Yamagishi Seiji

He met Sae-san at a café he dropped by and promptly fell in love with her. Afterwards, he started going there just to see her.

Sae

She works at a café that her adoptive father owns. She has a cat's ears and tail.

Err, excuse me... Is Sae-san not here today?

She's out. It's just me and the wife.

Oh, welcome.

Here. Your iced coffee.

I see... A yukata, huh...

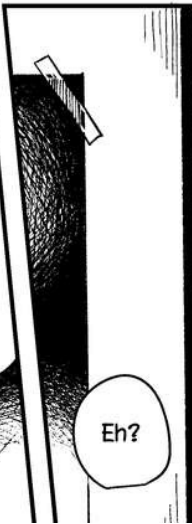

She was in quite a good mood this morning... Said something about going to buy a new yukata before she left.

...Sae's all grown up already, so I won't say anything, but... if you went all the way, you better be ready to take responsibility.

SAE-SAN IS A BLACK CAT GIRL WHO WORKS AT THIS CAFE.
ACCORDING TO THE OWNER, THERE ARE MANY CUSTOMERS WHO COME HERE JUST TO SEE HER.

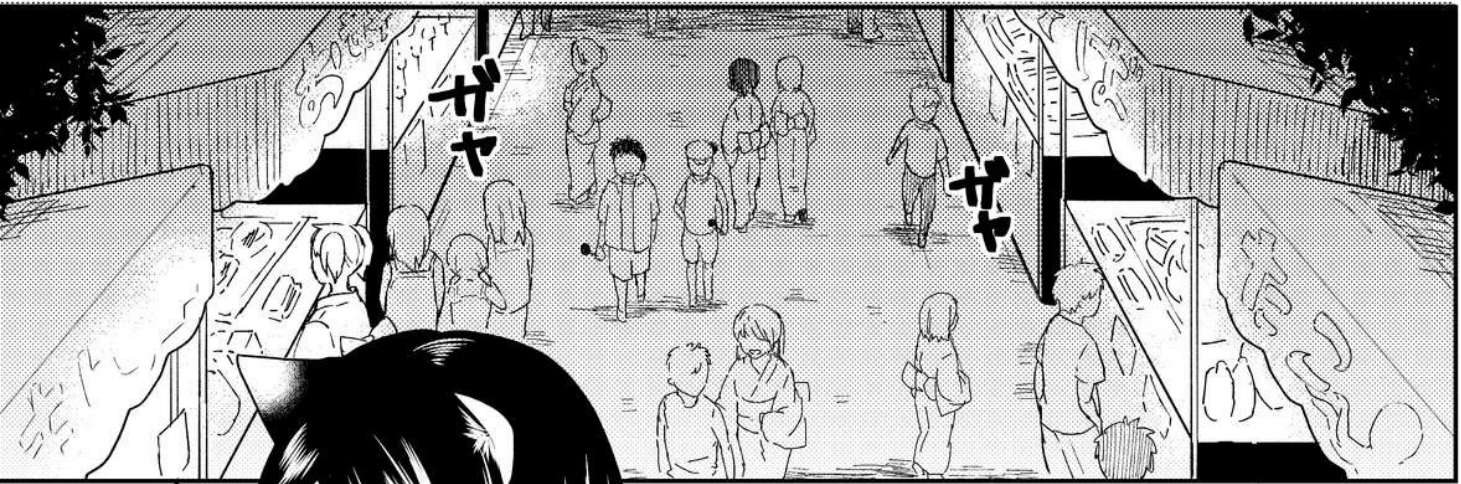

They're holding a summer festival nearby, so I thought we could go together...

Fufu~
I'll be looking forward to it~

That sounds nice. I'd like to see you in your new yukata, too.

I'm actually quite good at this sort of stuff.

Try not to get separated from me now.

I haven't been to a festival since I was a child...

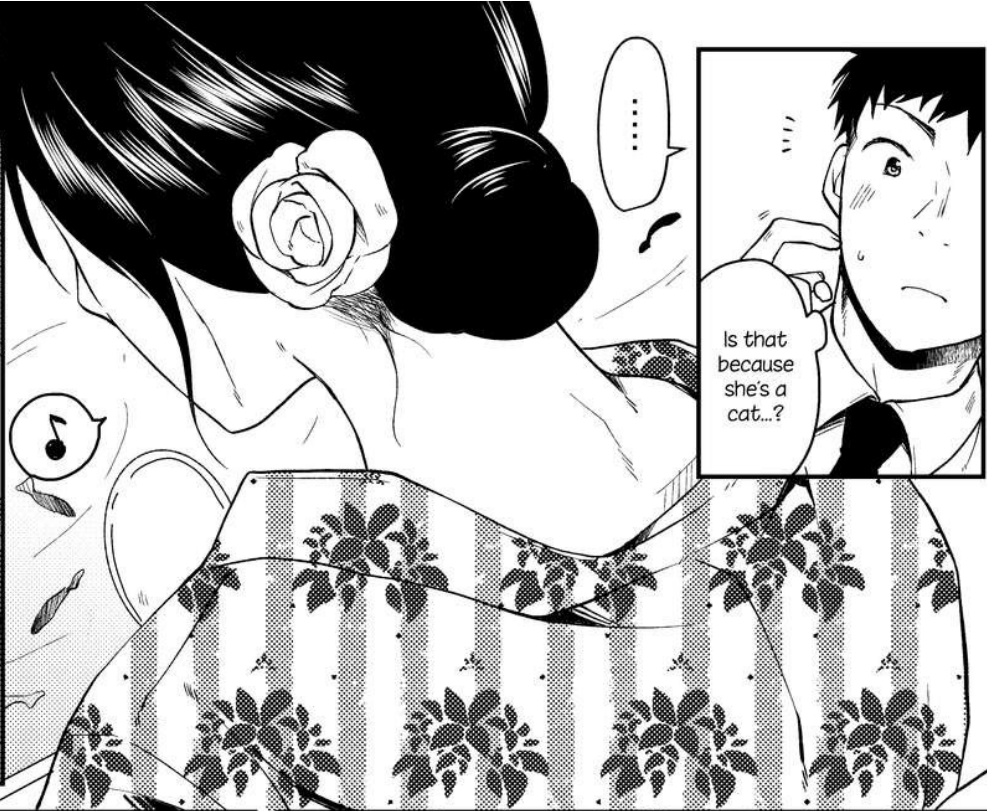

Ah!
Um, could I try goldfish scooping?

Huh?
Yamagishi-
kun?

Is that
because
she's a
cat...?

Seiji-
san?

Oh
wow~
She's so
cute~

Ah,
I knew it
was you!
I didn't
expect to
see you at
a festival!

Sen-
pai?

Oh hey,
is that
your girl-
friend?

You
player,
you~!

...

Listen
here...

Come on,
introduce
her~

Sae-san?

Well, that's enough of our meddling-

Have fun, you two-

Tug

Eh?!

I-I didn't mean it that way...!

#

Are you... feeling jealous?

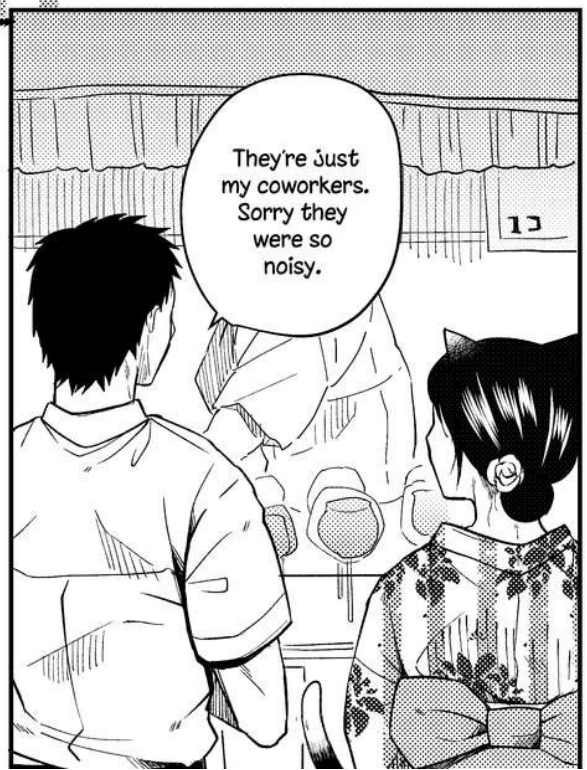

Yes...

Here.

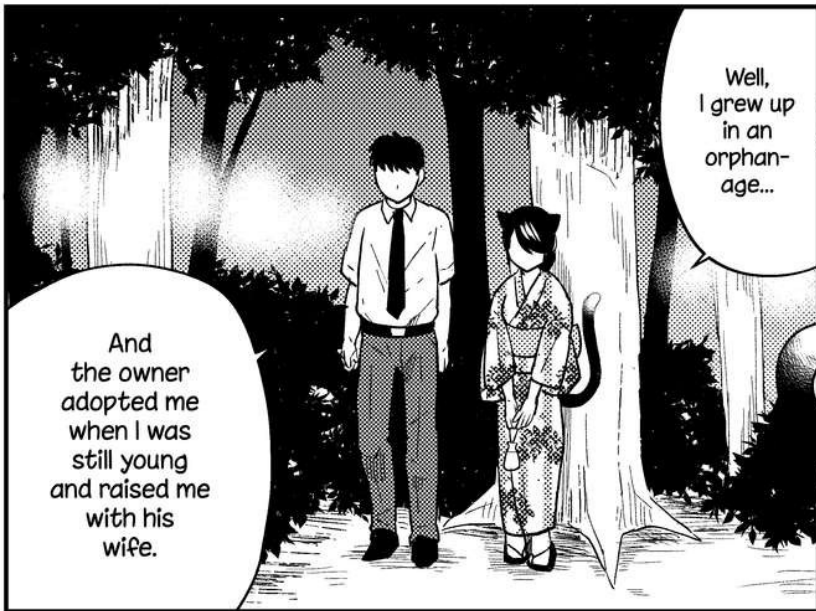

Let's take a little break.

?

They're just my coworkers. Sorry they were so noisy.

And the owner adopted me when I was still young and raised me with his wife.

Well, I grew up in an orphanage...

And these ears that I used to hate so much, I'm quite fond of them now.

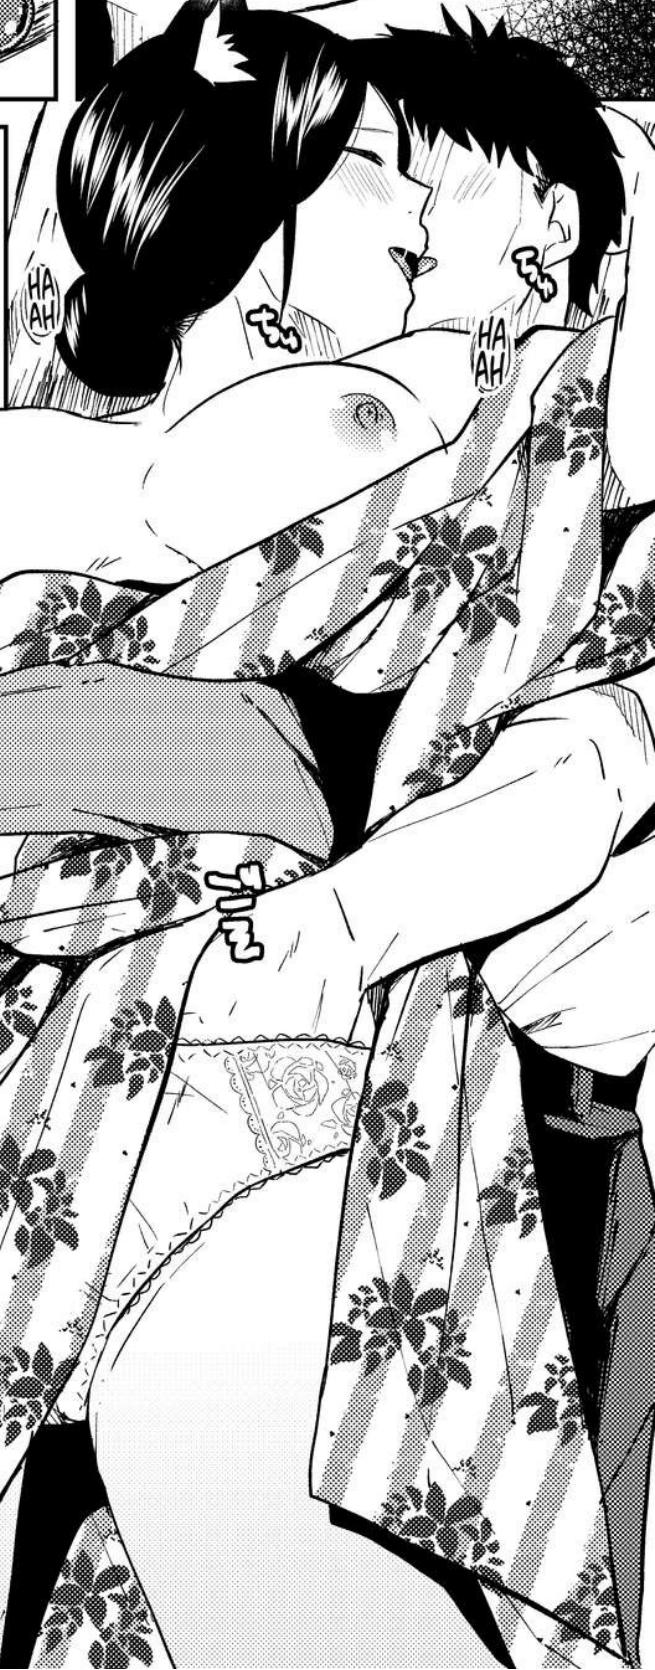

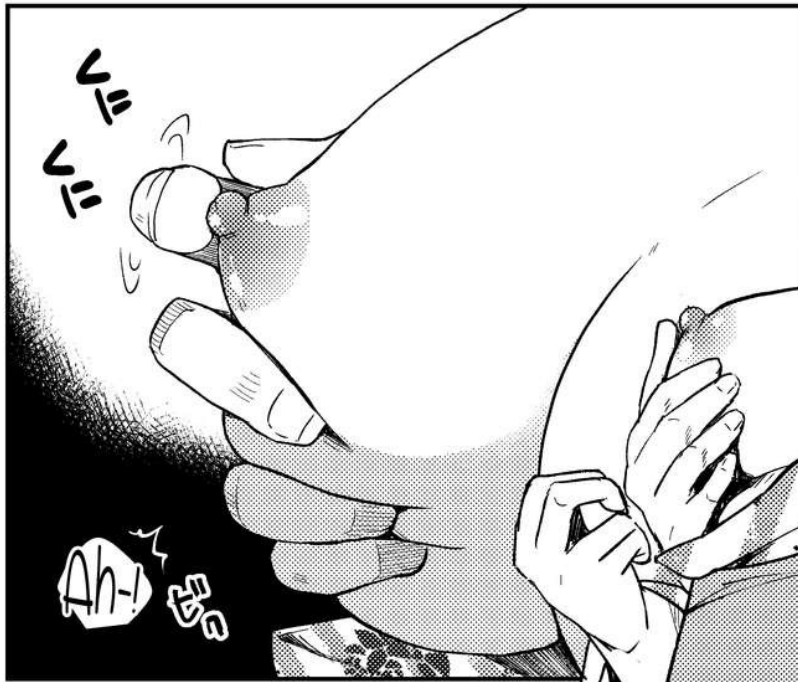

I see... I had no idea.

By the way, Sae-san...

How are you and the owner related, exactly?

I think...

Sae-san...!

I like licking this, too...

But Sei-i-san... You were the one who taught me about things that feel good.

You're sort of bolder than usual today... It's like a whole new side of you.

they'll give your

If you don't
mind, I'd like
to share the
goldfish I caught
today...
so would you like
to take care
of them
together?

Seiji-
san...

So,
could I
then,
per-
haps...

Come
visit you
when I
want?
