

Young with lots of energy, yet pitiful.

It's already 11:00 am and you're not even done?

Pheh ...

Sigh ...

This is rough.

My back hurts, it's hot, and the bugs are eating all the flowers...

Oiai

It's still so early and you're already complaining Tsune-kun.

Oh?  
Whats wrong?

This is not what we agreed on.

Mami-ane ...

I was thinking more along the line of a brush cutter, but all I got was this sickle!

And here I am, sweating my ass of early in the morning-

That's what I heard.

Your old man used to do this and was hospitalized due to lower back pain...

I was told "part time mowing the grass" Not gardening.

You said you had the proper tools as well.

You have a young body full of energy.

It can't be helped if I don't own the fancy equipment, but you can still do the job with what you have.

Nothing but complaints.

MMpph hh!

Why would you sniff it ...?

Sniff... What is this stench.  
This smell ...

Alright  
Alright ...

Here, let me take that sweaty towel.  
I was about to do the laundry anyways.

Do your best until then.  
桃

I'm going to prepare my juicy "peaches" for your hard work.

Oh  
To make sure you were working hard.  
I will make sure hard work is properly rewarded.

MAMI AND I HAVE A STRANGE RELATIONSHIP.  
SHE IS VERY UPFRONT YET SOMETIMES UNSOCIABLE.

IF IT WERE NOT FOR THAT, I WOULDN'T BE HERE IN THE SCORCHING SUN WORKING.

WHEN I WAS A STUDENT, SHE TOOK VERY GOOD CARE OF ME.

MY CHILDHOOD FRIEND.. THE STRICT YET KIND BIG SISTER TYPE.

MAMI TOKUMA... I LOOK UP TO HER LIKE AN OLDER SISTER.

UNFORTUNATELY, MY WORRIES DID NOT END THERE.

THE COSTS FOR UNIVERSITY WERE TOO MUCH FOR ME, SO SHE LET ME BORROW SOME MONEY.

あはあ五分。

WITH HER STRICT REGIME I WAS ABLE TO PASS ALL MY CLASSES.

I WAS FOOLISH, I SPENT MOST OF TIME WITH MY CLUB ACTIVITIES RATHER THAN STUDYING FOR MY CLASSES.

AND IT WAS THANKS TO HER I WAS ABLE TO ATTEND A UNIVERSITY.

...

Alright ...

I need to press on!

SO I'LL DO ANYTHING TO REPAY HER KINDNESS, EVEN SMALL TASKS LIKE THIS.

you never change Tsune-kun.

The truth is.

Fufu ...

は...

Sniff ... Sniff ...

This stench is too much.

The smell of your sweat ...

It's the same as back then ... ♡

...Whats wrong?

Useless ...

Argh ...

You can come back another time if you want.

How long did you want to stay here? All summer break?

You don't need to pay me back all at once.

Feel free to save some extra cash for yourself!

You admit defeat even though it's so early.

It's already the afternoon and I'm not even halfway done...  
There is no way for me to finish this before the day is over.

...Oh ya  
I owe you for that to.

I remember you worked so hard on your entrance exam.

It's important for you to enjoy your university life.

Hmm ...

Well... Not necessarily.  
I wanted to join a new school club.

Before the exam, when I showed my pussy?

Tsune-kun

Do you remember?

I remember it quite well, want me to remind you?

What is it... Have you forgotten?

It wasn't THAT dark

Y-y-your what..!?

"HE ALWAYS SEEMS SO TENSE, I NEED TO DO SOMETHING TO LIGHTEN HIM UP."

"HMM... WHAT CAN I SAY TO HIM"

Hey... Mami

I have a favor to ask.

So I thought -

You were complaining like you always do.

I suppose you were very anxious about the exam you needed to pass...

It was late and I found you at the busstop all depressed.

A good luck charm... Do you happen to have one?

I want... I want..

IT WAS ALMOST LIKE YOU READ MY MIND.

I want you to take what you see.. No need to be shy.

A lucky charm for your exam...

Wha... I I don't...!

Uhhh... Mami..!?

BUT I HAD A BETTER IDEA...

What's the matter?

I will give you what you want.

There's so much... I don't know...

I'm telling you.

This is nothing for me if it helps you pass your exam.

Take five or even ten with you.

As you can see, I like to grow it out.

SO THEN ...

Take charge of your life and break through your shell.

If you can pass this exam, you can pass all of them.

you can't chicken out now, just think of this like a exam.

I won't believe if you say "you were just kidding".

Oh...You already finished.

Hah ~ Ah ~

BEFORE I EVEN REALIZED IT...

No need to apologize.  
It's important to take care of yourself!

I'm... I'm sorry Mami...

For a Virgin, it should be expected...  
But I expected you to chicken out, but you pulled through and showed me your inner beast.

Ah... Now that you are refreshed, your worries are gone, no?

However...  
If you can't pass even after I did this for you...

WELL, LET'S JUST SAY FAILING IS NOT AN OPTION.

Eep!

I kept them...  
In a special  
charm bag.

You  
should  
have  
thrown  
them  
away  
after  
you  
passed.

...What  
an  
idiot.

So  
What  
happened  
to my  
"Good  
Luck  
Charms"  
I gave  
you?

I cannot deny  
that  
...  
I needed help  
back then  
...

It  
seems  
like a  
miracle  
that  
you  
made it  
this far,  
no?

I  
suppose  
it was  
thanks to  
me you  
passed  
the exam.

Such an  
important  
obligation,  
does it  
mean that  
much to  
you?

I've  
accomplished  
so much  
with them,  
it would  
pain me  
to throw  
them  
away...

Do want  
to add to  
your  
collection?

As an  
addition  
al  
reward.

I can tell  
by your  
face...  
Your day  
has just  
began.

Look  
...  
It's  
grown  
since  
then.

I would have asked earlier if I knew you were this eager.

That's good...

Mmhm ya...

You are getting deeper even though my panties are in the way...

It's stuffy ... But the stench gets to my head.

I see you still enjoy my panties so much.

You get so brutish when you get into it.

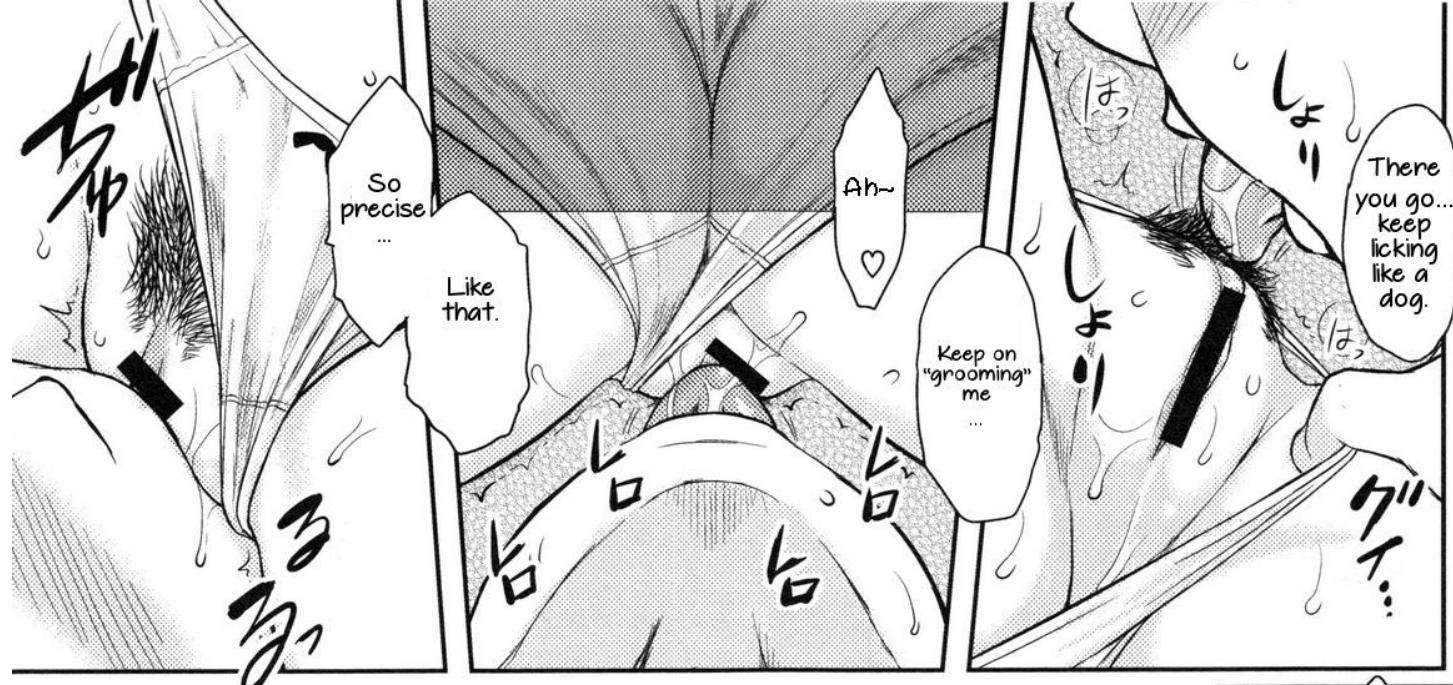

...I can't deny that Mami-ane

If you want to smell more, try going underneath.

You're at it like a dog in heat.

Ngh... Same ... Its starting to turn me on.

Hey! You dont have to make fun of me!

HABA  
HA  
HA  
AHA  
HA

...You were my first and only girl!

wait... you never hooked up with university girls?

は

I thought I was the only one.

Im sorry Im sorry, I just wasn't expecting that.

After such a long time... It's time to take care of it, no?

You have grown, but you have neglected your garden.

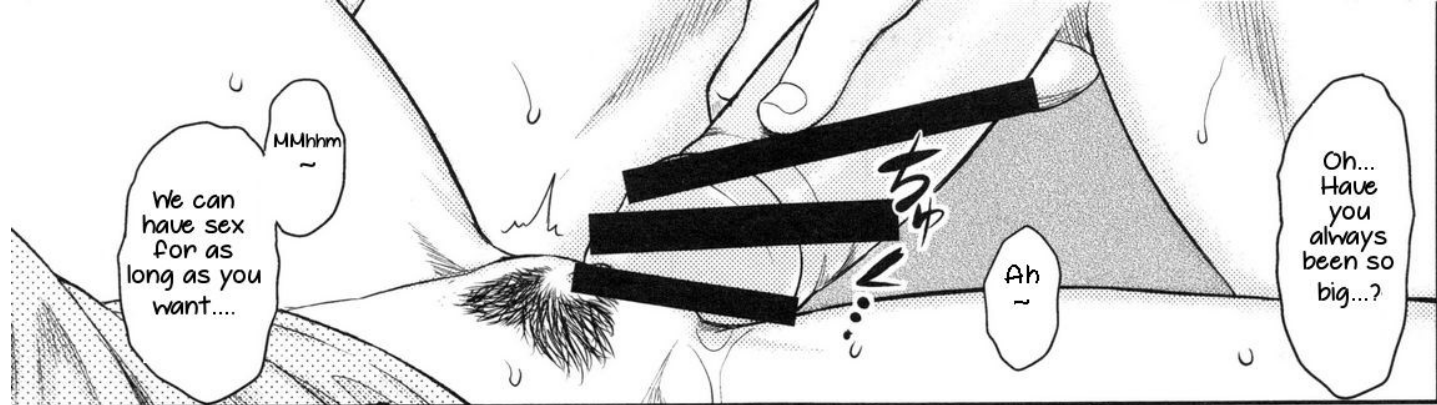

I still... I have been untouched since then.

With pleasure!

\*Gulp\*

MMhmm ~  
We can have sex for as long as you want....

Ah ~

Oh... Have you always been so big...?

So sudden...  
Really man...

Did you not hear me say slowly...

Oh... Sorry!

So let's take it nice and slow-

...there is no words for how much I apologize.

It was a little painful but I did not complain.

Even during our first time, you skipped the foreplay and went right into it.

The only thing I could think of was putting it inside you...

Of course...

You have not changed, you're still a man.

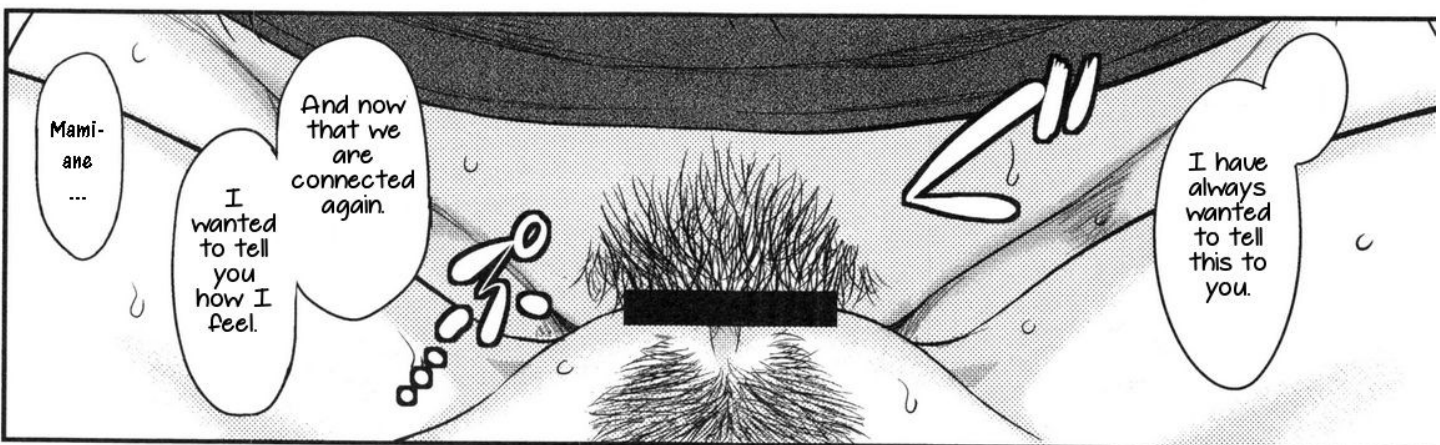

And it's my favorite memory.

Because I am happy you are growing up.  
I gave you my first time.

Well there is another way for you to apologize.

Mami-ane ...

I wanted to tell you how I feel.

And now that we are connected again.

I have always wanted to tell this to you.

ya...  
Slowly ... Feels good.

Uhhh h!  
Fuu ~ Ahhh ~

Hey  
Wipe that miserable look off your face.

Now, would you let me feel good this time ...?

I can feel it coming ...

Hold on...  
A little bit more

Already ...  
Cumming ...

I'm sorry

Mami-ane

KYAAAAA!!!

Ahh hh.

eyA AA!

UGYAAA  
AAAA!!!

EVEN THOUGH THE DAY IS OVER... THE "GARDEN" STILL NEEDED TO BE MOWED.

There is still lots of time... And I have some special gifts as well...

Ha... was it good?

I can feel it coming out...

Ah ~ Ah

THE NEXT DAY

Are you not into it today?

Even though I put my sexy underwear on just for you.

Hmm?

Ma-Mami-ane

Wait a moment... Hold on Hold on

But...We have been doing it too much.

There's no need to worry about that today.

No but.. it's not like that. but...!

Or do you really not like doing it with me?

I would rather you spend all you energy another way.

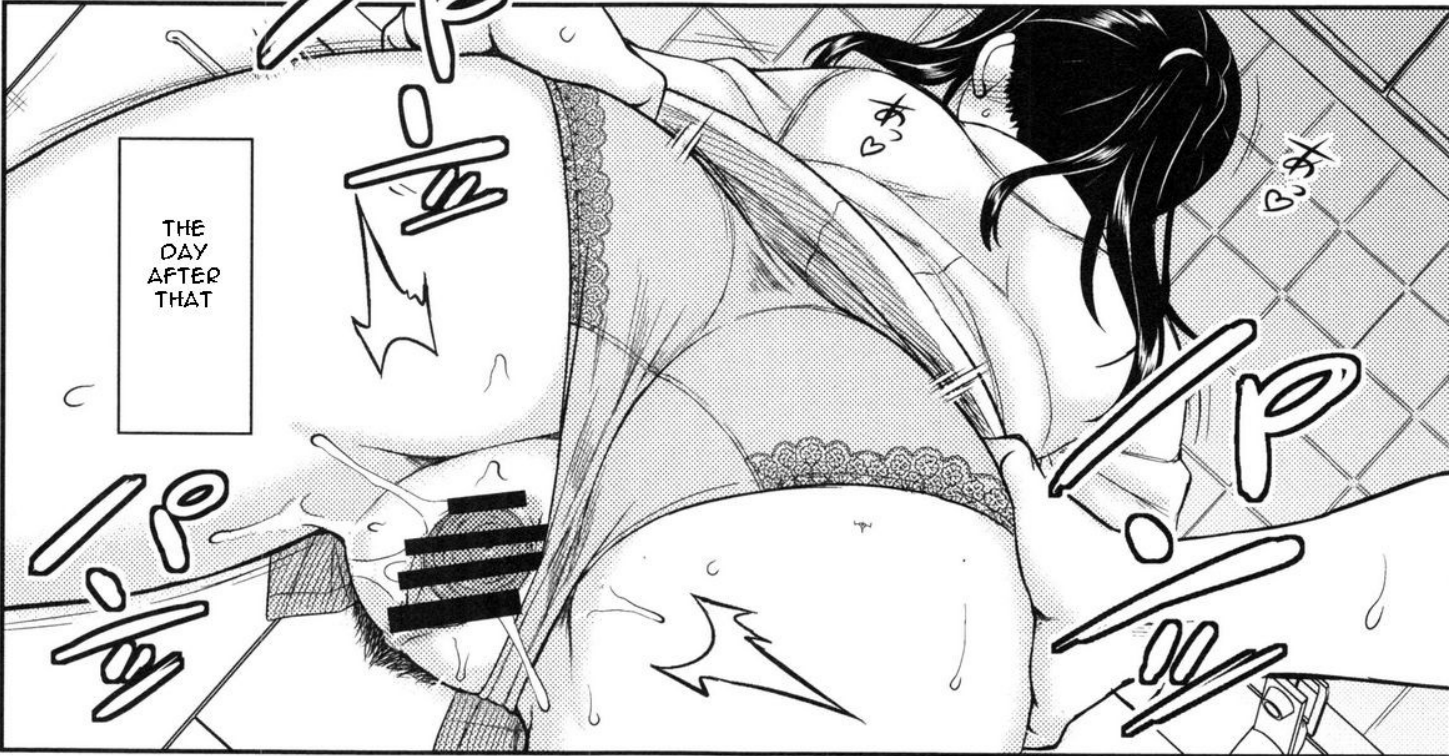

I haven't gotten any progress mowing the actual garden.

What you're saying is ridiculous.

THE FOLLOWING DAY ...

THE DAY AFTER THAT

THIS MOWING JOB HAS MOVED FROM THE GARDEN TO MAMI'S BODY.
