夏休み どこ行つた?

Where did you go for
summer vacation?

初単行本秋頃発売予定!

みさおか Misaoka

First volume planned for sale in the fall!

What's
this?
♥

I need
to enjoy
myself
as much
as I can,
right
?

Since I've
got to start
working next
week I decided
to take a
little vacation
by myself.

It
was
in the
middle
of that
steam
that
some-
thing
new
began.

Yeah.

Did you come here with all of your relatives ~?

It seems he really likes to talk.

Over there~ she's busy talking to aunt Nami.

Are you all alone? Where's your mother?

H-Hello!

Hello boy. ♡

He's so cute ♡

It's getting close to the new semester, huh?

He keeps glancing over at me ...

Yeah ...

Yuuta!

I'm guessing you're the older sibling, right? What's your name?

Well said~ Are you on summer break? Is it fun?

Yeah it's really fun!

... Yuuta-kun, do you like breasts ?

Even though he's this small, he seems to be interested in breasts. ♡

He's so cute~
He seems to
have a shy side.
How
interesting.

Would
you like
to try
touching my
breasts
?

A-After
all I'm a
big kid
...

N-Not
really!

Huh
?

After all,
nobody will
see us here,
so feel free to
touch them.

I wonder
if I should
tease him
a little.

Don't
worry.
I won't
tell
anyone.

Since
nobody is
around, I'm
letting
you get a
good look.

Well,
how do
they feel
?

Umm
...
They're
really big
...
and soft
...

Wow
...

もい
ち

That's
right.
Feel free
to squeeze
them more.

う
ん
♡

Even though
his fingers are so
small, they leave
a strange
feeling when he
touches me
♡

Ufufu
♡

♡

If you want,
you can suck
on my breasts
like you used
to do for your
mother.

Okay.

Yuuta-
kun
sit on
my
legs.

Huh?
But
...

I was told
that big kids
don't drink
from breasts
anymore
...?

How are they
compared
to your
mothers?

Hmm
...

Hmm?
♡

I see.
♡

They
feel
stiffer
than
Mom's
...

た

い

But for
older boys,
it's fine to
suck women's
breasts who
aren't your
mom.
♥

You know,
when you
suck mine
milk won't
come out.

So your
little sister
took your
mom's
breasts
away, huh
?

I see
...

...
Really
?

Really!
♥

Nn
♥
Yes
♥

Ahh
♥
I'm
actually
getting my
breasts
sucked by
a boy I
don't even
know
♥

Yuuta-kun,
you're really
good at
sucking
breasts,
huh~?
♥

I want
to fool
around
with him
even
more

And he
really
is cute.

Yuuta-
kun,
you're a
good boy,
huh?

uwaa!?

Ah!
It's
getting
hard.

Huh?
Huh
!?

??

I wonder
if his cock
can feel
pleasure at
this age.

Sorry,
give me
a sec.

POKE

I just
couldn't
help myself
while I
waited for
you.
♥

Now
then,
let's
head
to the
futon.

How
nice of
you to
come alone,
Yuuta-
kun.

You're
making
me so
happy!
♥

Ufufu...
Such a
little
liar.

ズッ...

I said
I was
going to
go play a
game ...

So, how
did you
get here
?

Since
you went
that far
...

Ahh
ahh
ahh

It must
mean you
really wanted
me to lick
you down
here, right
?

I wonder
if we can
get it
standing
straight.

Here
♥

Don't worry. That stuff is called sperm. It feels good when it comes out, right?

Oh wow, I got his first ejaculation.

Sperm...?

That's right. Felt good, didn't it?

Nn... It was really shocking but it did feel good...

Then next up will be...

Trying
to shoot
out more
of that
stuff
inside my
pussy.

いっぽっ♡

I'm
going to
take his
virginity
as well.

I'm going
to swallow
your cock
right up

Make
sure to
get a
good

me.
♥

From now
on, this will
just be
our little
secret...
Okay?
♥

Yeah
...
It was
amazing
...

That
felt really
good, didn't
it, Yuuta-
kun?
♥

Want
to stay
with you
forever
...

...!...

I promise.

Really?

Now then, you should hurry back before your mom starts to worry.

...
Okay

You know, if you keep this secret like a good boy... I have a feeling we'll definitely meet again in the future.

I feel the same way, Yuuta-kun.

Yoshikawa-sensei is off on maternity leave ...
