

CINDHI'S 17th BIRTHDAY PRESENT FROM MOM

Dear,

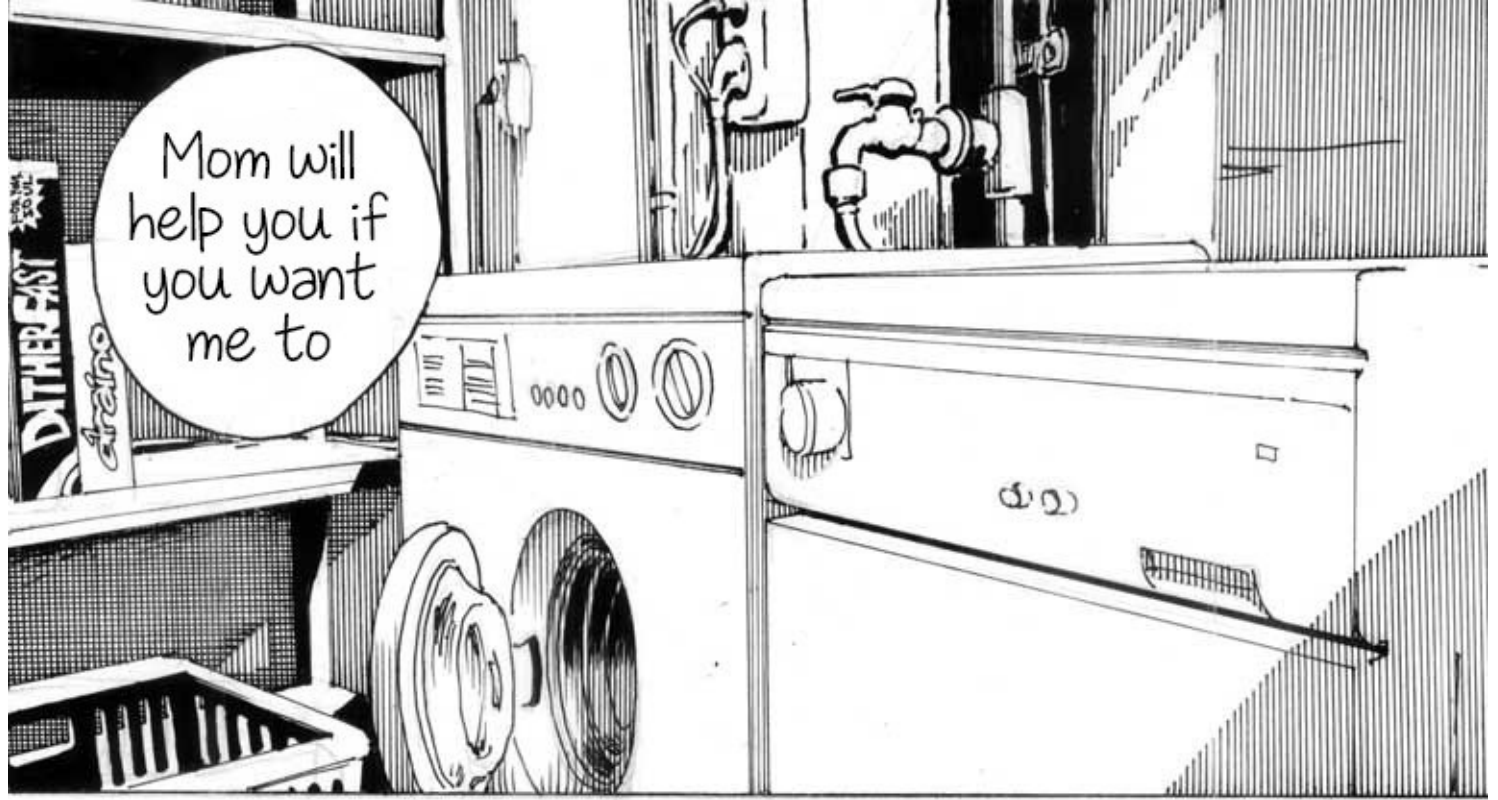

Mom believes

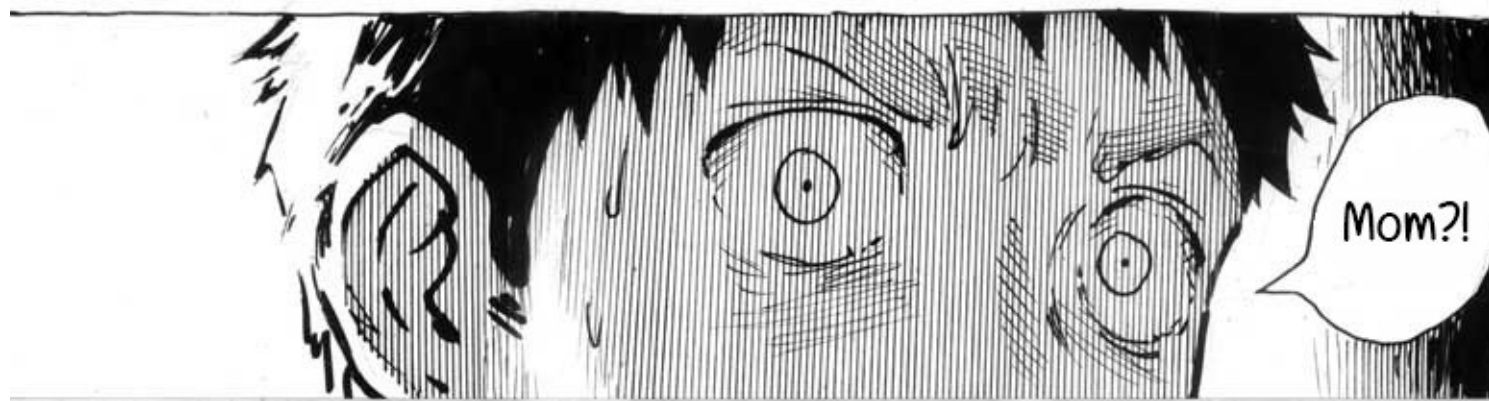

that if something is worrying you...

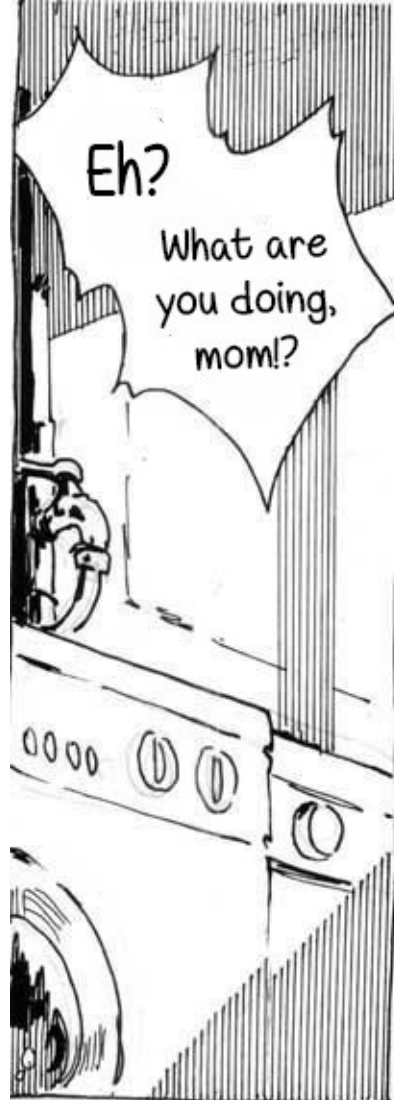

...you could surely overcome it

Eh?

What are
you doing,
mom!?

Don't,
ma!

Leave it be!
Just keep
it down!

Mom knows
what you
really need

Come
over
here!

Mom
!?

What's
going on
with you!?

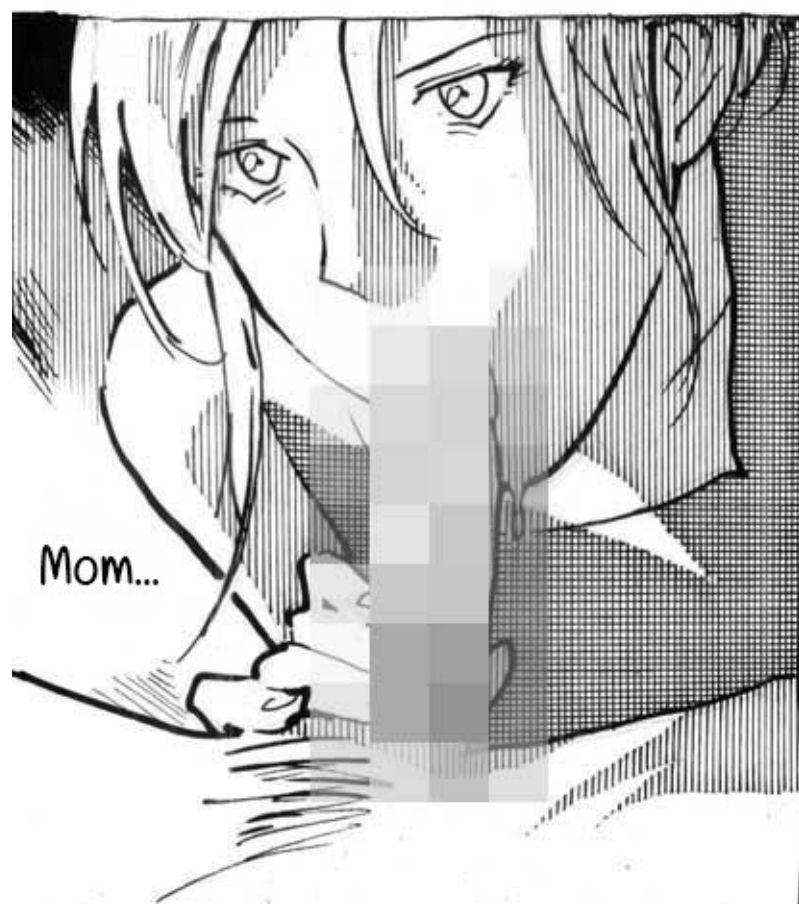

Don't
take my
pants off...

Let it
all out...

You don't
have to hold
yourself!

AAH...

What is
going on?

I really
need this...

...but, she's
my mom!!

We can't
do this!

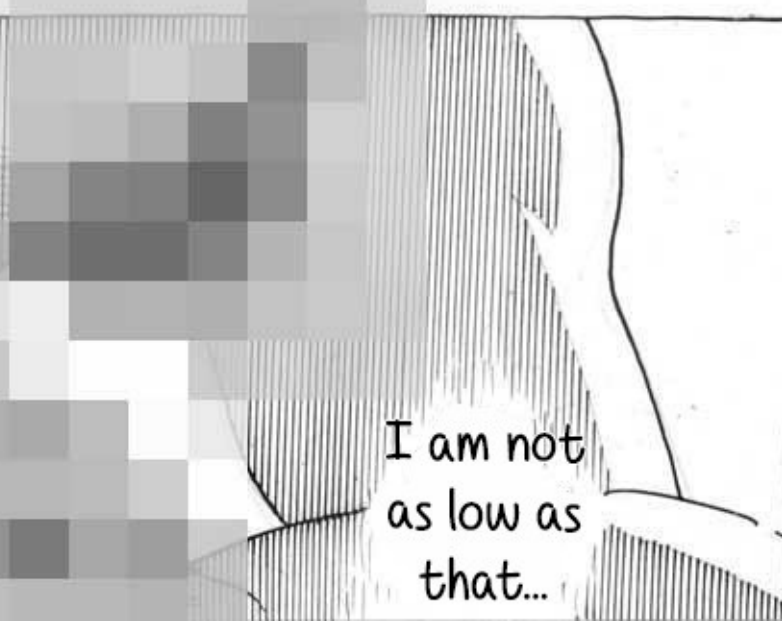

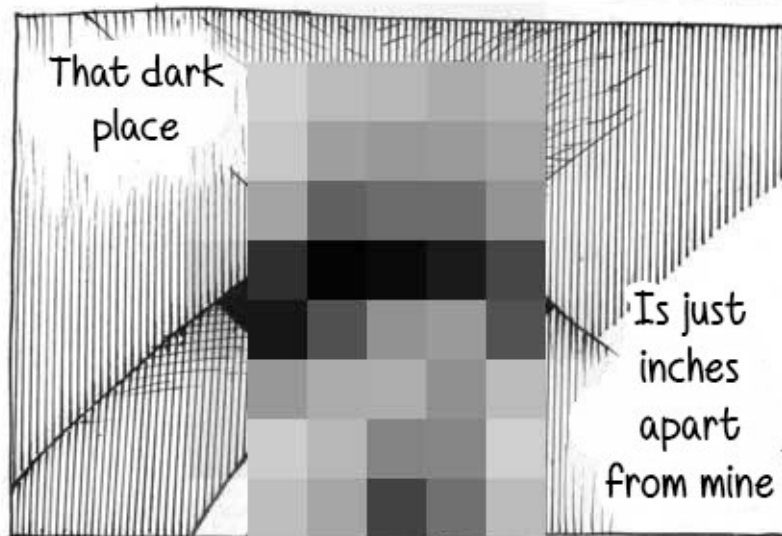

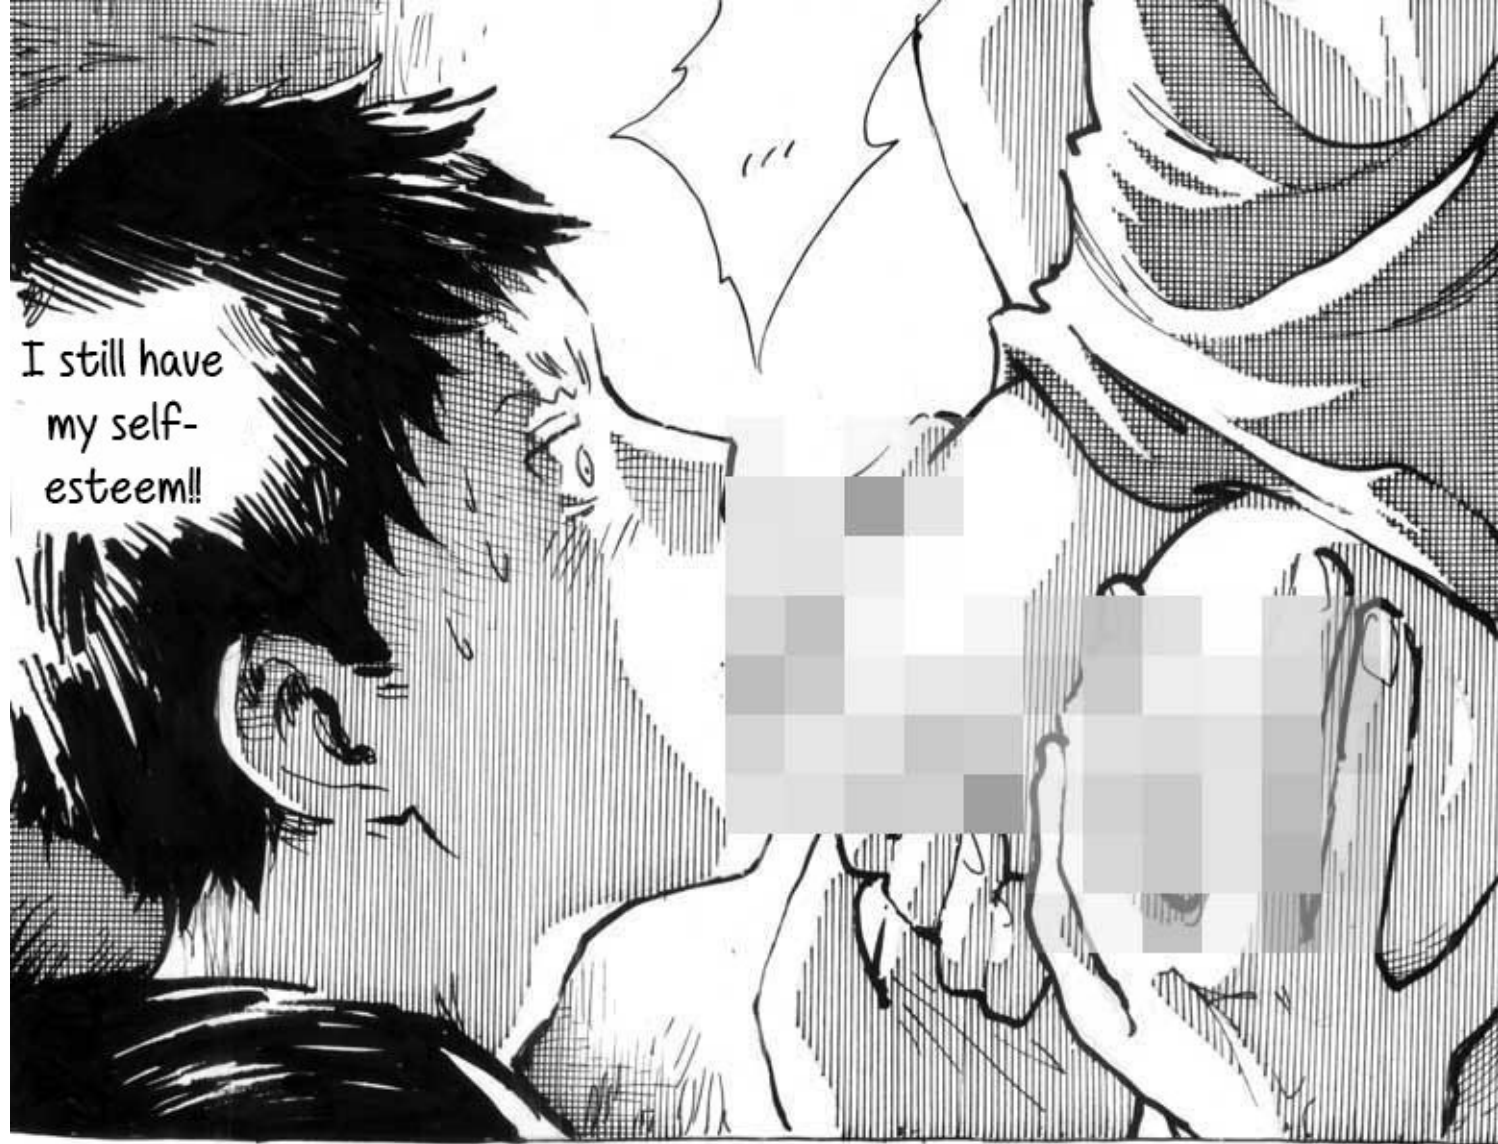

What are
you doing,
mom!?

No,
ma...

Just what is
she thinking!!?

I still have
my self-
esteem!!

It's not
my fault
I end up
like this

Just let what
had happened...

just let
it be!

Just let mine
slide inside,
between mom's...

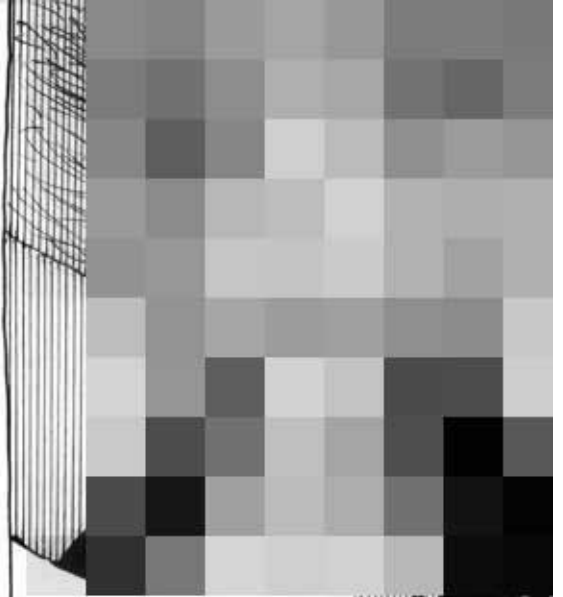

Mom understands how this feels like to you

Just release it, dear!

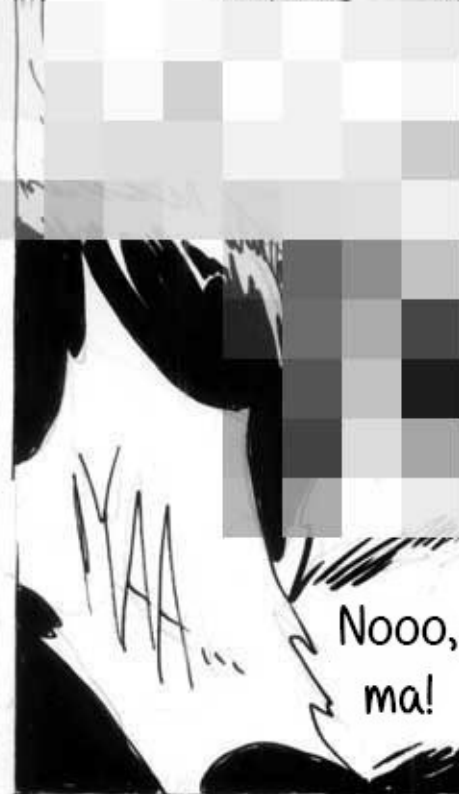

This is as much as mom could do for you...

With that part of her, mom gave birth to me!

And now I'm going inside of it again!!

Don't
stop!

Don't...

I can't!

Yes! Go
on, ma...

I can't
do it!
This can't be
happening!

Please don't
let me enjoy
this...

not with
my own
mom!

Stop it,
ma!

I had
enough!

Just re-
lease it,
dear!

Shoot
them all
inside of
mom's
body...

It shouldn't
be with my
mom!

This can't
be hap-
pening
with my
mom...

I don't
want it
to be like
this!

JER!
JER!
JER!

Today,

I've lost someone
meaningful to me.

Goodbye, mom...

Good-
bye!

Forgive me for
enjoying this...

OOH...

There goes
some of the
burdens

you have
been bearing
with so far

Am I
still your
son?

Not any-
more!

You are
free now...
