エルフの私がオークなんかにデレるはずがない vol.0

★ Adult Only ★

What could it be ...?

That was a week ago... until suddenly, mom summoned for me.

The queen of Elmera, Rumelda was forced to step down from her throne. Her current whereabouts are unknown.

The orc prince Shigi ended up entering the castle.

The Elf Country Elmera has surrendered to the orc army.

Elmera's
queen,
and more
importantly
my mother
...

Beautiful
and pure
with the
kindness
of a
saint.

She's the
kind and
benevolent
leader my
people have
always
looked up
to.

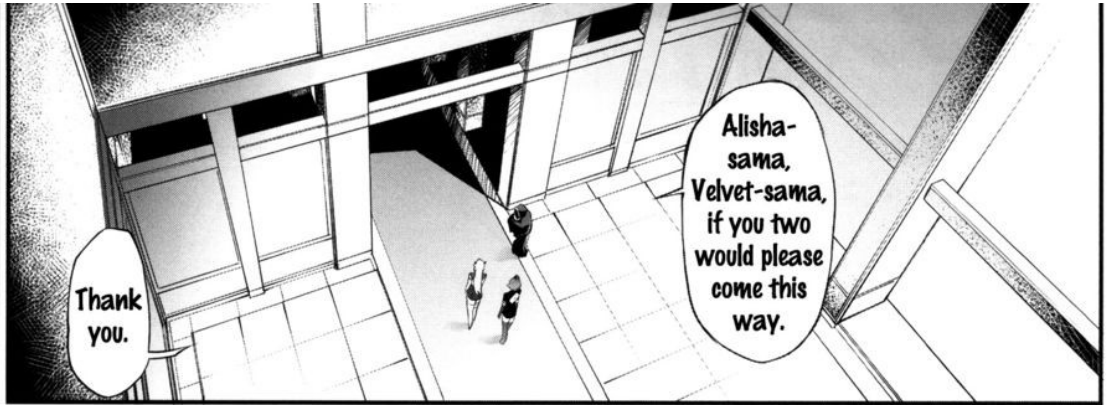

And as
her child,
she made
sure to
raise me
with plenty
of love.

If I were
to become
queen, I
wanted to
become
just like
her
...

Just
like my
mom
...

Never!

And if I
found out
these orcs did
anything
to her, I'll
never forgive
them
...

M-Mom!!
Nooo-ooo!!

OH!!!

OH!!!

cumming!
cumming!
cumming!

cumming!
cumming!

ツ

Sorry about this.

M
... Mom ...

Alisha ...

And after I had tasted orc cock, I could never go back to being with your father.

So I ended up having sex with any of the vassal races that were nearby.

and your father wasn't able to keep me satisfied.

But I was the queen.

Although the truth is, I didn't realize it myself until after you were born.

The truth is, your mother just really loves having sex ...

What do you mean ...?

Wh-What are you saying ...?

Also, you're going to be married to Shigi-sama as well now.

What I'm saying is that I married myself to Shigi-sama and these orcs.

Huh ?

Orc cocks really do feel amazing ...

More importantly. Look over here, Alisha.

So right now he's resting.

Shigi-sama has been fucking for 3 days and 3 nights straight.

Which one's Shigi? Which one?

That's right, so give me more of your ore cock.

Man, to think such a slut was actually the queen.

Ahh This is amazing. I love ore cock and this feeling of intimacy.

It's going to make me cum!

Your ore cock is so good.

They're both getting fucked! ♥

My ass and pussy ...

No waaay! I just came!

I wonder how it'll feel if I put it in the back hole right now, hmmm?

Sorry I'm not able to put it in your front hole, but ...

Aahhh
No way.
I'm so happy.

There is no
"maybe",
we're
doing
this to
knock
you up
after all.

They
really came
a lot inside
me this time.
You might
end up with
a new sibling.

Hey, look
Alisha.
Your mom's
pussy has
been filled
with orc
cum.

Come
on,
next
up.

No
way
...

No
way
...

We haven't
even stopped
fucking for
a week now.
You really
are quite the
perverted
queen.

Some-
thing
like
this ...

Is this really...

YES! YES!
OHUUUUU

Now then, you two girls.

You know what comes next, right?

Huh !?

My mother ?

Ah! You barbarians!

Get your filthy hands off of Alisha-sama!

I've just been itching to have sex with a young elf.

Stop !

Ahhh!

-Afterword-
Thank you for purchasing this doujin.
This time I wanted to try writing my own original story. If new characters
don't come out that I want to draw, then I think I'll just continue with this story.

For a while now, I've wanted to write
about a fantasy world with an erotic setting.
And not just elves either but female knights in bikini
armor, nuns, and various other things have been a source of interest to me.
While it might not make sense to include these things in
the next chapter, I think it would be interesting to see.

Especially lately though, I have had the strong urge to draw original characters over
already existing ones. I've had a fun time coming up with new ideas. It could also
be said that I couldn't think of a good parody idea and ended up using original
characters instead. lol

If it's an original story though, I'd like to get it close to 40 pages.
But I didn't have much time here, so I ended up coming up releasing a
16 page preview volume. Also, sorry there aren't that many volumes...
In the next volume, I will properly continue the story,
so I think I'll just leave the afterward at this.

Also, I have a special volume releasing for Wani Magazine in September, so if you
feel interested, please check it out.

Anyway, for making it this far and purchasing this volume, I'd like to thank you.

Until next time.
