A FEW DAYS LATER
LOLI-SAMA ...

YOU ARE DISTURBING MY SLEEP!

PLEASE, YOU GOTTA HELP ME ...!!

I CAN ONLY GET HARD WHEN I'M THINKING ABOUT FUCKING YOUR LOLIHAG ASS...!

I HAVE A PROBLEM ... NORMAL LOLIS JUST DON'T DO IT FOR ME ANY-MORE...

This is the first time I've gotten so worked up over a manga...
She's a real cutie! Suzune-san, you really outdid yourself this time!
The best part is, she's not any old hag! She's a lolihag!

Ah! But this isn't the first time I've done a manga with a flat-chested character. For all of you complaining on twitter "But Suzune-san! You never do any flat-chested stuff!", I made "Loli ga Kuma no youna ojii-san to Mainichisumou" just last year...

*Now Sold out **Taken from my basement doujin archives

I like to think of my style of drawing manga as very straightforward...
I tend to draw young, slim and intelligent characters in my manga.
At least, I hope it comes off that way...! I prefer my characters to look natural as they can. Well, that's enough about that...
But you know, maybe my "straightforward" style might just work in a bara manga...

one day, I thought "Today I'm gonna plant stuff like my ancestors did!"
But I eventually gave up because they took too long to sprout...

You know, it's kinda ironic that I make my characters intelligent and slim, but I am neither of those things myself...
Anyways, I will be sure to keep you all in mind when I'm drawing today...!
