Teacher and Master

On
Break

Ahh, I see where this conversation is going.

You want to know if you can have a private lesson on a training day?

When does Daisuke come in?

I'm tired. Can you make it quick?

Hey-Jirō

Kendo Career

Six Months

半年

Some would think it's amazing. Anymore, it's just annoying.

Something with this guy... my...

Me and you and Daisuke

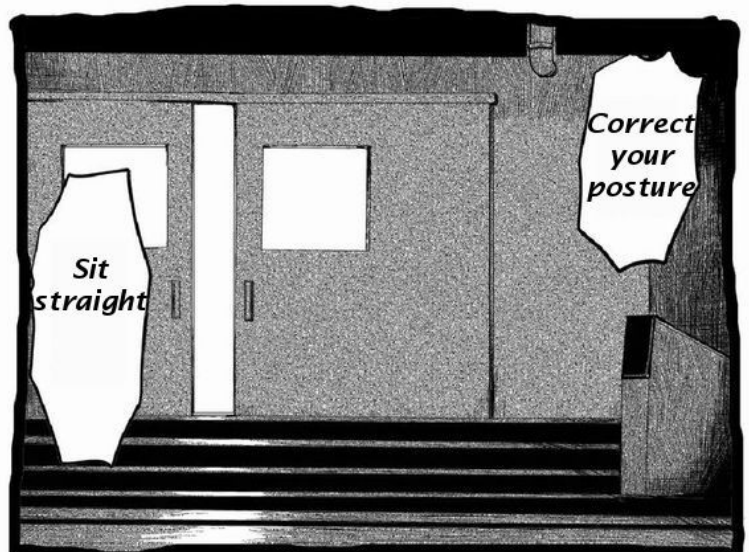

Next year we'll become teammates together

I want to persuade you somehow to practice early together

It spreads to the local elementary age kendo schools.

Well in this way, as beginners we could get two victories in the regional championships, and that achievement goes to Daisuke's saga.

Sit straight

Correct your posture

Oh dear. What are you doing that you have to splinter?

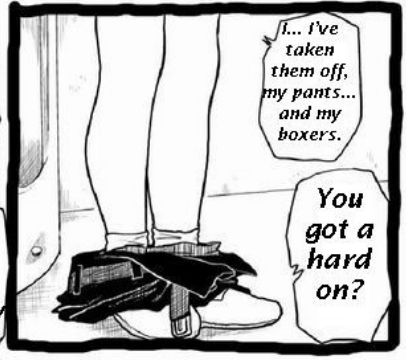

It's because of Daisuke.

each time I practice kendo, it reins in the splintering of my mind a little.

Meditating after class

Tss !!

キョ

What do you use to jerk off?

Say it.

キョ

キョ

if you don't give me a straight answer, you won't come in.

Yeah

but

In your fantasy, it's a naked guy, isn't it?

Jirō! Someone's coming!!

I've got a hard on... so

Hurry and open up!

!!!

I think of someone naked

Ah... naked

ヒ

That... uh...

Who's naked?

Girl or boy?

Hah...

I... I'm so ashamed

Stop... no more, Jirō...!!

I'm crying ... Please forgive me

Uuuh ...

How is it if I look at your testicles like this?

How embarrassed are you?

Aaah

What's this? How about I take a good look at your pubes?

I don't ... know ... I wish it wasn't. Can I put my underwear back on?

That's ...

If you're so embarrassed then why are you so stiff?

That's right. It's good if you cry. You'll be my friend, but won't you also be the victim of my bullying?

Since the beginning of middle school I've wanted to be in this position. It's like that time in elementary school, he's stuck like goldfish droppings.

Slide

Is that it? Now I can't see very well. Can you hold your uniform up out of the way?

Ahh, that's ...

In fact, it's getting harder.

Because you're touching like that...

Before, you were ashamed to show me your dick, but are you alright now?

I don't think so, but I'm not sure myself.

Didn't it get bigger somehow since I started looking at it?

I'm so embarrassed ... I could die, Jirō ... !!

Of course I'm not alright ... ?!

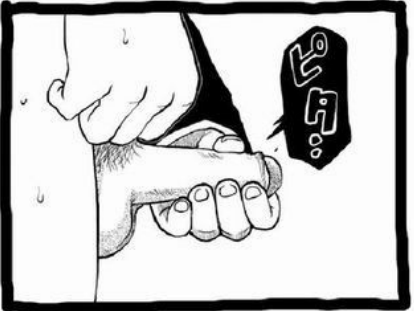

A little more and it was about to come out ...

Wha... what's wrong?

but you quit ...?

Eh ...

What do you want from me?!!

Of course I won't, you stupid bastard !!

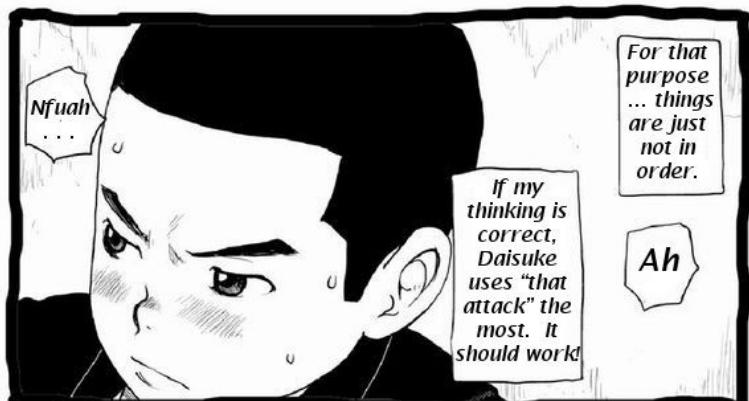

If you say "please squeeze my pee pee" will you do it in a cute voice again?

What, you want me to keep doing it?

No ... No way

Saying "gonna cum" in that sexy voice

Nfuah ...

For that purpose ... things are just not in order.

Ah

If my thinking is correct, Daisuke uses "that attack" the most. It should work!

Aaaaaaah

I'll do it ... only for that reason, just to test him.

How's that? The nipple and dick, simultaneous attack!

Such a thing... being with Jirō ... I can't continue

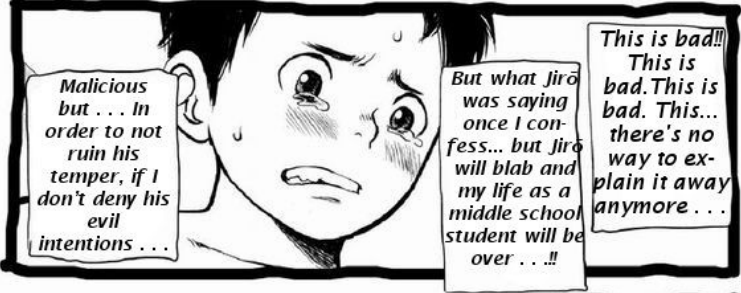

I never did this with a guy other than Sensei. It's like I'm cheating on him... but... but... Jirō... and yet... it's not that bad ... on the contrary ...

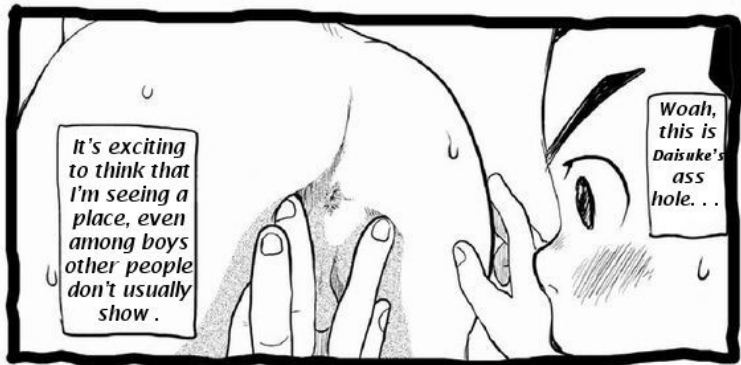

Jirō ... I'm ... gonna cum.

What ... what am I doing?

My ass... mmm... more

Stimulating my ass, whoever it was, it would make my hips tremble. I wonder if I'm becoming a nympho guy.

Like the time with Sensei, I want it... so good... lately

Aaaaaaaaah feels good... like I'm blanking out in my head... best friend... Jirō such a thing

Ahh

No

More ...

Finally you said it.

Like a girl in a gasping voice... your ass more?

Puhaa

So... sorry ...

The sound is getting outside. Endure it!

Your voice is too loud.

Auh

Oh no, I hate this. But if I piss Jirō off, aaaaah what else will he do...?

To do that will make it so he absolutely can't deny...

What should I do? Licking the ass hole must be my weakest attack. From what I've done already it might not take much for him to lose his restraint.

アハハハ

Ahn

No, aah

Jiro... sorry... making noises ... can't help it ...

Nnn

Aaa anh

Aaah

* This term also implies "husband"

You can remain attached to me, hiding in my shadow, your whole life.

To grow, to become independent, to leave from my hand, he will never be allowed

Yeah

If it feels that good, shall we do it again after school?

Hah hah, quick response

Aaahn

Aahn

My butt feels good ...

Daisuke is really cute.

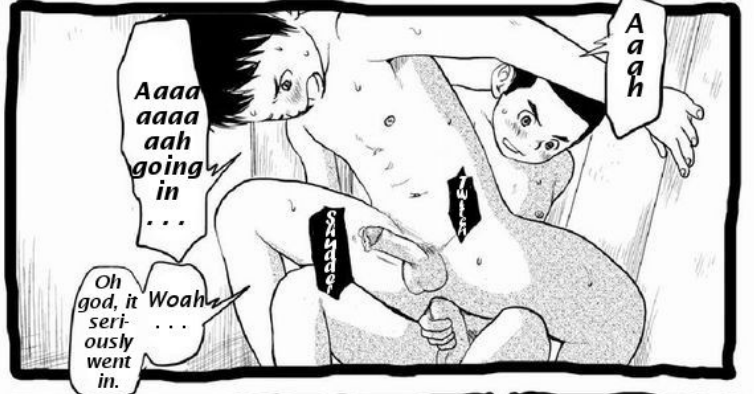

Honestly ...

I didn't get excited at Daisuke crying
I was turned on by Daisuke surrendering

Uh okay ...

Right there, right there. Slowly lower your hips

Aaaa aaaa aah going in ...

A a a h

Oh god, it seriously went in.

Woah ...

Even though I say so myself, to put something in this big Daisuke, do you just always take a ridiculously huge dump?

The old Daisuke was like a guy hiding in my shadow. ... maybe I like this sort of Daisuke

あとがき

読んでいただきありがとうございます。
どろんこ夕焼の耕太です。

『せんせーとご主人さま』を(完結させるために)
ちょっと違う方向に持って行きたいなと思っていて、
そのつなぎとして今回は描きました。
中休みというタイトルもその為です。
ボクの小学校では2限と3限の間の20分くらいの休みを
そう呼んでいたの。
中休みなんて中学校にはないと思うんですけどね。

次からはせんせーとか新しいキャラクターも交えて
血で血を洗うダイスケ争奪戦が始まります。

のかなあ？

よろしかったら次の自己満漫画にも
お付き合いください。

ComicStudioが便利すぎて
最近はそのみで描いてるんですけど
読み返してみるとダイスケがただのビッチになってて
ちゃんとネーム作ってから
描き始めなきゃダメだなあと反省しております。

もしご感想ご要望ありましたら

それではまたどこかでお会いできれば。
