, really? I didn't know.

Tableware is properly used from the tip.

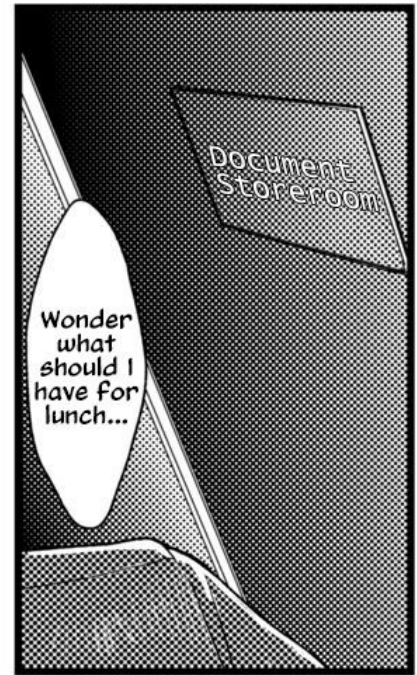

Before I knew it, we ended up frequently eating meals together.

Hey, you heard?

The reason that like, Noda got divorced is cause of like, ED?

Wonder what should I have for lunch...

When he was on a break I saw he'd searched for "divorce because of ED" on his phone.

WH-...

Hmm...

What do you think, Sawatari-kun?

You bitch... that's private information!

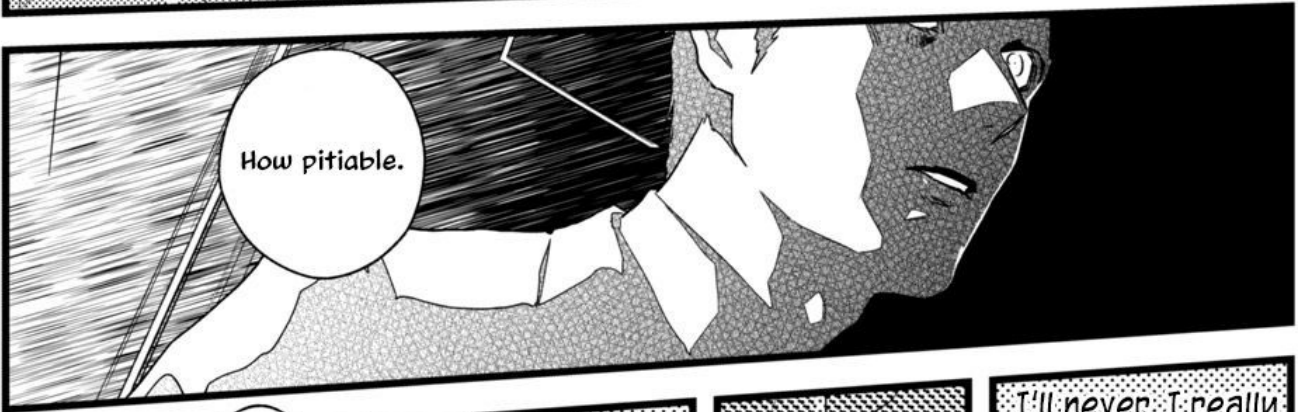

Really?

If that's the reason he got divorced...

Fufu...

Makes sense.

How pitiable.

Come on, don't laugh.

ED and all that sounds terrible~!

You're laughing too though, Sawatari-kun!

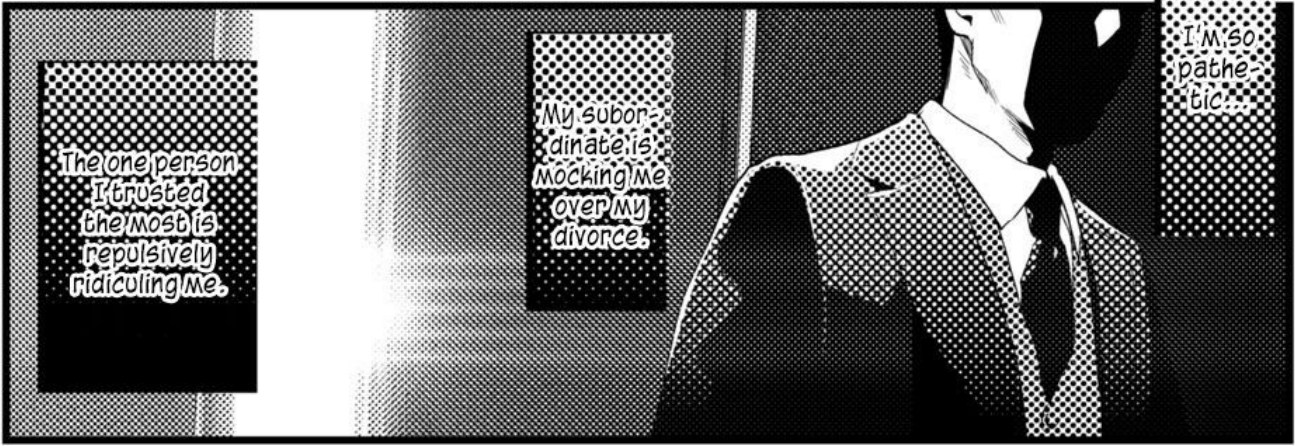

I'll work hard so you'll appreciate me, boss!

Riiiiight?

I'll never I really forget the res-
impression pect
I got from you,
when we boss!
first met.

The one person I trusted the most is repulsively ridiculing me.

My subordinate is mocking me over my divorce.

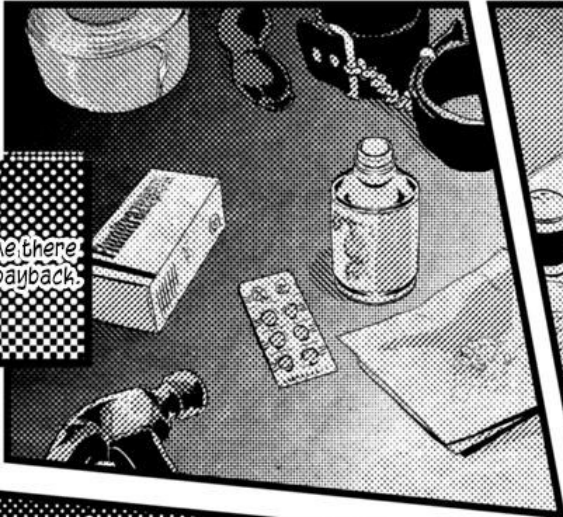

I'm so pathetic...

Once again, my expectations of others have left me hopeless.

This time, there will be payback.

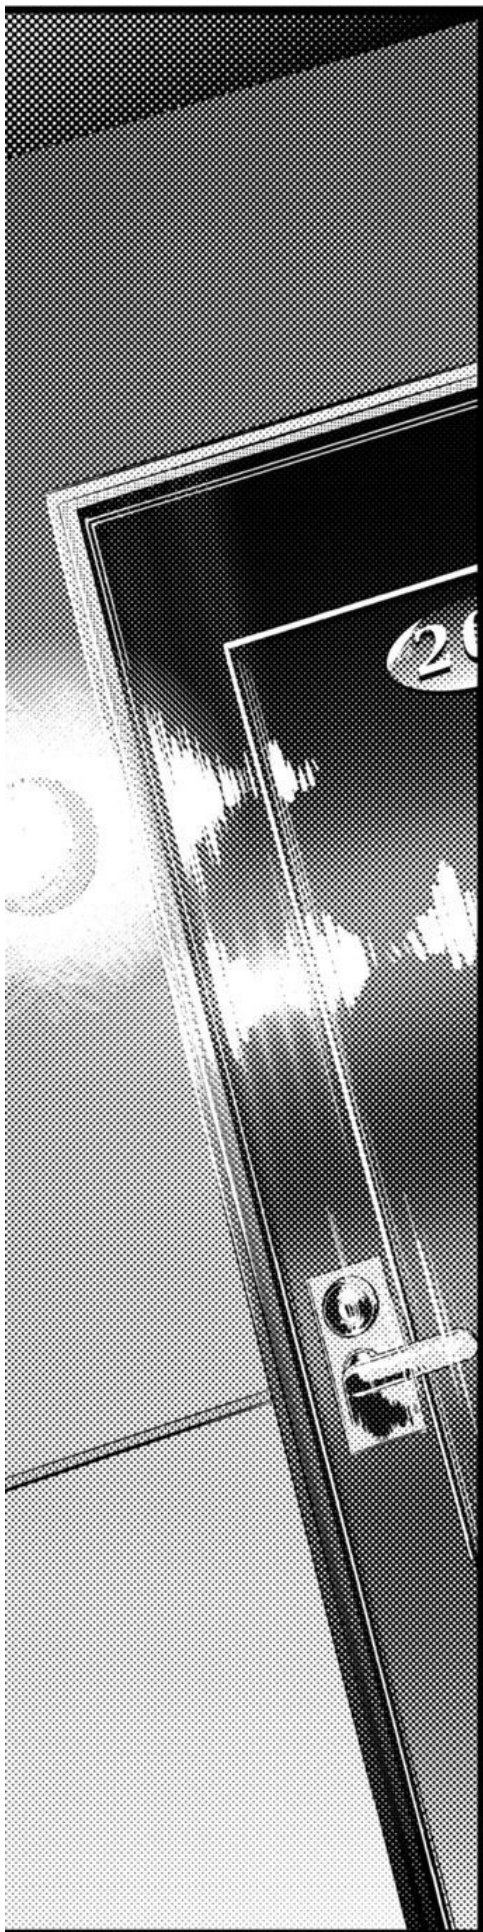

However...

You're going too.

The planning team will be having a meal with a client next weekend to discuss things.

Sawatari.

What about the job?...

W-wait... Isn't this a... love hotel?...

Here.

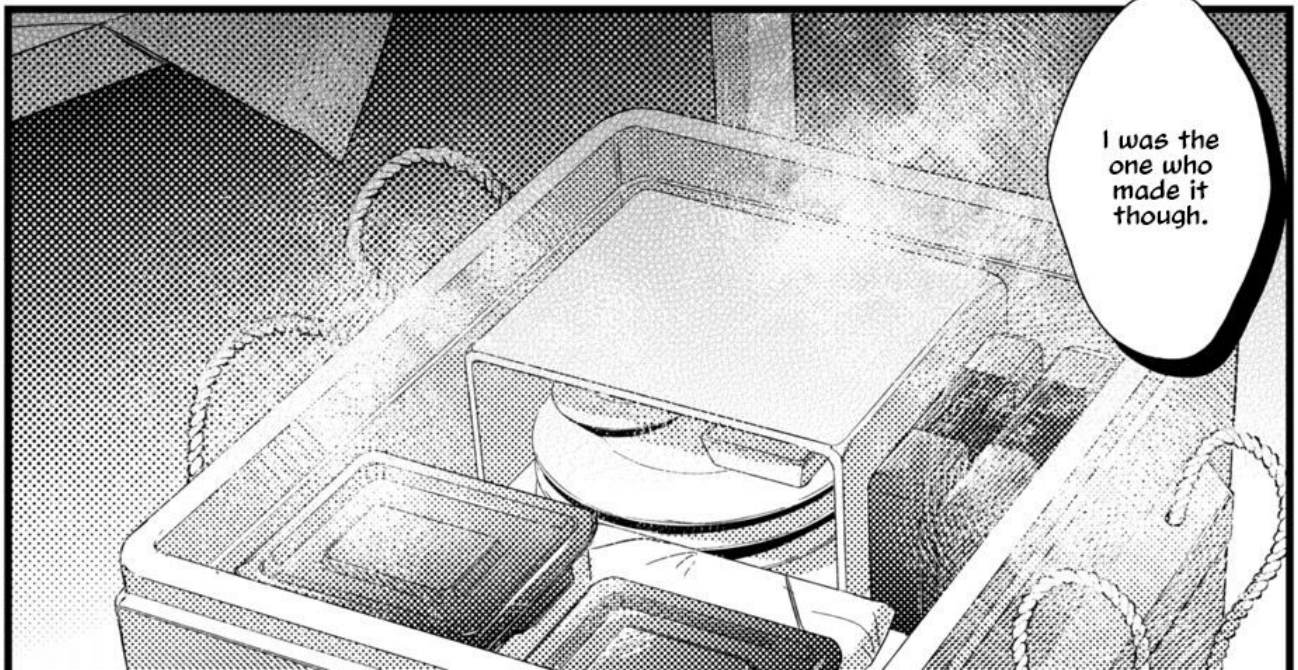

A meal, you say?

SO THE MEAL WITH THE CLIENT WAS A LIE TOO?!

Come on... You're in here and you still believe that lie?

I was the one who made it though.

Th-
that's...

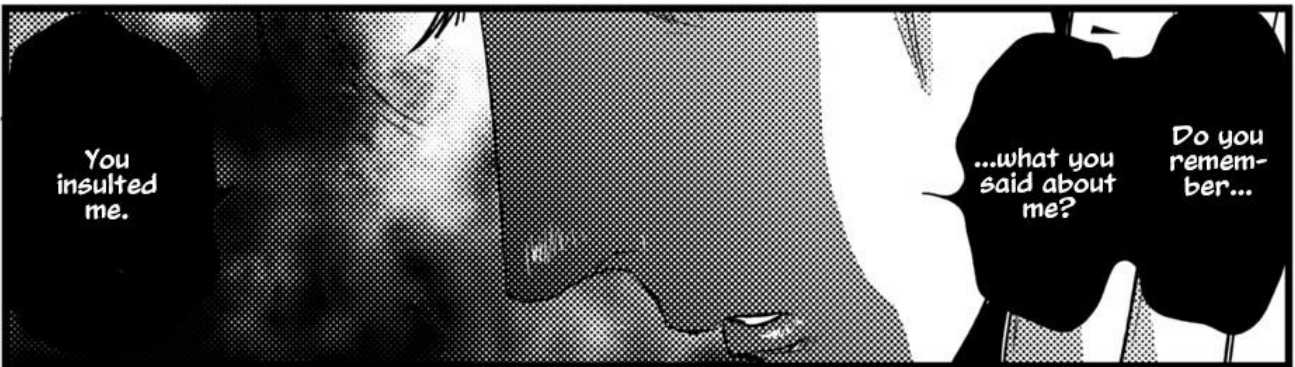

I actually
thought you
were pretty
cute.

And to
think...

A month ago and
you and Toshida were
chatting in the
storeroom,
remember?

You
insulted
me.

...what you
said about
me?

Do you
remem-
ber...

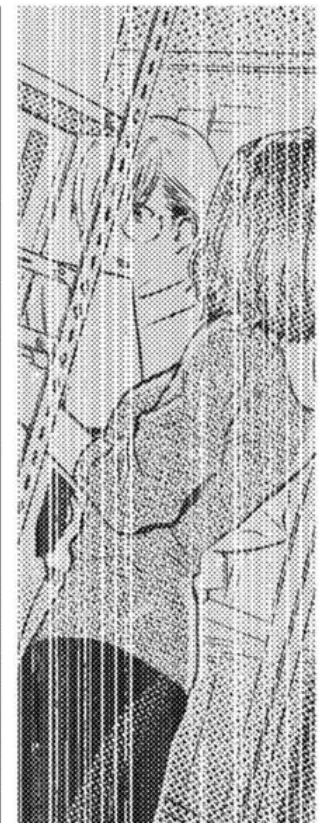

Was all that about
admiring me and
wanting to be my
right hand a lie?

I, umm, didn't
mean to
say anything
to hurt you!

That was
all true!

N-no!

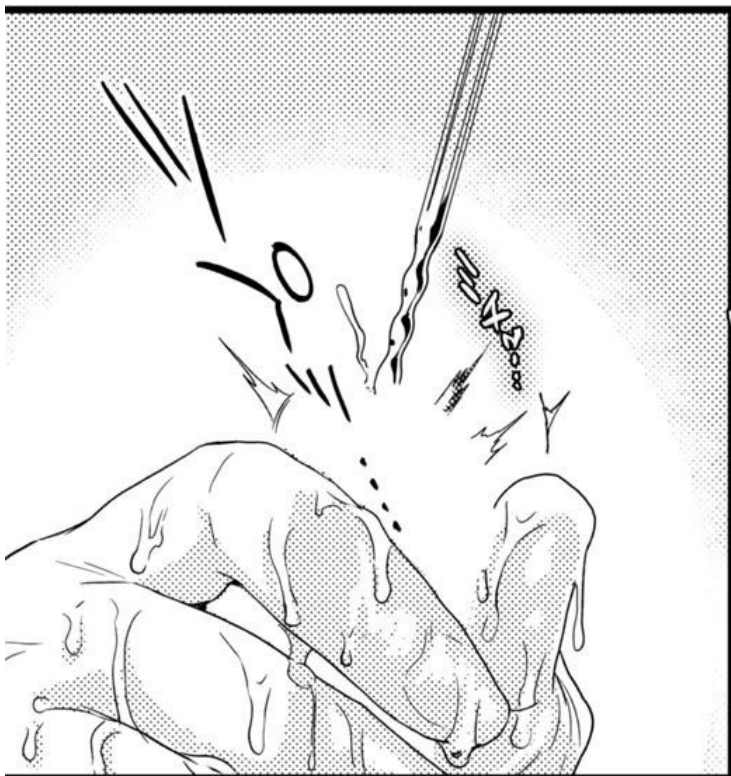

Share?..

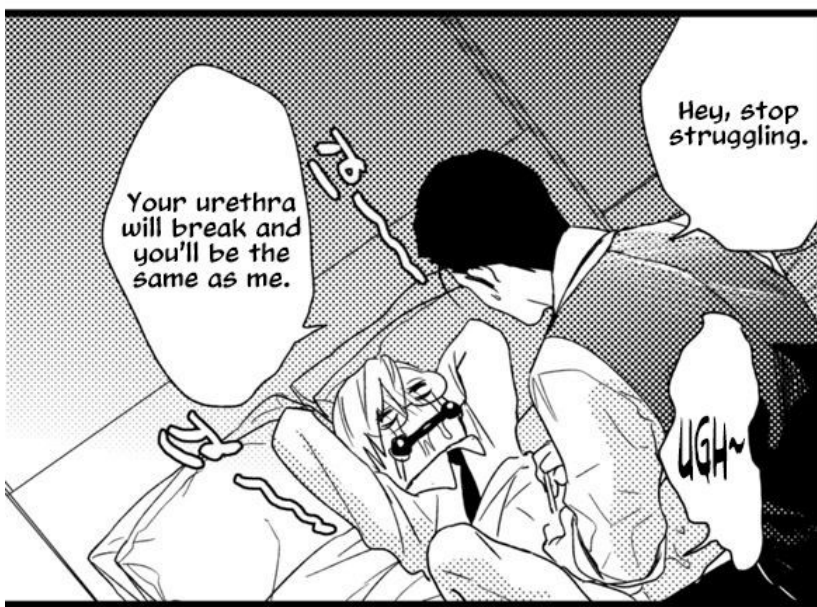

Well then, can you prove it? That you share the same thoughts and feelings as I do?

If you succeed in the allotted time then I will let you take part in the project.

I will teach you table manners with your body since your last go at it was so poor.

Learning with your body is faster, so doing this will...

Your urethra will break and you'll be the same as me.

Hey, stop struggling.

UGH~

NGH

UGH~

NGH!

Now you can't cum on your own anymore.

Heh...

UGH

UGH

Just like me.

Relax. It's not been used.

NGH?!

This is a device meant for massaging the prostate.

It seems it was developed to help cure ED though.

I actually did buy it for myself, but...

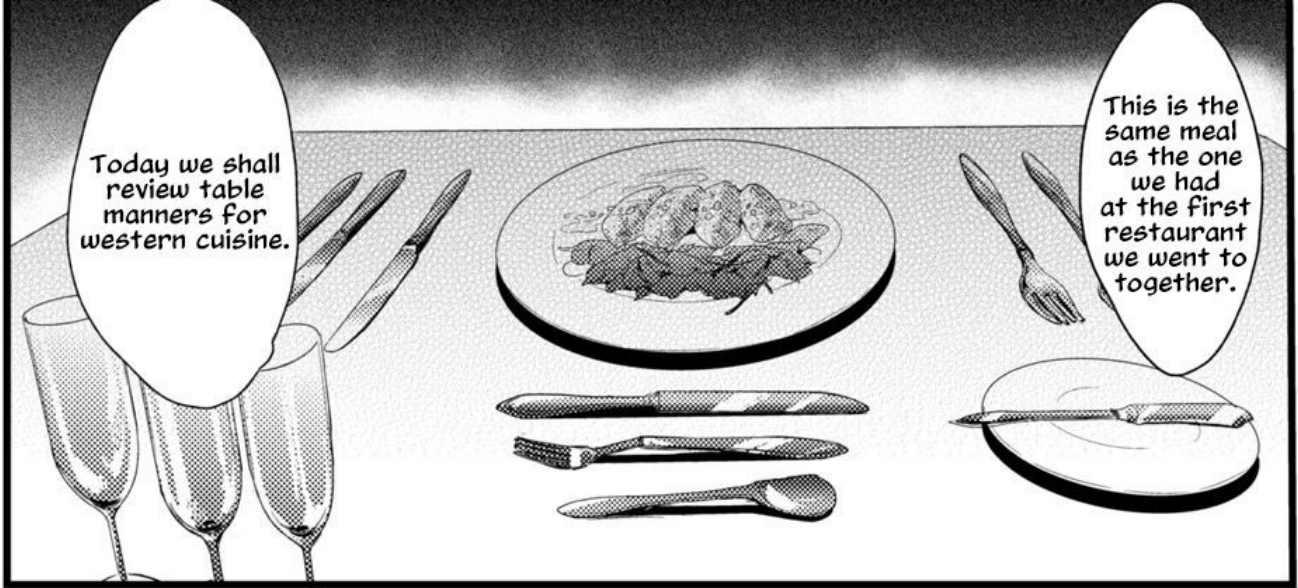

Isn't that pretty backwards?

It feels so good that from then on, simply stimulating your penis won't be enough to satisfy you.

It stimulates your prostate so much you can cum from it, however...

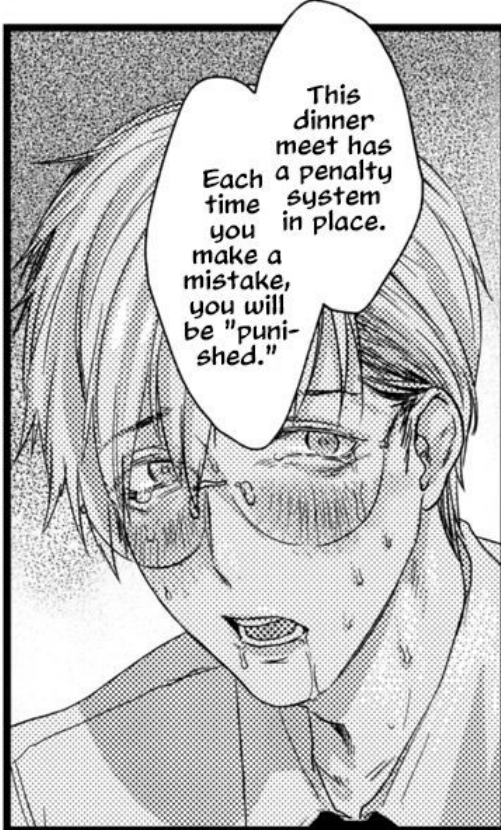

We split up before I could use it though.

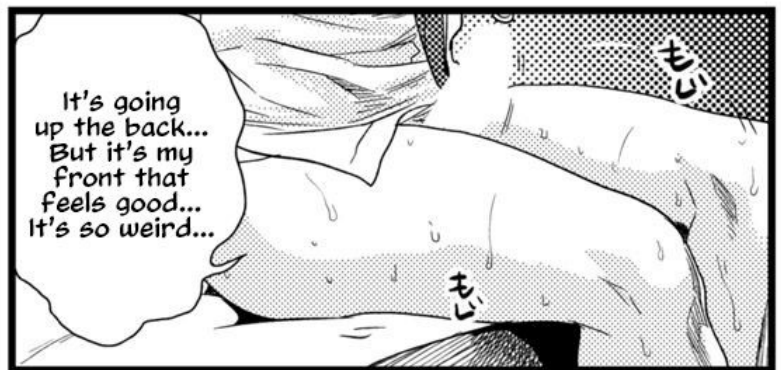

Today we shall review table manners for western cuisine.

This is the same meal as the one we had at the first restaurant we went to together.

This dinner meet has a penalty system in place. Each time you make a mistake, you will be "punished."

It's going up the back... But it's my front that feels good... It's so weird...

Regular ones can keep you erect if you know the trick, but this one will force you to stay erect. However, if your penis stays erect for too long without ejaculating...

And for each mistake you make, I will push this button once.

The control for the?..

The device I inserted in you is electrically powered.

I'll start eating now...

I...

WHAT WAS THE FIRST STEP AGAIN...

WHAT WAS IT...

And don't talk with food in your mouth.

Don't make any noise with your table-ware.

...use the fork and the knife from their tips.

NO!

AH!

AH!

HA!

WA...

...this is far more obscene.

I thought I'd merely be ridiculing him, but...

Maybe.

KAZUGA-KUN AS WELL?!

EH AH

...You can do it. Kazuga learned table manners this way too...

Ugh...

This is more cruel than I thought...

I wanted to cum but I didn't get to...

I can't endure this much more...

So simple-minded...

I'M NOT GIVING UP! I'M GIVING IT MY ALL!

UGH...

AH
AHAH
AHAH
AH

AH
HI
HI

Don't eat with the tableware so close to your face.

You're close to the time limit yet you haven't even finished your appetizers.

You just made another mistake too.

You can't handle any more. I'm rather disappointed.

I-I can still do it!

P-please wait a moment!

You've done all you can.

I'm getting tired of you now.

Let's call it quits.

I beg you!

Don't do this!

Please!

You sure are persistent.

I've now had plenty revenge on this guy for toying with my pride.

I managed to make him look so miserable.

I know the pain of ED as well...

Huh?

You actually...

I know how you feel, boss...

...feel happy when I'm with you, boss.

That's because I...

Huh?
But I said
you're the
same
as me!

"The pain
of ED"?
That's
not the
problem
here!

Don't
make a
fool of
me!

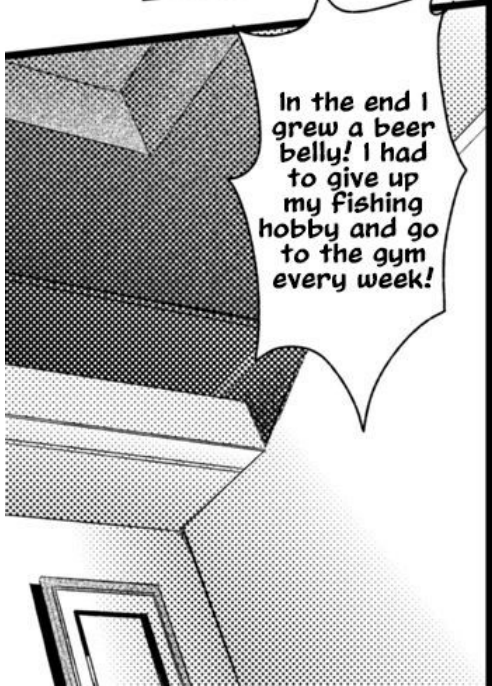

Uaa!

You made
me look like
an idiot!
You went and
laughed at
something
close to me
and hurt my
pride!

IT'S A
MATTER OF
DIGNITY!

This is
revenge!
On you!

In the end I
grew a beer
belly! I had
to give up
my fishing
hobby and go
to the gym
every week!

And
because
of that I
started
drinking
more! I
reeked of
alcohol so
my wife
hated
kissing
me!

That
time...
When you
were
laughing
about my
divorce
being
because
of ED...

I was
smoking
a pack a
day even
though I
was told
to quit
smoking!

My wife
divorced
me and left
me utterly
miserable!

But in
the end,
after
several
years...

I said that
without
thinking
because I
was happy
to know
you became
single...

...boss.

T-that
time...

I-I'm
sorry...
I had
absolutely
no idea
how you
felt
after
all...

No, you're wrong!

I'm getting really sick of your flattery!

I-it's true!

Your cock will become worthless! Aren't you scared?!

You crossed my limit a long time ago!

I'm not scared! I'm happy!

I've completely seen through you! Is it that fun to flatter me and then make fun of me?

I'm happy to get to do lewd things with you, boss...

If I'll be the same as you, boss, then I'm happy...

I'm actually getting a little hard! I bet you're scared now! You feel really scared now, right?!

Then I'll rape you!

I'll fuck you in the ass! To be honest, I actually want to see you in agony!

Are you trying to bluff your way out of this?

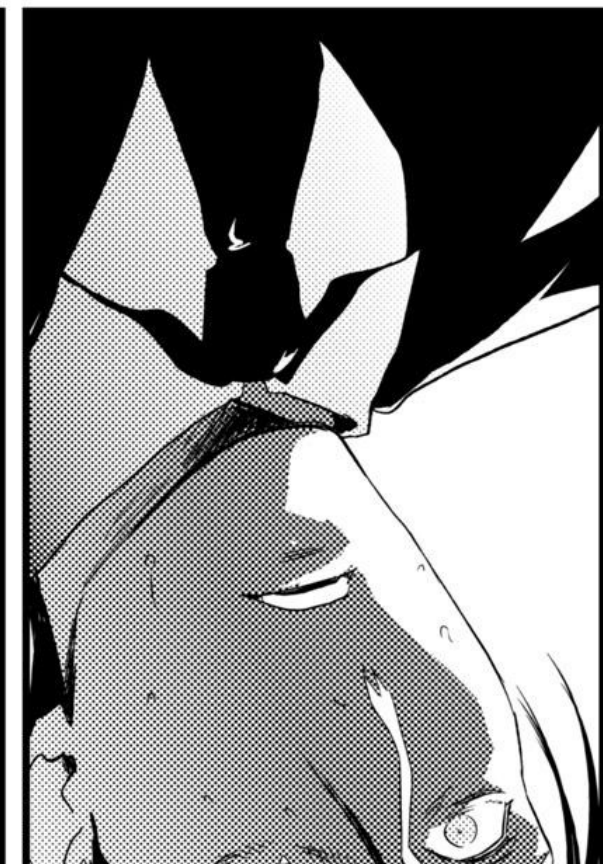

I'm not scared...

Please do it...

I want to be raped.

I really really want to be raped by Noda-san's dick.

おは

Noda-san...

Sawatari... I-I'm...

おは

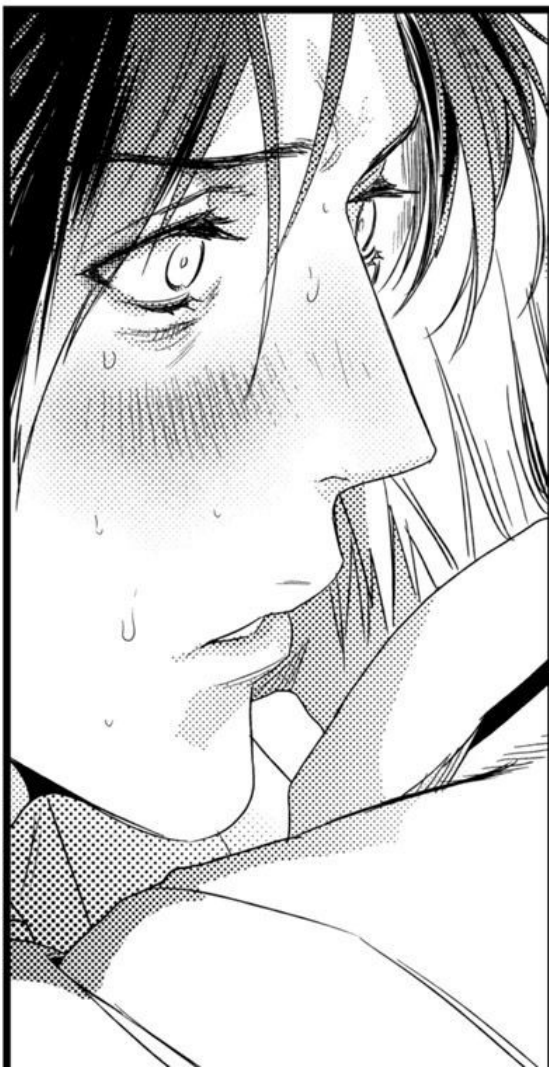

Congratulations...

Ah... oh.

Noda-san's semen... It's so warm...

Next time I'd prefer to be in the passenger seat instead of the trunk. ♡

If we're gonna come here again...

...instruct
me tonight
as well?

Could you
please...

*I'll be
having
a meal
with him
again
tonight.*
