GIRL NUMBER 1

MY STEPSISTER YAMORI HIMARI

This is my stepsister from my father's second marriage, Himari.
She is somewhat attached to me, but...
I have already prepared her with a hypnotic suggestion.
Are hypnotic techniques really a thing? Will my plan work?
I want to try it out on someone close to me at first to be sure.

STEP-BROTH-ER!
HOW MUCH FURTHER IS IT?
EH?
WHERE ARE YOU TAKING ME?
WHAT?

トトトトト

Is it work-ing?

Himari... what are you?

I will have to teach you proper sex slave etiquette.
First!
As a sex slave, you must take the cock in your mouth as soon as it is presented to you.
'KAY.
Second!
You must suck the cock clean, suck like there is no tomorrow.

That's it.
Who has to drain the sperm from my balls until they are empty?
You, Himari.
That's the duty of sex slaves, it makes them happy.

Yes!
Once she's out of the restroom, she doesn't remember being a sex slave.
Just like expected.

Perfect.
This hypnotic trigger can turn women into sex slaves when they enter a restroom.
Every woman will be at my command!!

Thank you for buying my work. I am Shiwasu no Okina.
Until now I've only done parodies, this is the first time
I've tried publishing original work as a doujin.
I wanted to try doing some spank material which is unlike
what you usually see in the industry, so how did you like it?
If it turns out to be popular, I might continue it.
I want to explore his boss at work next.
Again, thank you for continuing to support
my magazine and doujin works.
