

# CINDHI'S 17th BIRTHDAY PRESENT FROM MOM

Dear,

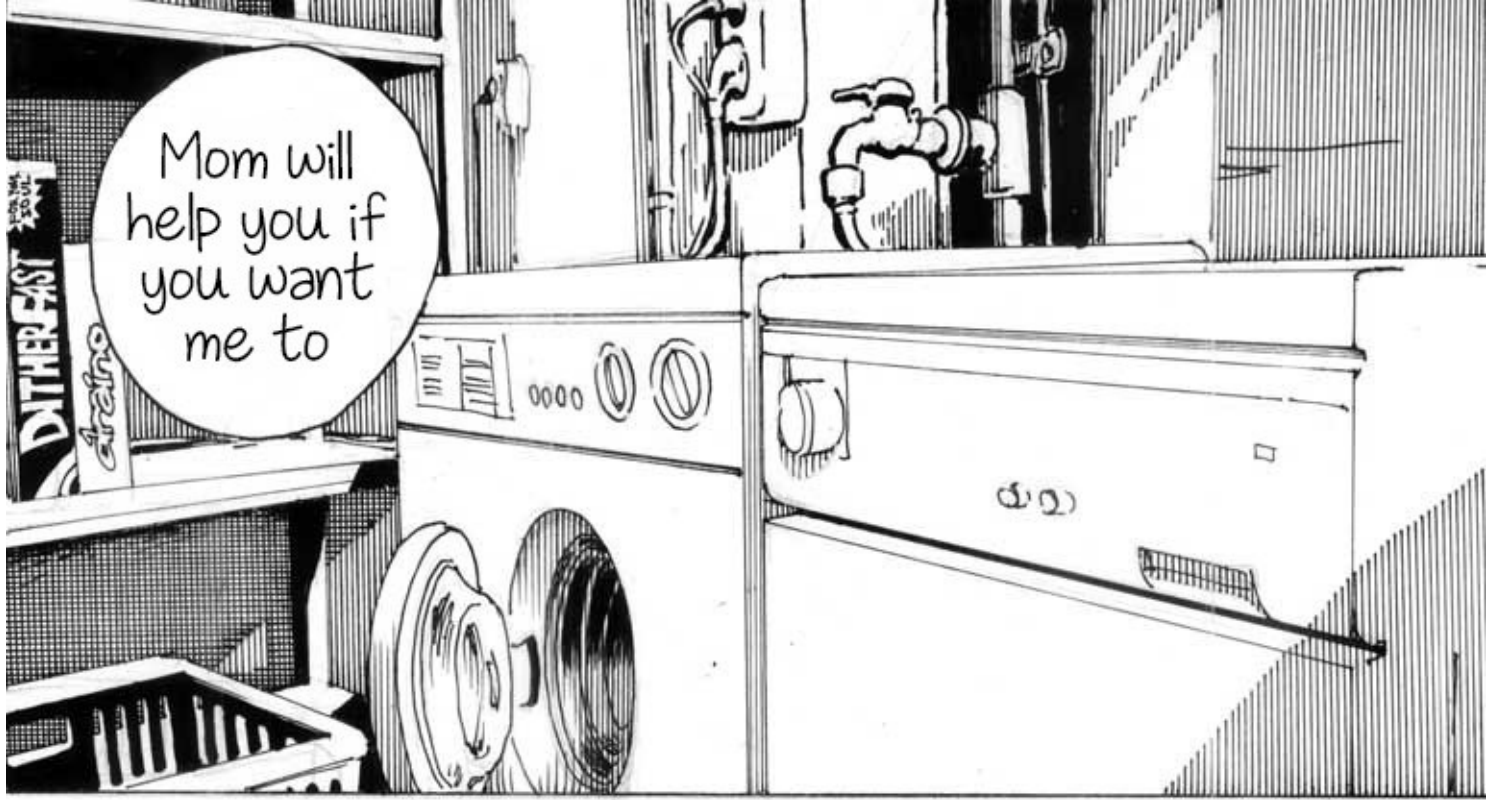

Mom believes

that if something is worrying you...

...you could surely over-come it

Mom will help you if you want me to

But,

that's up to you

Oh yeah,

we're out of detergent!

Be a dear and help mom get some from the shop, okay...?

Bring back clothes fragrant and some dish-wash too

Mom?

I'll just leave them here...  
okay?

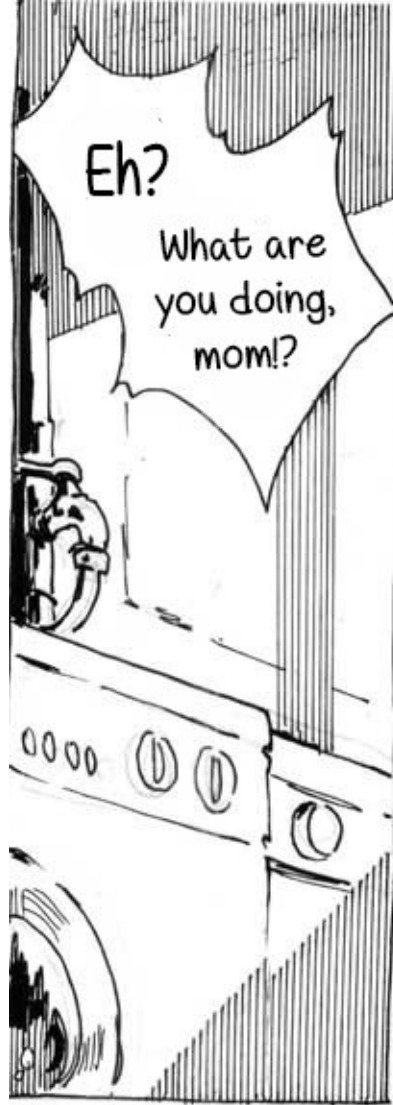

Ma?

??

Mom?!

Eh?

What are you doing, mom!?

Don't, ma!

Leave it be! Just keep it down!

Mom knows what you really need

Come over here!

Mom!?

What's going on with you!?

Don't take my pants off...

AAH...

Let it all out...

You don't have to hold yourself!

Stop it,  
moom!

No  
way...

NYOTKENYOT  
KENYOT

Don't do  
this!

AH?!

Mom...

Why are you  
doing this?

What is going on?

I really need this...

...but, she's my mom!!

We can't do this!

Why...

That dark place

Is just inches apart from mine

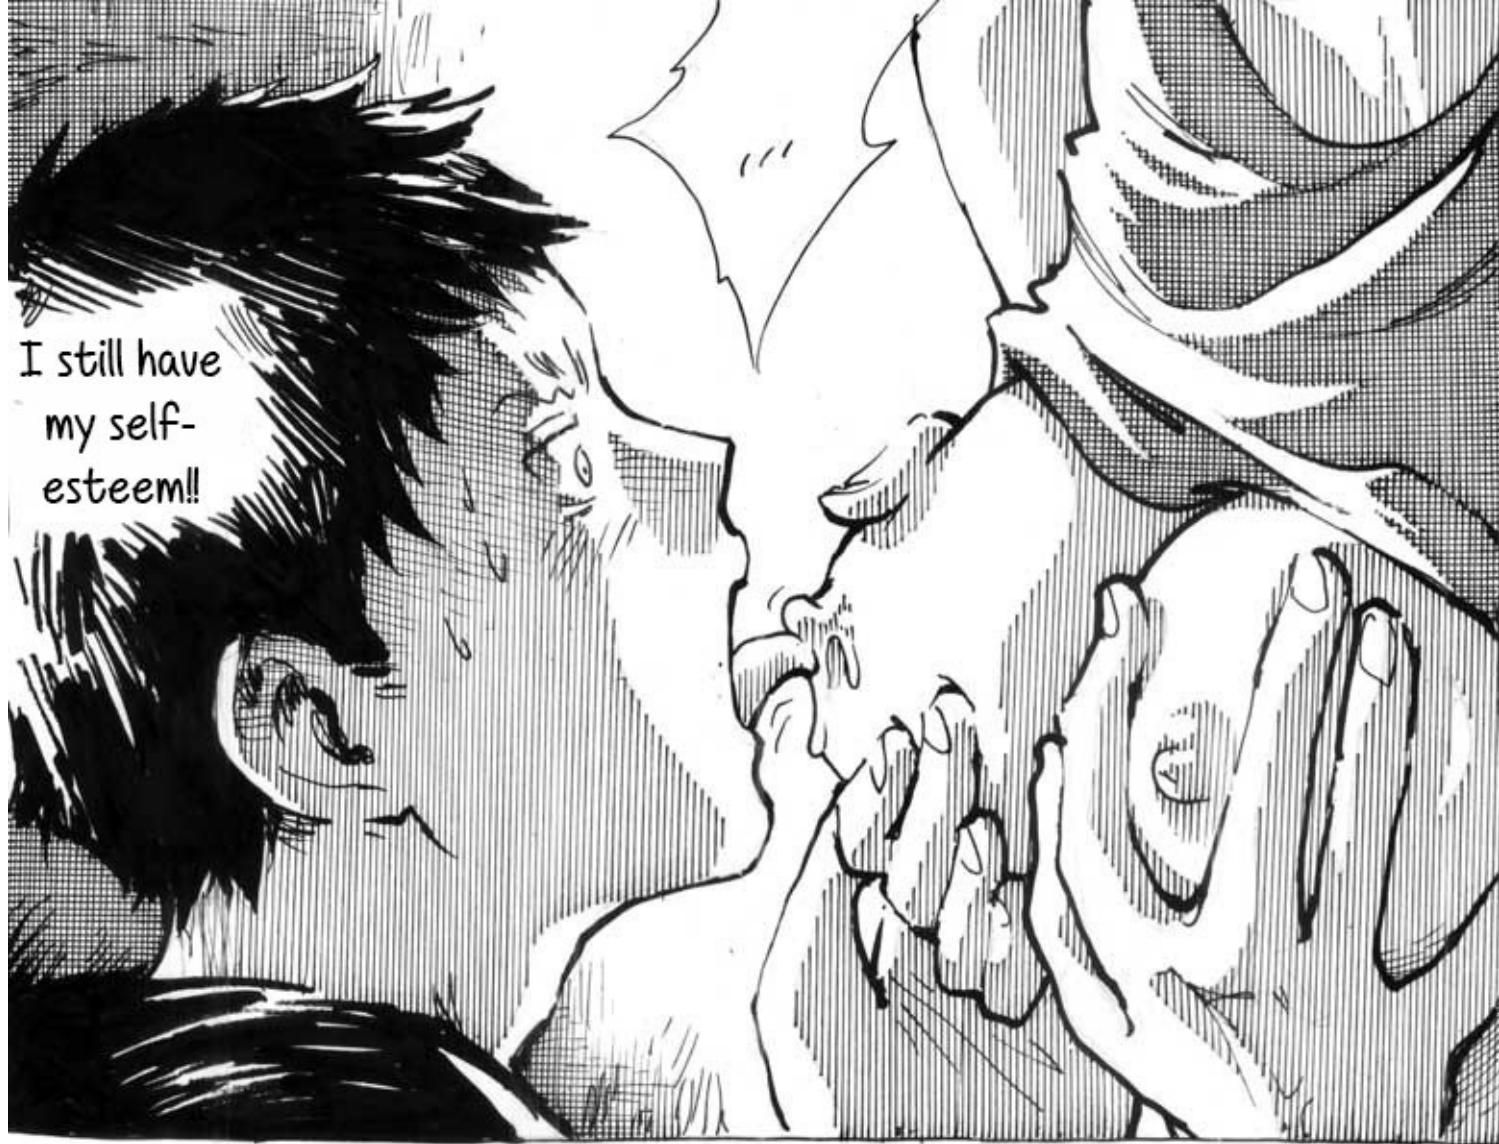

Don't...

No way!  
I can't do it!

I must refrain myself!

I am not as low as that...

I still have  
my self-  
esteem!!

It's not  
my fault  
I end up  
like this

Just let what  
had happened...

just let  
it be!

Just let mine  
slide inside,  
between mom's...

Mom understands how this feels like to you

Just release it, dear!

This is as much as mom could do for you...

With that part of her, mom gave birth to me!

And now I'm going inside of it again!!

Don't stop!

Don't...

I can't!

Yes! Go on, ma...

I can't do it!  
This can't be happening!

Please don't let me enjoy this...

not with my own mom!

Mom,  
I...

Quiet,  
dear!

This can't  
be, ma!

But you  
like it,  
right?

Isn't this  
what you  
truly need?!

Yes... eh!  
No!

I  
mean...

Mom knows  
what is going  
on your mind  
at your age!

And mom also  
knows just how  
to soothe it!

So just  
leave it  
to mom...

But this is  
wrong, ma!!

It's even more  
wrong if you do  
not release it!

But...

Just  
keep  
quiet!

Dear,  
Mom  
loves  
you!

AAH

I mustn't  
be enjoy-  
ing this...

AAH!

But I  
want it!

I must  
not!

But  
...

HAAH?

HH

Mom would  
do anything  
for you!

But,  
ma...

I want  
to!

Enough...

But it's my  
own mom!!

I must...

Mom!

Stop it!

Stop it!

AAH!

AH! AH!

AH!

AAH

VLEB!

VLEB!

VLEB!

Stop it,  
ma!

I had  
enough!

It shouldn't  
be with my  
mom!

This can't  
be hap-  
pening  
with my  
mom...

I don't  
want it  
to be like  
this!

Just re-  
lease it,  
dear!

Shoot  
them all  
inside of  
mom's  
body...

HAH  
HAH

↓ ↓ ↓!

↓ ↓ ↓!

↓ ↓ ↓!

↓ ↓ ↓!

I beg  
you

Please  
stoop!!

My  
self-worth,  
they are all  
gone...

VA  
VA

AAH!

Today,

I've lost someone  
meaningful to me.

Goodbye, mom...

Good-  
bye!

Forgive me for  
enjoying this...

OOH...

There goes  
some of the  
burdens

you have  
been bearing  
with so far

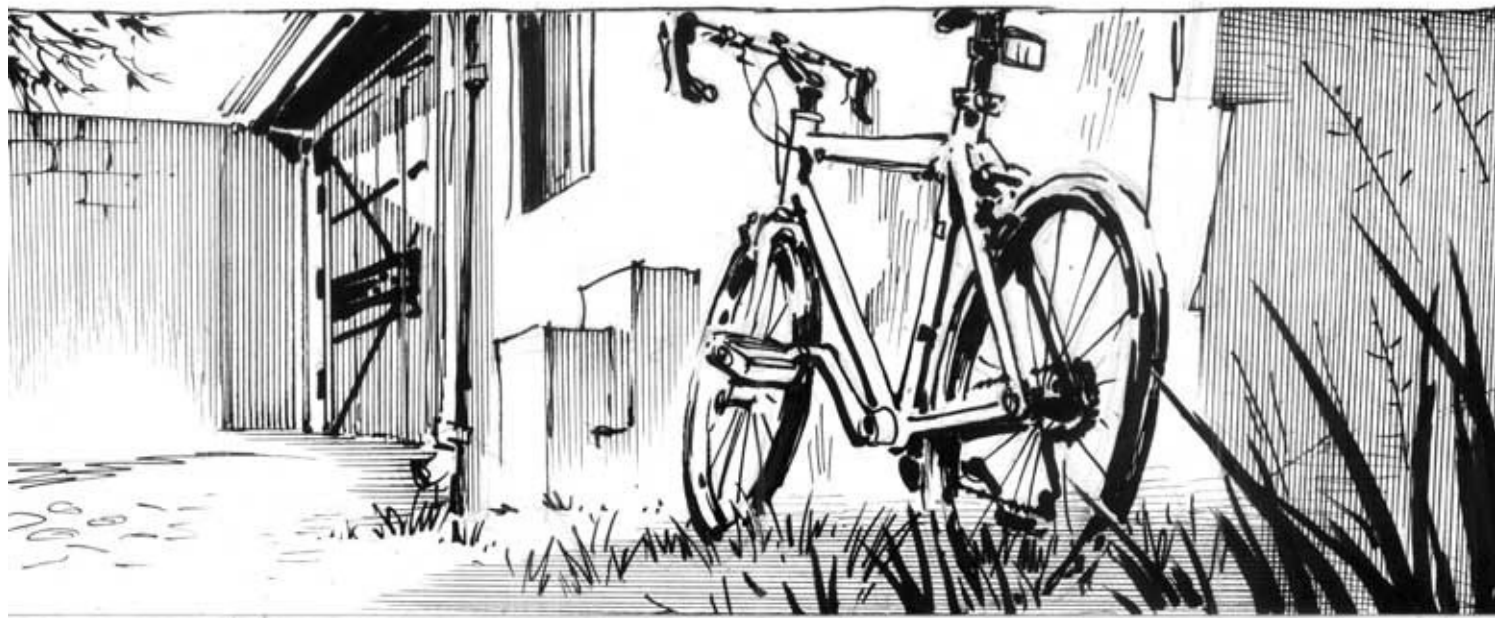

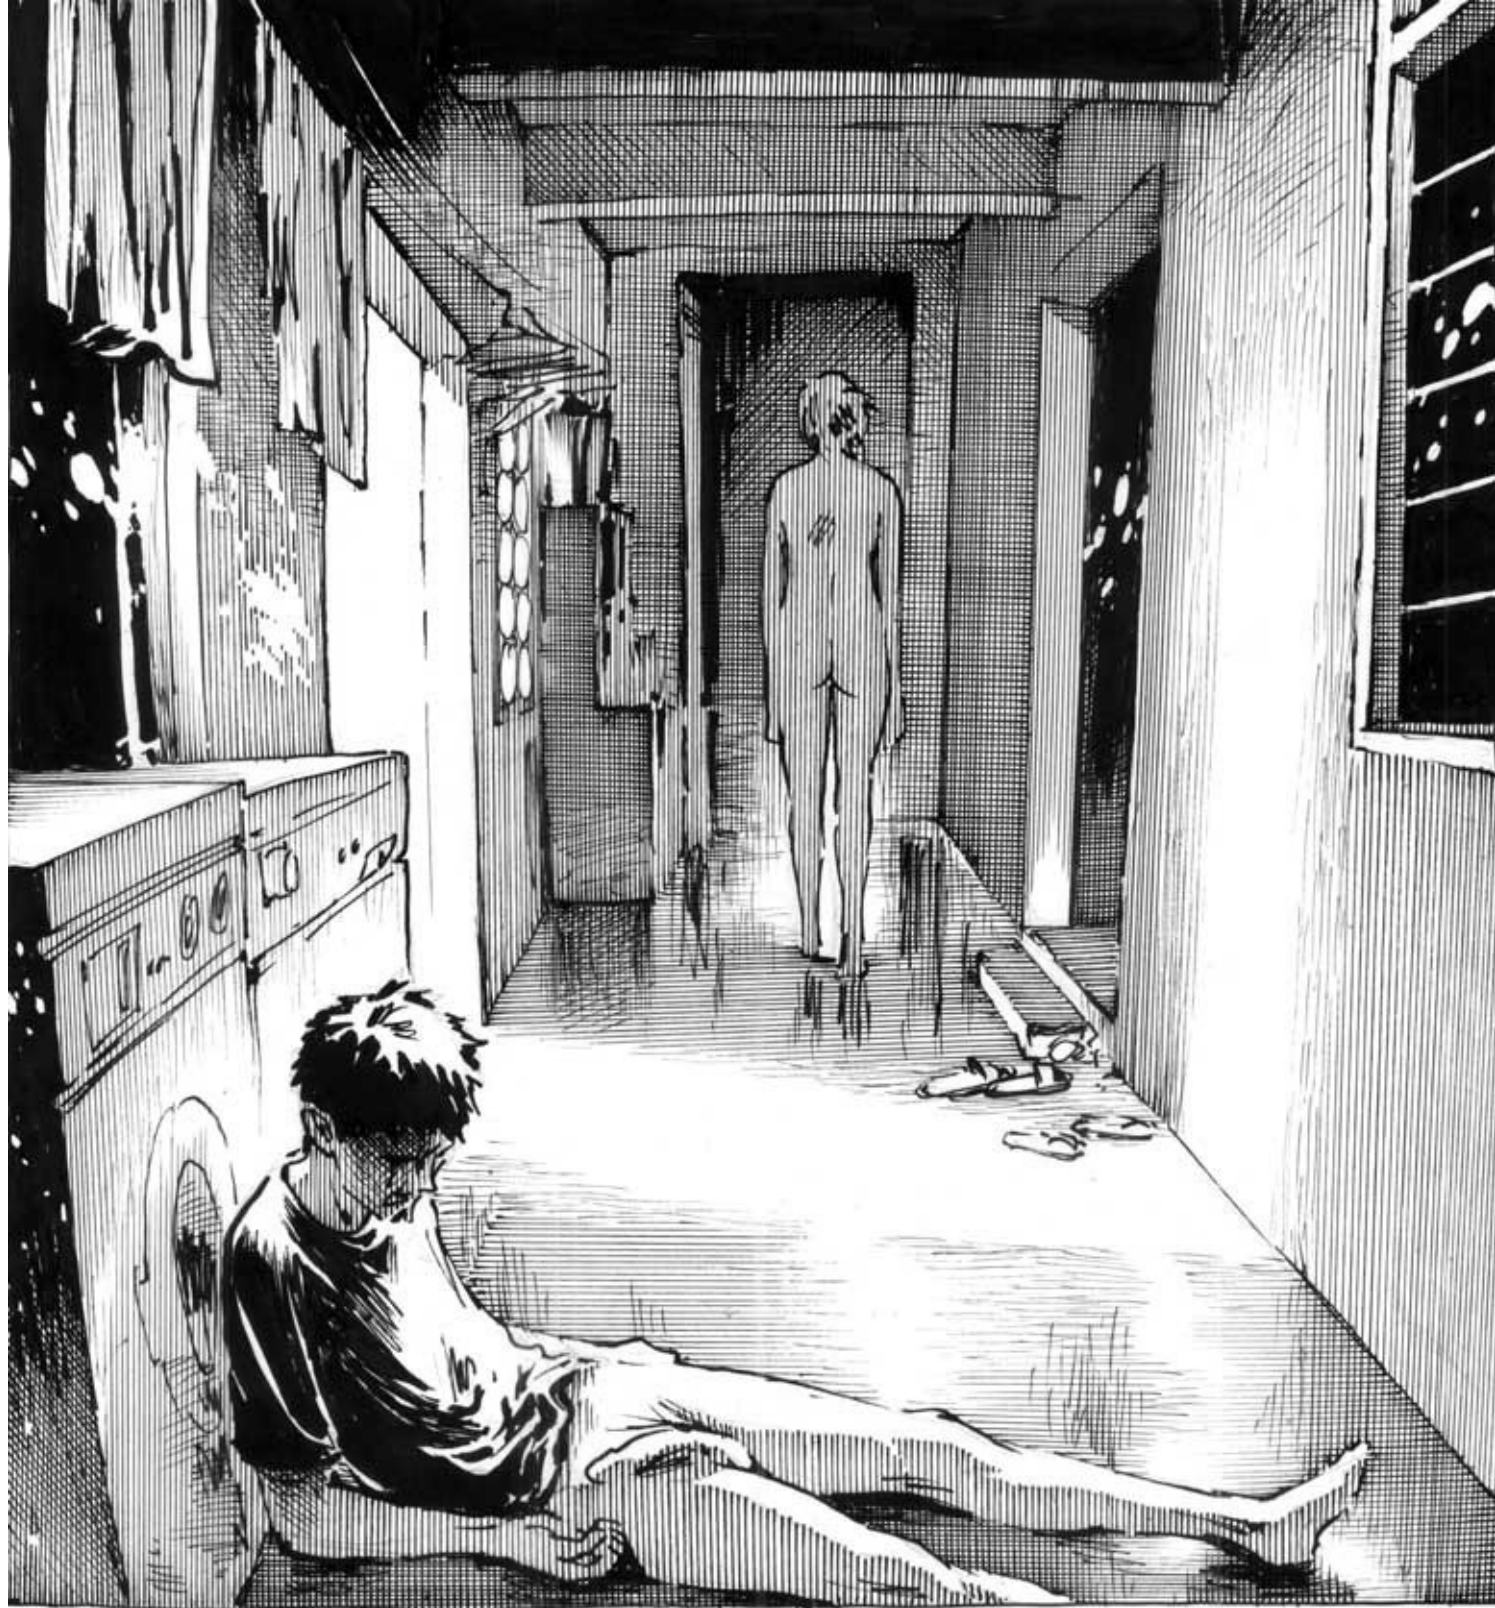

Am I  
still your  
son?

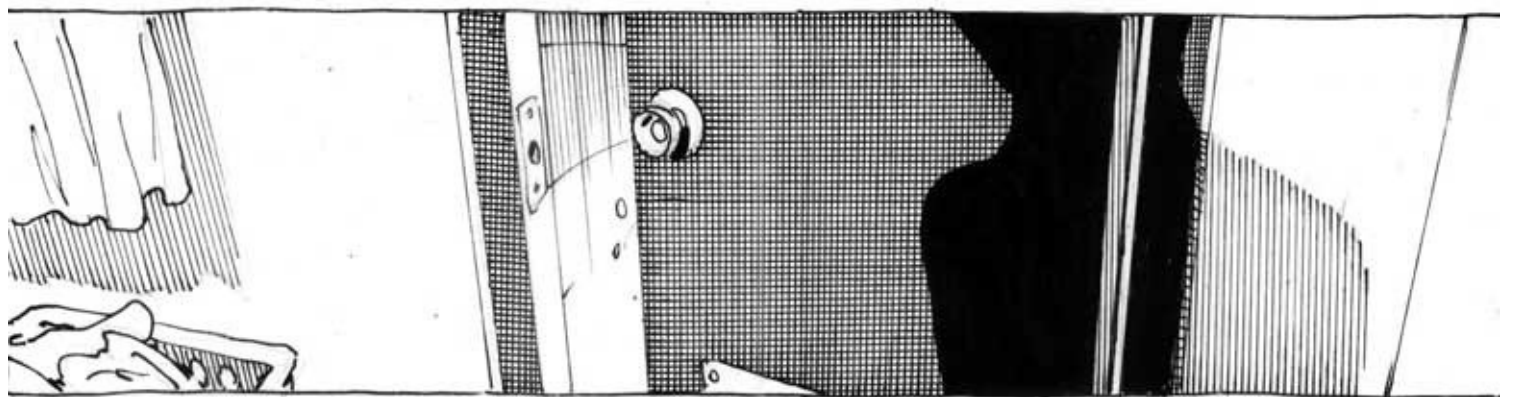

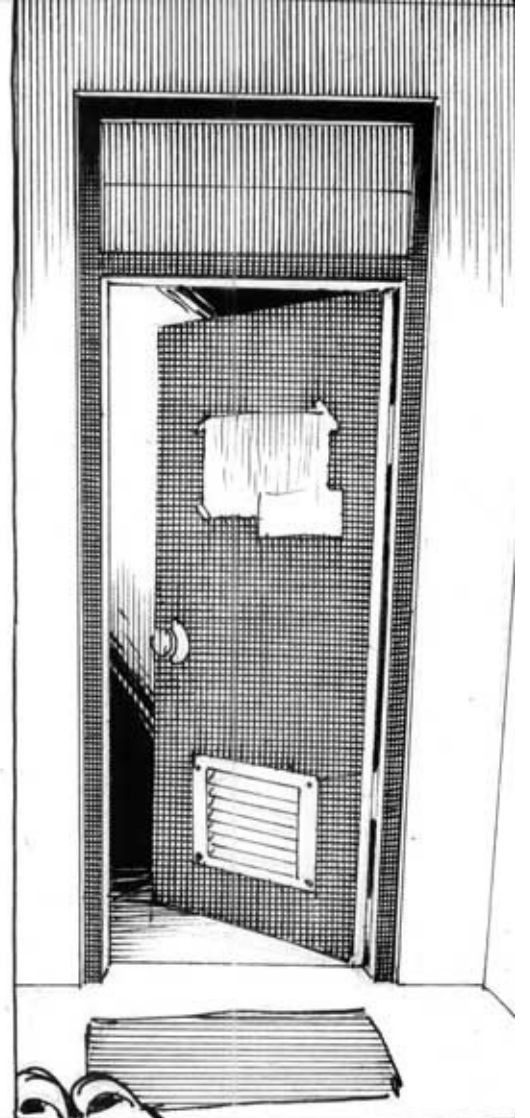

Not any-  
more!

You are  
free now...

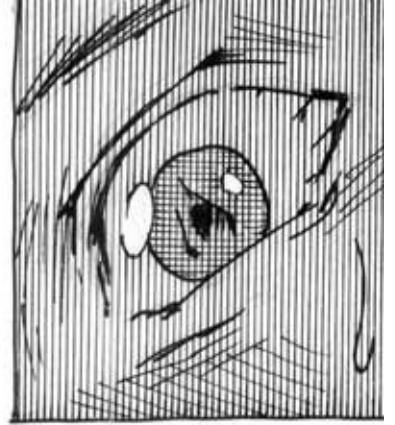

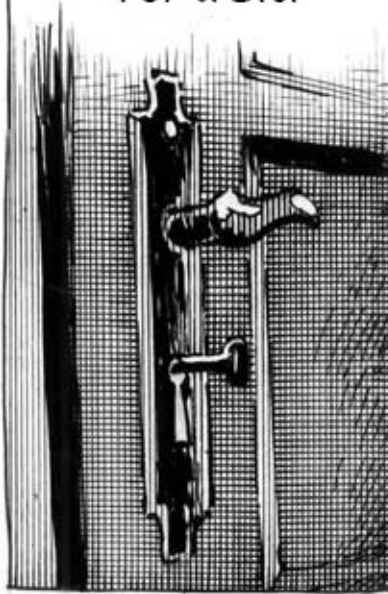

Forgive  
me, dad...

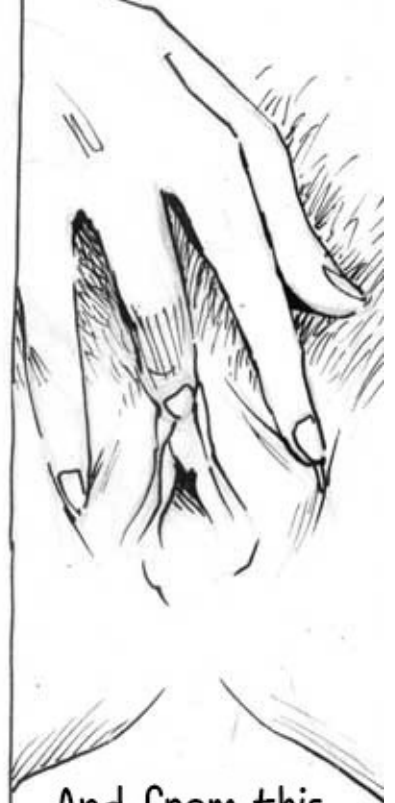

I have to  
release all my  
burdens building  
up inside of me

I need to  
borrow mom  
for a bit!

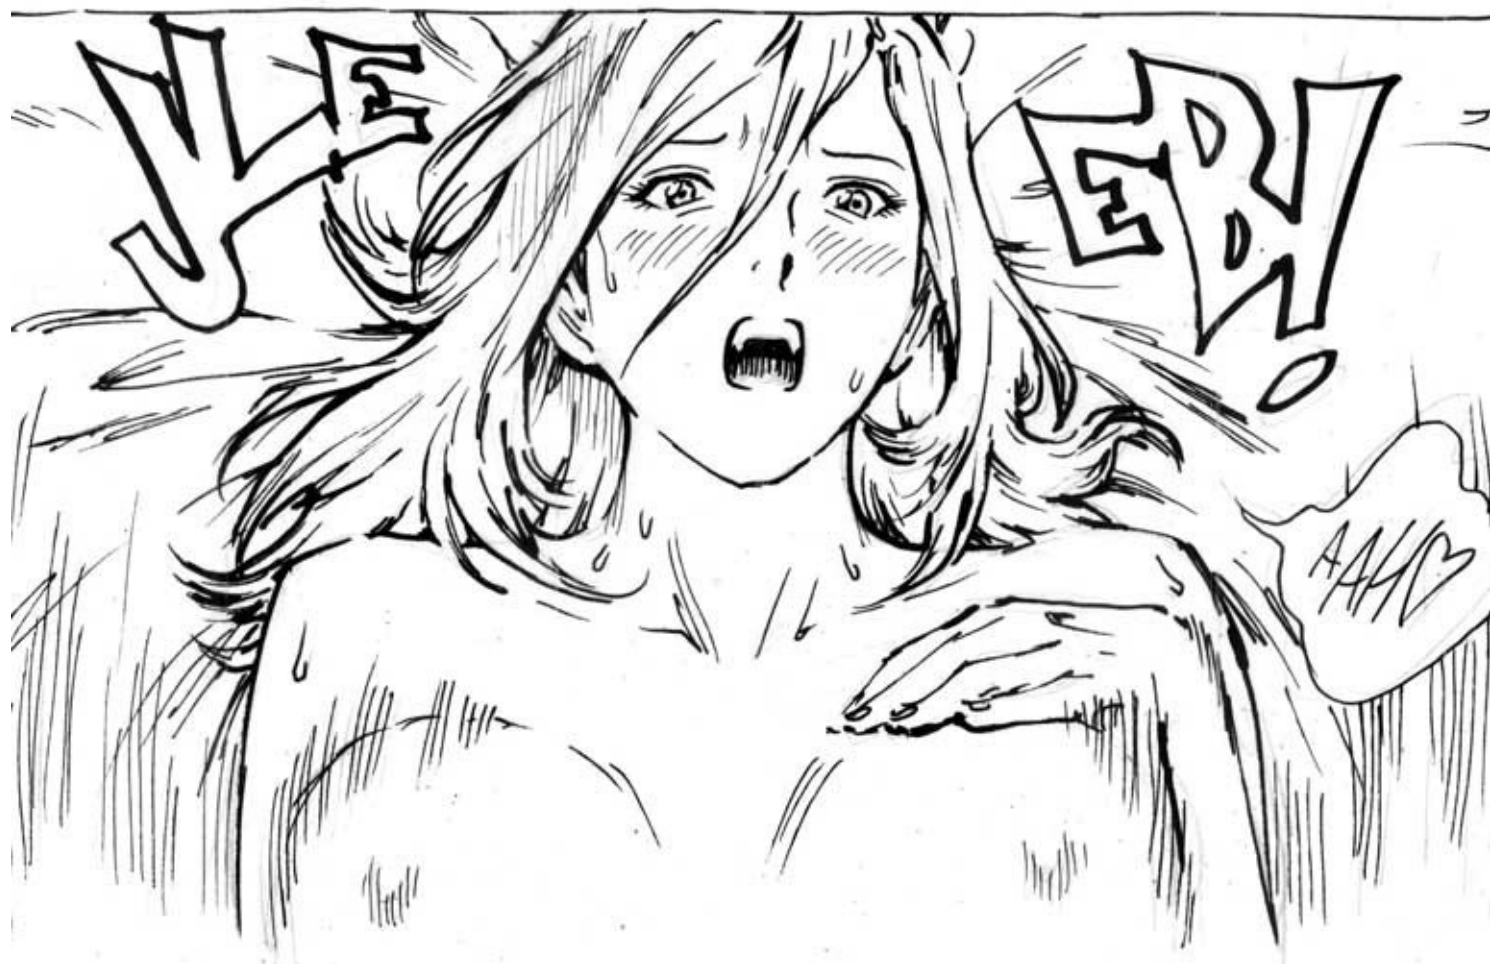

From this vulva  
I was born into  
this world

And from this  
vulva too I...

will be  
reborn  
again

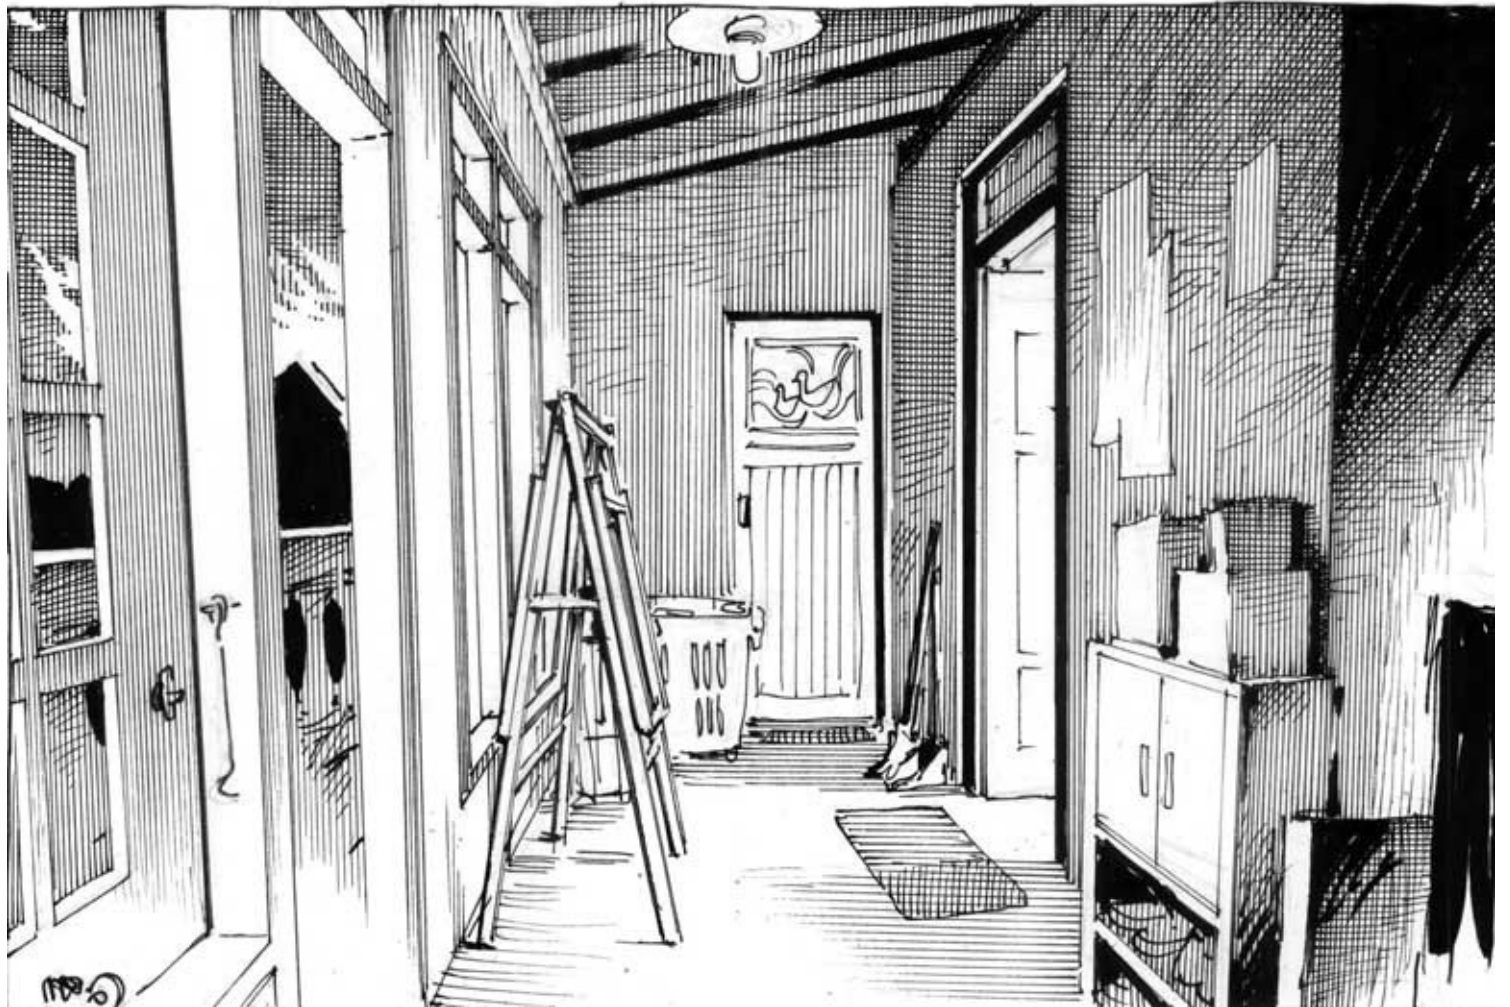

Hey,

I know a way  
to release all  
your burdens...

??

Need  
something,  
big bro?

Just leave  
it to me

Bro!!?

...

Big bro,  
what's  
wrong!?

AAAAA!!  
AAAAH!!
