a little
bit?

I slowly
developed
this inno-

body.

Try
sucking
the tip...
Yeah, like
that.

Nh

Nuhh

An 8

Even though she's a small 8 year old girl...

After a week, she came from playing with her nipples and clit.

What are
you doing
with your
penis?

Are you
going to
rub it
again?

Push
my dick
into your
pussy...

Your
small clit
is rolling
in too...!

Since I could only push the tip in...

It's kinda like glans torture.

Manami
every day.

Since
then...

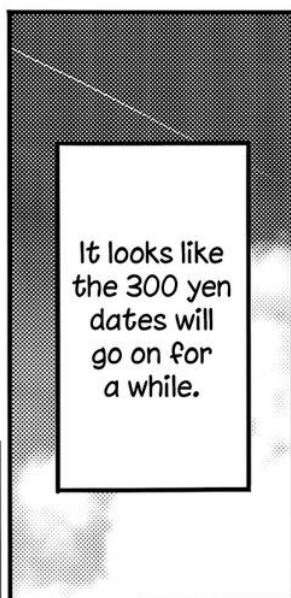

She also
lets out
her
moans.

I want
this
today!
It's a
new flavor!

She already
got used
to having
sex too.

It looks like
the 300 yen
dates will
go on for
a while.

End

What
should I
drink...

Should we get
something to
drink as well?

Really?
Yes, yes!
