Afterword

Thank you very much for picking this book up.
I'm Teterun.

At first, I thought about making some kind of sports match sponsored by a certain vegetable person.
I even thought of some ideas for the theme of the match.
But I couldn't make the rules for it as erotic as I wanted yet, so this time I drew about what happened before the decisive battle.

It'll be the continuation of this story next time.
It'll continue with "the story of the demon lord clan".
I'd like to add ninjas to the mix, I'm getting excited about it.
