Well, I'm done
with this order.
I still have
another three
deliveries, but
I'm already
filled up with
cum, hehe

If you stick the whole thing in, it'll feel too good!... yeah, just like that... like that... ah, so good...

I'm about to blow my second load already

If you want to feel good, why don't you move your hips and fuck yourself on his dick? How about that, you're getting off on this, aren't you? Fuck, it's like you're sucking me dry, keep going

Mmm... it's like you're sucking it out of me... ah, drink it all

If you want to feel good, use your tongue properly for me, Sayama-kun

Feels so good...

How was it? You're already completely addicted, aren't you? What if we stopped now?

Stopped? No... no, I want more!

So much... What a good shot. Thank you for treating me well

Mm, can you get a clear shot? Okay, it's good

They're filming it from that building straight across from us

A slapping sound can be heard outside as they hide from others

Haa, no one would expect us to be in the hallway not wearing pants

Having sex here is really...

What if someone saw us like this? Wouldn't that be embarrassing? But it doesn't seem like you're worried about it, hmm?

I'm a guy, but, being fucked like this, unable to move,

Ah...ah~ I really like this position

Must be what a girl feels like

My asshole has become a cum dumpster

It's become a hole exclusively for cock!

from taking
deliveries

By the way, you and that girl that you introduced to me before, have you had sex yet?

Yep. We broke up before doing it

Huh? No way. Aren't you being too reckless and careless?

● REC

Going to buy drinks stark naked like this...

Having my lower half to be exposed by the side of the road is so weird, it makes me feel crazy nervous

(Even though we hid when they came, it's still so dangerous, and my heart is still pounding like crazy)

So annoying. It's not like I've never met a woman like that who only wants to have sex with me. it's just fucking until your lust is sated and that's all, I'd even be okay with a guy

Really? You would do it with a guy?

Yeah, haven't you heard? A guy getting oral from another guy feels amazing

Ah, really?

(But I actually got a boner in this situation!)

Sayama, what's wrong? Have you turned it on silent mode? You weren't discovered, okay?

Well then I'll leave first

But.... But... constantly vibrating like this up against my dick nonstop... it feels really good... it keeps going... mm... can we stop it now?

はあ

Hah... this is really too...

Since it's silent, you shouldn't get discovered, but don't do this at work! You won't be able to focus

Ah~ Even in front of the customers, I won't be able to stop myself from cumming

I... often sit
on this bench
with my son
to rest

How is it,
doing such
erotic things
in the garden
where you
take your son
to play?

We eat
snacks we
brought from
home... I've
never done
something
quite like
this...

I love the
shameful feeling
of having my
lower half bare
and my cock
exposed... I
haven't felt it in a
while... and you're
still filming...!

This kind of
first time
experience is
making my
heart race,
maybe this
feeling will
become a
thing for
exhibitionism
later, I can't
say for sure

I'll just say, my wife went back to her hometown for a bit because she just had twins, and she took them with her

Today we're filming at my house, welcome to my humble abode~

Although I cleaned, it's still a bit of a mess

Using this opportunity where your wife isn't here to bring these men home, what if you get discovered, eh, Sayama?

Today is special, lately I haven't been able to satisfy myself with just jacking off. The feeling of lust... tonight should be very interesting

Sex at home

This is work too!
And it feels amazing...
hehe

and you just came,
yet you're hard again
already!

You, a young working
father, are so desperate
for cock that you're
filming a sex tape during
working hours

Well then, I'm
gonna put it in now

Is this the blanket your family uses? Is this where you fucked your wife and got her pregnant?

But today I'm the one getting fucked! Cum in my ass and get me pregnant, please! I love cum so much...!

yeah, I had sex with her on this blanket... and I came inside her

Okay, then I'll cum in you...! Thanks. Ah, I went so far as to give you what you wanted, but now it's leaking out. That won't do. Be good and keep it in

I like it too...
the pleasure of
our tongues
tangling
together, I feel
it thrumming
through my
whole body

Getting a
handjob and
kissing at the
same time
feels
amazing...
ah, I'm
gonna cum,
I'm
cumming!

Okay, then
I'll cum
inside you

Lifting your
leg up and
fucking
yourself
back on my
dick, you're
so cute.... I
like kissing
you
