Takei-sensei~

I've collected all the homework.

Should I put it in the usual place?

Ah, you're eating that stuff again...

Oh, yeah...  
I know.

It's not good for your body if you don't eat a balanced diet, Sensei.

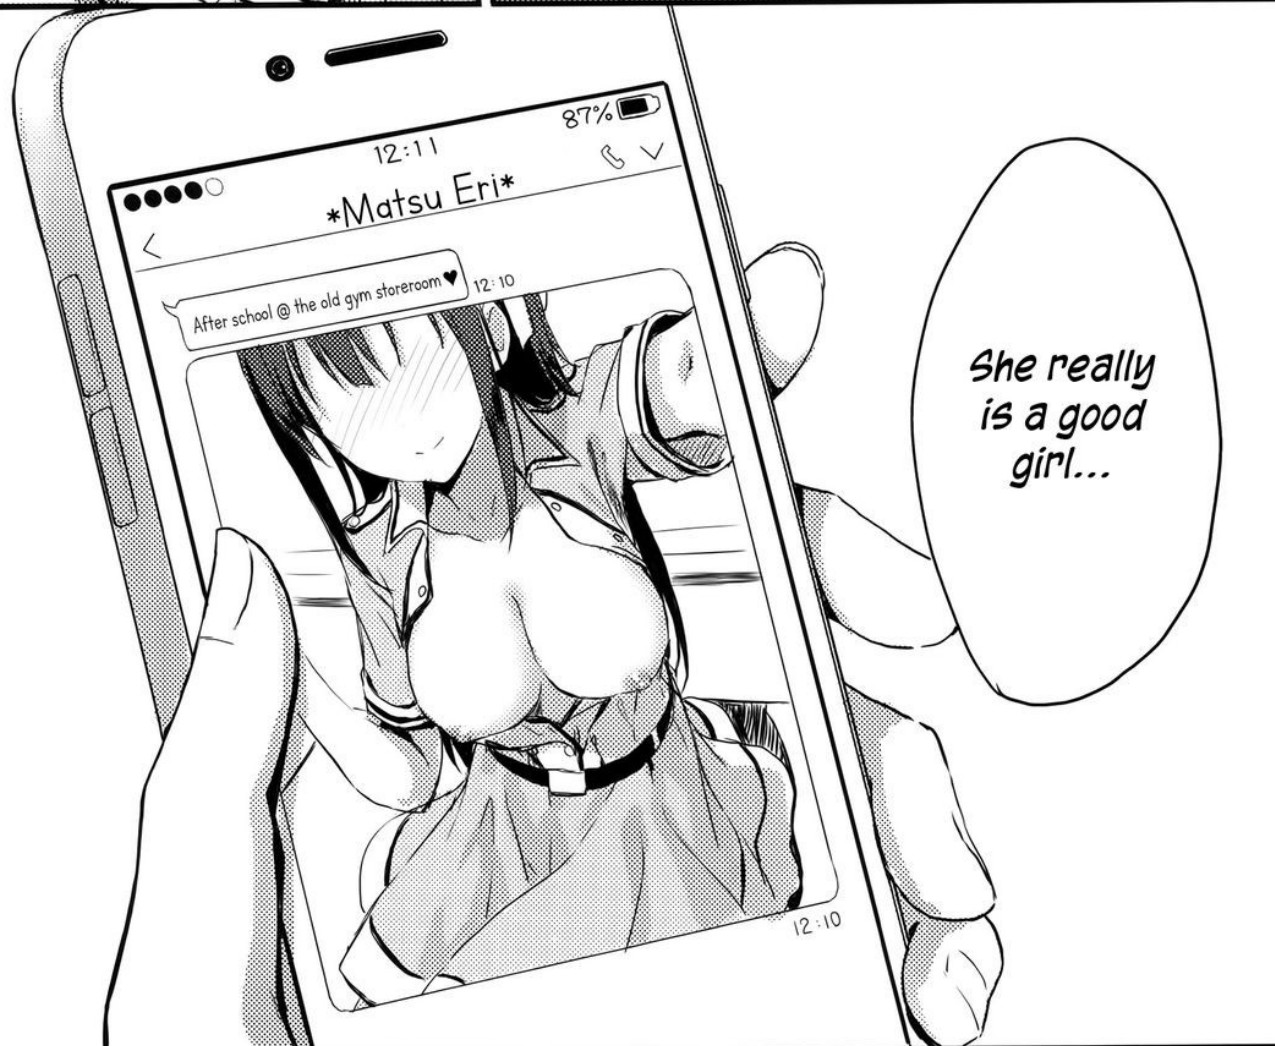

Ah... yeah...

Right, Takei-kun?

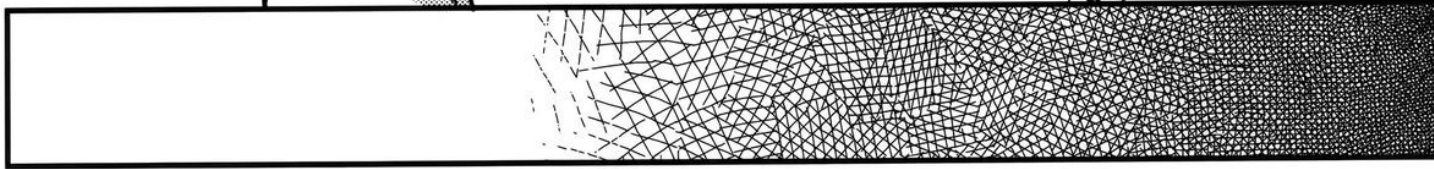

Excellent grades, cares about others, and a kind personality to match...  
What a good girl she is.

That girl... Matsumoto-san from Class 2-C, was it?

Uurgh...!

Didn't I tell you? You can't cum without my permission.

Do that... and everyone might find out about Sensei's little secret, you know?

Seeing Sensei trying his absolute best to not cum is too adorable~~~

Nngg...

You're my plaything, so it'd be a problem if you didn't obey me~

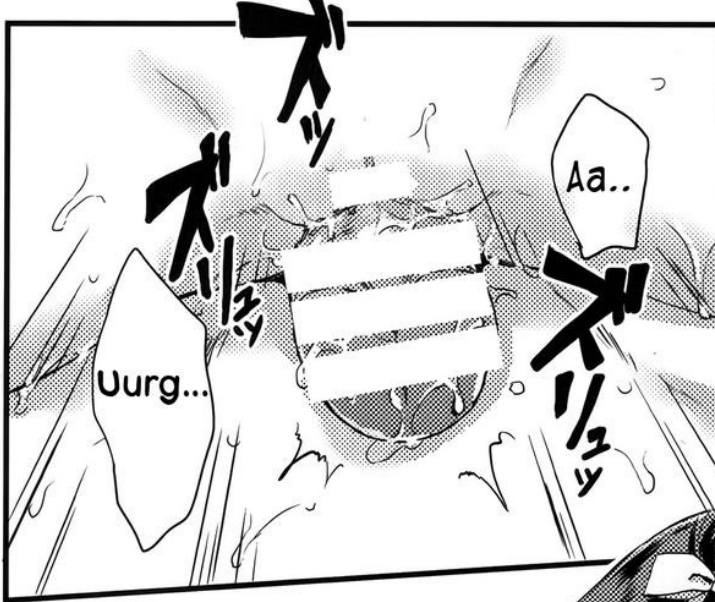

I'm sure having been like this for a whole month must have been painful...

But just hold on for a little longer...

After all...

Aaa...

*While working on this book I noticed I got the last deadline wrong.*

*Thus, as the cosmos burned, I continued to draw and draw.*

*And as I thought, I didn't have any time to properly think about what to write in this afterword.*

*I'm very, very sorry, but please be understanding.*

*This time, the print shop was very considerate to my state of affairs.*

*Thank you very much, print shop-sama.*
