

You know
it wouldn't
cost so much
at the store if
we didn't buy
the premade
stuff?

Blonde hair, blue eyes,
and large breasts are super
moe!!

Geez...
And all
you eat
every day
is sushi
.....

Hey

I bought
some
food

A cultural
exchange
filled with
sex can
contribute
to world
peace and
famil
happiness
!!

Is it
because
you don't
want to
eat it raw
...?

Leila
!?

Man
you
foreign-
ers...

...
Uwoo
!?

At least
put on
some
clothes
before
you eat
!!

My step
sister Leila
and I have
been living
together for
a week now.

The
light
blue
eyes

And the
blonde hair
both mother
and daughter
had...

My dad ended
up having
a second
marriage and
the woman he
married had
a daughter

But
what
wasn't
normal
was
...

Listen
Leila

You might be
able to walk
around naked
in your own
country just
fine but...
Japan
is
nothing
like
that.

Although
we make
sure to
wear
clothes
when guys
are over.

That they
had a habit
of walking
around the
house nude
But the
really
strange
part was

Well
I'm not
really
interested
but...

Wouldn't
someone
like you end
up getting
raped pretty
easily?

What
would you
do if a
thief broke
in?

Well...
It makes it
even harder
to point this
out when she
doesn't
understand
what I'm
saying...

Where you
become their
slave as you're
forced to give
birth to their
kids...

These
kinds of
things can
happen in
Japan, you
know?

They could
even kidnap
you and sell
you to another
country

Anyway,
I don't
even know
what
country
you're from
Leila...!

At this rate, some bad guys will end up taking advantage of you someday ...

This isn't good. She's just relaxing out in the open but ...

きゅんきゅん

きゅんきゅん

I'm squeezing your breasts now~?

Hey Leila-chan?

きゅんきゅん

きゅんきゅん

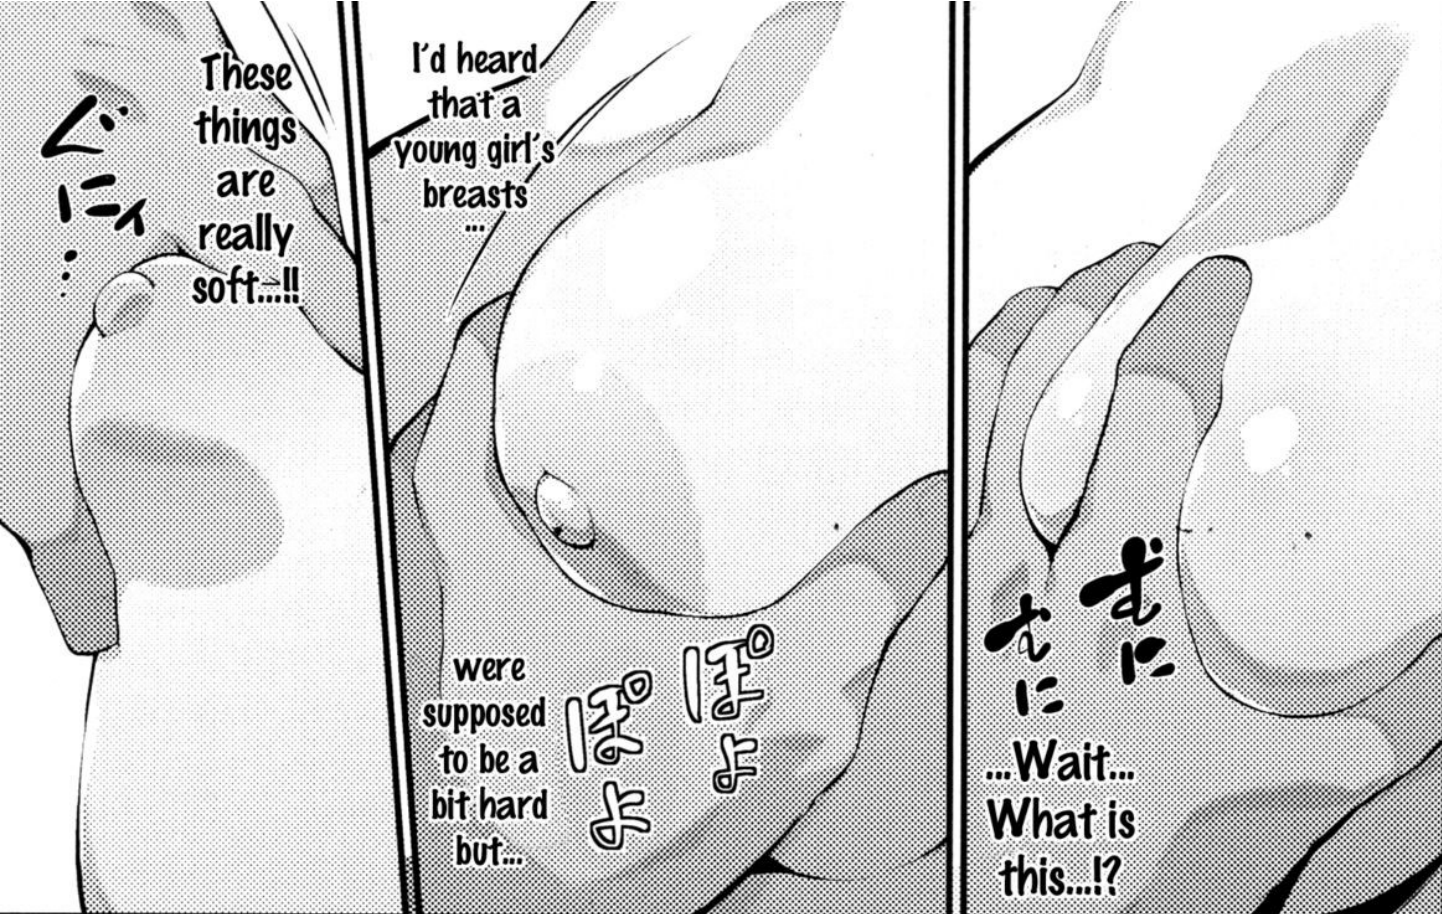

きゅんきゅん

As an adult ...
As her stepbrother ...

I need to teach her through experience why it's bad to lay around naked all the time!

If she can't understand through words then this is all I can do ...

I'll just have to teach her Japanese common sense...!!

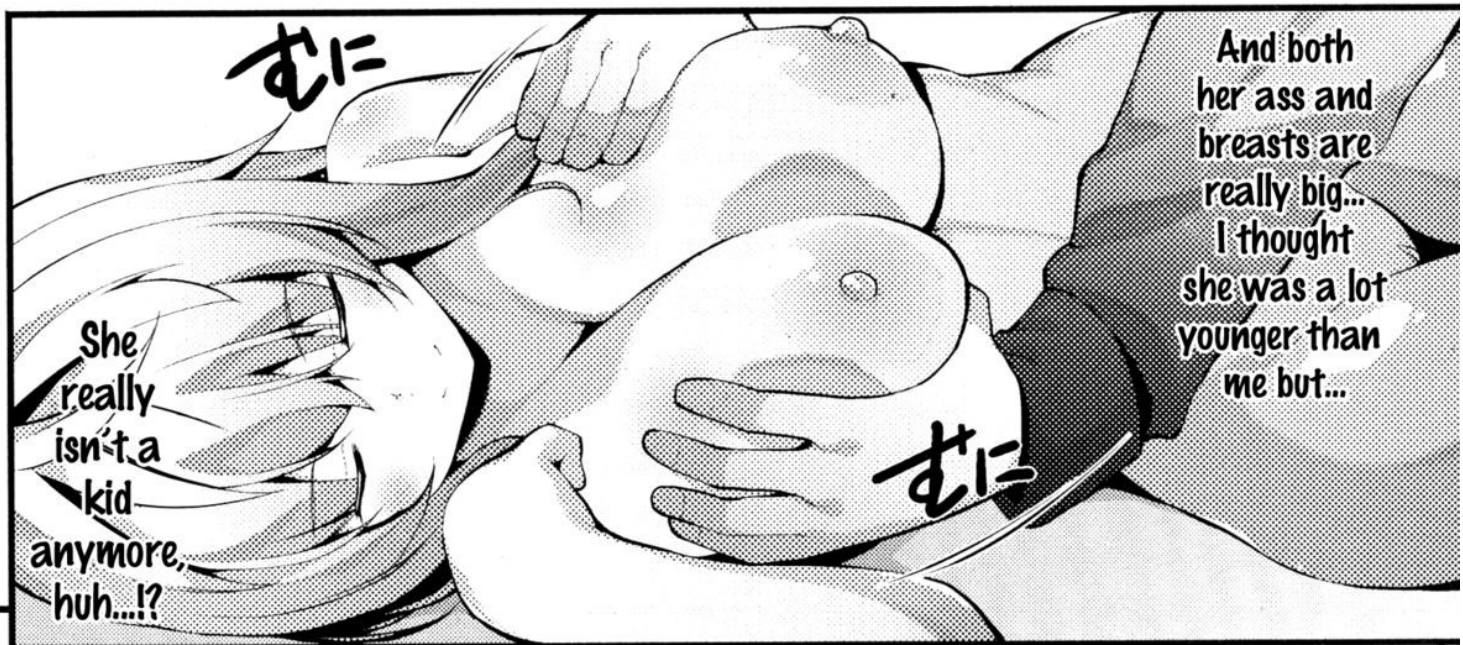

Huh...
Wait?
Don't tell
me this
is...

おにい
さん

Just what
have you
been teaching
your
daughter
...?

Elena-
san
...

She
really
isn't a
kid
anymore,
huh...!?

And both
her ass and
breasts are
really big...
I thought
she was a lot
younger than
me but...

おにい

おにい

おにい

No, I'm
sure there's
times when
doing this
for your
sister is
okay...

Uwaa
Could it be
I've really
crossed the
line now
...?

No, I'm
sure there's
times when
doing this
for your
sister is
okay.....

They're
getting
erect
...?

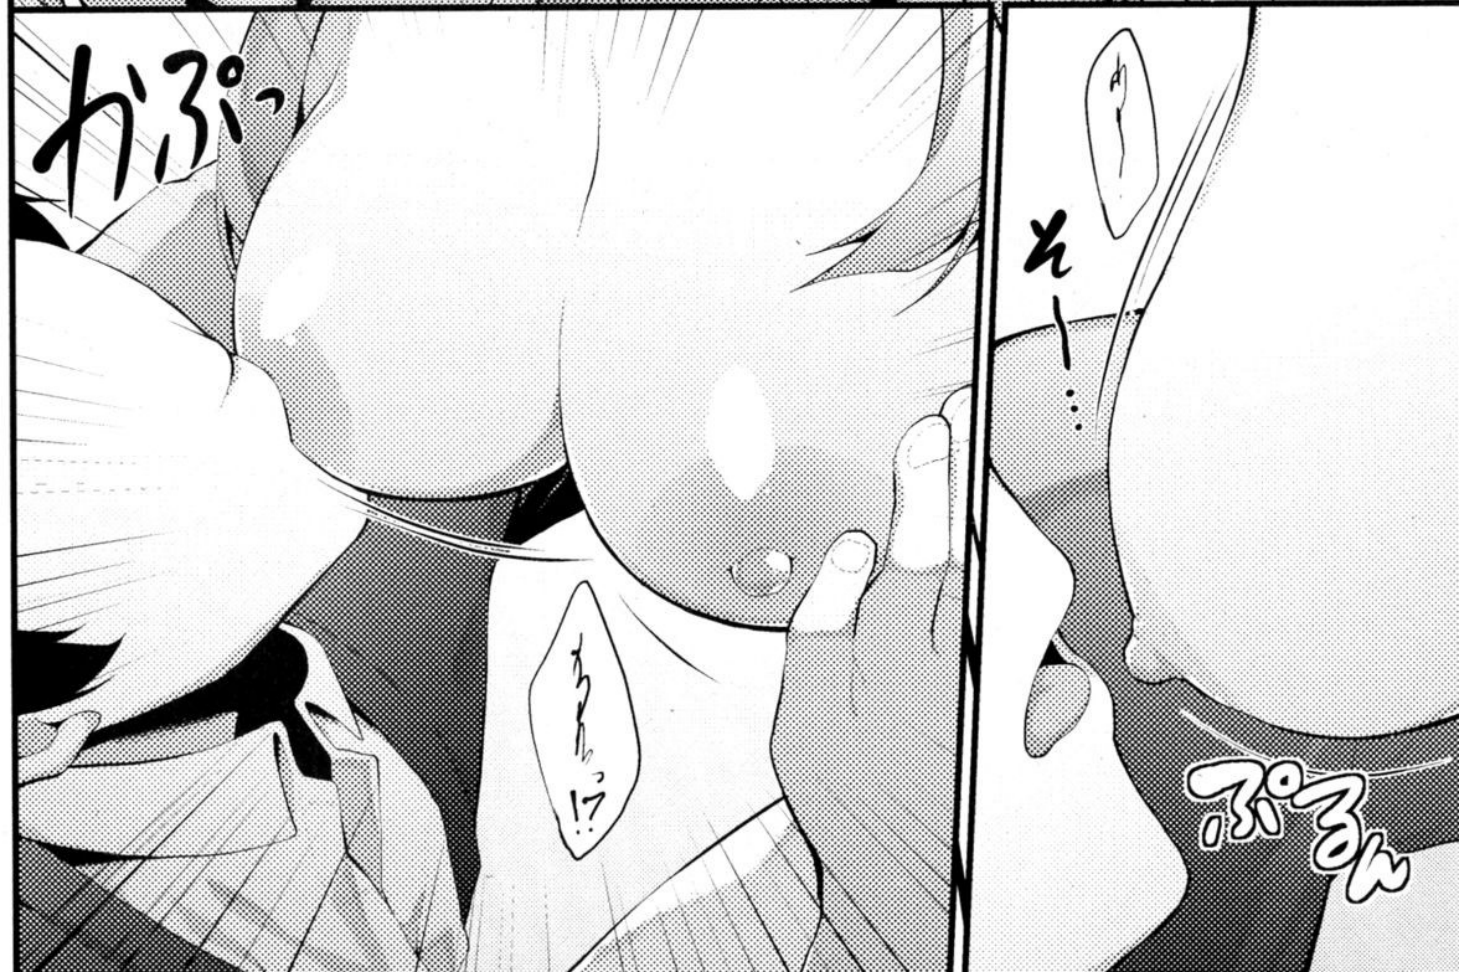

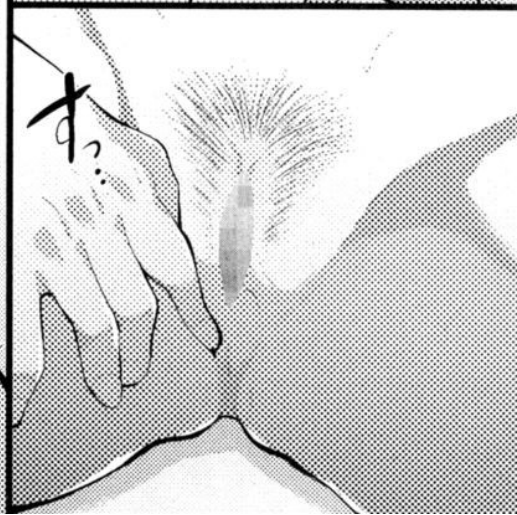

Her
nipples
.....

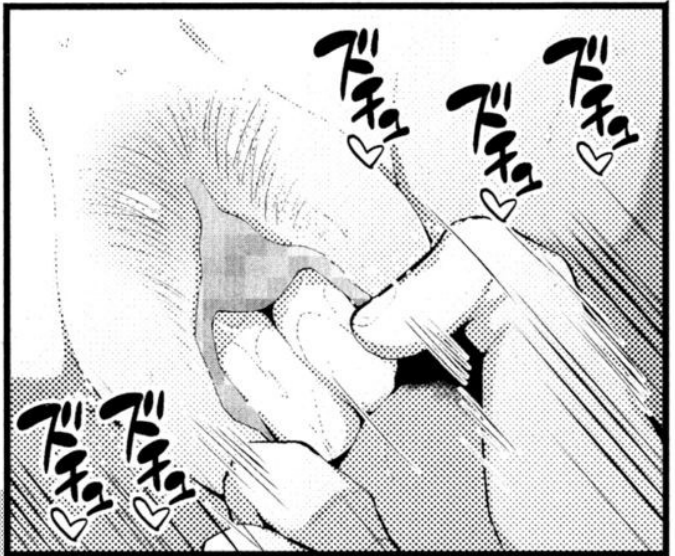

I don't really
get why that's
happening
but...

It seems
she's starting
to get turned
on like a
woman would
.....

If
you keep
making
innocent
looking
reactions
like that
...

I can't
hold back
anymore
...!!

SLIDE

My filthy
cock is
actually
inside her
...!!

I actually
did it...

I'm
inside
.....!!

Inside
the pussy...
of my
stepsister
who doesn't
even know
any better
...

This feels... amazing for me too...

That expression... it looks like it feels really good for you, huh?

Your pussy is... squeezing down on me so tightly.

Don't worry, your step brother will be sure to let you feel even better with his cock.

...Wait... That kind of defeats the purpose, doesn't it ...?

I'm about to... cum... inside you ...

If you end up getting pregnant ...

..... I'm sorry

Put on some clothes and head off to bed already.

If you've got it then ...

Then these kinds of things could happen, you know ...?

If you keep walking around naked
