THAT...
WAS HOW
I MET
HER.

Welcome.

君想ふ
- Thinking Of You -

SINCE THAT FATEFUL DAY...

Oh!
Good evening.

I had to stay overtime, you see.

Am I just imagining it, or were you later than usual today?

Yes, please.

I take it you're having the iced coffee, as always?

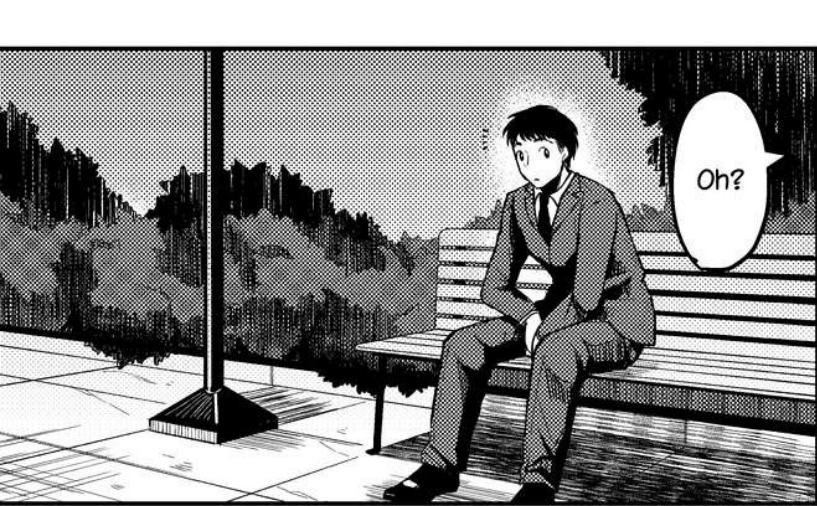

I STARTED COMING TO THIS CAFE WHENEVER I HAD FREE TIME.

Your usual table is vacant.

Thanks.

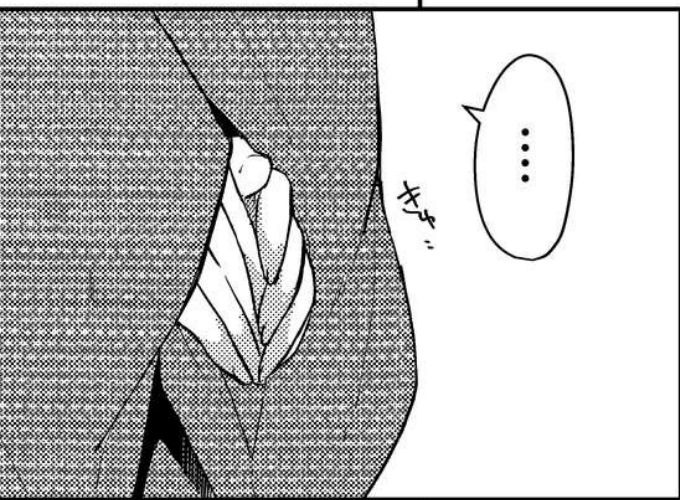

I'll make us some tea, so sit down and relax in the meantime.

Sorry there's not much room here.

...

I was interested...

Eh?

In you, too.

I'm sorry for asking to come over...

Out of the blue like that.

No, it's fine. Nights are still cold, after all.

And you stared out the window, seemingly deep in thought...

You always sat at the same table by the window, drinking iced coffee...

!

Even the owner said I should focus on my job and not be eyeing the same customer!

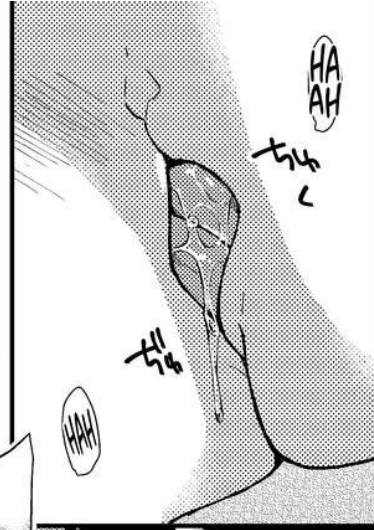

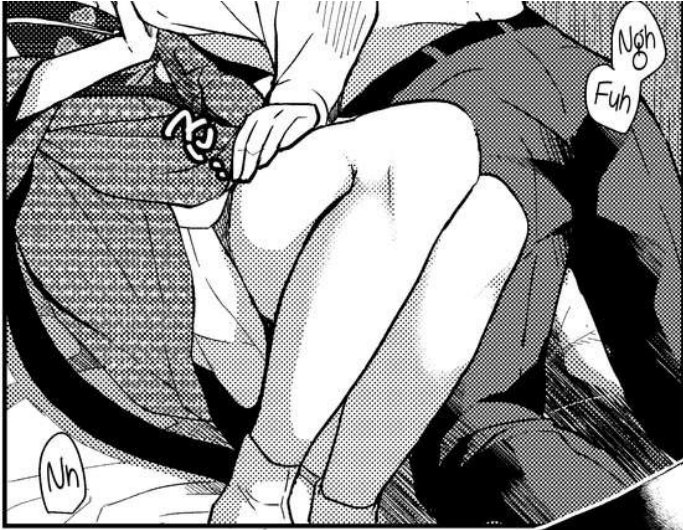

I quickly found myself unable to keep my eyes off you.

I apologize, I didn't mean to go on about it like that...

Um, I...
This is my...
first time,
so...
Ah...

You act
embarrassed,
but...
I see you're
bolder than
you seem.

T-That's
not it...!
Ah-!

Hum...?
Where's
your
under-
wear...?

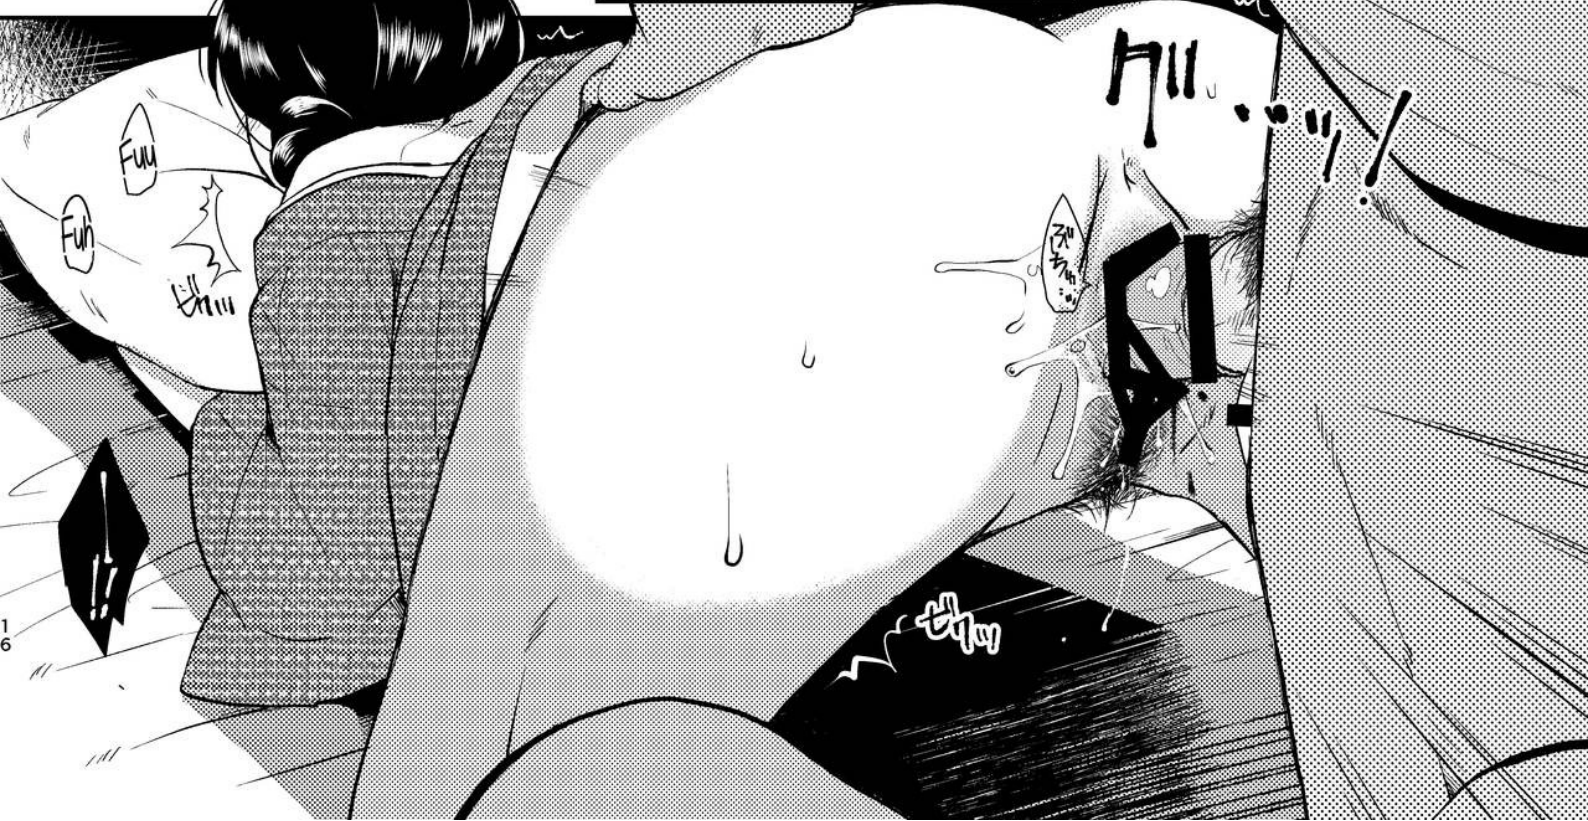

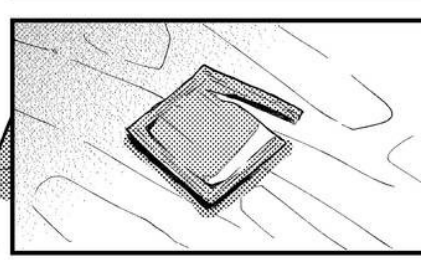

Err...
I, well...

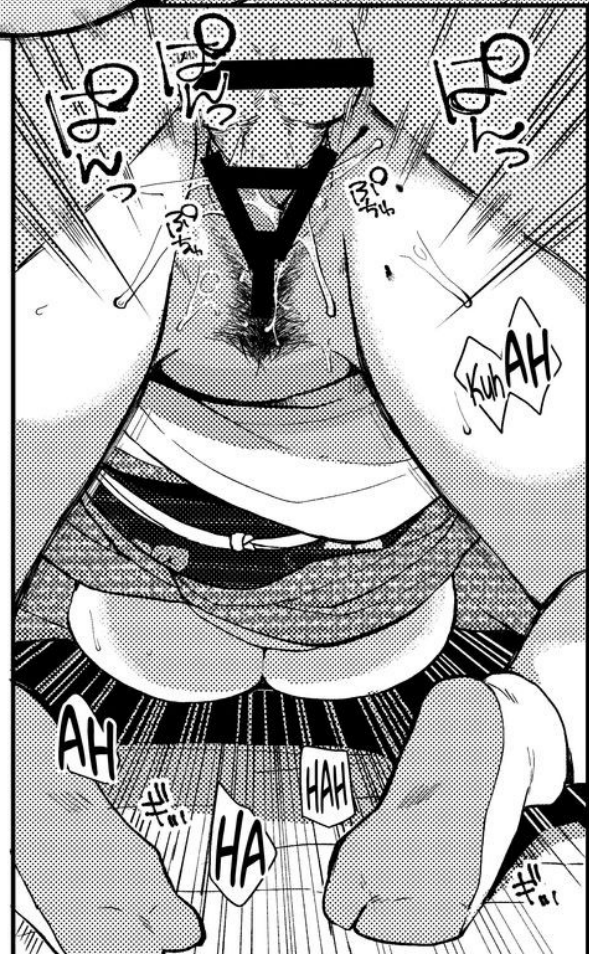

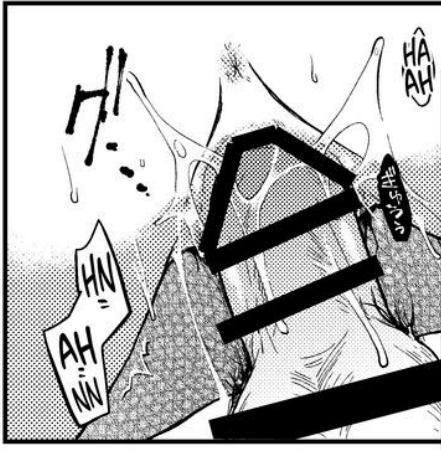

Stop...
tha...
ah...

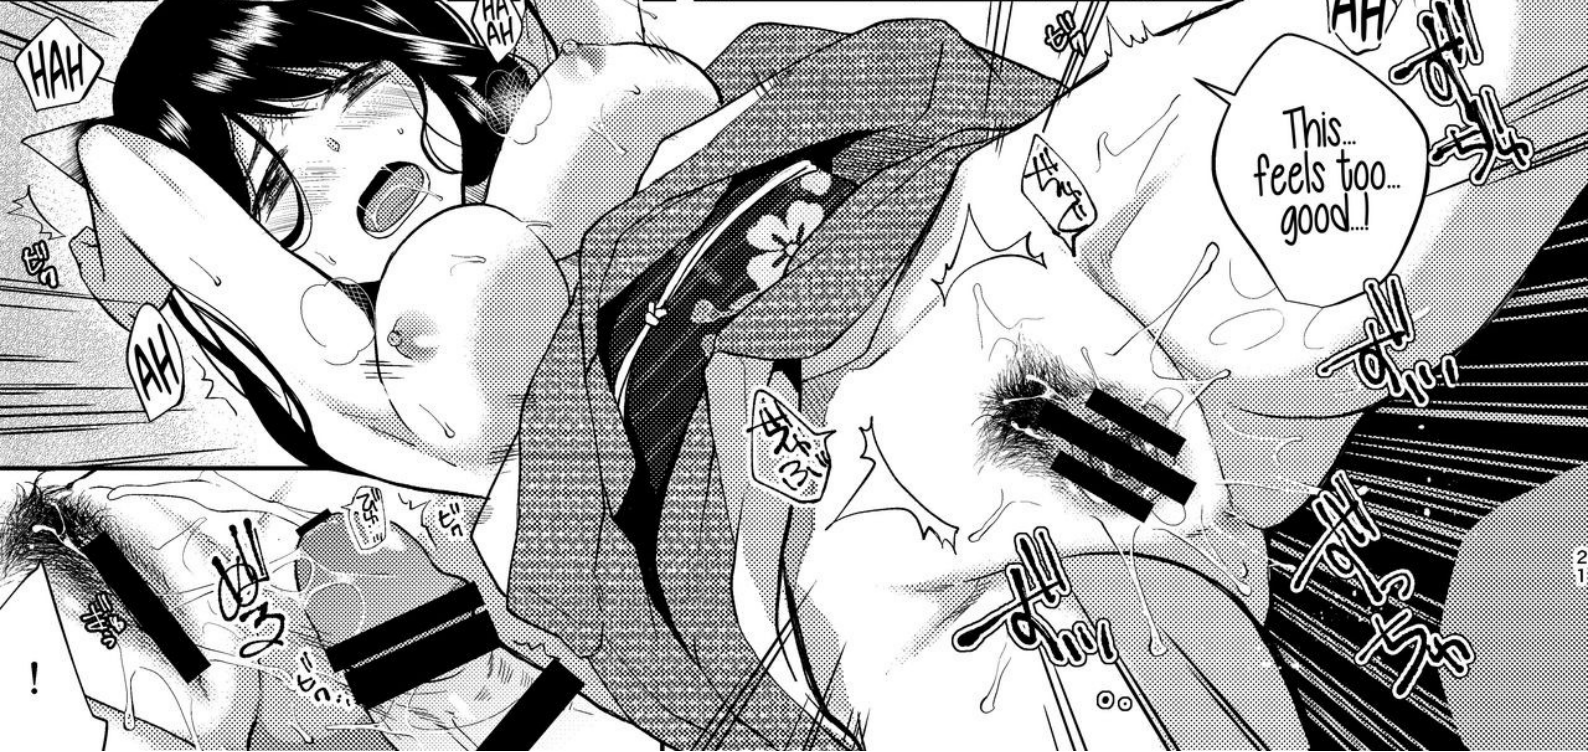

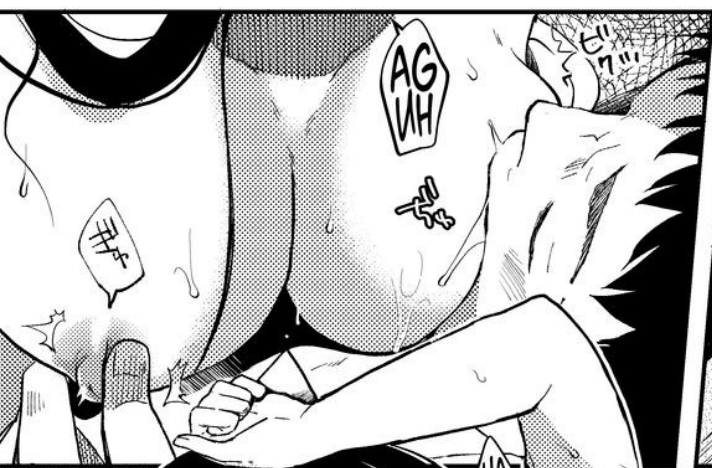

Even her
hair down
here has
gotten
wet...

Sorry...
but I
want to...
keep
going...!

Alright...
Let's stay
like this...
for a while
longer...

Hello, Fumitsuki Sou here.
This might be a bit sudden, but I added
a surname to my pen name.
It is 二三月, read as "Fumitsuki".
I hope you will continue to support me
under this new pen name as well.

I thought I'd go back to the classics with
this one, so I drew a catgirl story.
I wanted to make it a sex-heavy one,
and so focused on making it as lewd as possible.
I would be very glad if you liked it
even a little.

Cats really are cute, aren't they...!

Well then, until next time!
