※THERE ARE BREASTS FROM BEGINNING TO THE END, I REALLY WANTED TO DRAW THEM...

Foreword

Good day, I'm peachpulsar from Mira.

A long time ago I got to draw a school club yuri story in the Ao Yuri anthology book, but I've been thinking "I haven't drawn that many club-related things, have I? Interesting...". And then I needed to vent out all the crazy fantasies as fast as possible. (This is essential) Also, I made this so there was no heavy penetration involved in any of the club activities. (This is essential too) If you were looking forward to this, I'm very happy.

And as for the collection of short stories, the truth is I wanted to add even more clubs to the mix, but I didn't have nor the time or the willpower to make it in time to add more, so this is it. I wanted to add a culture club, I hope I can add them in the second installment of this.

That's all, enjoy...

2012.12.31

On a day the advising teacher wouldn't come.

Summer vacations.

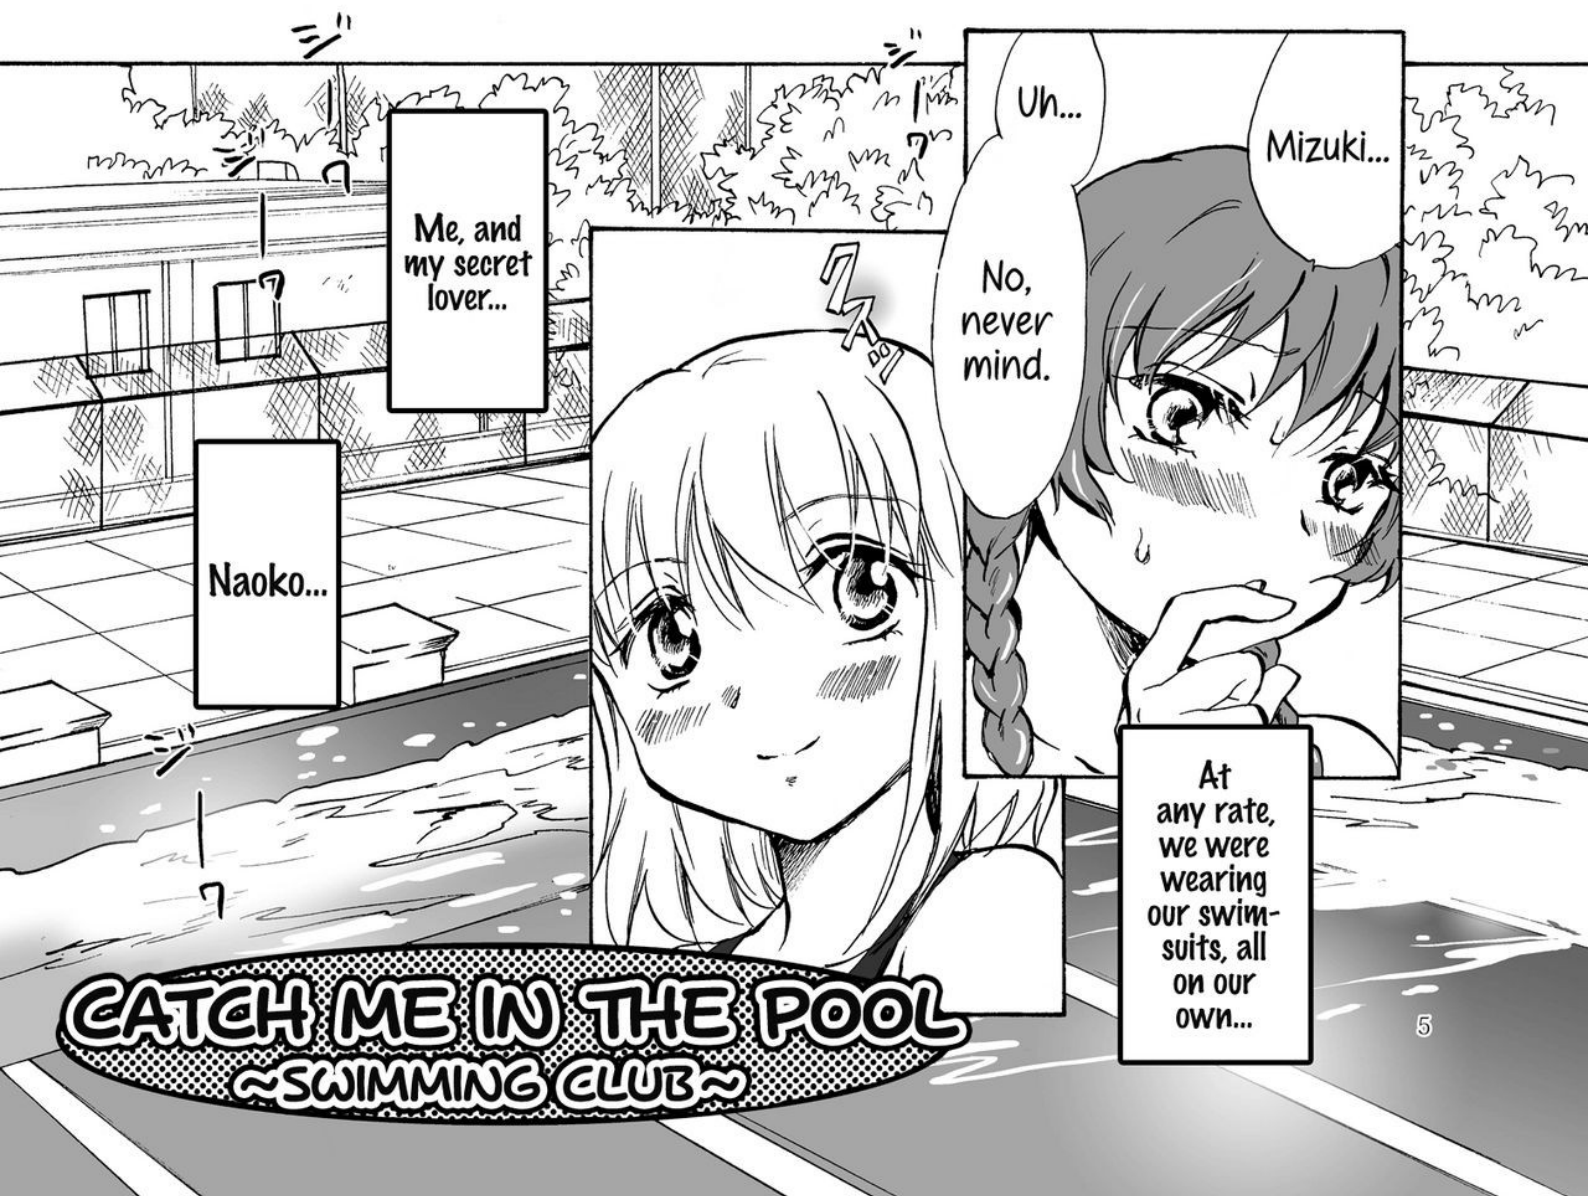

The truth is we shouldn't swim, but...

I was given the key and all.

Yup, all good!

Are you sure about this?

Hey... Mizuki.

Me, and my secret lover...

Naoko...

Uh...

Mizuki...

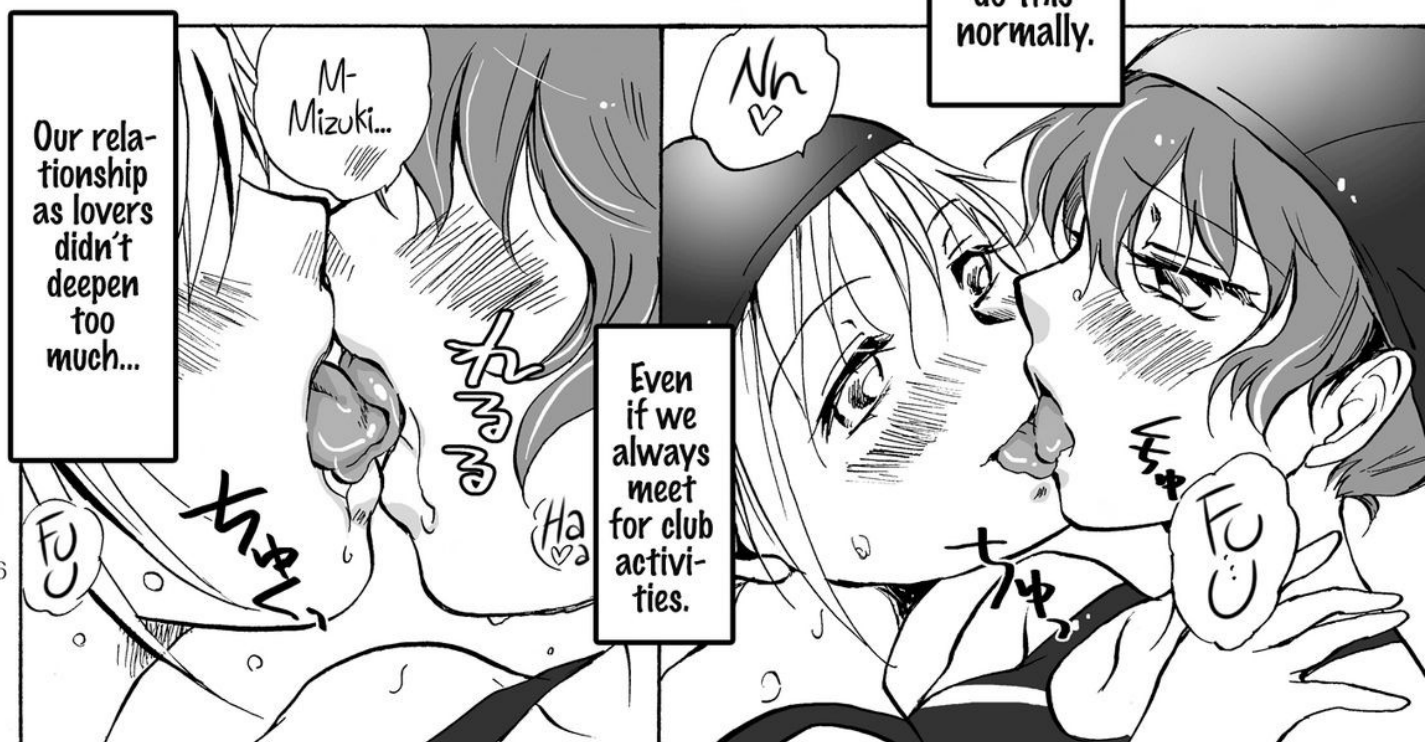

No, never mind.

At any rate, we were wearing our swimsuits, all on our own...

CATCH ME IN THE POOL
~SWIMMING CLUB~

Because we don't get to do this normally.

But I'll catch her today for sure.

This is the chance I prepared myself for. I don't care if I get an earful from the teacher after this!

Naoko's shy personality is the real problem here.

This is my chance!

Ah!

Did we get faster?

You got faster for sure.

It would've been nice if I recorded that time just now!

You changed gears fast, huh?

I can't hold it back.

I don't mind being a bit over-bearing.

I want Naoko.

Nnn!

Nnn!

I love you.

I want to touch you.

Sorry... but...
I'm really happy...!

Don't say it!
It's embarrassing...

Can I...
touch some more?

N-
Noo!

This is amazing, I can even tell how wet you are underwater.

What should I do?

I'm sorry...
Naoko...

Maybe I was too... pushy...

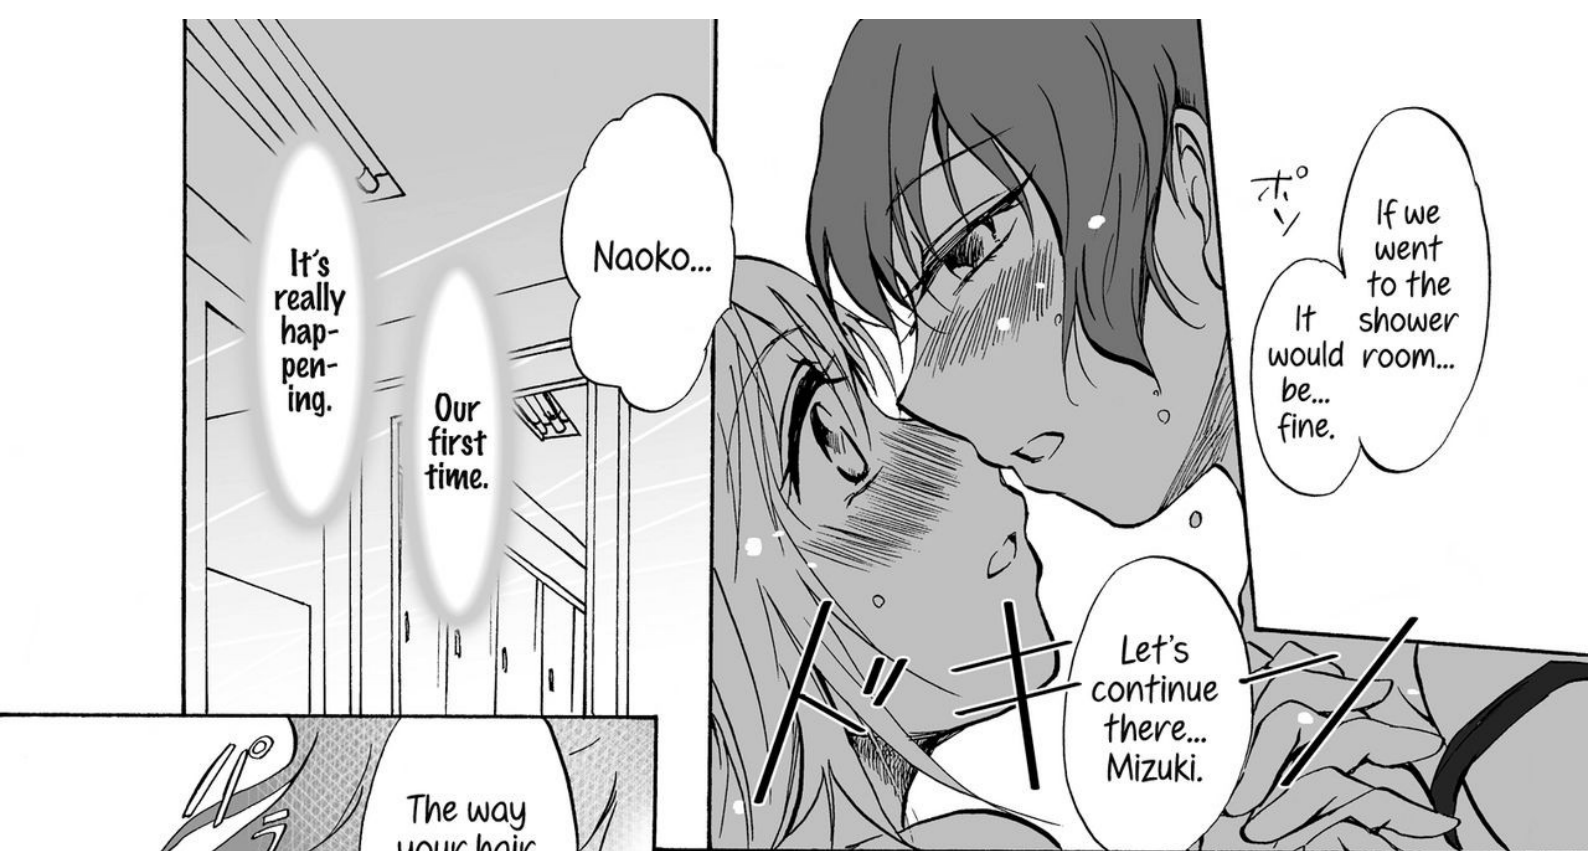

Maybe I harassed her too much...

Ah! S-Sorry!

The water will get...

Inside me...

It's really happening.

Our first time.

Naoko...

If we went to the shower room...
It would be... fine.

Let's continue there... Mizuki.

The way your hair goes down is so cute...

Naoko.

I love you...!

Mizuki...

I love you too...

Our wet bodies sticking against each other.

So hot and tender...

Feels so good...

KYAH!

BOOB STRIKE ~VOLLEYBALL CLUB~

This is no-thing to laugh about!

I'm not that good, ahaha!

It's even hard for Ayuho to receive from you.

Kyou's attack is really some-thing.

That hurt, Kyou-chan!

S- Sorry about that, Ayuho.

I crashed it into your bonkers again.

Don't call them bonkers!

My eyes are drawn to them right away. You could say they turned into targets.

Eh!?

Well, you see...

Not receiving it properly ticks me off much more but...

Geez... Why are you always hitting my chest?

I'll put some fire into this one!

Okay, one more time.

Come!

BOING

Her reactions are so fast it seems she can predict where the ball will go.

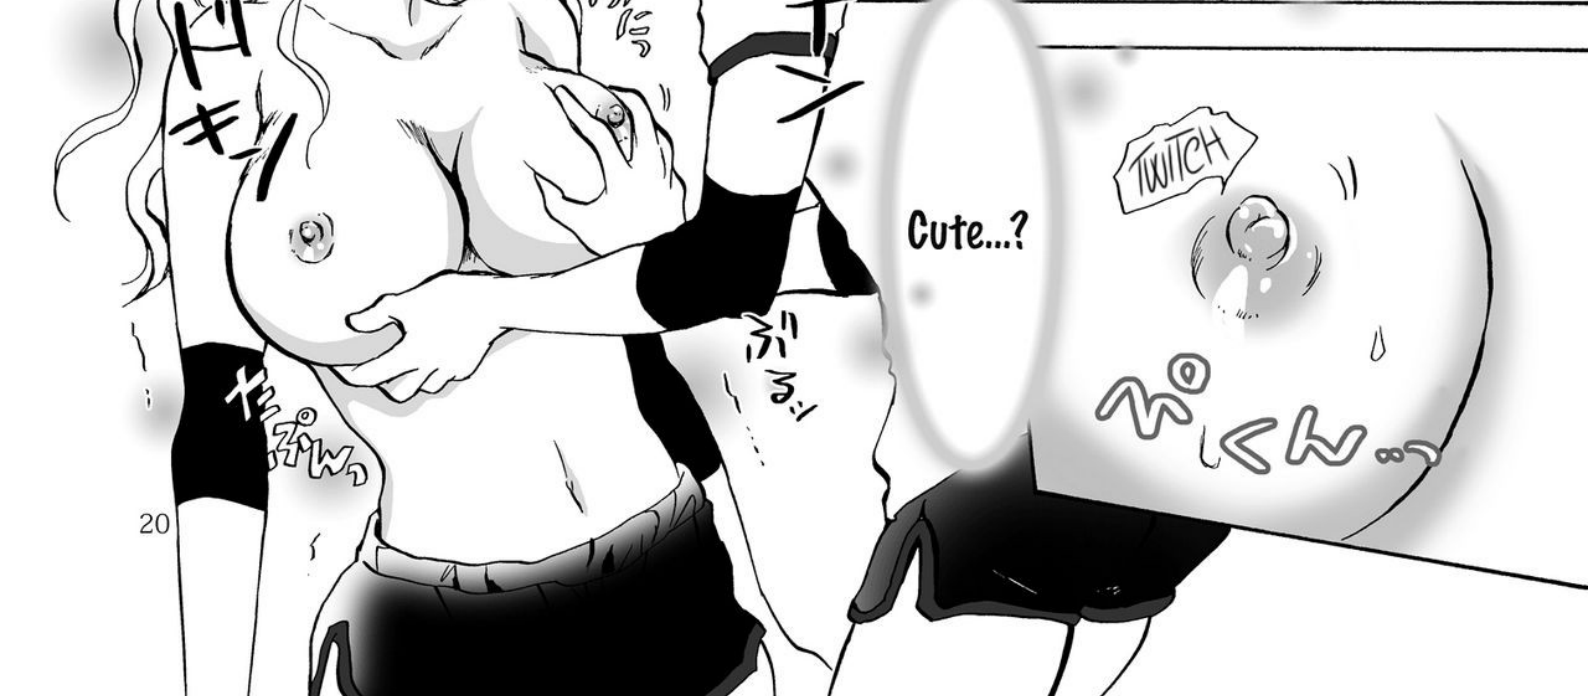

Ayumu's my receiver.

But whether her huge breasts are in the way of her game or not remains a mystery to me.

Nice catch!

Oh, Amazing!

...This is a problem, what should I do?

...

My under-classman.

(PANT)

(PANT)

This girl is Ranko, first-year student.

Even then, she has some real ability, she's a girl that does her best.

I take my hat off to her in that regard, but...

She got in trouble with the other club members right away.

She's a beauty with a nice body.

Are you stupid or something?
Heh~

Eeh?

THE SECRET AEROBIC CLUB
~GYMNASTICS CLUB~

You're a real worker, and you're pretty good,

It would be nice if she was always this sweet.

Her eyes are tearing up, she's getting cuter.

What is it? Have something to say for yourself?

O-Of course not! Why would I have to!?

I didn't want anyone to take you away.

Everyone...

Just goes on and on about Kaoru-senpai...

Saying how cool you are.

I had no option but to badmouth you!

I can't help it...!

There's no way I could hate you!

So you didn't hate me...?

What was that just now? Was it a...

...Eeh!?

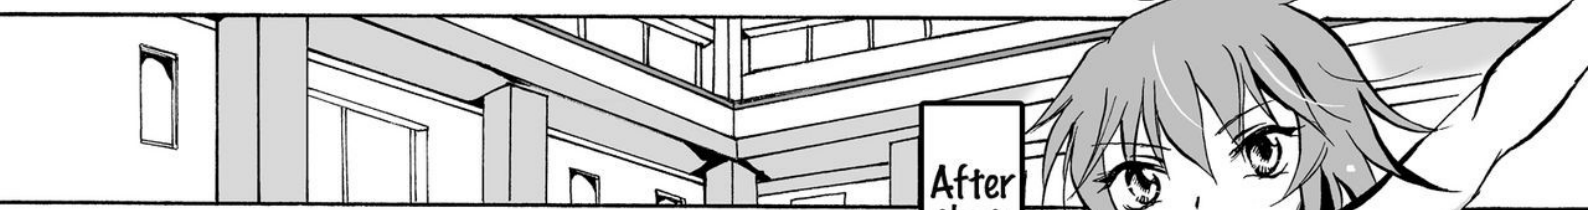

This is it!

I have to find a way...

It feels so good!

Kaoru-senpai

AAA!!

End

Just follow me.

Want to see something amazing?

Ehehe

Kyou-chan, you should be a little more ashamed than that...

There's a lot of couples in this school, huh...?

Ah, is that so?

We won't tell anyone! We're the same as you guys...

Ahaha~

The volleyball girls are so huge...

I-I'm sorry, forgive me already, Ranko!

Not... so rough...

You're so hot inside, senpai.

GYMNASTICS CLUB

Easy now...

This is payback for last time. Kaoru-senpai~

Quietly...

Using two fingers

Y-You stupid junior!

Bad Kyou-chan! Don't teach them how to peep!

Don't worry.

We haven't reached that level either yet.

HUH! HUH!

SO DEEP...
