SORRY...

I THOUGHT YOU WOULDN'T COME HERE TODAY...

YOU'RE PRETTY LATE, SENSEI

OUIYAMA...

AROUND THE SCHOOL...

APPA-RENTLY, THERE ARE RUMORS ABOUT US

FUFU... BY THE WAY-

MAYBE THEY...

WILL FIND OUT ABOUT US...?
WHAT ARE WE GOING TO DO? SENSEI

W-WHY DID YOU DO THAT...

I JUST WANTED TO BULLY YOU LITTLE BIT...
OR SOMETHING?

AFTER SEEING SENSEI ALL ANGRY LIKE THAT... I JUST WENT WITH IT

NNHH... FOR NO PARTICULAR REASON...

N-NO... THAT'S NOT WHAT I WANTED TO DO...

FUFU... WHAT? ARE YOU TRYING TO SCOLD ME?

IF THEY FIND OUT ABOUT US...

T-THAT'S DANGEROUS!...

I
GUESS?

I REALLY
DON'T CARE
ABOUT BEING
FOUND OUT-

HAHH...

IT WOULD
BE REALLY
TROUBLE-
SOME...

NO...

UHM...

This work was released on the 31.12.2009 (C77) and was made available for download under the name [Mromantik XIII]. Due to some revisions, my local circle had to undergo some changes as well, but the content of this work is still the same, so don't worry. Also, compared to the printed version from that time the Digital Version is way superior, right? For example, the scene with the clear night sky following the afterword. I hope that you enjoyed this work.

26.01.2013

Fukunotsukuribe

The Afterword that was published at that time (partly revised edition)

Hello, everyone. Fukunotsukuribe here. "Nice seeing you again" to my fans and "nice to meet you" to my first-time readers!

So, how did you like the 13th volume of Mromantik? This time I tried in to fill in as many interesting things as I could but had barely enough space to fit in everything in these small pages, so it turned out to be a little bit hard to read some times, moreover due to that the usual 2 pages finish could not be implemented and several other revisions had to be made, but overall I think the story had a nice low and was quite enjoyable, don't you think?

Eeh-, noteworthy this time was the service part, don't you think-? Until now, the horrible drawings aside, my work always followed a certain order: [the boy gets abused], [cums], [only the boy is pleased], [End] which I found quite unnatural, so I thought, [Eeh? Ain't this an EroMaso doujinshi?] and questioned my own work afterwards. ...After a while, I've realized that I don't want to draw things like Reversal, actual sex-scenes, and/or Nakadashi. So what was I supposed to do? As I was endlessly worrying and continuing to struggle, I came up with this work as an answer.

Also, there's the background. I tried really hard drawing it. Please praise me for that. This time, the tone was a bit thicker and darker than usual, but I think it turned out pretty well for the most part, however, that was the only part where I didn't know how it would turn out until it was printed, so that was kinda scary.

Now then, this poor piece of writing was overflowing with space, so I thought about squishing the afterword into said space. Like always there's a short-story following the afterword. So if you already made it this far then you can accompany me to the very end of this work as well.
