

いっ、す... 〇〇〇

OF THE 14 YEARS OF MY LIFE.

怒った顔も、かわいいね。って言うと、さらに怒る。んで余計にかわいくなる。キがない。それがJ。

...Minori?

So, because we know x is $5y - 4$ here...

All we need to do is...

PROBABLY, DEFINITELY,

TODAY IS THE WORST DAY...

イトコの女子中学生といい関係になって喧嘩したり仲直りしたりSEXしたい。そんな平凡な貴方におくる18P。

Presented by KanroAme

相互⇄方通行

What's that?

Mm, nothing.

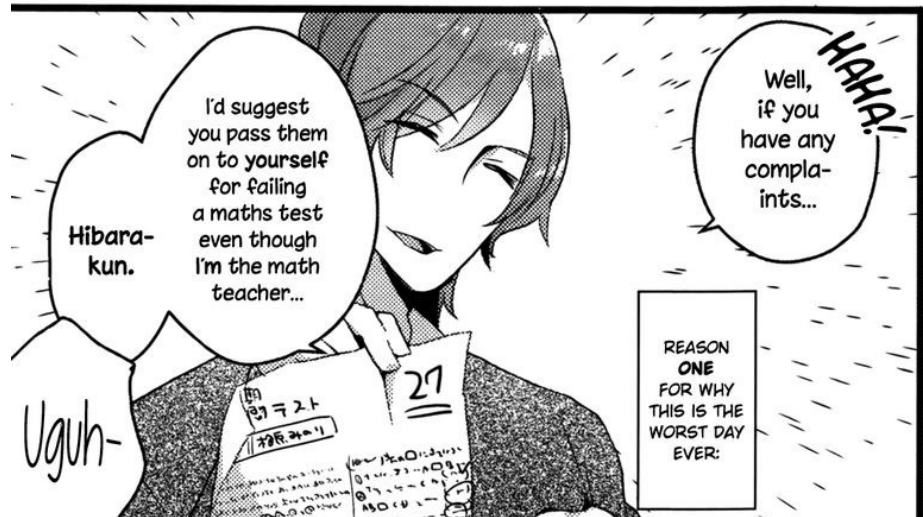

Hey now.

I'd appreciate it if you could at least pretend to care.

Eehh~

But today's the one day I really didn't want to see you...

Hibara-kun.

I'd suggest you pass them on to yourself for failing a maths test even though I'm the math teacher...

Well, if you have any complaints...

HAHA!

REASON ONE FOR WHY THIS IS THE WORST DAY EVER:

おはよ

This is seriously unbelievable...

Can a student and a teacher normally even be cousins? Is that even allowed?

I dunno, but it saves me from being unemployed-

Ah, you weren't supposed to substitute there-

!!!

Have Satoshi tutor you until you get a passing grade!

But you didn't have to tell Mom about it!

Ye... Yes!!!

You know I can't go against my own aunt-

REASON TWO FOR WHY TODAY IS THE WORST DAY EVER:

I can't take it anymore!!!

I can't, and you know that...

Yuuki-sensei- Can't you somehow give an extra 30 points for your cute cousin-?

...A huge pervert lolicon.

...Then I'll tell everyone...

That Yuuki-sensei's a pervert who's laid his hands on his middle schooler cousin.

There you go again...

That doesn't sound very persuasive when you're showing off these cute panties to me, you know-

It just seems to me that you're asking for it-

Aahh~ Your pantyhose feels so smooth~ ♡

I said not today!

Hey!

EVERY TIME HE JUST GIVES SOME STUPID EXCUSE AND STARTS DOING NAUGHTY STUFF TO ME!

BUT I'M NOT GONNA LOSE TODAY!

No-Listen to me- You idiot~! ;)

What are we gonna do with you- ♡

Yes, yes, that's how you feel today, I see-

I'll borrow your ribbon for a second, OK? ♡

WE'VE BEEN DOING THIS FOR SO LONG THAT HE CAN MAKE ME COME THIS FAST...

Ah...
Wait... I just came, so...

No way~ I can't wait.
Come on, don't move~

Look, Minori.
Seeing you feeling good got me like this~

AND YET... HE'S NEVER TOLD ME HE ACTUALLY LIKES ME OR ANYTHING.

BUT...

...There we go!

Kyah!

I DO STILL KINDA SORTA LOVE HIM.

EVEN THOUGH I THINK HE'S BEING MEAN...

A middle schooler's sopping wet pussy... it's out of this world- ♡

Uoohh...! No matter how many times we do it, this still gets me...!

Uee eeee eehh

Guh hic

Um

WHICH IS WHY...

Minori?

...

What?!

Why do you care?! I'm just an onahole to you, anyway!

I've never said something that terrible to you, have I?

H-Hold on! Where'd that come from?!

But I heard it!

Fuu!

Eh- Why...

Fuu!

What's wrong?! Did it hurt?!

Shut up! You stupid jerk!

Just cum already!

NOH-?

It's not over yet!

Evo!

Evo!

H-How did you hear that...?!

I wouldn't mind just being your sex-friend...!

I love you, Sensei... Please go out with me!

Some girl confessed to you!

Today! Lunch break!

And "I'd never want a sex-friend"...

But what did you mean by "I already have a girl-friend"?!?

What the heck's that supposed to mean?!

Getting confessed to by all those girls!

Must be nice to be you, Satoshi-kun! Being a young teacher and all!

Oh wait, nevermind!
You said you'd never want a sex-friend and I'm not one, so why would you tell me anything?!

So you got a girlfriend, did you?! Well, congratulations!

You could have told me about it, though!

Hweh?

Eh...

Minori... I thought of you as my girlfriend, though...

I wouldn't dare lay a finger on my student and cousin if I wasn't in love with her...

Satoshi-kun...

So you... like me?

You need to actually say these things!

I-I'm sorry...

What, so you think sex = going out?! No!

I mean, you let me do all this stuff...

So I was sure we were already basically going out...

What the heck...

I'm glad I was your girlfriend...

...But...

Chu ♡

あゝ

Ah-
Wha-
...

Wait-

No, there's no stopping me now!

Ahhhh!
That's it...!

FWAH!

KII!

No-I mean-

It feels like you're much bigger than usual!

And you keep clamping down on me hard-

It's way warmer inside you than usual...

Well of course I am, when you turn me on like that-
And you're just as amazing right now, Minori.

I don't need to hear that~

Hah
Hah
Uoo
ooo
ohh
I'm...

F&P
P&P

AH
Nooo
I'm-wayy~

Ah...

without a
condom...

ガッ

Stop thaaat!

You're killing mee~!

This is so embarrassing that I'm going to die~!

I love how you act like an adult even though you're still a kid!

And I love how you're so used to sex now even though you shivered like a leaf during our first time!

I LOVE SO MUCH!

No you're not~

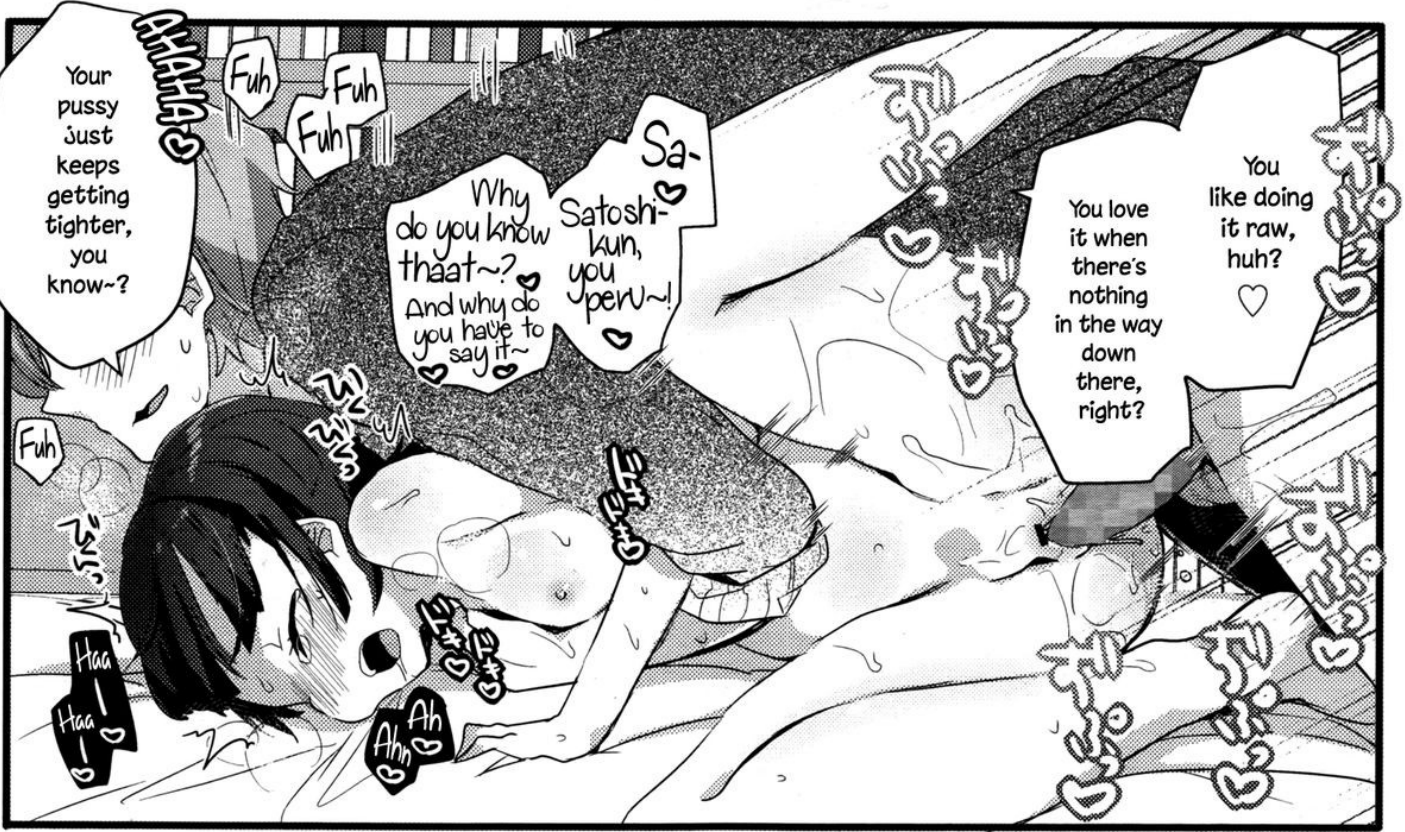

Even your womb's coming down...

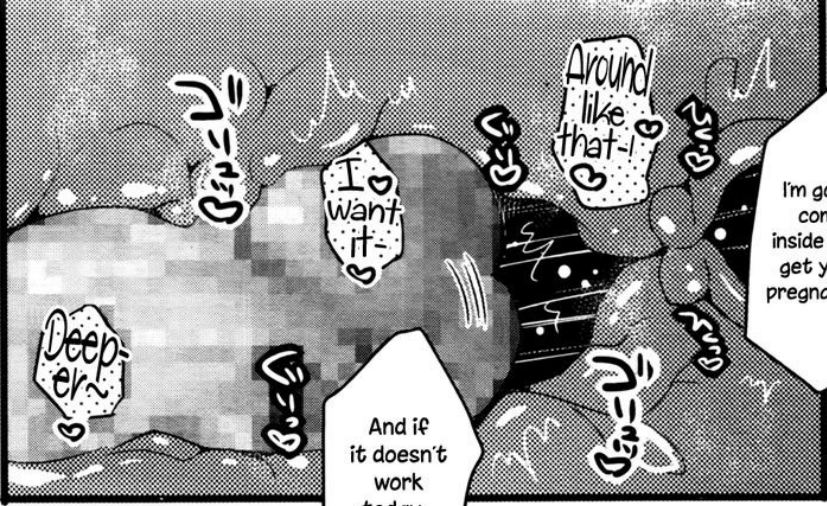

I don't care about that~!

It's sucking me in like it wants my cum~

Don't push down on it!

Oh damn it all, I'm just gonna make you pregnant!

I'm gonna come inside and get you pregnant!

And if it doesn't work today...

Then we'll just keep doing it every single day!

Until we make a baby!

So please marry mee!

I'M GONNA COME!

AAH

Fun

No!
Not yet!

Eehh~?!

Ehh~?

So,
Minorisan...

Do you
think you
could give
me a
reply?

You
know,
to the
"marry me"
thing.

I mean,
from my
point of view,
I was no one
special to you
until just
now,
right?

Eehh~?!

Mm...

So I want
to enjoy
being your
girlfriend for
as long as
I can~

Eehh~?!

Kyuu~!

You're kidding!
I really should've
told you
how I feel
sooner...

Besides,
I haven't
had my
first
period yet,
so I
couldn't
get
pregnant
even if I
wanted
to.
