Original Girls Love Comic

It was after the glaciers loosened their icy grip on the planet, when the world grew warm and lush with greenery.

An age before the dawn of history.

Heard her village is women-only. They even hold marriages with just women.

Wow, they don't live with any men?

She's been coming now and then to barter for seaweed and salt.

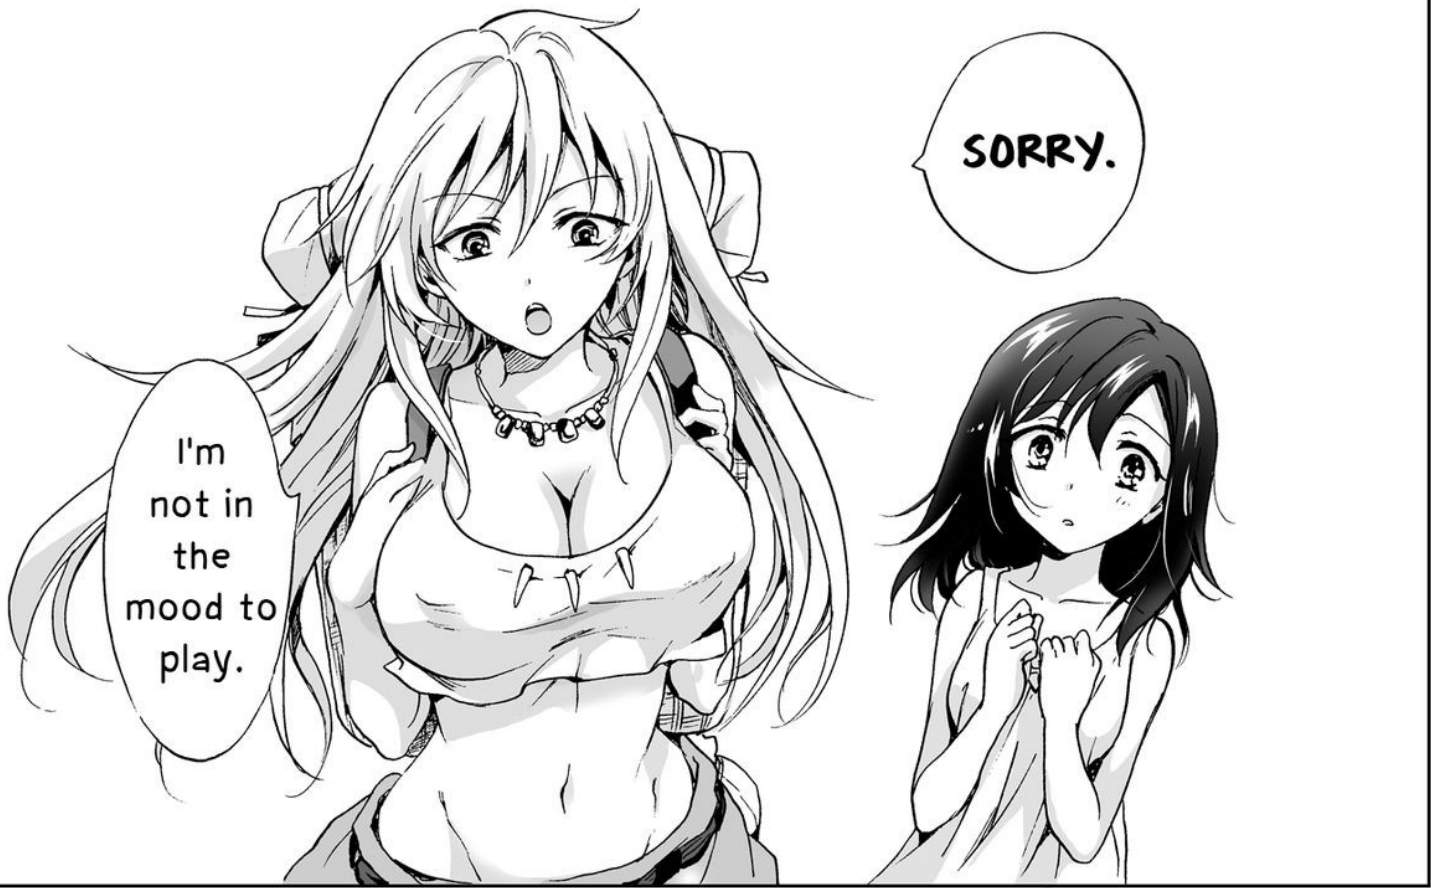

Huh?

HEY, GUEST! YOU OVER THERE!

COME AND PLAY WITH US!

GIVE IT A TRY!

I'm not in the mood to play.

SORRY.

きょと

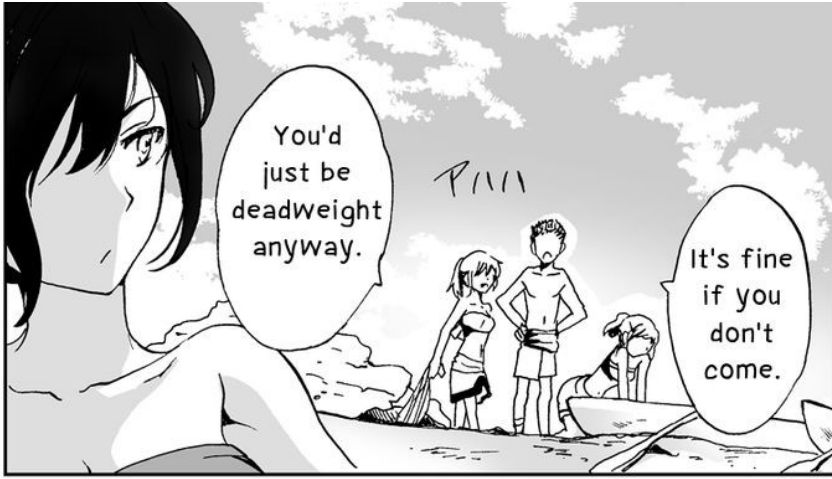

Just do what you want to do.

Don't force yourself if you don't like it.

Mm

Let's go, Mona.

You'd just be deadweight anyway.

It's fine if you don't come.

Even if you can't swim, you can ride the boat, right?

You're not going to the sea with everyone?

I don't have to be like them.

...It's okay.

and I started making gifts for her.

to enjoy

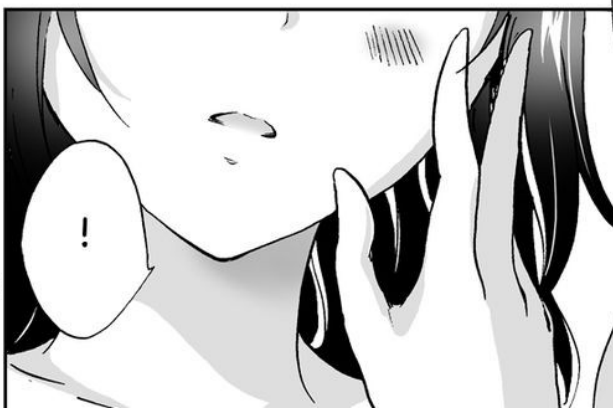

Each time she would arrive with a friend,

No, it's-

You're so good with your hands, Yuuri.

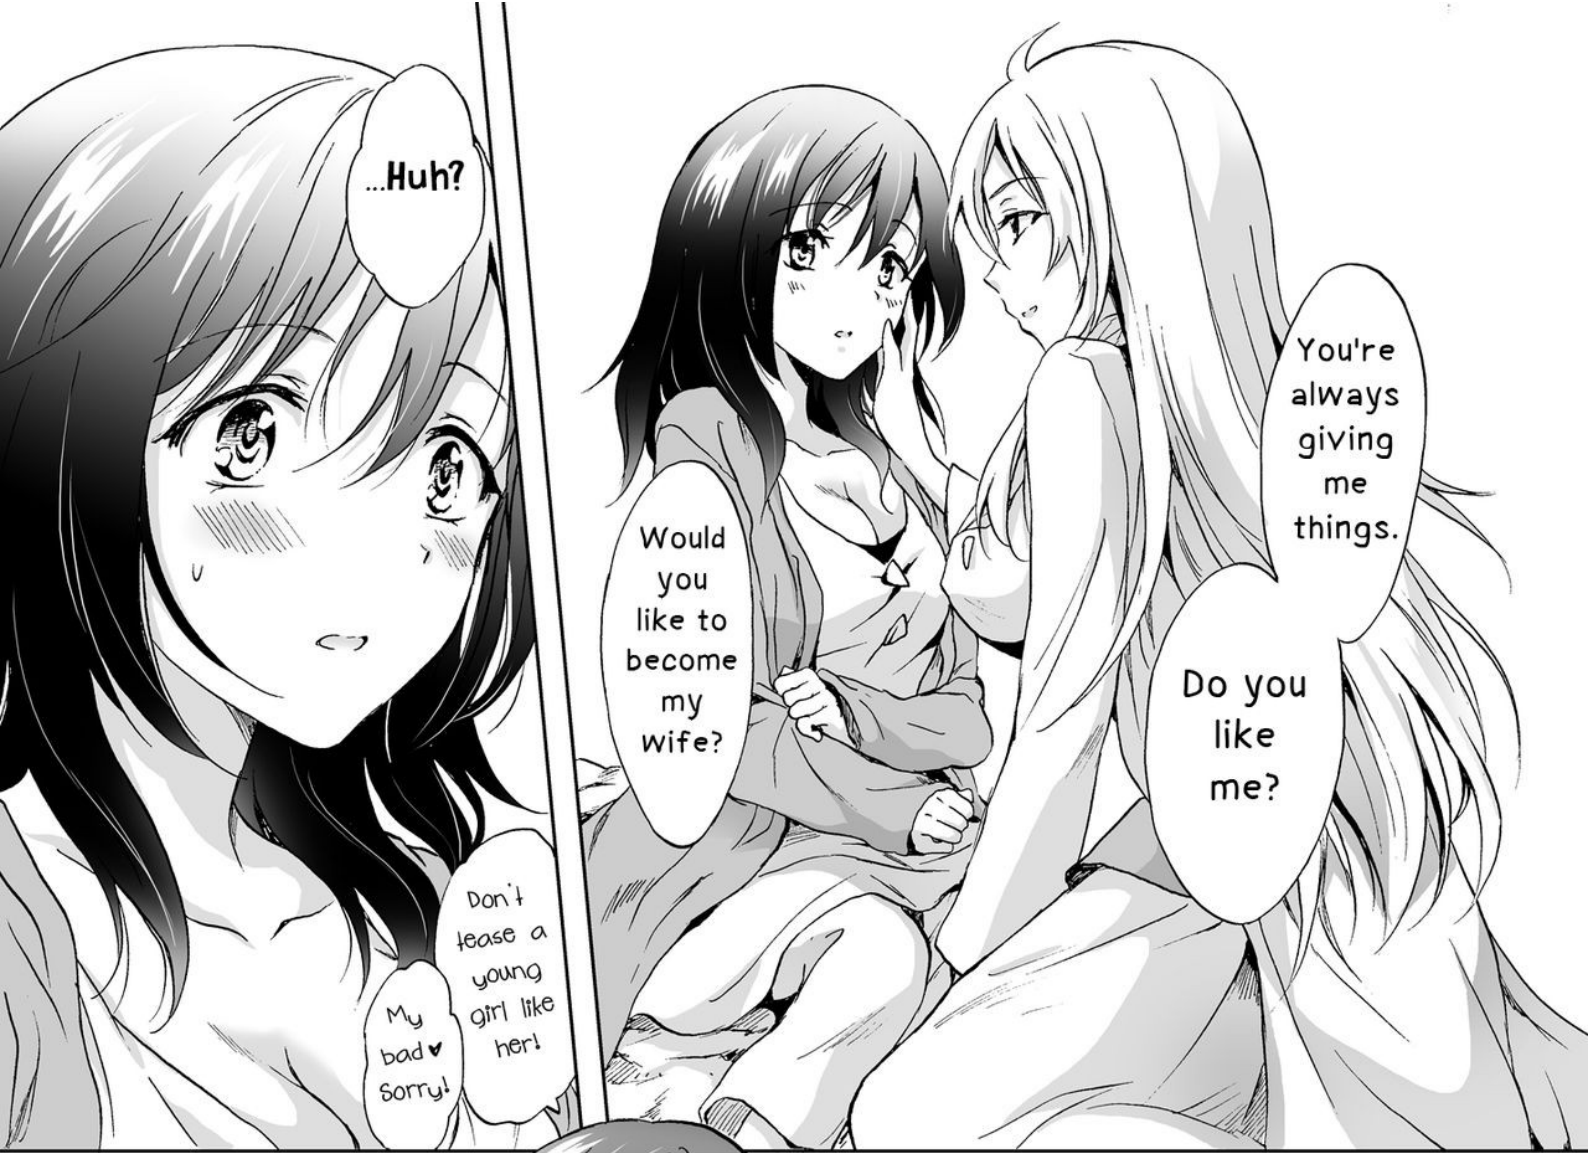

Thanks!

!

It's a small pouch this time? So cute!

...Huh?

Would you like to become my wife?

You're always giving me things.

Do you like me?

Don't tease a young girl like her!
My bad ♡ sorry!

She compliments me on what I'm good at.

It's been several years since we first met.

I hadn't thought about it...

I'd love to be in a place where someone appreciates me.

Without any friends in this village, my happiest moments are the ones I spend with her.

If I said yes, would she take me away?

Next time we meet...

きりや

Smoke
Mountain

Kidaha left her hometown and became a wandering traveler, but the number of her comrades kept growing, so she finally settled down on the side of this mountain several years ago. The biggest reason she chose this location was due to the excellent hot springs.

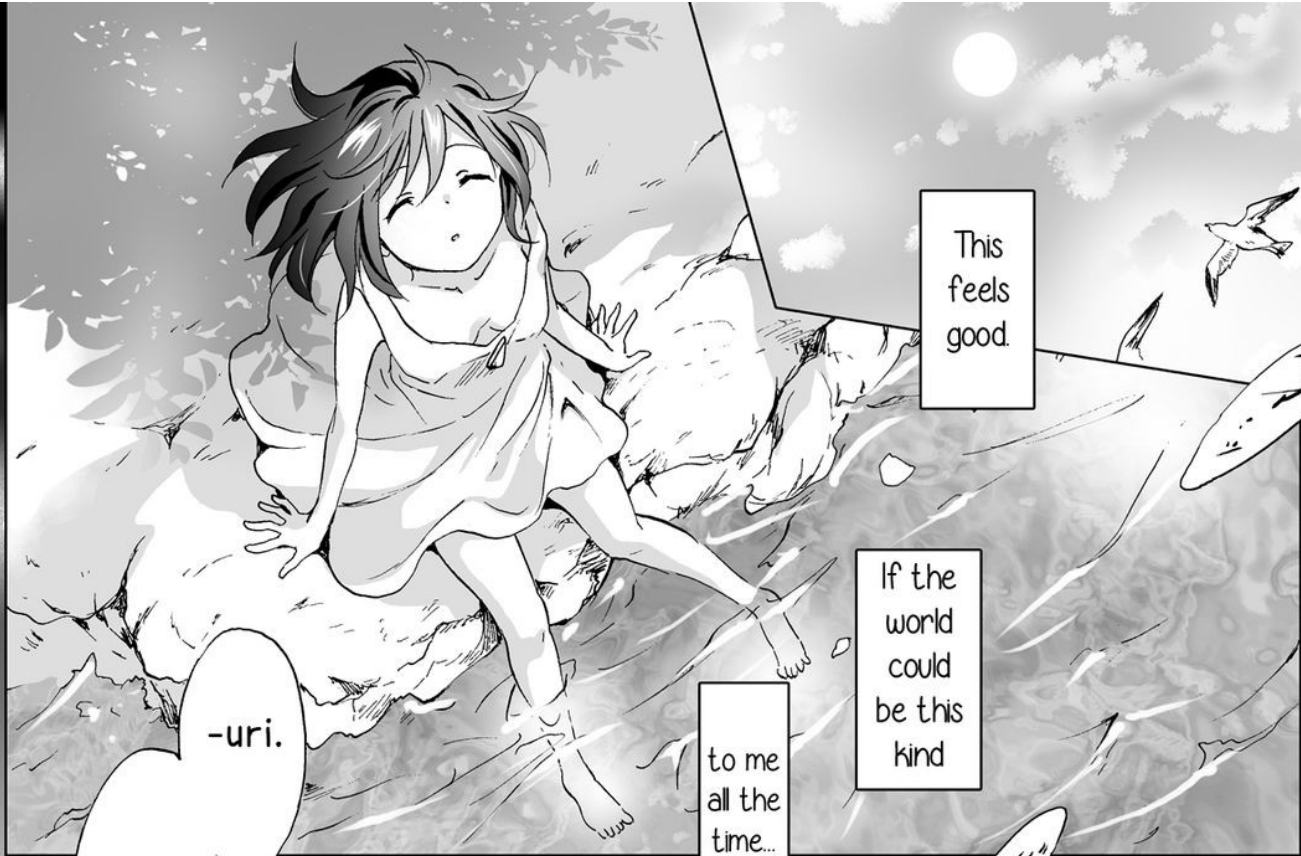

The volcano is active, but appears to have settled down for the moment. The lower half of the mountain is surrounded by steam from the hot springs.

1

Hot springs.

A bath for beautiful skin. The rock pools were dug with much effort by the women. Sometimes they encounter monkeys.

This feels good.

If the world could be this kind

to me all the time...

-uri.
Yuuri!

It felt so good my mind just sort of drifted off...

fufu

...Ah!

Getting sleepy?

Her hand is so gentle...

I expected it to be scary and hurt more.

MN...
It's a little embarrassing.

It's the second time we've done this since coming to Smoke Mountain..

Is it because we're girls? I'm glad.

She would only do things to make me feel good.

haa

Hyah...

Are you okay?

Ahh
Ahh
M L ?

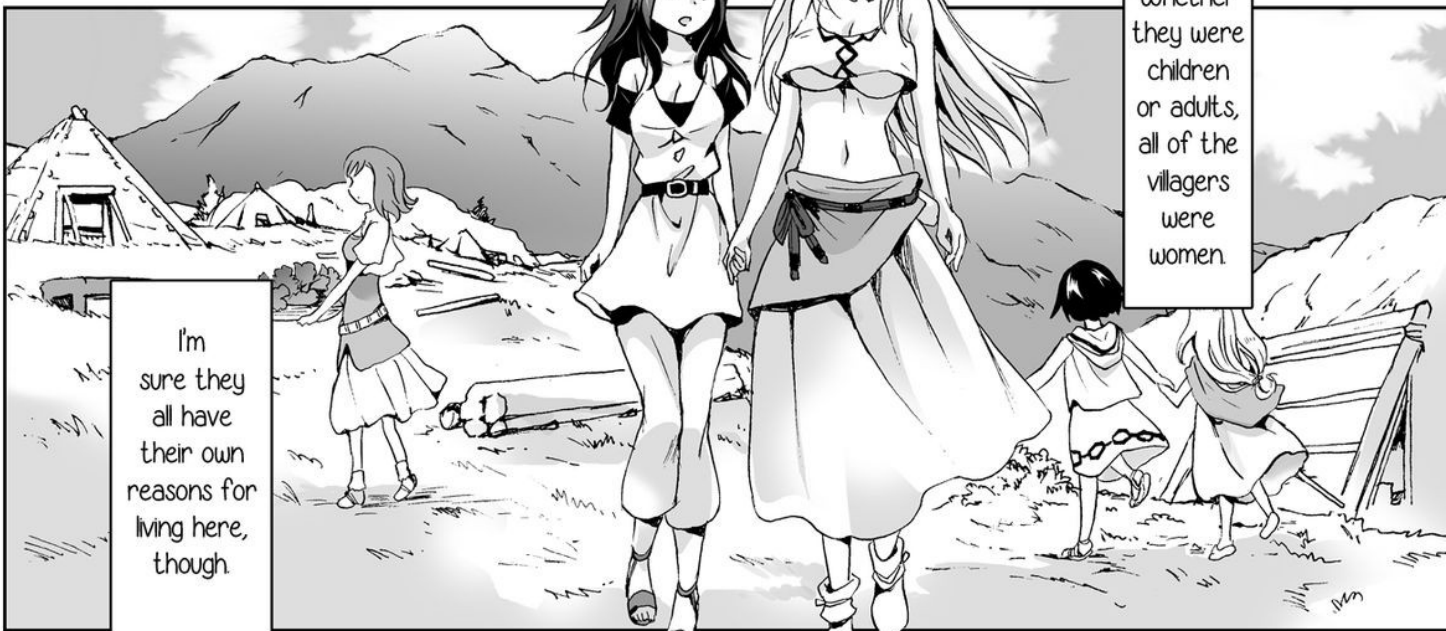

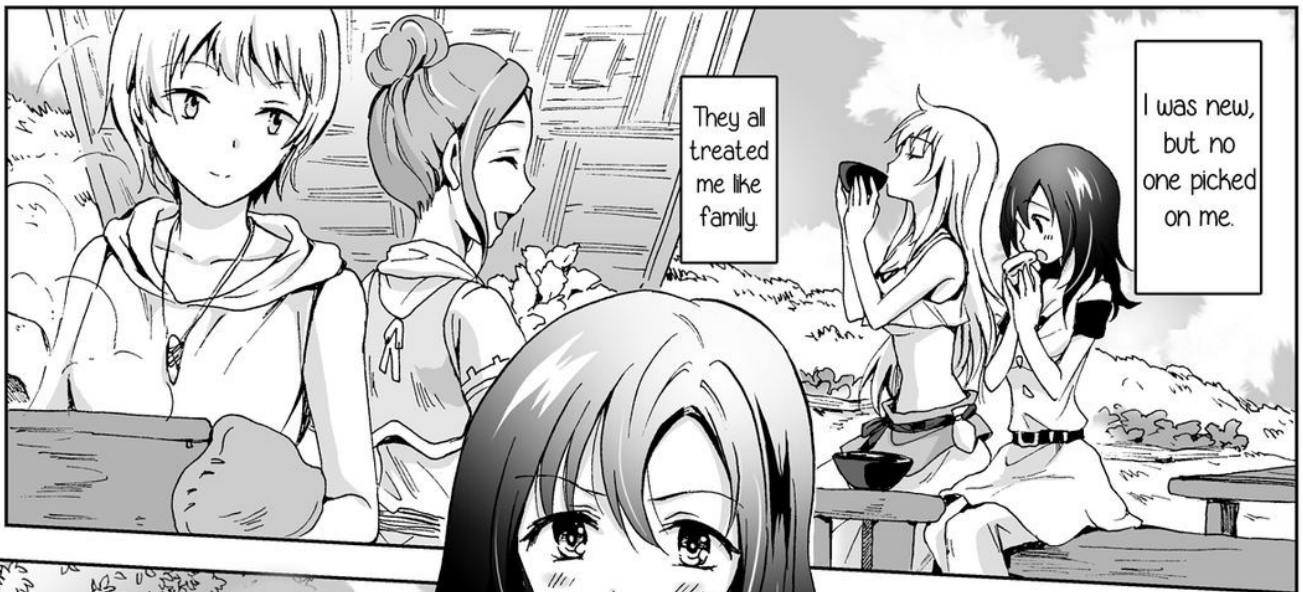

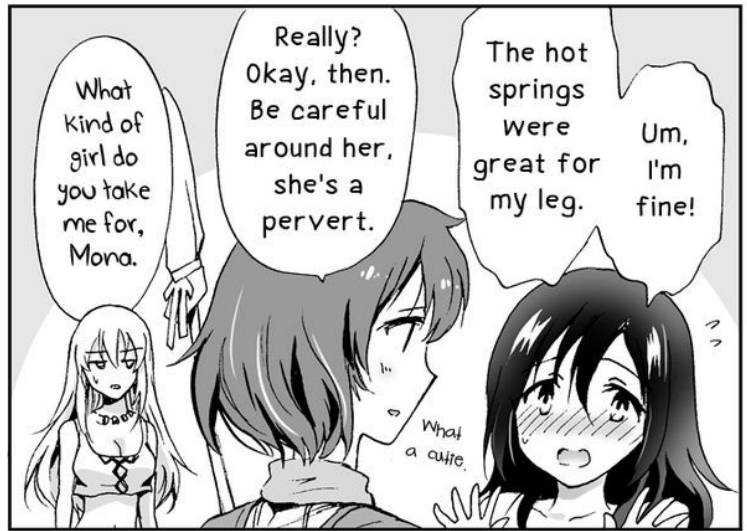

So cute!

Y-Yes...

Relax...

DON'T STAND IN THE ENTRANCE!

YOU'RE IN THE WAY!

Fana-
agh!

Looms.

Wow.

There's so many kinds of thread...

So pretty...

sob sob

Oh, it's Kidaha.

She's her wife, too?

!

Why are you so cold to me, Fana...

ty

I'm busy right now.

Don't take it personally.

She's good at needlework, so I thought she should work at your place.

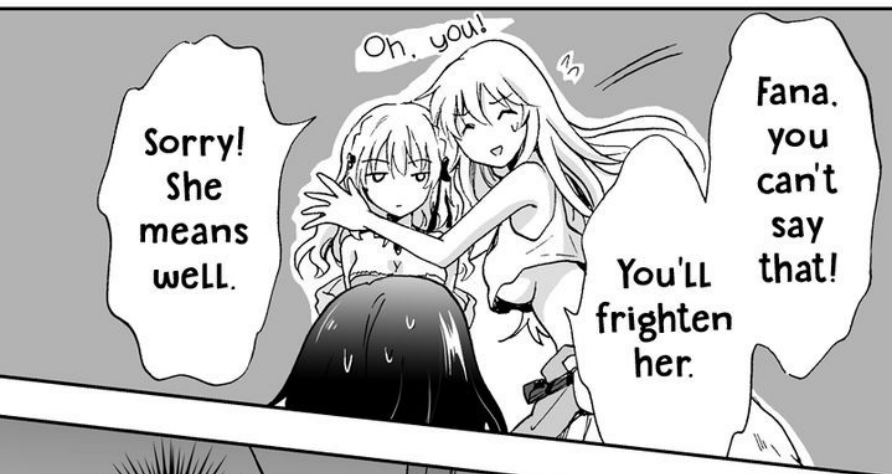

IT'S NICE TO MEET YOU!

I should introduce you two.♡ She's Yuuri, from the shore village.

Shabby.

...

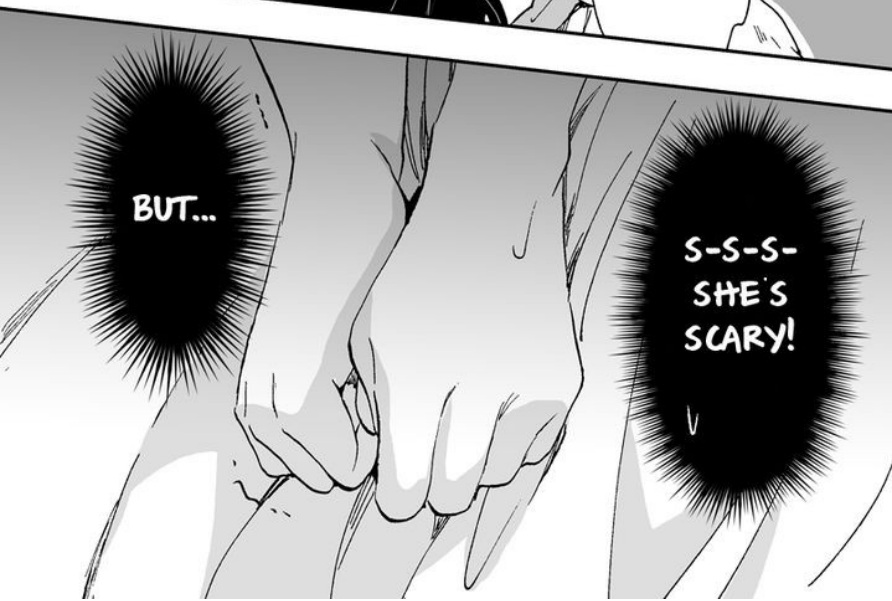

Sorry! She means well.

Oh, you!

You'll frighten her.

Fana, you can't say that!

BUT...

S-S-S-SHE'S SCARY!

!?

did you make those clothes yourself?

...Hey.

BUT I CAN SEW...

P-PLEASE LET ME WORK HERE!

I'M SORRY FOR BEING SHABBY!

Tell me why you made your clothes that way.

Y-Yes.

Why?

Huh?

I don't think you're suited for making clothes.

I didn't want to stand out, and I wanted to hide my leg scar...

Um... It's easy to move in, I used leftover materials for it,

Hey!
Don't run!
It's bad
for your
leg!

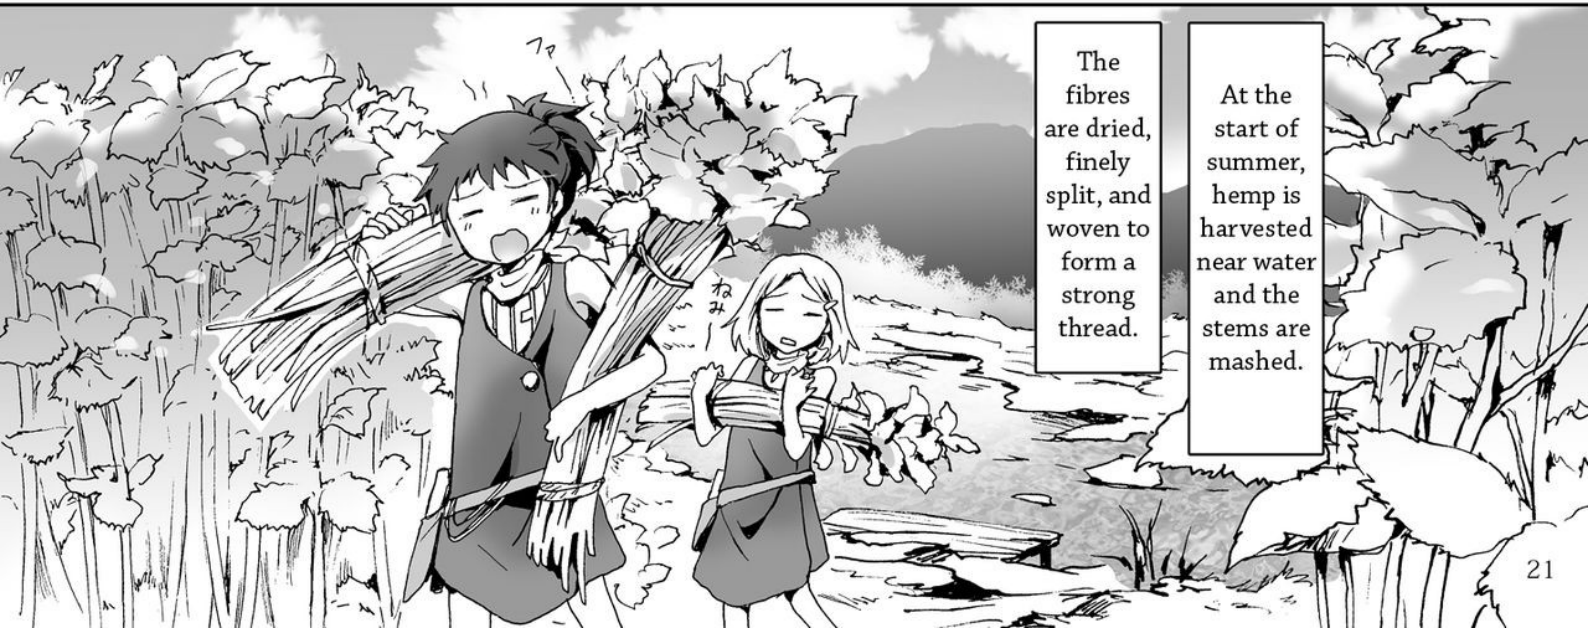

.....

Okay!

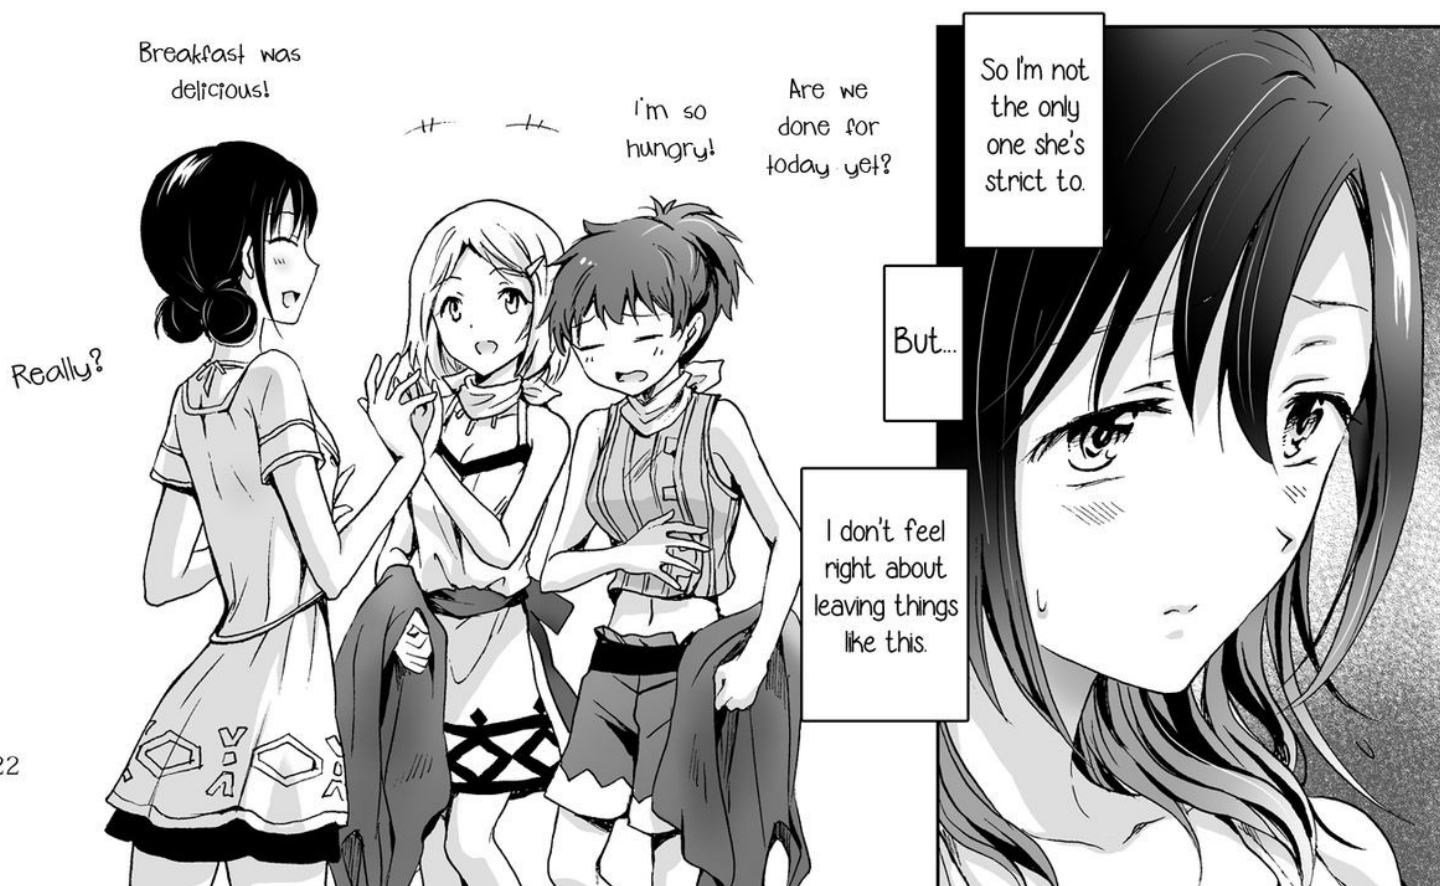

The girls
over
there are
making
thread.
Go assist
them.

But since
Kidaha
asked...

The
fibres
are dried,
finely
split, and
woven to
form a
strong
thread.

At the
start of
summer,
hemp is
harvested
near water
and the
stems are
mashed.

I must look really shabby.

To Fana and the others,

Everyone in the village wears such wonderful clothes.

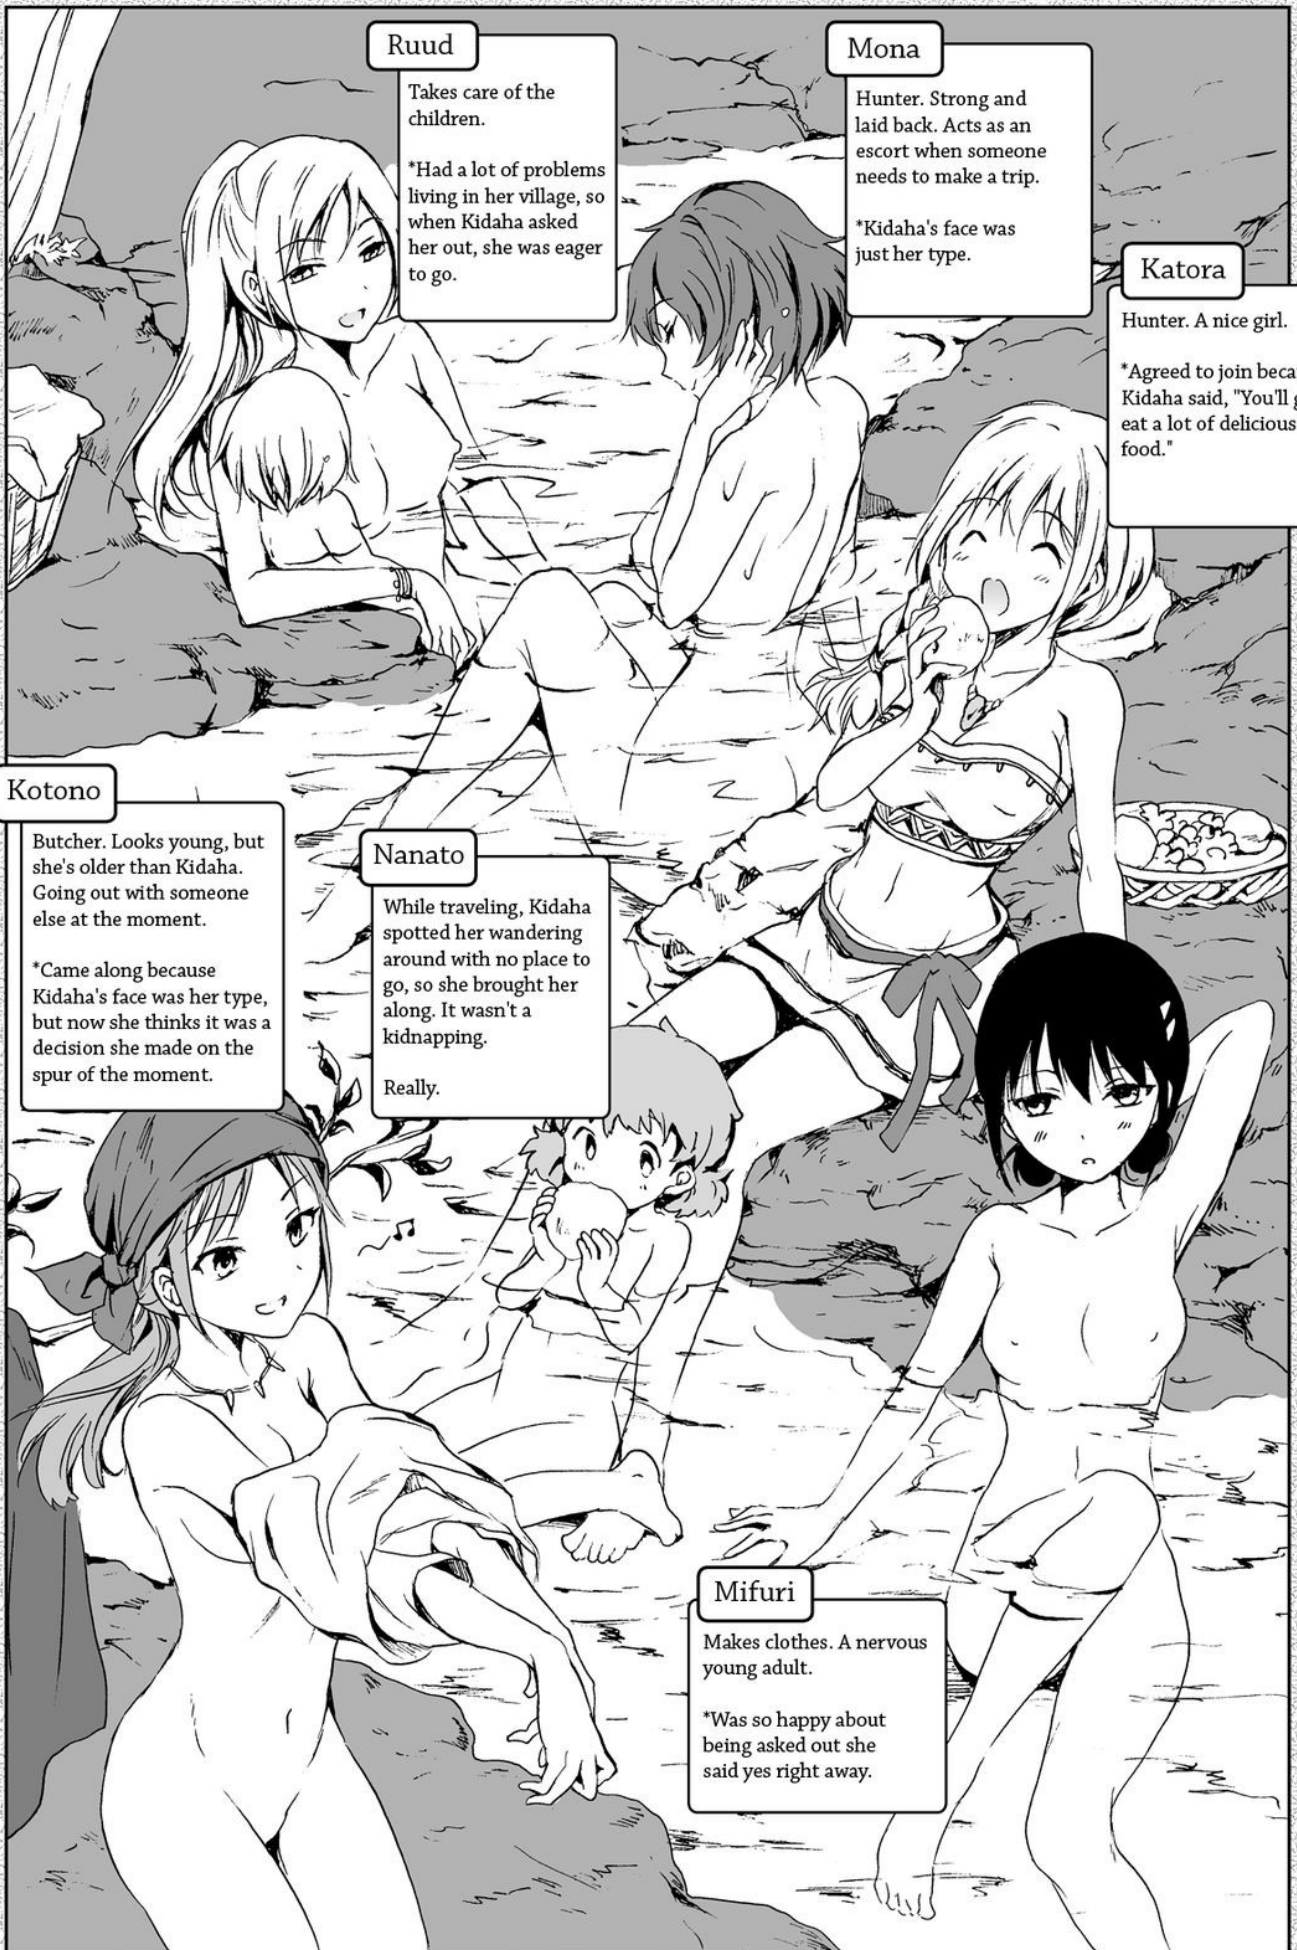

Did I get the wrong idea because of Kidaha's compliments?

What should I do?

Maybe nobody needs me, wherever I am...

Ruud
Takes care of the children.
*Had a lot of problems living in her village, so when Kidaha asked her out, she was eager to go.

Mona
Hunter. Strong and laid back. Acts as an escort when someone needs to make a trip.
*Kidaha's face was just her type.

Katora
Hunter. A nice girl.
*Agreed to join because Kidaha said, "You'll get to eat a lot of delicious food."

Kotono
Butcher. Looks young, but she's older than Kidaha. Going out with someone else at the moment.
*Came along because Kidaha's face was her type, but now she thinks it was a decision she made on the spur of the moment.

Nanato
While traveling, Kidaha spotted her wandering around with no place to go, so she brought her along. It wasn't a kidnapping.
Really.

Mifuri
Makes clothes. A nervous young adult.
*Was so happy about being asked out she said yes right away.

Kidaha

Does most kinds of physical labor. Not skilled at anything in particular, but she has lots of stamina. Loves to travel. Can't live without constant affection.

A shameless womanizer.

**YESSS!
COLLECTING
THE HONEY
UNDER FULL
PROTECTION
WAS TOTALLY
WORTH IT!**

It's
ready.

**THE MEAD!
IS IT DONE
YET?**

Don't
scream in
my ear.

Sorry.

Io

Makes medicine. Grew up in the same village as Kidaha, and her very first wife.

They've been together for a while, so they're really close.

Mead

Made by diluting honey with water.

It's sweet.

Gather up everyone at night-

Not so loud, please.

WE'RE DRINKING TONIGHT? WHY DON'T WE START NOW?

WOOHOOOOO!

バァァ

DID SOMEONE MENTION MEAD?

You have good ears, Kotono.

Many methods exist to tan leather. Beating and scraping it is one way to soften the stiff dried hide.

HA!

HA!

You're making progress.

Good work! Here's some more for you.

Y-Yes!

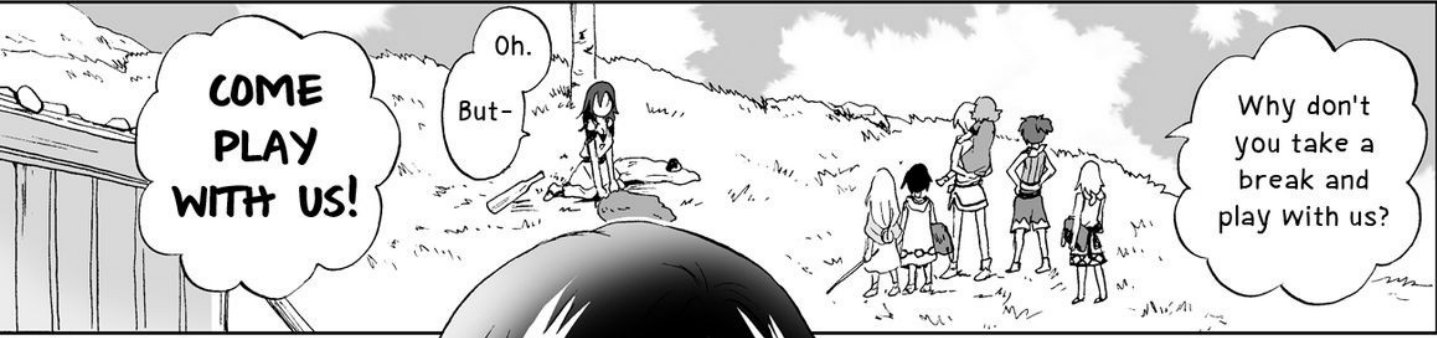

Wow. They're really making you earn your keep here.

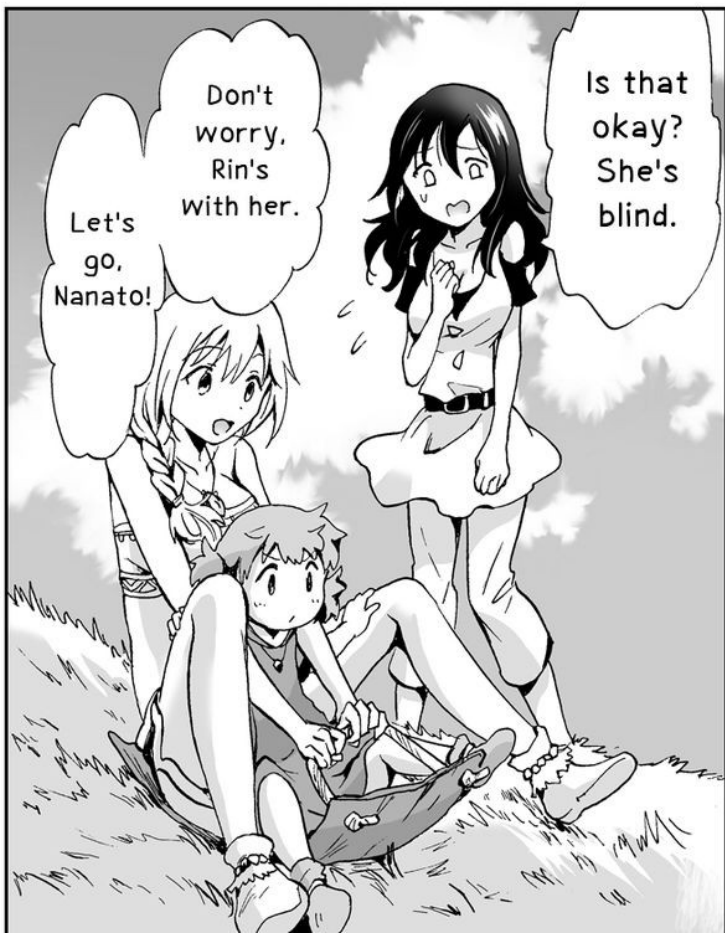

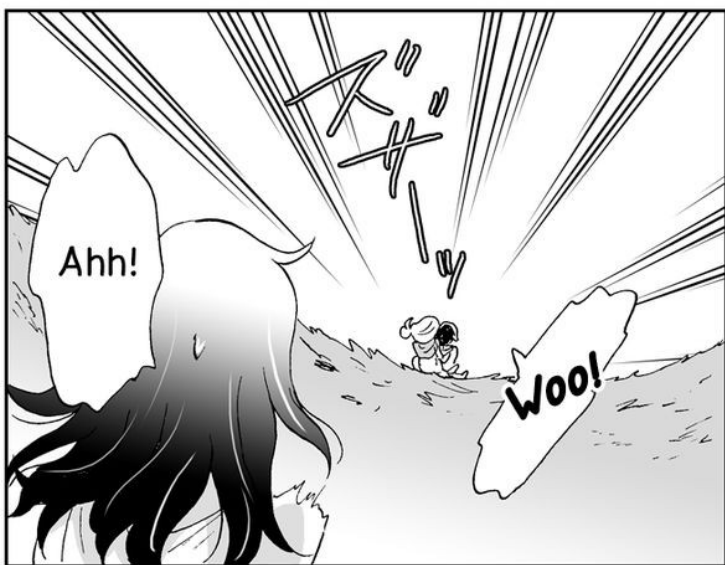

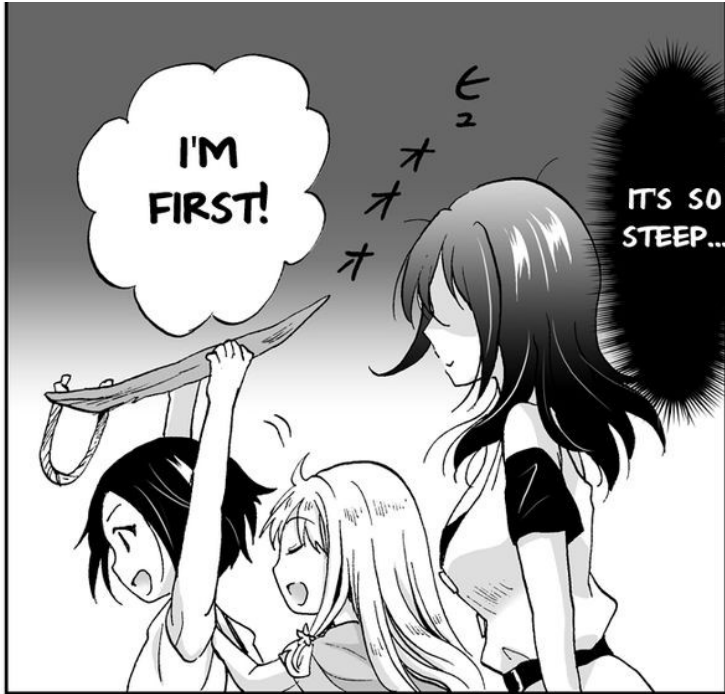

hah
hah
hah
I'm going to make it work out.
I'll get Fana to recognize me!
Another method is chewing.
gah
gah
gah
I have to do my best.
Can't let Kidaha spoil me.

COME PLAY WITH US!
Oh.
But—
Why don't you take a break and play with us?

Sure!
I don't think I've
Please?
been invited like this in a long, long time...
Your breath stinks!
ahaha
...
...
...

AHHH!

Woohoo!

Here, I'll lend you mine

Shall we follow them?

You'll be next, Yuuri.

WOOL!

ARE YOU OKAY?

ARE,

ARE-

no one's hurt.

I'm glad

Yuuri! You have to slide down, not walk!

Oh...

But...

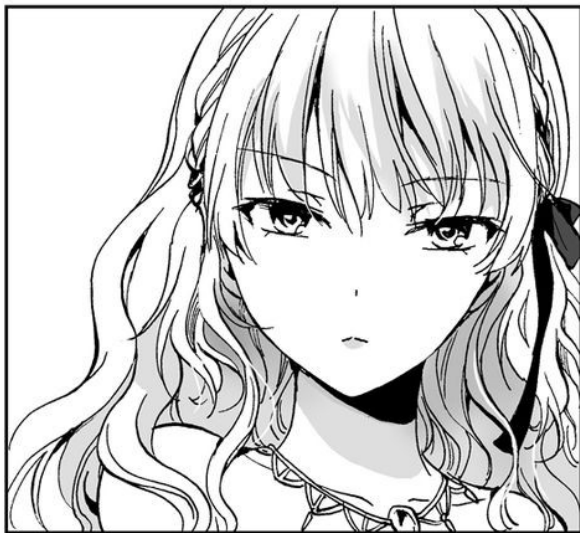

We got too excited.

Sorry!

It's all mud here.

Whoa.

OWW

So she doesn't care too much about appearance?

Oh, this stain's not coming out.

Should I cover it with embroidery, or maybe a patch...

It's natural for clothes to get worn out during work or play, isn't it?

...

スバツ

Your clothes aren't good enough.

Her words are harsh,

but her stitching is beautiful.

The attention she put into these clothes is obvious at a glance.

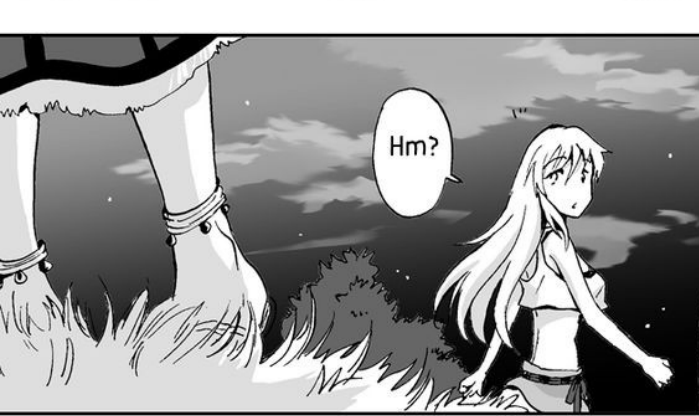

Um... I'll do what's left. Please rest, Fana.

Okay. I'll let you take care of it.

What about me?

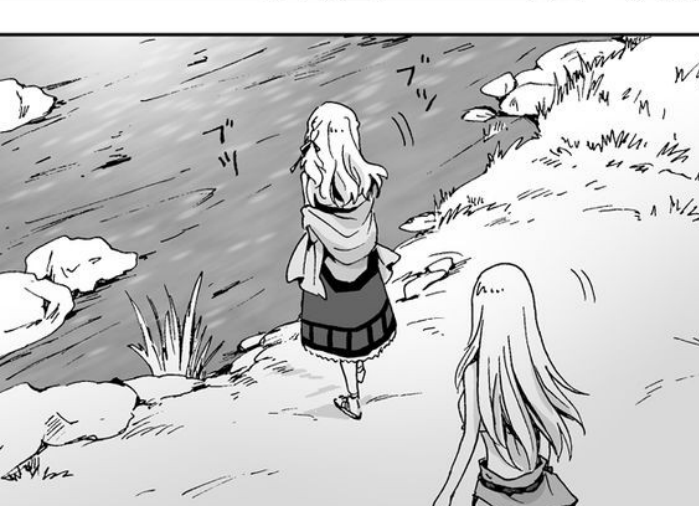

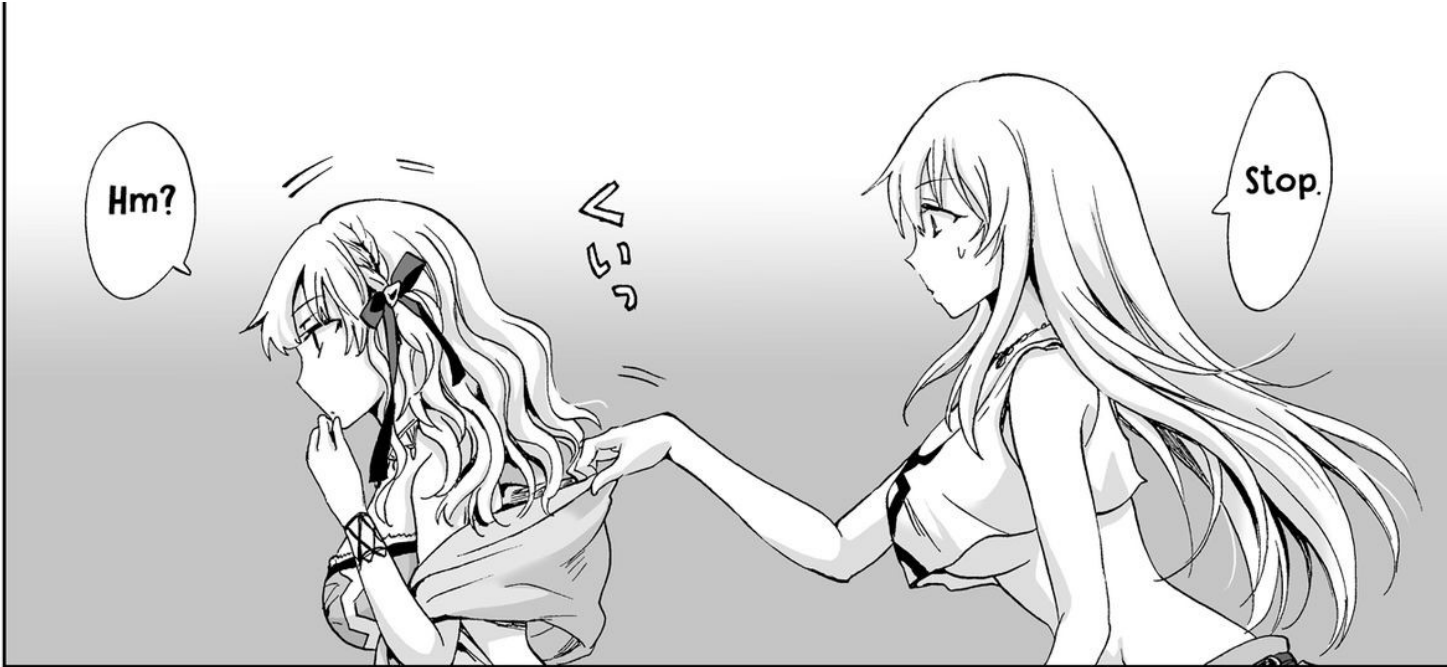

Hm?

She should be wearing something more...

Hm... It's not right.

Hm?

Stop.

Have your boobs grown again?

Are you listening to me?

I don't think you should be baring this much, even if you are sensitive to heat.

...

You're always like this when you're thinking.
Be careful.

You should've noticed it!

Oh, a stream!

Is that an invitation?

Would you accept?

It's good that you're focused on work, but maybe you could look at me instead of my clothes when we're alone?

You're always so busy.

I have a lot to do. There's hemp collection and I have to prepare the summer clothes...

Well,

I haven't spent any time with you in a while, Fana.

Something happen?
Is it Yuuri?

there

There's something on your mind.

ah

STOP POKING ME.

Hm?

I know. We're all grateful for what you do, Fana.

...

But I think she needs to change.

It's unusual for you to notice someone, Fana.

Oh?

If it's working out, then it's fine.

she works the hardest.

Of all the girls I've worked with,

It's nothing.

No.

Can't she stay the way she is?

TONIGHT'S THE MEAD PARTY~♡

HEY! THIS ISN'T THE TIME FOR THIS!

mn...ah!

Yes!

More...

And I've slept with her a couple times, too. What's the big deal?

It's too late. She's beyond help.

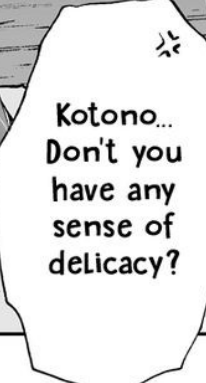

How long do you think I've known Kidaha for?

This is more than familiar to me.

You should join us too, Fana!

Oh, did you just finish?

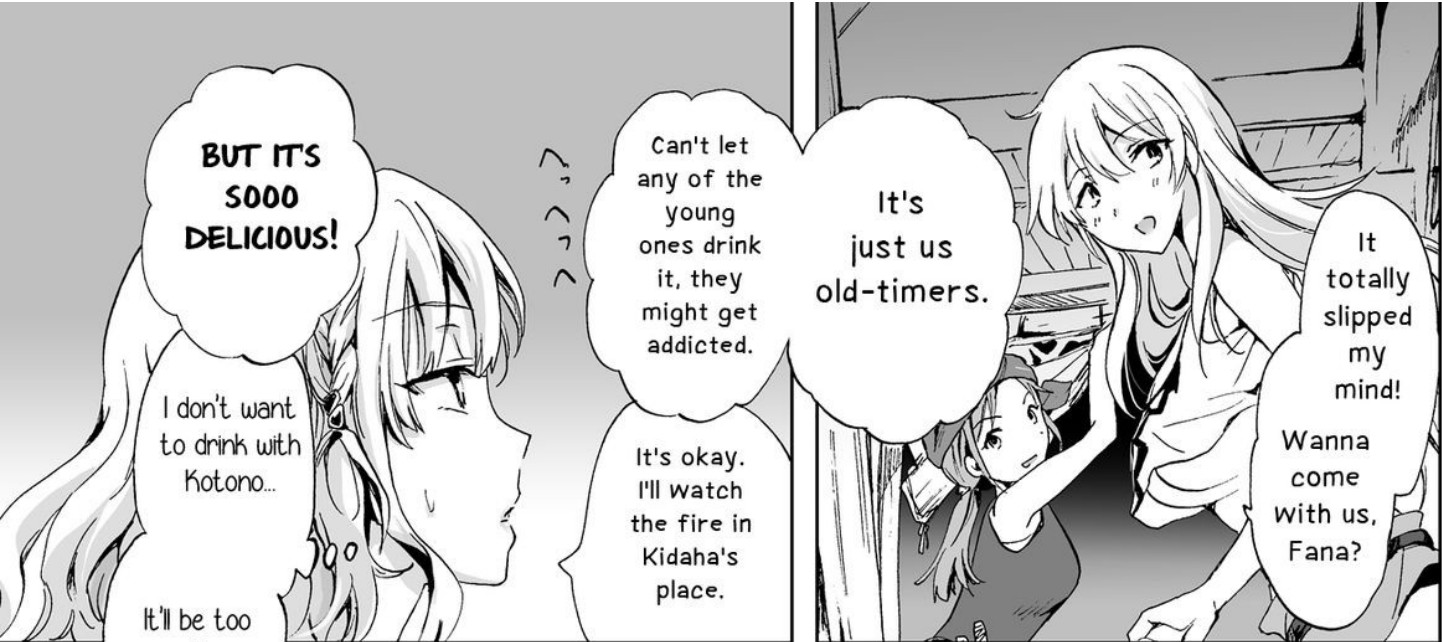

Kotono... Don't you have any sense of delicacy?

ha

ha

BUT IT'S SOOO DELICIOUS!

I don't want to drink with Kotono...

It'll be too noisy for me.

Can't let any of the young ones drink it, they might get addicted.

It's okay. I'll watch the fire in Kidaha's place.

It's just us old-timers.

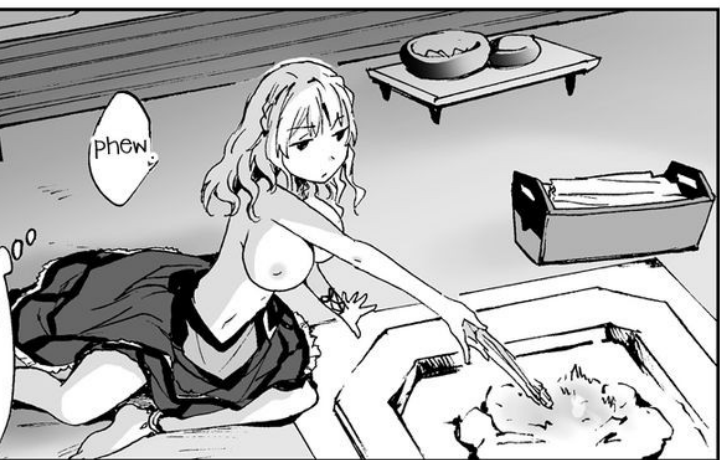

It totally slipped my mind!

Wanna come with us, Fana?

crack

phew

Is she still working on the clothes?

mm...

Reserved, and serious.

But.

She's a good, pure girl!

I feel there's more to her...

I'd know what clothes would suit her.

That face suits you more.

I saw the real you

for a moment.

Fana?

I'll find suitable clothes for you soon.

Oh, and don't pull any more all-nighters.

Um...

IT'S OKAY!
I'LL FIX YOUR CLOTHES. IT'S OKAY!

Just leave those idiots alone.

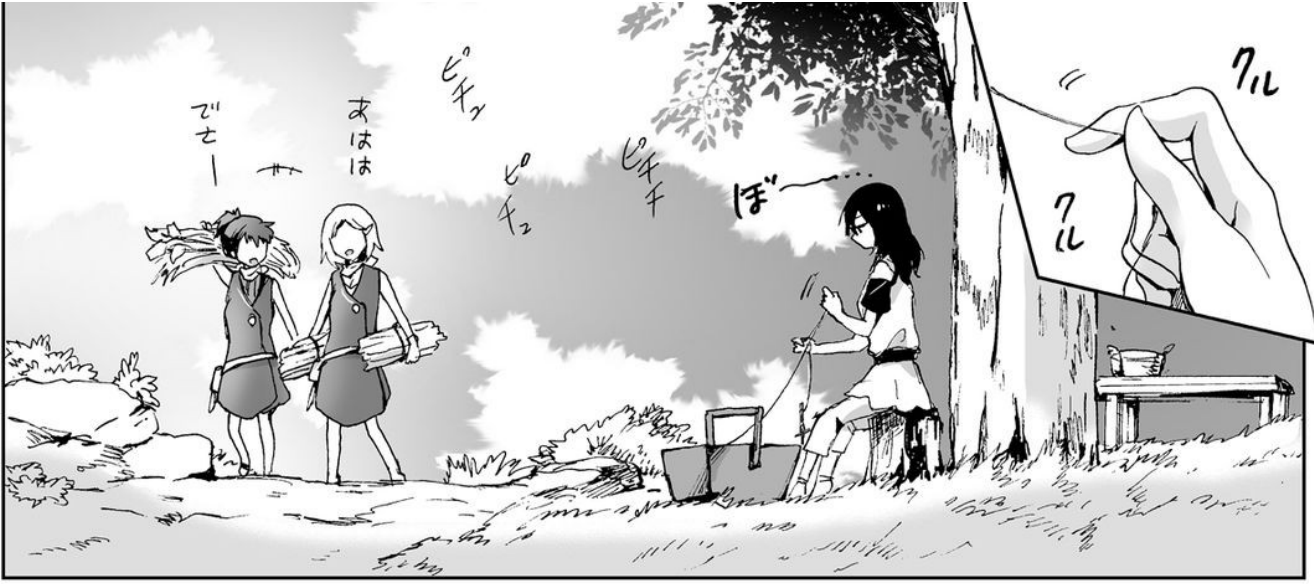

Never expected a scolding from her, frozen in shock.

WE'RE SORRY...

だーん...

Time for work...

It's weird...

Ow!

Want me to tell Kidaha?

Is Fana picking on you?

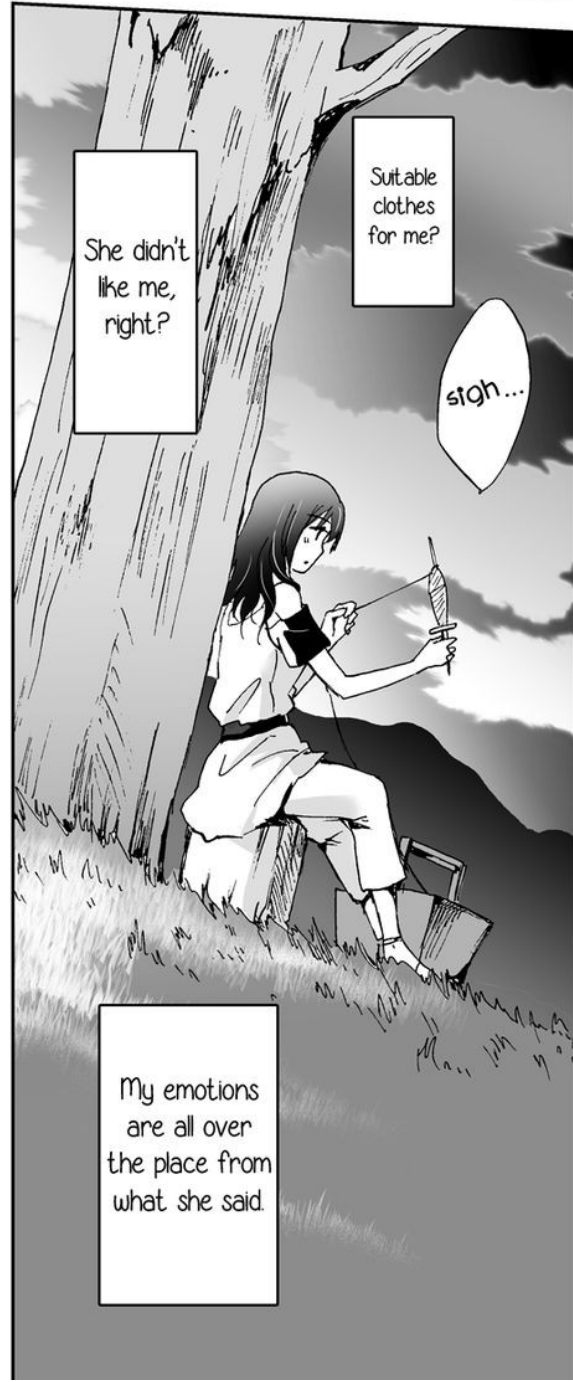

Here's some food for you, Yuuri! Eat up!

No, she's not...

I want to know how Fana feels about me.

Maybe I should go ask Kidaha about it...

She didn't like me, right?

Suitable clothes for me?

sigh...

My emotions are all over the place from what she said.

haa

Stop calling me like that!

You're still treating me like a younger girl...

haa

Fana? You sound angry.

I am enjoying this, though.

I didn't know you had such a kinky side.

Were you doing it alone?

Huh?
Yuuri!?

Your cute new wife is here.

I'm out.

Come in.
You needed something, right?

How can you tire out so quickly on the bottom?

haa haa

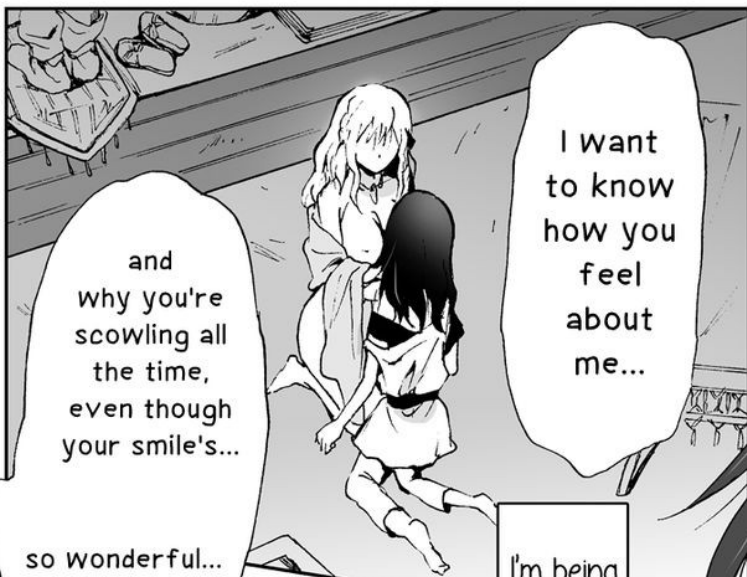

But you were too rough with me. I still can't get up.

Fa...

To-morrow it is, then

きゅ

I came because I wanted to ask about you, Fana.

So please,

and why you're scowling all the time, even though your smile's... so wonderful...

I want to know how you feel about me...

I'm being weird.

What am I saying...

And what kind

of face were you making earlier...

could you tell me yourself?

I want her to touch me.

Tell me...

My chest hurts.

I've never felt like this before.

I'm scared, but I want her to recognize me. She's all I can think about.

I hate it.

...I was born with this face, alright? I'm sorry!

As for what I think of you...

I hate it when you wear clothes that were made so carelessly.

Then I'll know what's suitable for you.

about yourself.

So tell me

Take it all off and show me, Yuuri.

I hate these clothes that don't suit you.

Any requests?

Mm.

It's a shame to wear clothes you don't like.

Um...
I'm glad...

She's such a workaholic.

Fana's been obsessed with your outfit this whole time!

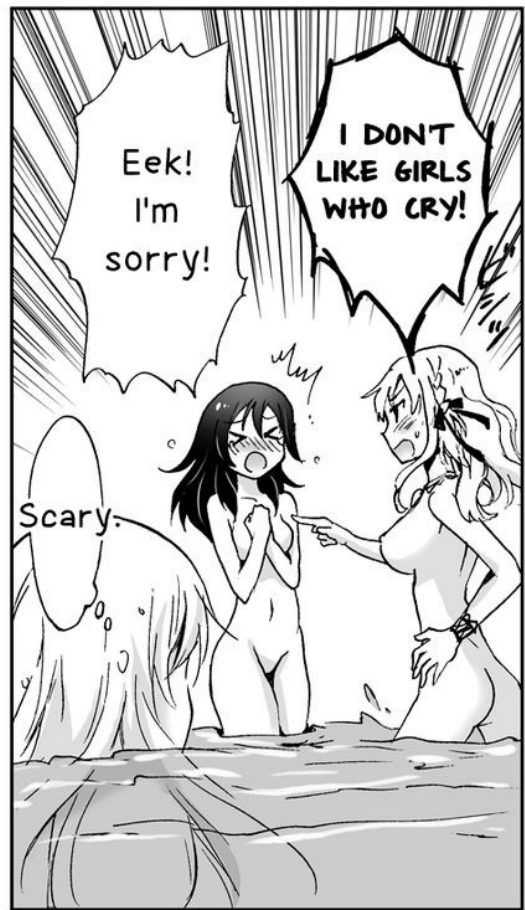

You thought she didn't like you?

Kidaha!

Um, you said

I wasn't suited for making clothes...

Eek! I'm sorry!

I DON'T LIKE GIRLS WHO CRY!

Scary-

But the clothes we make

If it was just about covering up, hides or straw would be enough.

make clothes for my precious friends?

How can I let someone who is so careless with their own clothes

Hmm...

Um!

So what do you think? Can you think of a suitable outfit for her now?

You're making new clothes for her, right?

I'm sure they'll be the clothes that suit you best.

My own outfit!

let me make it!

Please

But I...

I may not be as good as you, Fana...

Go for it.

Hm...

Fana

Migrating from place to place with her family, Fana lived a strict life, until one day she met the girl who started her own village. To the fourteen-year-old Fana, she was quite mature, and more impressive than any of her previous suitors.

Thanks to her, Fana was able to build the workshop of her dreams, and now she is putting her all into her work for her friends.

Fana still has a lot of respect for her first love, someone who helped her become who she is now. It may look as if she's rough with her, but she's not... probably.

4

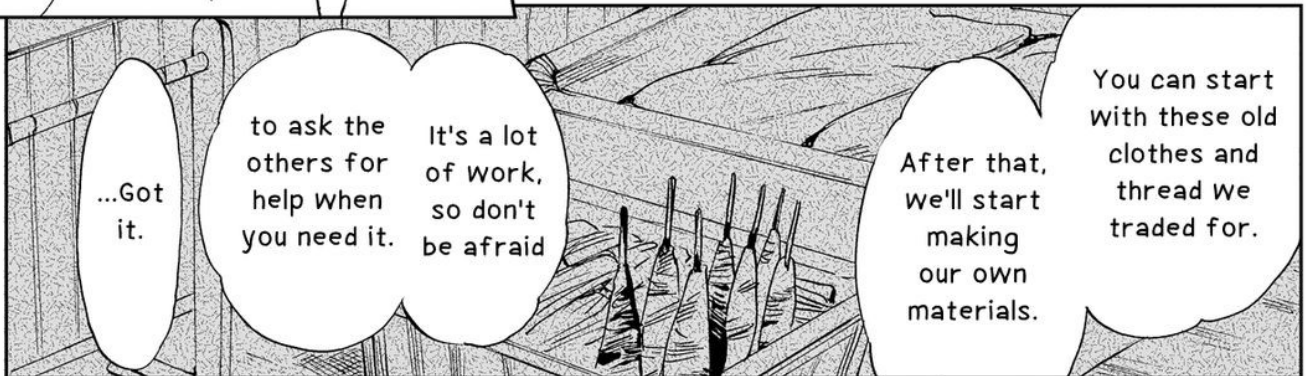

My plan is to clean it up to use as your workshop. What do you think?

...That's okay.

Whoever used to live around here left behind this house.

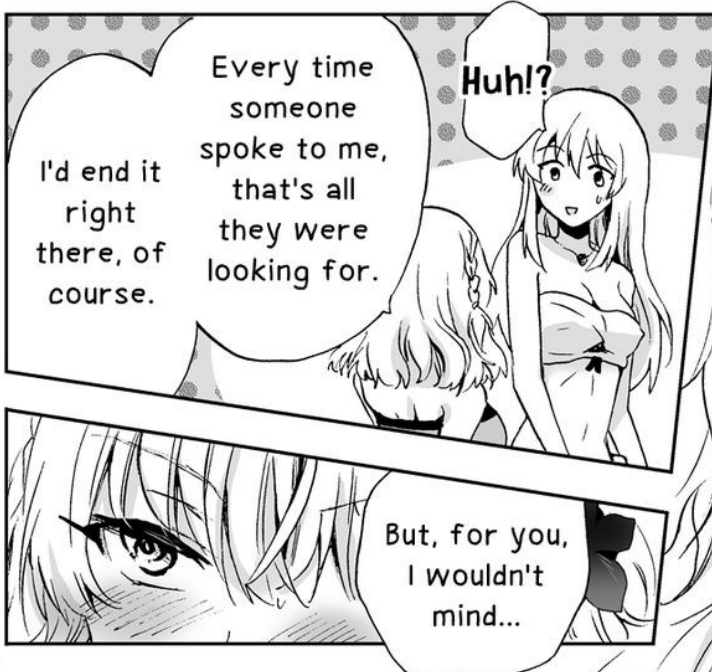

...Got it.

to ask the others for help when you need it.

It's a lot of work, so don't be afraid

After that, we'll start making our own materials.

You can start with these old clothes and thread we traded for.

I'd end it right there, of course.

Every time someone spoke to me, that's all they were looking for.

Huh!?

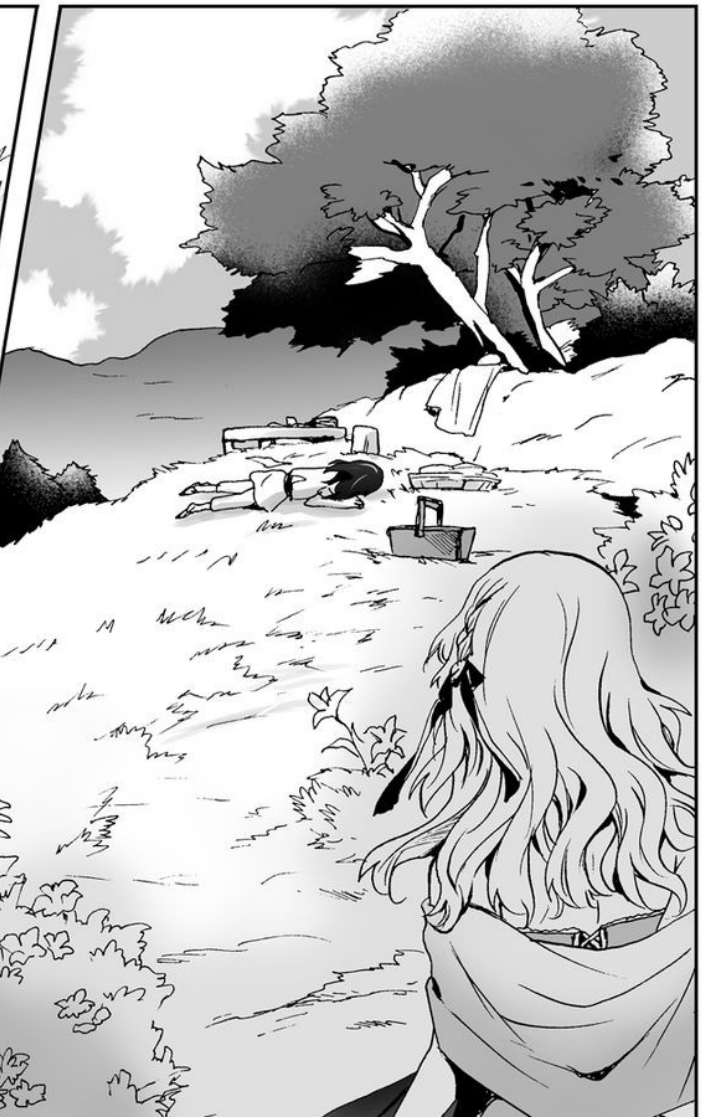

But, for you, I wouldn't mind...

...
You won't touch me?

You have to take care of yourself!

You can't do this!

Sorry, I was

Forgetting to even eat or sleep...

Do something about this habit of yours!

All of a sudden I couldn't move anymore...

Sorry...

You have to-

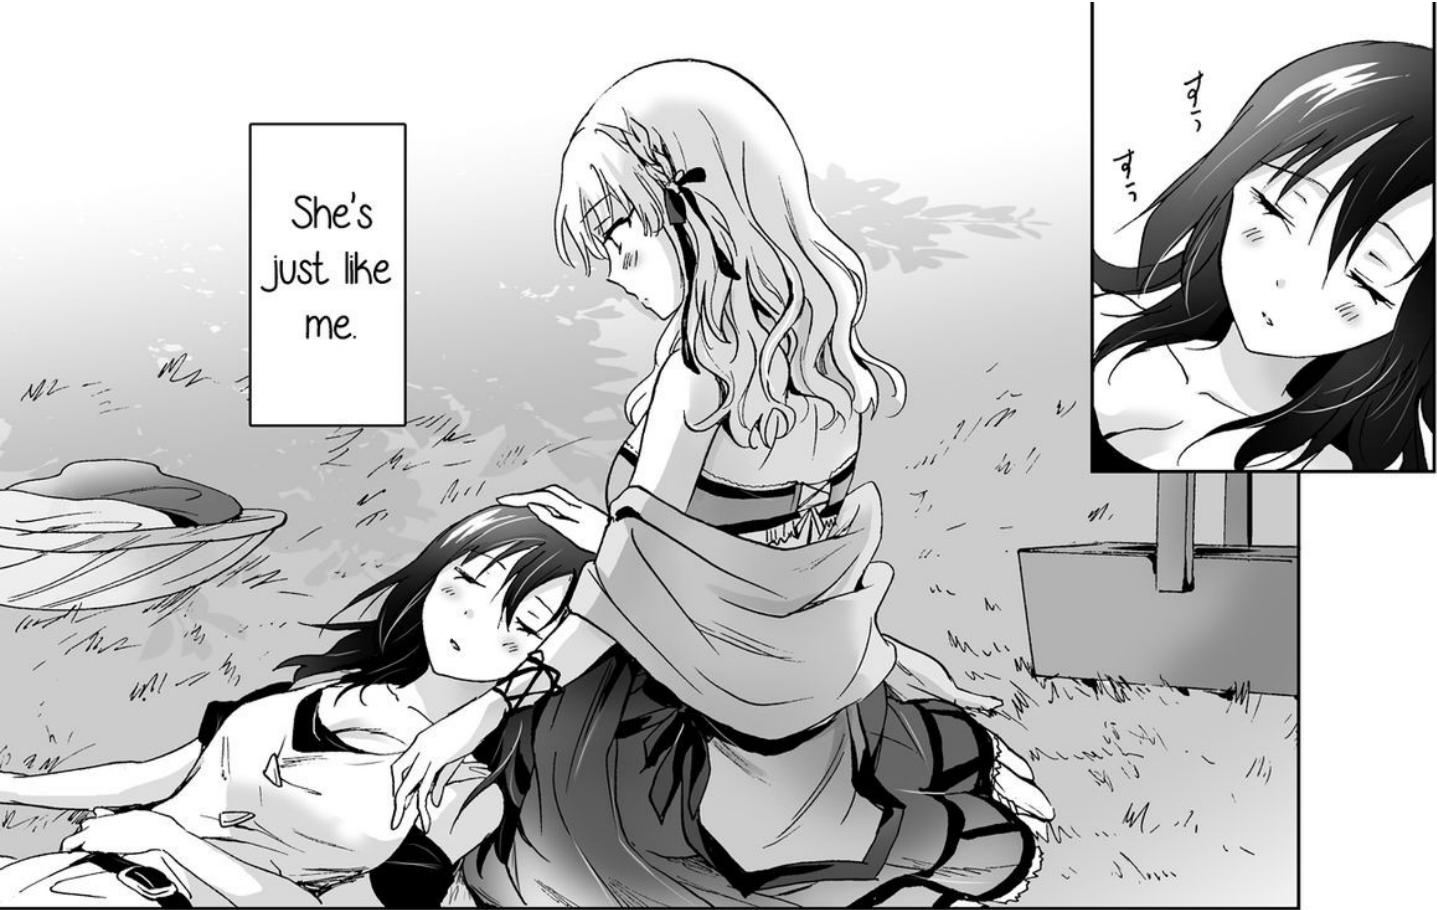

having so much fun.

But maybe the reason I'm so attracted to her is...

I've met many girls who've come to work here.

She's just like me.

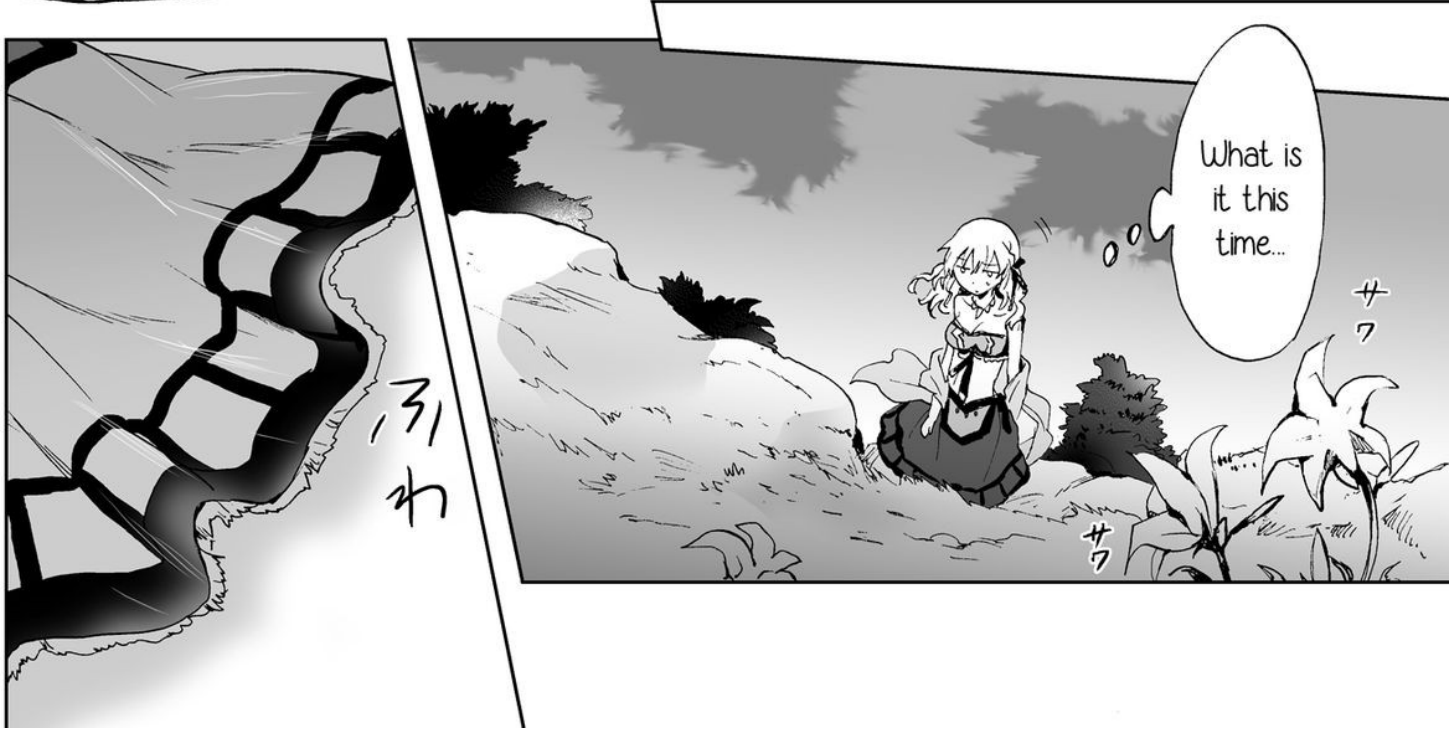

Yuuri...

Why didn't I realize sooner?

I'm the fool.

I love
you.

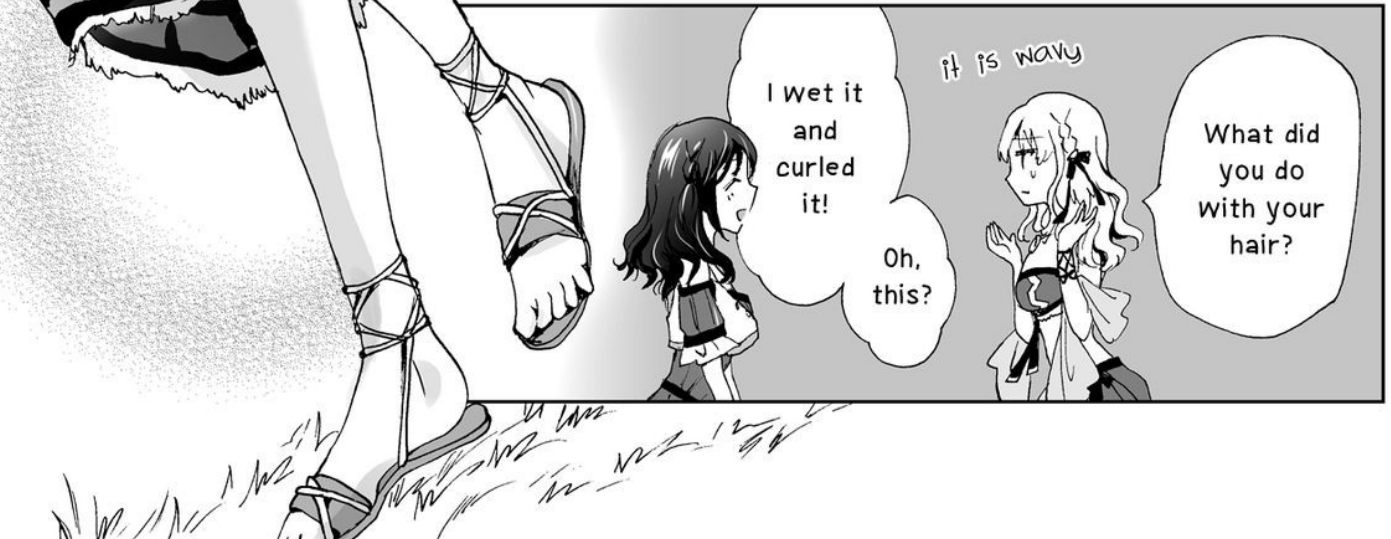

I'm almost done.

Fana!

What do you think?

I wet it and curled it!

it is wavy

Oh, this?

What did you do with your hair?

DIDN'T I TELL YOU TO MAKE THEM THE WAY YOU WANT?

DON'T TRY TO IMITATE ME!

EVEN YOUR CLOTHES LOOK LIKE MINE!

that's what I did.

Yes, and

So I thought

I never experienced this before! It was so much fun.

Using only the cloth and thread I wanted.

Picking out my favorite colors, my favorite shapes.

just like you, Fana.

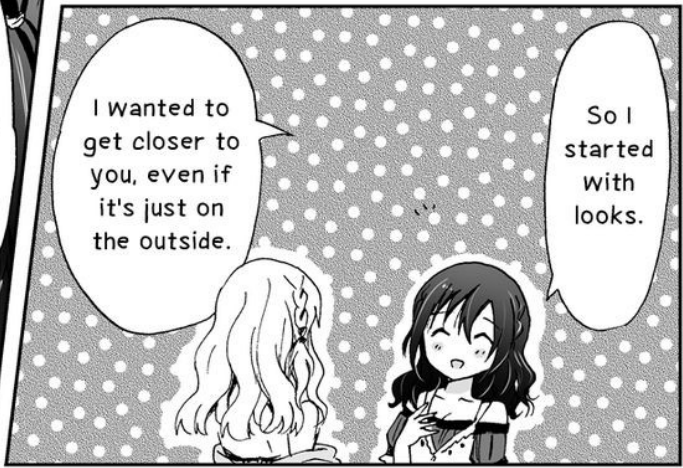

I want to make everyone's clothes like this too.

For each of them, person by person,

but it's what I wanted. Isn't that fine?

It might be naive.

I wanted to get closer to you, even if it's just on the outside.

So I started with looks.

But...

Foolish.

I don't mind, you know?

I'm fine with how we were before-

And haven't you gotten some more new wives?

We needed to draw a line, emotionally.

The End.

■Afterword

Thank you for reading.

This is a continuation to the "Earth Girls" that was released back in 2013, but the story is completely separate, so there's no worry about reading this by itself.

It's been three years since the release of the last book, so I wrote this pretty much as a new work in order to be as accommodating to new readers as possible. Chronologically it's set about two years after the previous story. It's the same stage, so the same characters appear.

The world is how I imagined it to be if we turned the clock some N-teen thousand years back. Try not to be too critical about the details.

I had my doubts back when I was drawing the original, so I was surprised by how well-received it was. It made me think, "you're all so accepting." It was supposed to be a one-off story, but for some reason I was in the mood to draw a yuri harem set in the great wilds, so I drew a sequel.

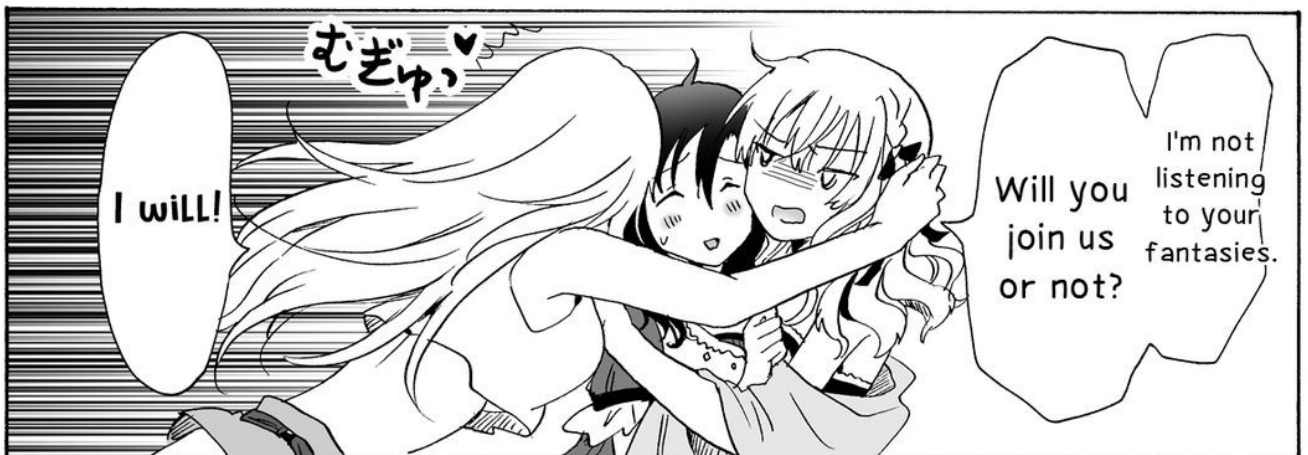

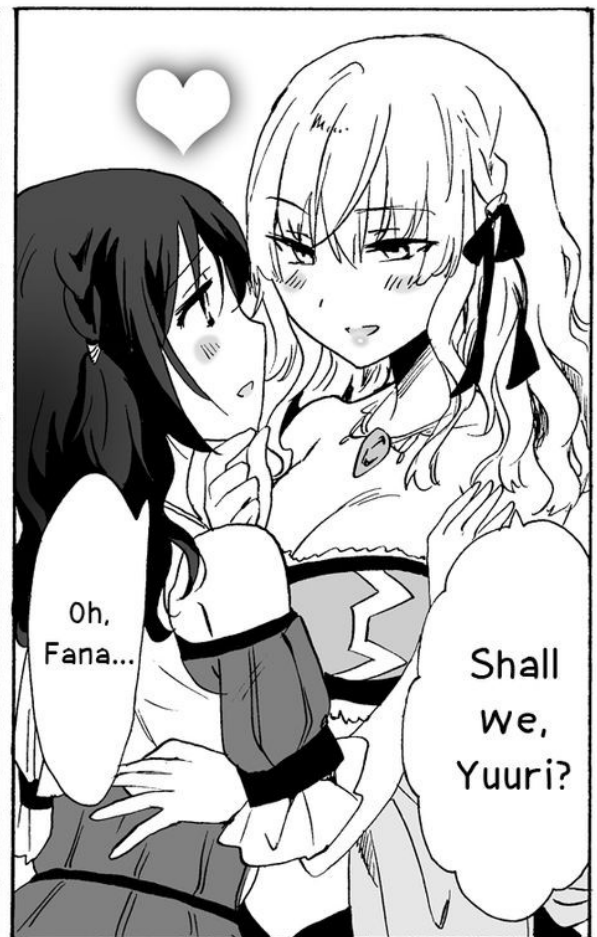

The method for making mead is simple, but making it at home in modern-day Japan would be a violation of the Liquor Tax Act. Too bad. I haven't tried any of the commercially available brands yet, so I'll be looking into that.

The "Earth Girls" book published in 2013 has been sold out. It is still available digitally. Those interested can find it on MelonbooksDL or DLsite.com.
