

Light...
Freedom...

We were
utterly
destroyed...
I lost
everything.

That day,
humanity lost its
battle with the
eldritch beings.

CAPTURED BY
THE HYDRA, THE
PRINCESS FALLS
FROM WOMAN

Deep Ones

You'll become
my servant,
just like any
other female.

Even though
you were once
a beautiful,
high-class
woman once...

You know,
don't you?

What
are you
planning,
Hydra!?

Fufu...

How
strong
of you.

I like
that.

Kh...

I have
nothing
to say to
you!

How do
you feel,
Lady
Adel?

My...my
breasts!?

Now that my
special harness
made your
body into
something so
obscene, does
it feel good
for you?

what a
good spray.
You really
are an
impressive
princess!

This
is...

Nh!
Ah!

Nh!
Ah!

Nh.

Nmm.

Stop
it...

Hii!

Ah...

Nmm...

An amazing
gift for me to
suck on...

Such a
large, lewd
nipple right
there...

Ahh!
Ah!

No!

Ah!

Hii!

Wh...
What is
that?

They drink
the lewd
fluids of
women,
sucking
them up
until there's
nothing
left...

!?

And use them
to make eggs,
giving birth to
the next
generation of
deep ones from
inside the body.
You could call
them "Lewd
Fish".

Ngh!

Do you see
them?
Writhing below
you, the shape
of the deep
ones...

You'll be
a mother,
forever
giving birth
to more Lewd
Fish.
♥

You'll be fucked
by them, over and
over, until your life
runs out...

And from
now on,
Lady
Adel...

Ah...
So
good...
♥

N-no way!
She must be
joking!

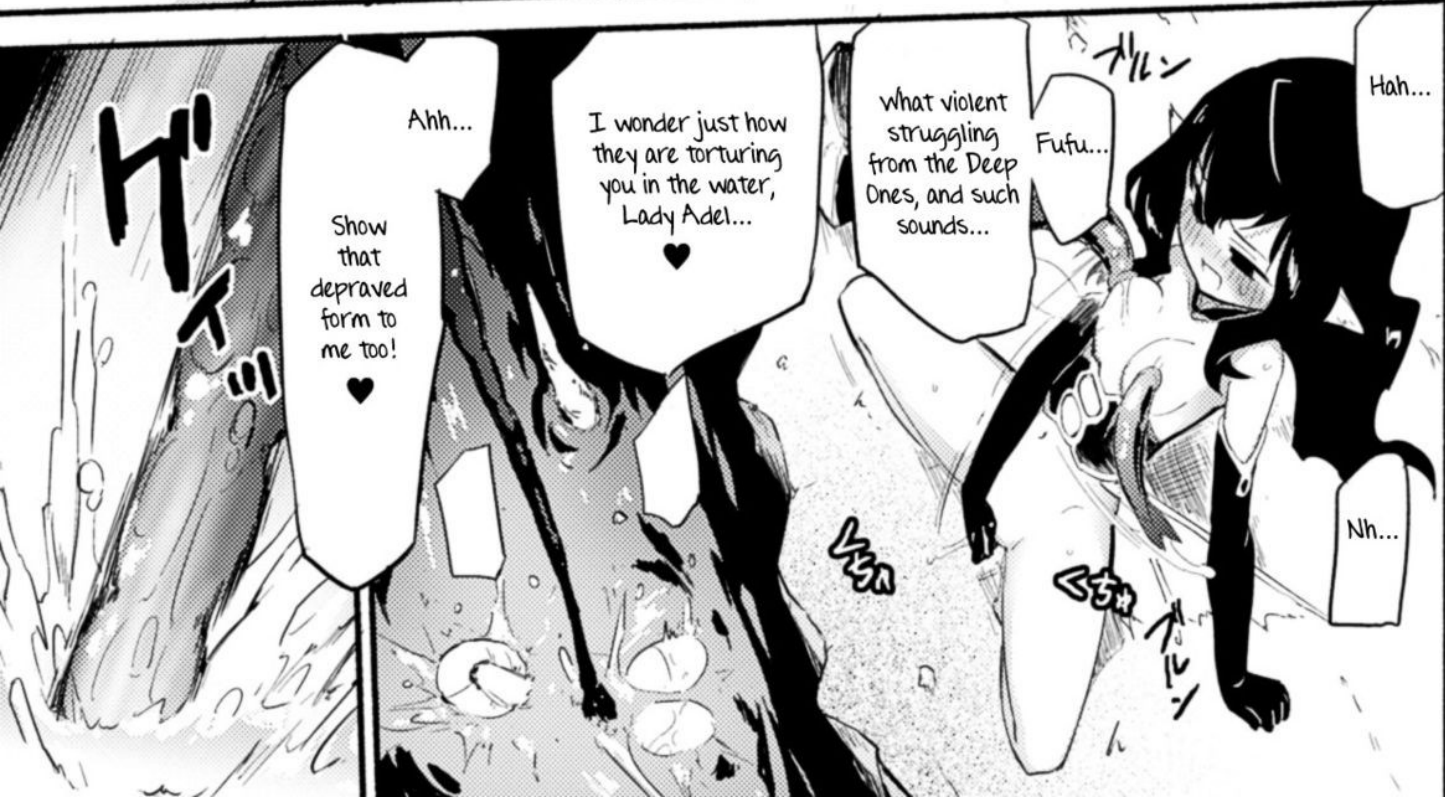

Ah...

Hah...

Look!
Like
this!
♥

What a filthy thing you've become, Lady Adel...

You and the Lewd Fish are indulging in each other's bodies...

No!

So now, cum for me. ♡

St...

Sto...

Nn...

Nhh!

Nh!

Nh!

Mh!

Ngh!

Fill
yourself
with plenty
of their
eggs!

Now,
princess...

If you
become a
mother, they
will like it
very much
too...

What a
wonderful climax
that was!
I see the
princess likes
the Deep Ones
very much...

Are those eggs!?
Are they really...
are they really
going to put their
eggs in me!?

Those...
Those fish
with the
bumpy
stomach...

Please,
stop it!
Don't!
Noooo!

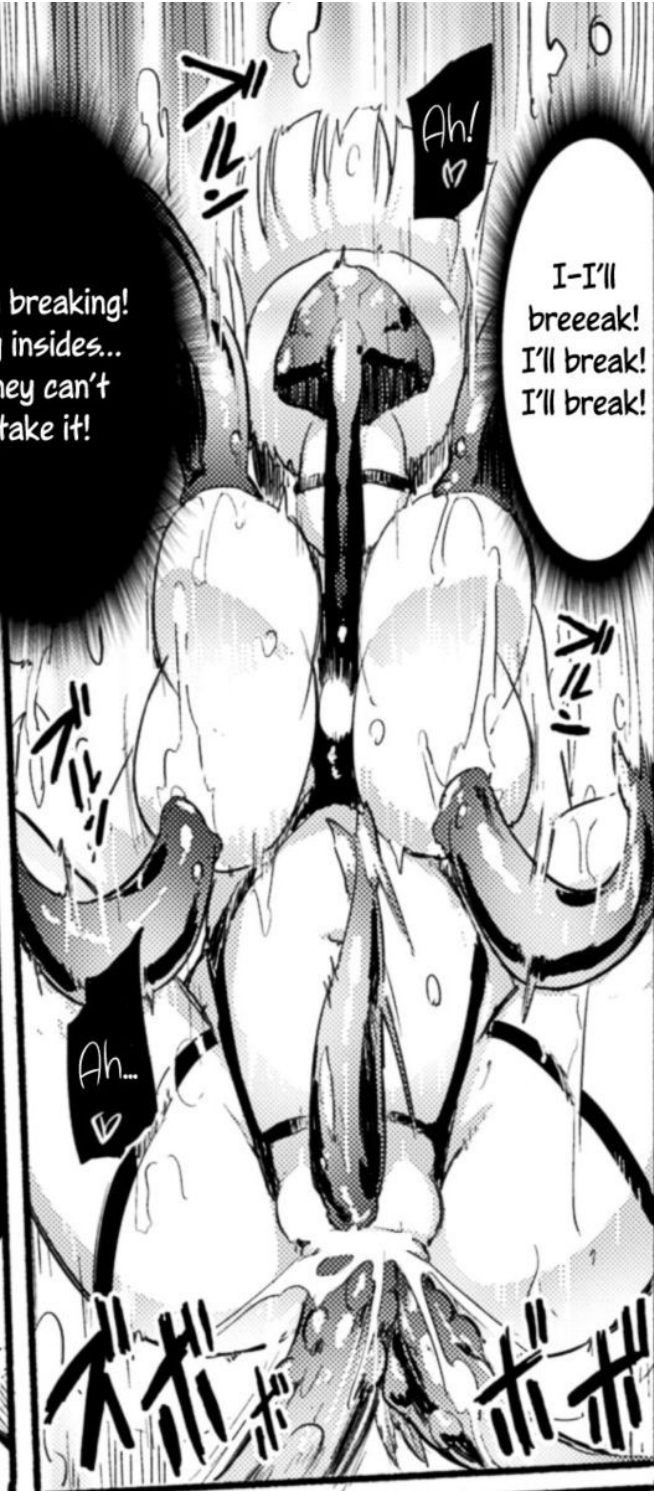

Stop...
Stop!

Nh...

I'm breaking!
My insides...
they can't
take it!

I-I'll
breeeak!
I'll break!
I'll break!

NH!

NGH!
NHH!

NGH!

Now then,
time to go.
We shouldn't
keep the next
group of
Lewd Fish
waiting...

good?
