
For about a week now I've been having these wet dreams with girls with non-human features.
Come oooon~! Have sex with us already! ♥
Fufufu! ♥ Now, now, don't rush! The night is still young, after all!

Right now, I work as a lab assistant for someone.
Doctor, I am taking these documents too.
'kay, thanks!

Bzzzt!
CRAP! I'm gonna be late!
And every time, at this exact scene, morning comes and I never get to see the rest. In a sense, a true nightmare.

We call him "Penichu"
Currently, our research focuses on splicing together the DNA of different species to create so-called "chimeras."
Fetch me a coffee while you're at it.
Got it!
And that someone is this biologist, DR. Inoue Rina.
Tomoya-kun, where was it you put those samples from before?
Ah, those will be in the storehouse, I'll go get them.
This is more like being an errand boy, than an assistant, isn't it? Hahaha…
Wait, now that I think about it...
This morning's dream...
Didn't that looked a bit like DR. Inoue…
Hmmm… I can't recall…
To~ mo~ ya~ -san! ♥
Gyu!

This girl here is the doctor's only daughter, Inoue Mari-chan.
I hear she began her second year at high school this year. She's a very good kid.
Even though they're all just errands?
No can do, you see how much work I have.
You hit right where it hurts…
ぱたぱた
Mari-chan, you're back!
Hey-hey, Tomoya-san, will you help me study too?
ひょこん
… It's nothing.
EH?
Wha…
What?
!
Mari-chan accidentally drank from the experimental medicine?!
Yes! I'm going back right away!!!
…
Or,
so I thought
…
That's enough, Mari. Stop bothering Tomoya-kun.
He is busy doing chores.
Ergh ?!
Okay!♥

The Forbidden Prescription

前編 Part One

After she accidentally drank from the experimental medicine, Mari-chan's lower half no longer looked human

みぞね

That body...
A horse!?
My lower half is so heavy…
All the experimental stuff should be safely locked away... So how?
ぐすんっ
This might be because I put tomorrow's medicine in the fridge…
JUST WHY WOULD YOU PUT IT THERE OF ALL PLACES?!
I kinda wanted to have Tomoya-kun drink it tomorrow…
You said something pretty scary just now…
は!:
Will I stay like this forever…?
It's alright. This medicine is still unfinished. All you need is to be injected with some human DNA, and you should return to normal.
And for that pur-pose…
Ah, I get it!! Mari-chan and I have the same blood type!!
Understood!! If you can use me, I am happy to help!
Seriously!? That's a huge help!!

Well then, let's get to it…
Blood won't cut it.
Only semen can save Mari-chan now.
Just bear with it for a little while…
Uwaaaah... My first real job as an assistant... is this?!
…If that's how it is…
Then, I'll do it…
I mean, it's my fault I drank the thing in the first place and all…
Mama, wait!!

Yeah, it's fine…
Although it's my first time…
Wa- wait! You're really gonna do it!? Are you sure about this!?
ガヤ…
I wonder if those kids are alright…
Ah, wait, that's right!
Eh? It's not getting big…
eh…?!
Guys love boobies, right? ♥
I uhh… I have no excuse…
ちゅ

Those soft lips and that small tongue! They're wrapping around me...
Oooh…
Uuuoohhhh…!!!
SUUUUCK
SLURP!
It's like my penis is being milked!
Mari-chan, you don't have to go that far…
AHE? It doesn't feel good?
Puhaa
No, it's not like that…
In fact, it kinda feels too good, so…
Really?!

I'm so glad!
SMACK
Ooah...
If she's sucking on it so happily...
Mmm
PHAA!
MARI-CHAN, I AM CUMMING INSIDE YOUR MOUTH!
BRACE YOUR-SELF!

Mm mh…
GULP
Why is she gulping it down, like it's tasty?
How is it? Any changes to your body yet?
Aah… My whole body… It's so hot…
KUN!

Ma… Mari-chan?! Calm down a bit!!
MORE!
MORE!
MOORE!
Give Mari a whole lot more semen to drink!
It seems it was not enough yet... Well, no way around it...!
I'm gonna help you now…
So endure it even if it hurts!

UGH!
OHOO
NO!
Oh。
…Mari-chan?
A… Are you alright?
It did really hurt, after all, didn't it?
Wha? Her pussy became so tight...!

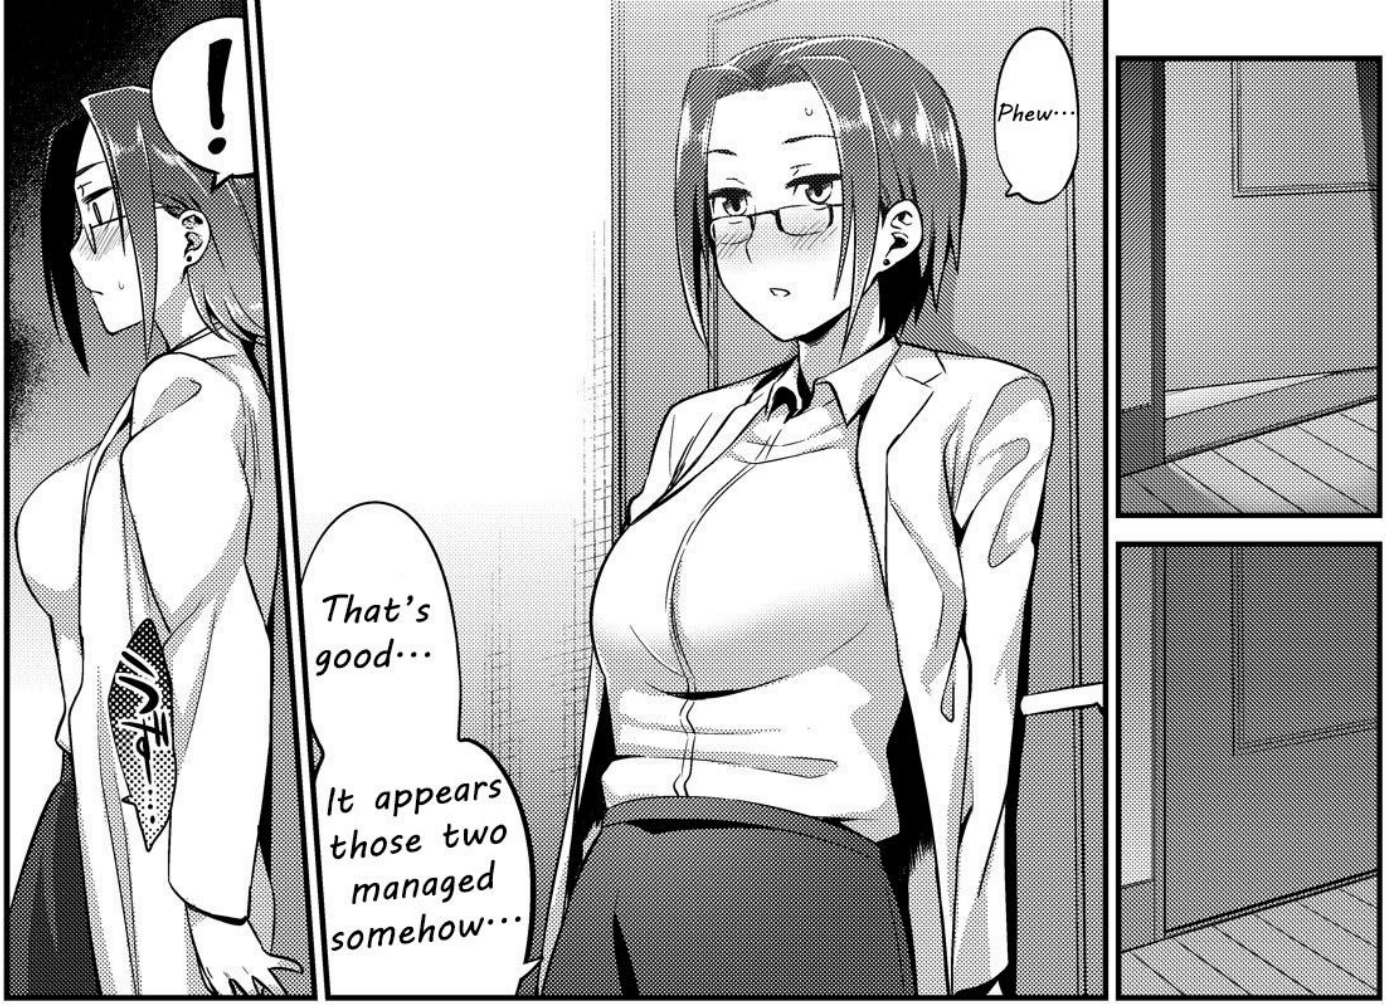

Could it be that you came?
はーい
はーい
はーい
Ah… I'm shorry…
Haah
Jusht… Whait… Jusht for a little bhit…
Haah
Most likely, her sensitivity has temporarily increased.
Is this also an effect of the medicine?
I have to restore her right away!
Haah
Haah
NO.. NO WAY…
NO WAY!! NO WAY!!! If we do it now, I will… Again, I will… ♥

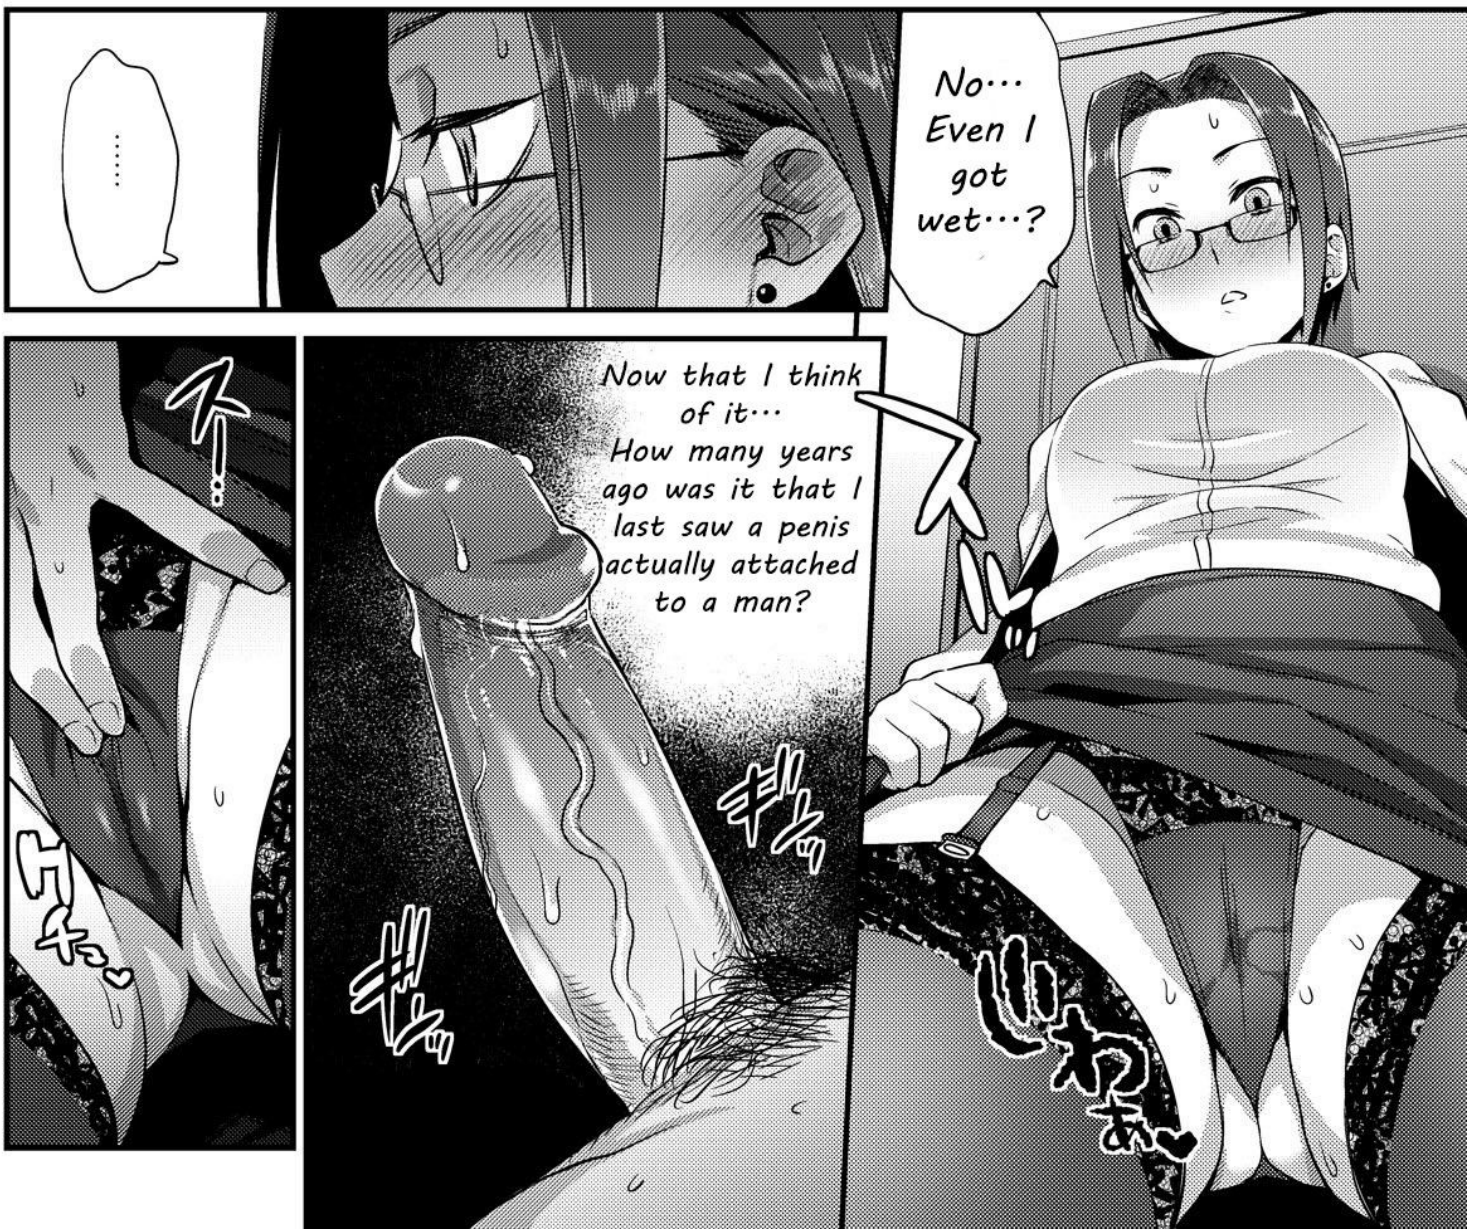

NO WAY!
OOH!
NO, I BEG YOU!
MORE GENTLY!
I'M BEGGING YOU!!
I'M GONNA
I'M GONNA CUM AGAIN!!!

… Any more of this…
Any more, and I'll die…♥
Nghu? The semen is coming? No, wai…
She's getting even tighter again…!
Mee too… I'm about to…
CUMMING INSIDE!

ビクビク

And after that, in a few hours...
Mari-chan's body returned to normal.

Phew…
!
That's good…
It appears those two managed somehow…

No… Even I got wet…?
……
Now that I think of it… How many years ago was it that I last saw a penis actually attached to a man?

The next day

チュン チュン

After that, there hasn't really been anything unusual and everything returned to normal...

ガチャ

Hi!

Good morning~ Tomoya-san! ♥

No, actually... Our relationship did change a little.

ちゅっ

Good morning kiss~! ♥

Well then, I'm off to school!
Goodbye!
Next time, have sex with me in this form!
♥
It seems all is well now.
But this event was merely the beginning.
On the night of that day I saw the usual dream again.
Okay, you mean like this?
Doing both of us at the same time! How luxurious! ♥
But at that time I did not yet know that it was no wet dream,
but a premonition!
To be continued

I work at a certain labora-tory...
Kinda ...
Uuh ...
SQUIRT!
squirt
You know... We could really do it without rubber ...
No way! We are still in high school!
Ever since that time, Mari-chan and I have been screwing like rabbits every day in secret.
mmm ...
AH
OOH
HAH
HUH

What exactly are you two doing here?
Ahh... Aaah, Doctor! You see, that lab mouse got out and we had to catch it!
You know the one, Mama!
Pepichu!
That so?
By the way, To-moya-kun...
Come to my office later...
Time to write my will...
But the thing that was wait-ing for me in that room...
Coming in...
If the Doctor finds out about this, she'll douse me in for-malin for sure!!
My boss, and Mari-chan's mother, Dr. Inoue Rina.
Smiiile!

You are late! You made me wait so much...
was the doctor in harpy form!

後編
PART 2

Fortunately, she didn't seem to have found about Mari-chan and I...
Hm?
For now, please put on some clothes...
An ex-peri-ment, what else?
Doctor?! Just what on earth...
Well? My wings are amazing, aren't they?
This time I used bird DNA.
Isn't this the same medicine Mari-chan acci-dentally drank at that time?
Don't tell me it works like that one did?! Did you drink of this?
Yeah, I did.
Don't tell me... No, there is no way, right...?
And... the antidote is...?
Of course!
It is right in front of me!

Well then, Tomoya-kun...
I'll need to harvest your semen.
ゴゴゴゴゴ
I knew it!!!
Fufu... ♥ what a cute dick... ♥
Crap, she looks serious!
Oh-oh... I just ejaculated, so I can't get it up...
Well... can't be helped then...
I'll continue from before...
So it really has come to this...?!
S-Sorry...
It's because I am nervous...
Ohh... oooh, forgive me, Mari-chan!

Fuh
hah
A... amazing!
hah
This is an adult's technique...!!
hah
Yes, this much will be enough!
Wait... You are not harvesting any?
Ah
huh
もじもじ...
!
Fuuuh
Well... drinking it is fine, but...

Ha
Huh
My lower mouth craves cock, so...
I've been aching for it since we started...
Tomoya-san... I hope, he didn't get doused in formalin...
Is he al-right...?
Or maybe he is getting sexual-ly harassed by Mama... that would be bad... ♥
Eh?!

ITADAKIMAAASU!!
This is it, this is it!! My first cock after so many years!
This is heaven
Wh..
What is the meaning of this?
Doctor... could it be that harvesting was not your goal at all?
Ah... Doctor...

Apparently, the Doctor was so engulfed in her research her husband left her.
That's right... This is something I've heard from Mari-chan...
You want to... be a woman again, right? Doctor!!
I understand it now!!
In that case...
Doctor... No...
Rina-san!!
Wai...
Doctor... that's too rough...
Also your claws hurt...
So... Sorry ...
I just... can't get enough... of this... ♥
This is the first time... I've seen the doctor with such an expression...!!
AH
Ah
Aah
Ahh

As your assistant... it's my duty to help you!!
Ahh
Oh
Ah
Ri-na-san!!
Your panting is so cute, Rina-san!
I want to hear it more!!
Haa
No!!♥
Don't say my name!♥
It's embarrassing! ♥
Ah
This is... cheating, isn't it? What should I do?
!

This is the medicine I drank at that time...
That's right... This is just an experiment...
But... somehow it still doesn't feel right...
.....!
Rina-san...
Do you hear me?!
Rina-san... I am about to...
To come inside you, Rina-san!
Even though I just wanted to have some fun with you...
And yet... ♥
We are having such passionate sex...!♥
Ugh!♥ Cumming! ♥
I'm cumming!! ♥
Cumming !!!
Mari... I'm sorry...

I might really fall in love with him...♥
HAAH
Eeh
Geh
Ooh
As expected... that's all I can do for today...
Haah!
All in a good day's work...
Hah
Hah

Now, wait just a damn minute!!
Because I do it with Mari-chan every day...
Much obliged.
You were better than my ex-husband!♥
huh
Hah
haah
Mari?! You drank of the medicine too?!
Well, you have been monopolising Tomoya-san...
It's Mari's turn to have sex now!!
Aww, what a needy child...
It's alright, I don't want to keep him for myself!
Really?
Yes! So...

The exact scene from my dream!!! But...
Fufu... but Tomoya-kun is happy, right?
Let's have fun with all three of us!♥
But Mama... this is a bit embarrass-ing...
Kyuuu
But it's al-right. I've prepared a stamina medicine, just in case.
Ah, okay ...
Here, drink this!
Only old women excite you now?!
Old women. ..?!
Why?! Is Mari not turning you on?!
BOO!!
Sorry... I can't get it up any-more today.
EEEH?!

Here I come!
Isn't it bigger than usually?
What do you think?
No, wait!!
Eh, wai—
Oo-key! Sorry to have kept you waiting, Mari-chan!
Oooh!
It's super effective!!!
GUOOZZ

THIS
THIS is AMAZING!!
Tomoya-san's penis!♥
Hah
Pgh
じゅぽ
ぐぽ
Ooh
Ah
Why does her vagina feel tighter than usual...?
I've been ramming it in every day, and she still feels like a virgin!!
is poking at my womb!!♥
Also, it feels like I have two penises...
wat?
TWO PENISES?
!?
Wa... wait, time-out! Some-thing's wrong!!

I grew an extra dick!!!
Mama, this is...
Ah, yeah ...
Sorry...
That medicine was actually an experimental one I used on mice...
mouse noises
Penichu!
Evolved!
Does clumsiness run in your family?!
It's alright, it goes back to normal after a few hours.
It's just one single extra penis, I don't see what you are upset about.
Yup, yup!
How persuasive...
Really... these two just do whatever they like, don't they?
Siiigh...

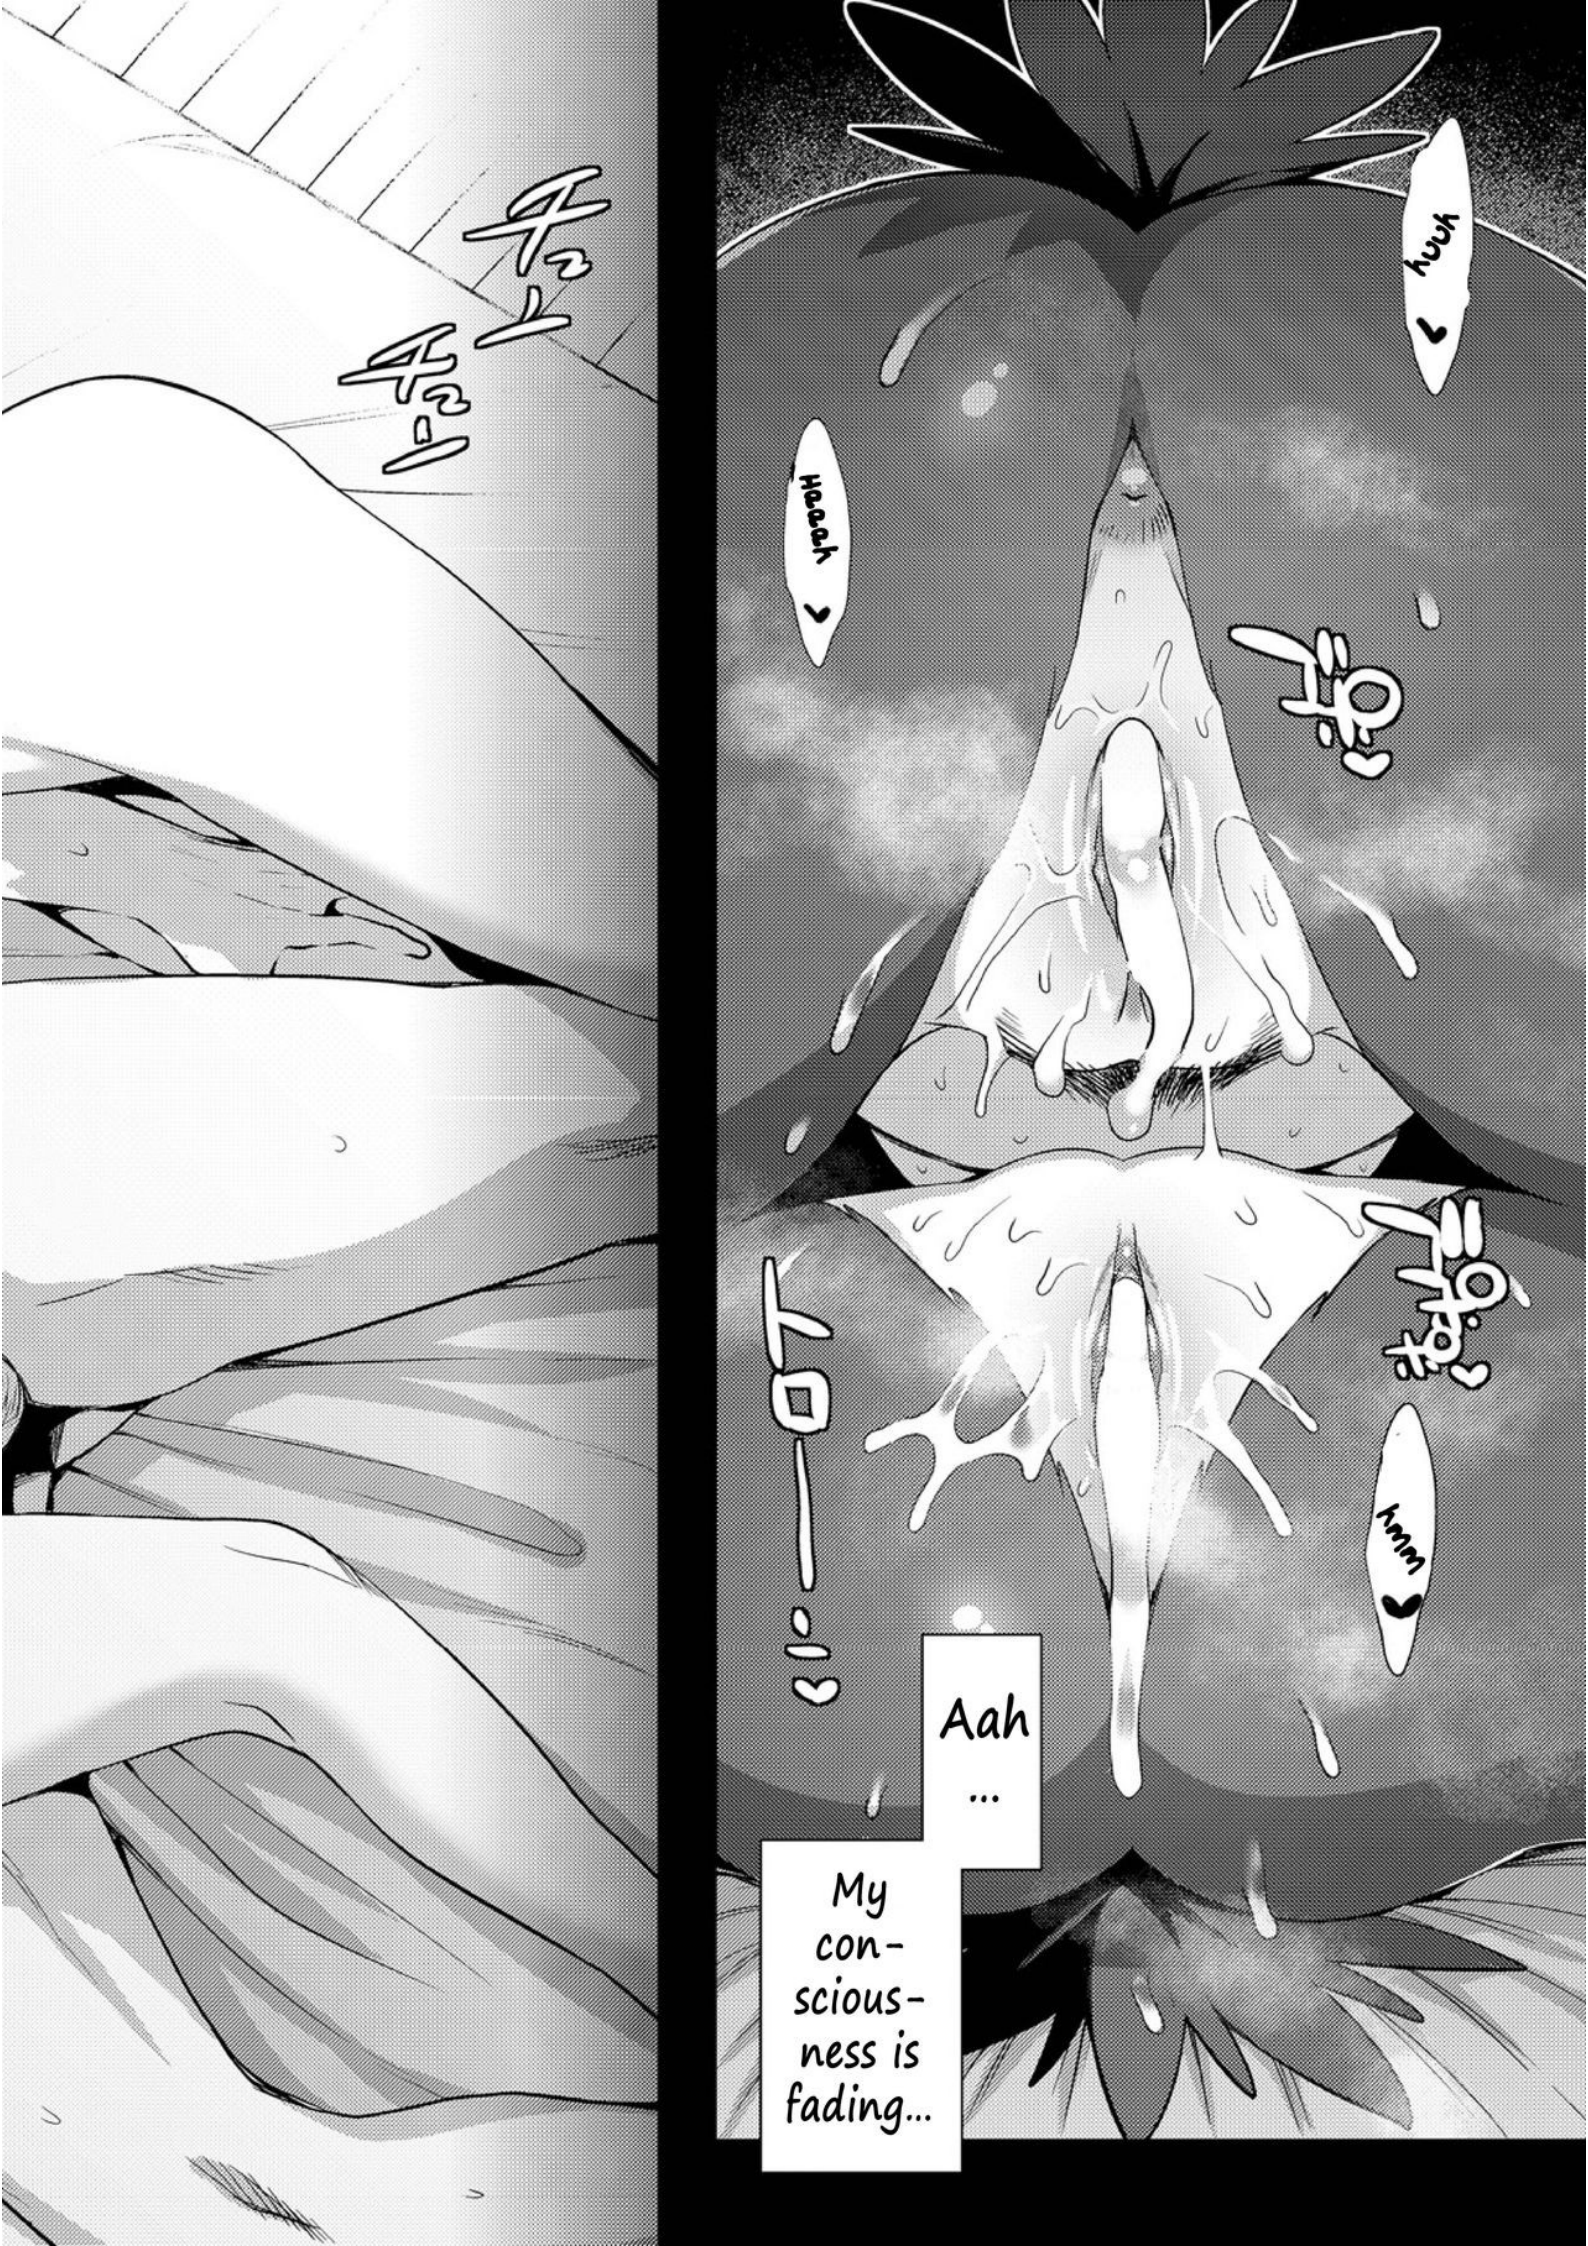

Sorry, Tomoya-san... It wasn't on purpose...
Come on!♥
haa
Does this make you feel any better?
You can use both at the same time!♥
hah
hah
hah
hah
Squuez
They are not sorry at all...
Seriously...
I won't hold back then...
splatter splatter

Splaash
Hehe
Ugh
The three of us all gave in to lust and indulged ourselves.
Hah
Hah
Hah

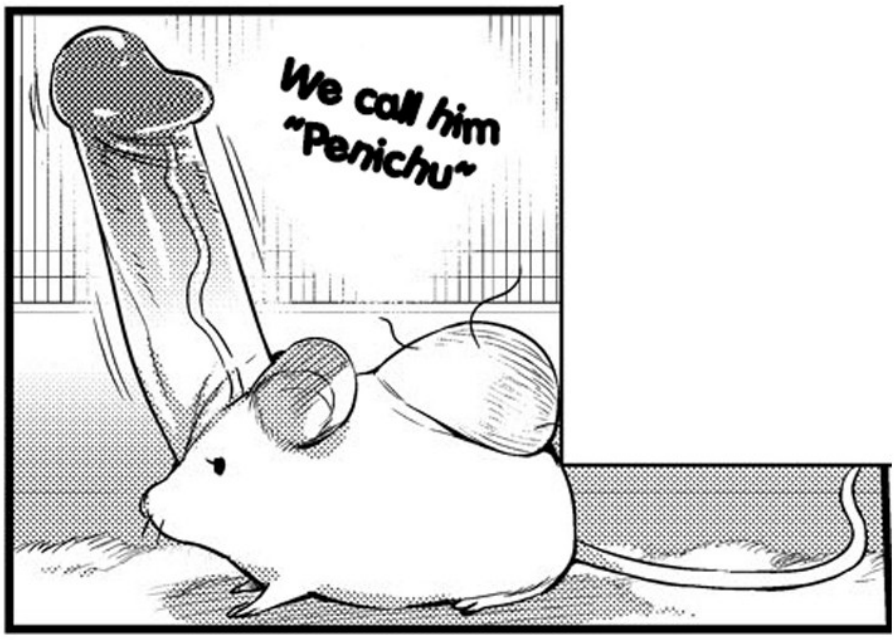

There was no more doctor and assistant...
No wall between parent and child...
There was only one male and two fe-males mating.
I am sure this is also just a dream... But still...
Just for a little while... just for a while longer...
Mm
Ha
Hah
Mnh
Hah
Ah
Aah
Hah
Aah

Let me stay in this dream !!!

Haah
Huuh
This is... reality... right?

Aah
...
My con-
scious-
ness is
fading...

Here I am, Mari-chan, Rina-san!
Why I had been seeing them before will likely remain a mystery but...
My wet dreams stopped that day.
Well then...
Hah...
I think this was all?
Heave-ho!
Ta-daa!♥ Today it's beast-girl play!♥
Today too, we're going to harvest a lot from you!♥
Nihihi
Since my dream has come true, I really don't care...
END

Buckle up, Ash! We're gonna need two balls for this one!
