

K. JATI PRESENTS

RADICAL COMIC

VOLUME 3.9

BURN PARENTS

but this is
for a far
greater
good

It's not
because you
didn't give me
any attention

it's not
that I
lacked
affection

Now on, I'll
be deter-
mining my
own fate!

I'll look for
a guardian
that suits
myself

and I'll
eat veggies
without being
told to

I'm leav-
ing the
house

I want to
have my
own life

What both of
you have been
giving to me is
enough

and I will provide
even more for
children of my own
next time

I may not
be proud
of you,

but I will
love you
both, always
