I'm getting hungry just by looking, and it's getting unbearable ♡

I called your voice unintentionally ♡

Ufufu~ Sorry, did you deceive me...? If you're looking for a prey tonight, you'll see... ♡

The continuation will be in my stomach ♡

I was thinking of going out a little longer, but I can't resist anymore

You were delicious,
as I
expected ♡

Ah... ♡

Digesting you
will take a
while, so
please make
yourself
comfortable in
there

Oh no ♡
So much
struggle ♡

Two or three
more people
should be good ♡

But I'm still
not fully
satisfied yet ♡

だぼ ♡
ぽん

One
hour
earlier

Maybe I
could eat a
child without
it being
noticeable,
even if he's
struggling
for a while
♥

Looks like
they are all
enjoying
some
delicious
meat. I can't
wait
anymore...
♥

Ufufu~
Everyone
has gotten
skinnier
this
summer

Oh my!
Looks like
I found my
prey for
tonight ♥

Hey, onī-san! ♥

No, apart from...

Have you seen my child by any chance? He wears a kimono similar to mine (I do not have such a child ♥)

If you're not in a hurry, would you mind helping me searching for him? ♥

Sorry, but you can't get out of my belly

Damn, so much struggle!

Please be patient

There are still people waiting to join you

But now it's
too late,
you're
about to
become
dessert ♡

I told you
you
should
have run
away... ♡

Well then,
itadakimasu~ ♡

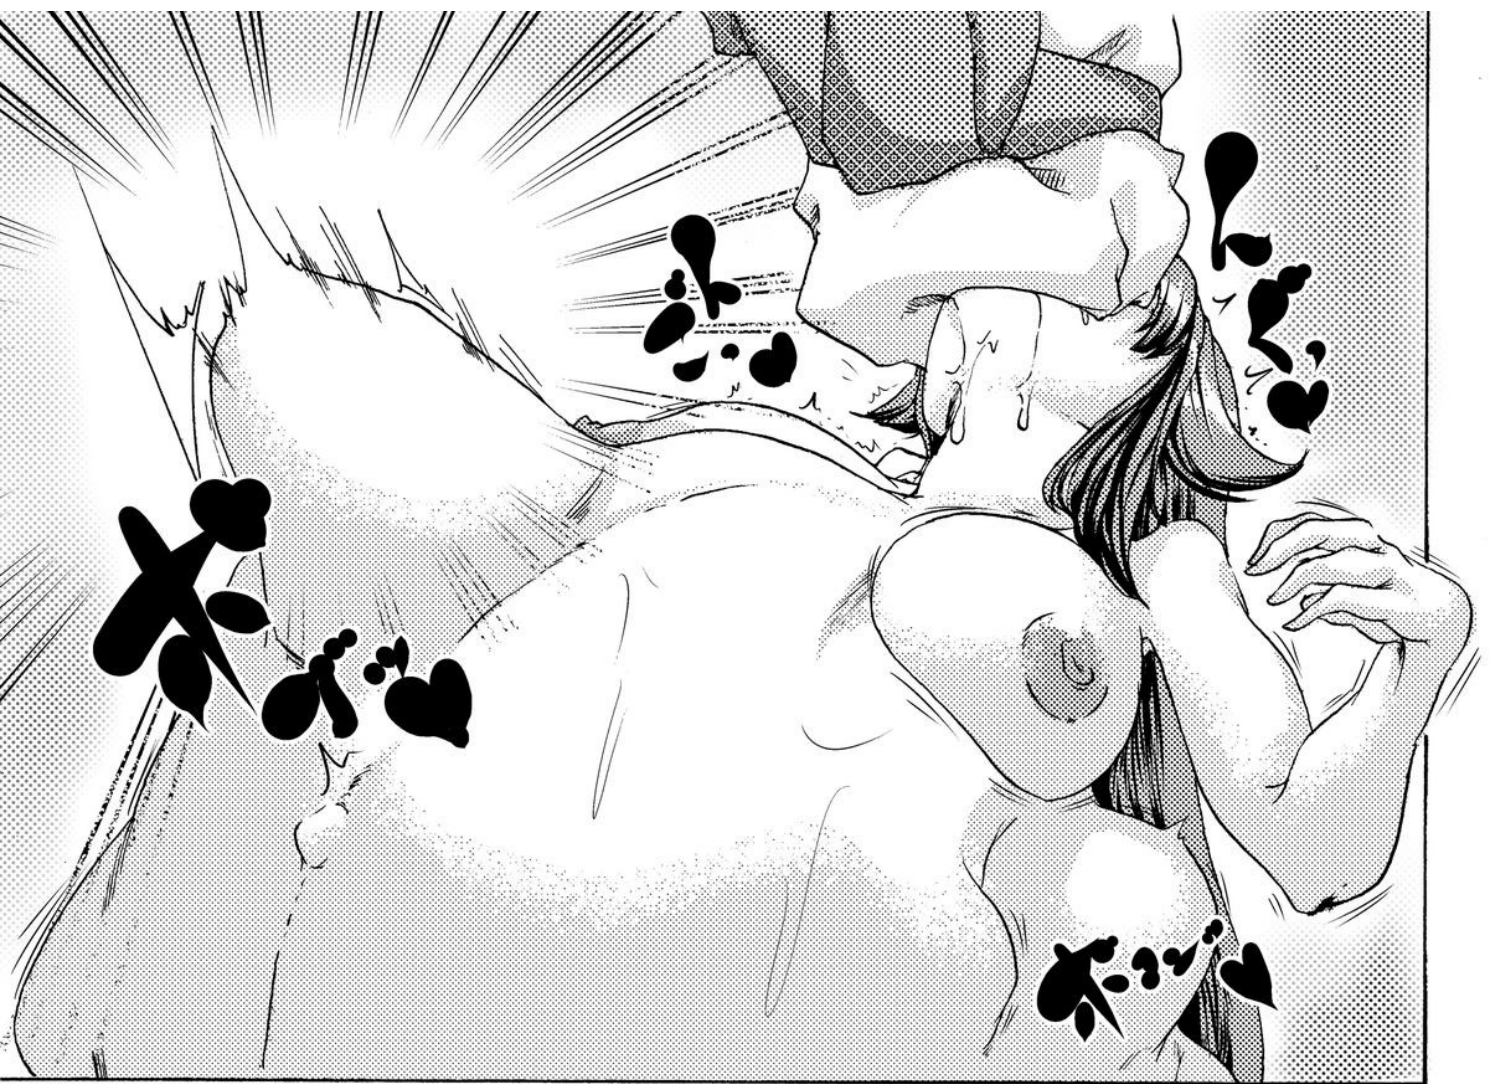

あ！ ♡

S-Stop...

No...

Everytime
my stomach
moves, I
feel
comfortable
and
throbbing ♥

Ha ha... ♥

Just as I
tough, you
made a
delicious
meal ♥

おほおほ

You will be scrambled in my stomach ♡

Your head will melt and your consciousness will fade away

What is this?

Oh, my belly!

The
stimulus
is too
strong
♥

My
stomach is
absorbing
at a
stretch

My
prey is
filling
my
boobs
♥

Oh
no, I
swell
like
that!

Come
on ♥

Ah...
♥

Ah...
♥

It
finally
stopped
... ♥

I already have
boobs bangs

Well...
♥

Hehe
♥

Still
in the
middle
...

In
and
out
♥

It's time
for
everyone
to get out
from my
mouth
below ♡

Happy
birthday
♡

Stopped
and
stooped

at
last

だっ♡

Oh my
gosh

My breasts
are
overflowing
and I can't
stop it

Whenever
my breasts
come out,
they
achye
and get
out again

Plus...

どっ♡

I might be able to swallow him whole even with this belly and these breasts... ♡

However, thanks to digestion, some people are likely to run...

My stomach and breasts have bloated so much like this ♡

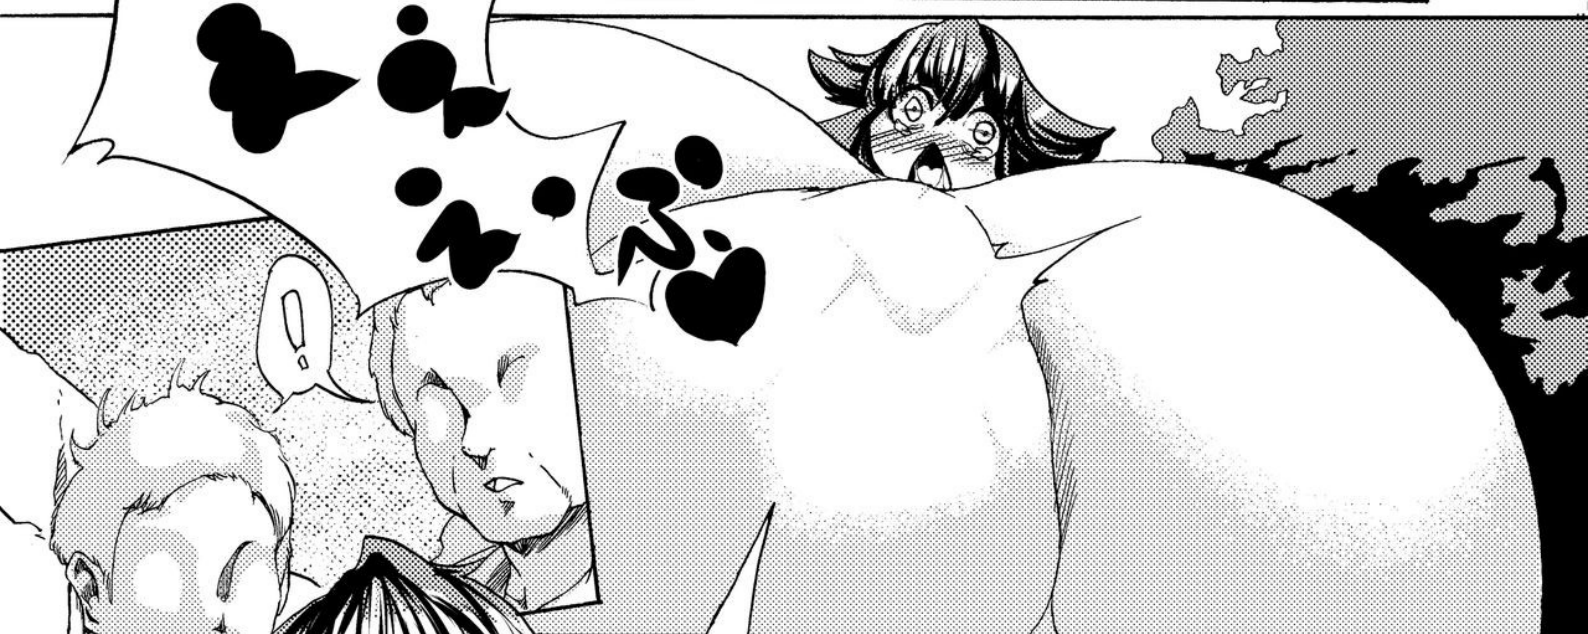

... What the?! Oh, my stomach is...

If I see a child, with these big boobs

I will lure him into the alley ♡

Well, this is too bad...

I'm sorry but it's been too long

There is still some of this girl's remains left in my stomach ♡

Tomorrow ...

I'll definitely come to the festival again ♡

どうも、狂華改め吟提狂華です。

今回はこのサークルでは三冊目になる本で、うちの子である雪乃ちゃんを主人公にした作品となりました。

ネタ自体は実に4年間温めていたもので、書き直した回数はページによっては10回をカウントしているものもあります。

スケジュールのほうもトラブルやイベントが続いたこともあり今までの作品の中では最も大変なものでありましたがいまこうして奥付をかけていることに一安心しております。毎回戦争だネ。

さて、4年前のオリジナルストーリーを尊重したために今のキャラクター設定からはいささかずれている部分もある今作の雪乃ちゃんですが、できる限り好きなシチュエーションを21pの中に詰め込んでみました。が、残念ながらおさまりきらなかったあんなストーリーやこんなシチュエーションはまだまだあつたりしますので、また機会があればよりパワーアップして、スケジュールに余裕をもって参加したいですね。

それではディープでマニアックな世界、今回はここまででお開きとさせていただきます。

次回はどんな話を描こうかな！

と、言いたいところですが夏コミで掲載できなかった3Pがおまけでついております。もうちょっとだけ続くんじゃ・・・

He was
very tasty,
and his
dusky skin
had a nice
scent ♥

That
child
would be
my stupid
Naka ♥

Where

child
who was
here

No ♥
I feel good

If only you
