There is an insane role in this school
"Class Toilet"
The girl chosen for the position is made to relieve the sexual needs of all the students and teachers
No... But I wasn't even a candidate ...

If you happen to be chosen, even if a class is still ongoing ...
Hey, toilet!
Lemme use you a minute!
クイッ
No matter how many people there are, every hole is fair to use...
haa
haa
Come on, do your job!
We need to report this to the teacher! ❤
Phew, that was great
Alright, next!

You need to let the new students know that you're the school toilet too ❤
auh ...
Ugh ...

肉便器

おまんこ
You're just a toilet to pour lust into
You're treated worse than cattle ...
Every day, the abuse keeps ongoing no matter the place or time ...
SOB...
Come on, it's a toilet, just like you!
As it goes on, the pain starts turning into pleasure
Hey, what are you lazing around for?
There's still people waiting to use you!
haa
haa
haa

Mmmh
Teach, what should we do with her ...?
haa
And after I've drowned in lust, and started to chase the pleasure by myself...
She's no good anymore... She will be sold off soon enough ...
I'm sure some pervert will be happy to have a cum-addicted pregnant slut up for the taking ❤
Ehehe
Hahe!
hahi!
I can't think anymore ... I want them to rape me again... Use me like the toilet I am ... ❤

First Year, Class C, Misaki Aoi-san, please come to the meeting room immediately
Uh...me? Why would they call me there?
Mmmh...
Maybe they found out about your perverted relationship with a teacher?
No way! I don't even have a boyfriend...
Oh well. I have no idea what it is, but I'm sure it'll be something quick. I'll be right back!
Good luck!

Misaki Aoi, coming in
I wonder what they want ...
Oh, come in
Sorry for calling you during your lunch break
Ugh... It's the Principal, Eromoto. He's always so clingy with female students, I don't like him at all...
There's a reason for this, of course. It was decided in the meeting we just held in this room
Ok ...
コトッ…

Body Relief-Committee?
From now on, you'll be in charge of the "Body Relief-Committee"
This is really bad, even for a joke. Did you seriously call me in here just to sexually harrass me?
I'll make sure that the PTA finds out about this. Now, don't mind if I leave.
ガラッ
It's all to help students concentrate more on their studies. The girl chosen for the job will be in charge of relieving male students and teachers of their lust
.....。
Every yeah, one of the new students is chosen to cover the position

I can't move ...
.... Uh?
Y ... You ...
What did you do... My coffee ...?!!
I mean, it's not like you could just start doing something like that out of nowhere, right?
Hehe, of course no one believes it at first
Ngh ... Gh ...
I'm just that kind towards my students after all
That's why I called you in here to tell you about it before it happened

WHIRRRRR
Uh ...?
Good morning, Misaki-kun. How are you feeling?
What ...? Ah!?
We've made all kinds of preparations while you were sleeping
What is this!? Enough of this already, Eromoto !!

Ih!?
You bastard ...! Is that what you're really concerned about here...?!
You sure have some huge areolas. To think that your huge breasts hid such a secret...
I'll kill you ...
I'll kill you for sure !!!
BZZZ

We'll have to think of a new name for you, to make it easier for everyone to get used to you. How about "Nipples-chan"? Everyone will know it's you! Nipples-chan ❤
That's a nice reaction. It looks like you might have a talent for this.

Oh well, it's not like we're going to do this forever... And I'm sure you want to be able to move freely
BZZZZ
You've been restrained there for 30 minutes now. You're sensitive, but at this rate it won't be nearly enough.
Ah... Ngh... Uuh...!!
ha...!
ha...!
BZZZZ
BZZZZ
It's really simple, Nipples-chan. You have to say, out of your own volition, "I'll be part of the Body Relief Committee". If you do, you'll be freed immediately
Stop using that name! I'm not kidding, you're dead!!

You're really fiery spirited... But you shouldn't talk to your superiors like that
click
Fwaah ....! ❤
BZZZZZ
Ooh, that's a sexy moan ❤
I'm sure all the guys watching you on the monitors must be getting really excited
I-I'm not saying it... I'm not feeling this ...!!
Oh, is that so? This is being broadcasted all over school, so I'm sure everyone will be able to see if that's true
...!?
The longer you resist, the longer this video is going to get. If you want them to stop seeing you like this ...
Ngh... I have to say it, even if I'm just lying, or I won't be able to get out of here again... I hate having to obey Eromoto, but...

Ugh ...

I-I'll do it! I'll become a Body Relief Committee member...!
Good. Say it loud and proper this time.
I, Misaki Aoi... Will become a member of the Body Relief Committee ...!!

There are different rules for someone in the committee, compared to the other students
Hey, Misaki
What's with your uniform!?
Your skirt is way too long! Shorten it until I can see everything !!
Ugh ...!?
Underwear is forbidden, and you're given a small, tight fitting uniform. I have to walk around school while being pretty much naked

Thank you ... I'm so happy, my nipples are going to start swelling up again ...
I heard she started out as a pretty stubborn girl ... I never would've thought. To think that she turned into such a slut

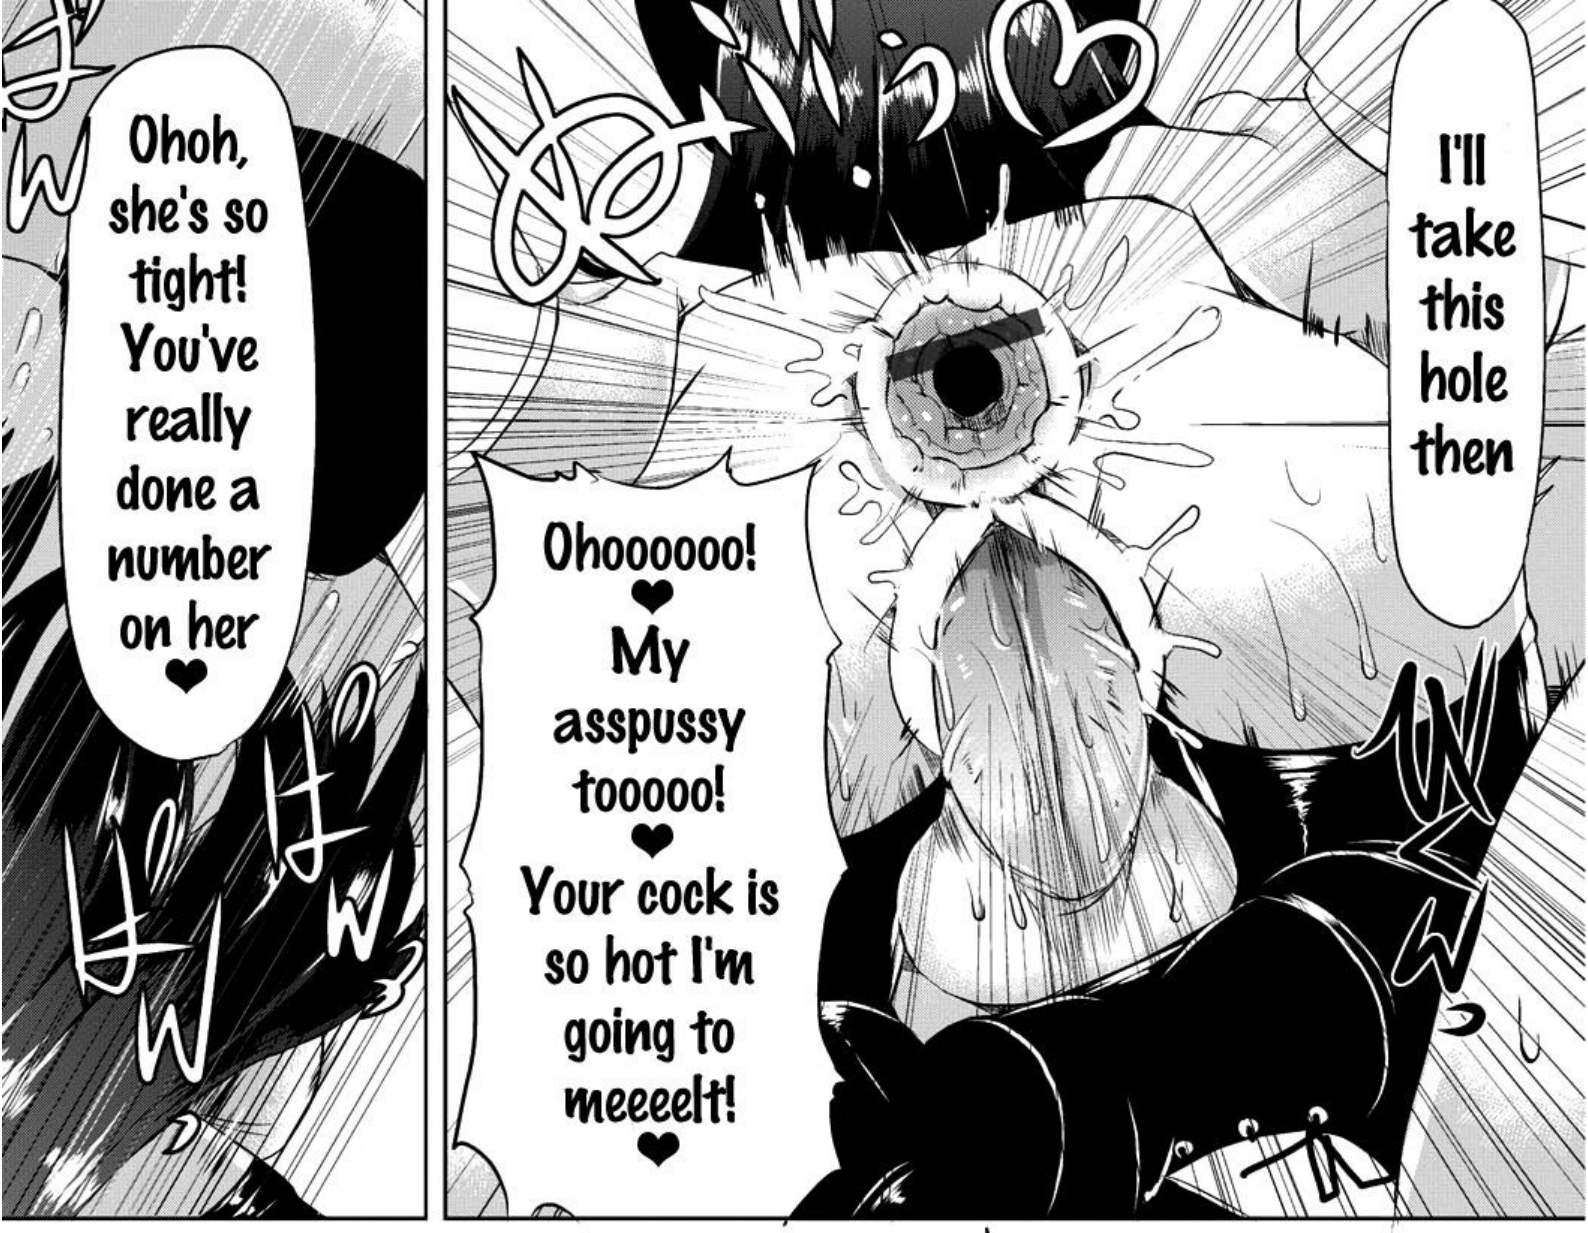

Please show these men how you masturbate. Do that thing you did for the students the last time

My womb is tingling so much
Still, what are you going to do with her after she's been changed so much?
Teacher! Give it to my pussy again please

The day I lost my virginity, I fell completely... I can't think of anything but cock anymore, I can't think of anything but sex...
You seem to have taken a liking to her. Just don't go too far with her, we don't want to break her body
Hahaha, you're as cruel as ever. Maybe I'll bring her home with me today, take my time to enjoy it

Rumors of a girl very similar to her working as a prostitute in a store around town started circulating amongst the male students
According to the rumors, she was used as a show, her warped body serving as entertainment for the customers
