おっ...♡

O-Ok...

WHAT HAVE I GOT MYSELF INTO...?

Wait, I got an idea...
Do you want to come with me to my place?

We can have more fun there, just you and me...

Su-Su-Suzune, It's Suzune Rai! Thanks for picking up "oneshot a Kyuunyuuiki"! You know, "oneshot a Kyuunyuuiki" is the first time I've ever used one of my Twitfer drawings for the intro page. To those certain followers, your conversation is now immortalized in manga form (well, not quite, it's really a screenshot)! I don't know about you, but I think "oneshot a Kyuunyuuiki" has got to be one of the best doujins I've made so far.

In other news, the "Dainyaou-sama" LINE stickers are out! It's crazy to think that I started my Twitter account on a whim one day, and now I'm selling LINE stickers through there! On the first day alone, there was more than 200 purchases! Woah! After one month, there's been constant sales everyday. I'm so glad I made these! Thank you so much!

I'd like to give a shoutout to my biggest supporters on Fantia! I couldn't have done it without you!

(Meganemusume-san, Luremoa-san, malkao30-san, Kc-san, Kurunesan-san,
Anyanokarasu-san, Mukuronoko-san, Nikkoro-san)

Last but not least, thank you to all who picked up and read this book! It really means a lot! I'll have more for you guys in the future, so stay tuned! I'm so happy that there's so many of you who love my work!
