I Feel bad for you...

And yet she doesn't understand how you feel at all.

You didn't completely break her... And you let her go because you're such a nice person...

And when she regains her reasoning, she doesn't even love you?

You brainwashed my sister so much and did so many things for her...

I'm not like her. I truly am in love with you...

So...

?

...doesn't it hurt when your love for someone is one-sided?

Isn't it about time you gave up on your feelings for her?

Won't you
stay
with me
forever?

...I see.
Guess
there's
no
helping
that.

Ikumi
went off
to get
married
with her
teacher.

...where
have
Akemi
and
Ikumi
gone
off to?

I'm
home.
And
yeah,
you're
right.

Welcome
home,
darling.

Guessing
by your
clothes,
it must
have
rained,
right?

...and
Akemi?

HM?

Who's Akemi? There's nobody here named that.

My bad. My head must be out of order.

Ah, right.

It's been some time since it was just the two of us, so I made something special.

Jeez, what am I to do with you. Anyway, let's have dinner.

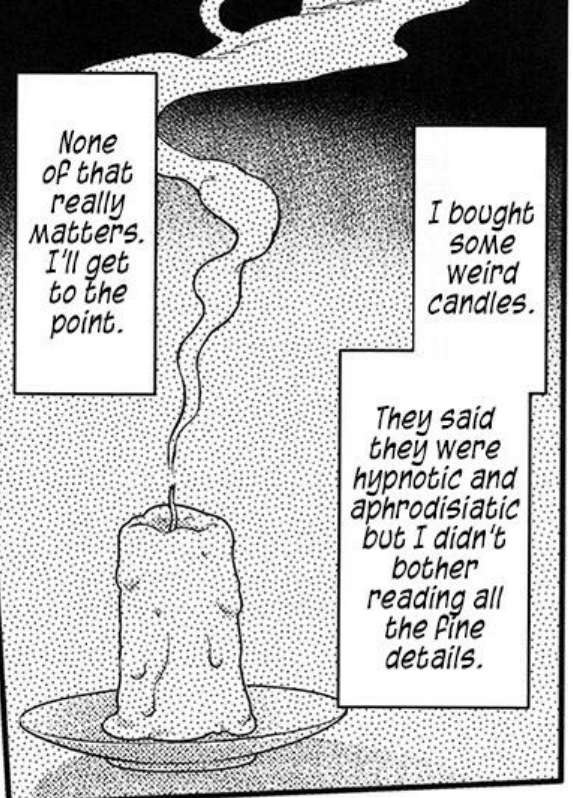

I see. I can hardly wait.

I used them on the girl I was in love with.

That's what matters here.

None of that really matters. I'll get to the point.

I bought some weird candles.

They said they were hypnotic and aphrodisiac but I didn't bother reading all the fine details.

...but it seems like they didn't work on her for some reason.

She had a sister.

So I thought why not fuck her too...

They didn't work on her...?

Did they really have no effect on her?

... hm?

So use me as much... as you want.

Hey... Try going all the way inside me... I'll spread my pussy for you...

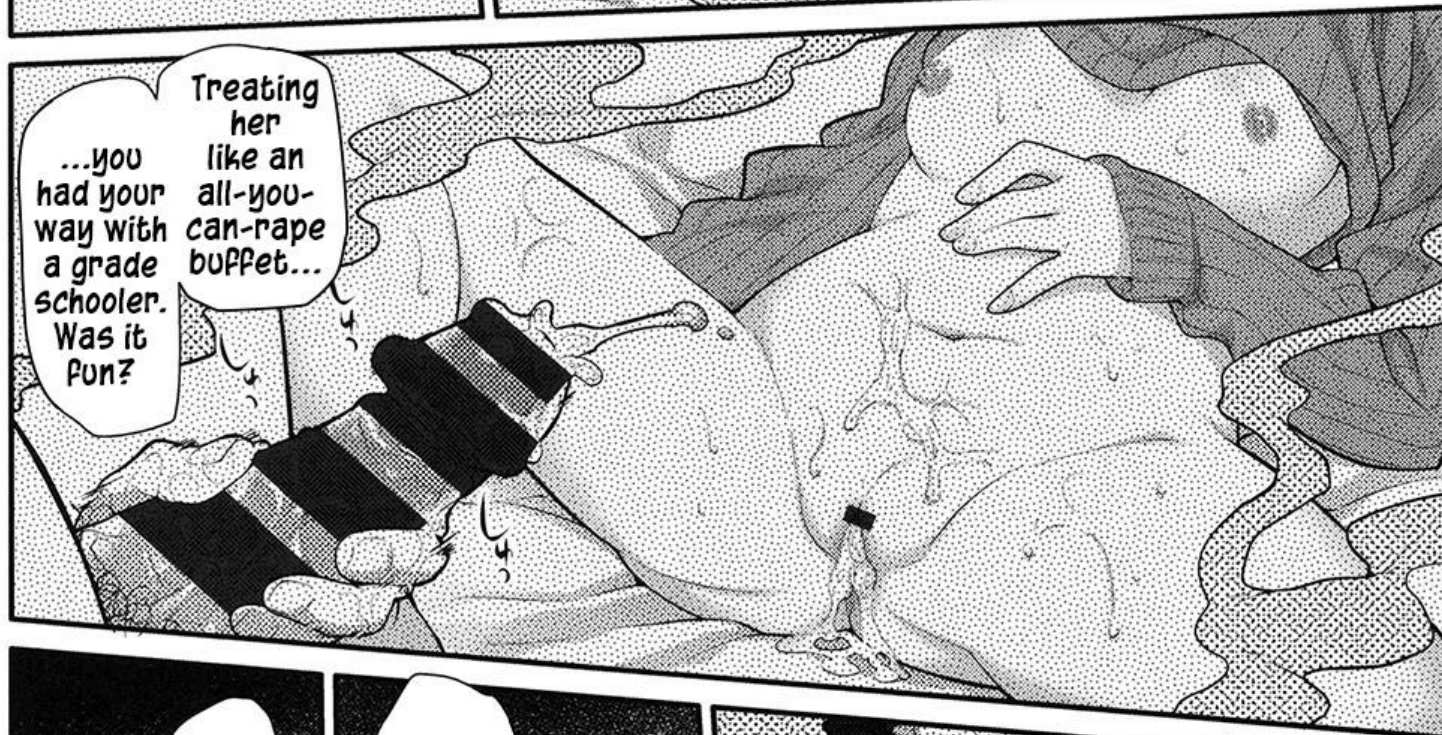

Just how many times did you cum in her pussy?

...no, to rape her...

You used those candles so you could have sex with...

Probably so many times you lost count, I bet.

...you had your way with a grade schooler. Was it fun?

Treating her like an all-you-can-rape buffet...

And completely broke my sister.

Not only that, you went after our family...

It was, right?

Then you had me for dessert.

YOU'RE A HORRIBLE PERSON...
♡

And now, after all that...

You have sex with me every day and act like nothing's happened...
♡

...I've gotten corrupted by lust.

I think that by getting my womb filled with your cum every day...

...
AND IT'S DRIVING ME CRAZY
♡

There's probably something wrong with my brain.

Though... I feel really happy when I'm together with you.

Thank

Right
into
my
pussy
♡

Aha
♡

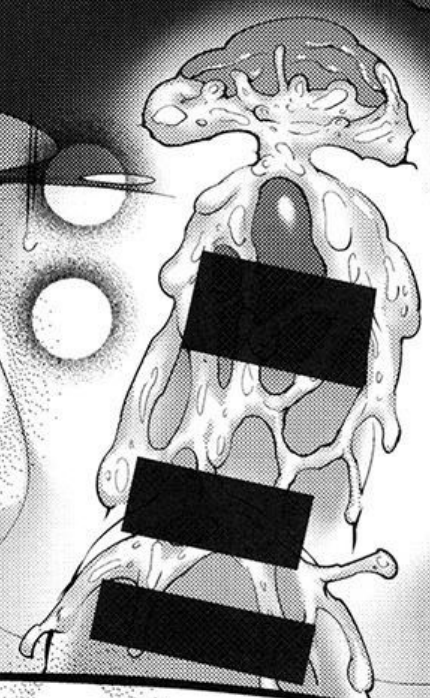

Jeez,
that got
you really
turned on,
didn't it
♡

Good...
I'll take
it all in
my womb,
so just
let it
all out.

Fufu...
You're
cumming
so hard.

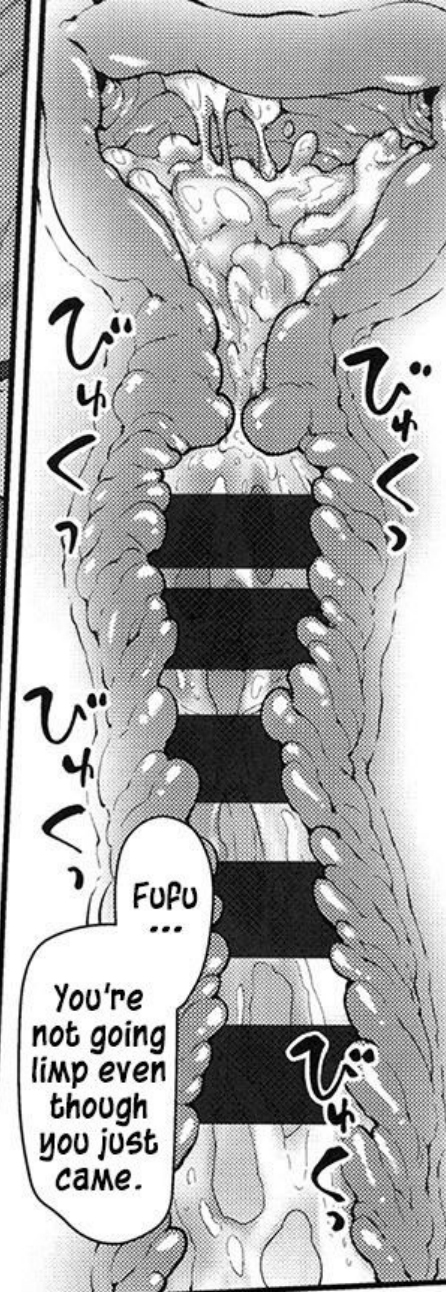

Fill my
womb
to the
brim
with
your
cum...
♡

Hey,
just
today
...

Let's
sleep...
With you
in me
like this
♡

FUFU
...

You're
not going
limp even
though
you just
came.

I'm
open-
ing
the
door!

Akemi,
are
you
up?

I'll get you a new candle too.

Here, I got you some food.

Hey, Akemi ...

My only redeeming quality was how easy it was to exploit me.

Ever since we were young, people always loved and preferred you over me.

...and be ruined by the person who loves me more than anyone else.

Now I just want to be corrupted by lust...

...but that's fine, really.

Ah, here are some new clothes.

Can I tell you a secret?

Hey ...

Fufu ...

**WE'RE
GOING
TO RUN
OUT OF
CANDLES
SOON.**

And when
we do,
I wonder
what will
happen
both to you
and our
parents
back home?

Or will
you stay
like this
for the
rest of
your
lives?

Will you
regain
your
sanity
to some
extent?

It was
nice
knowing
you,

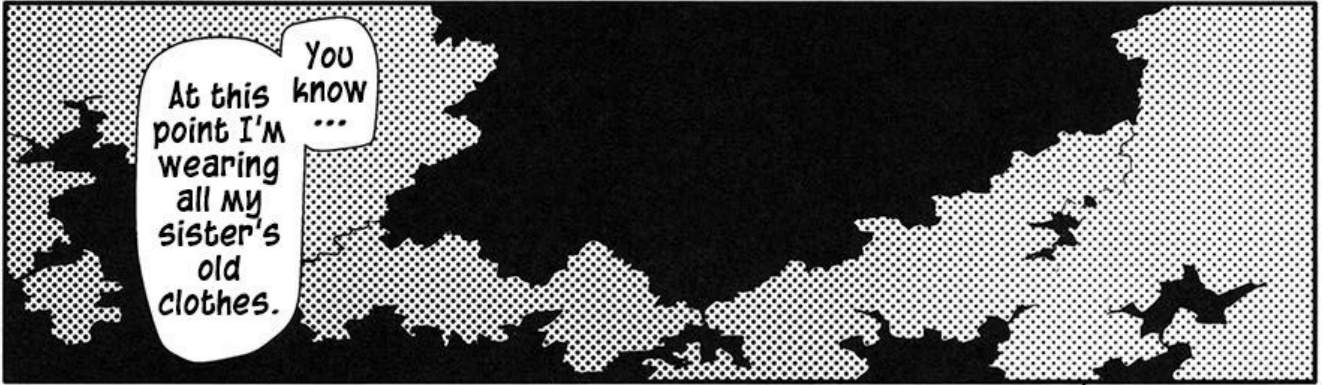

Akemi.

Fupu

Akanyade is in need of more members in order to grow.
At the moment we are mainly looking for a redrawer.
We're not picky though, if you happen to be interested in
helping us translate doujins then by all means message us.
