CHAPTER 3: SOURCE CODE

蹬

Ah!

下蹲

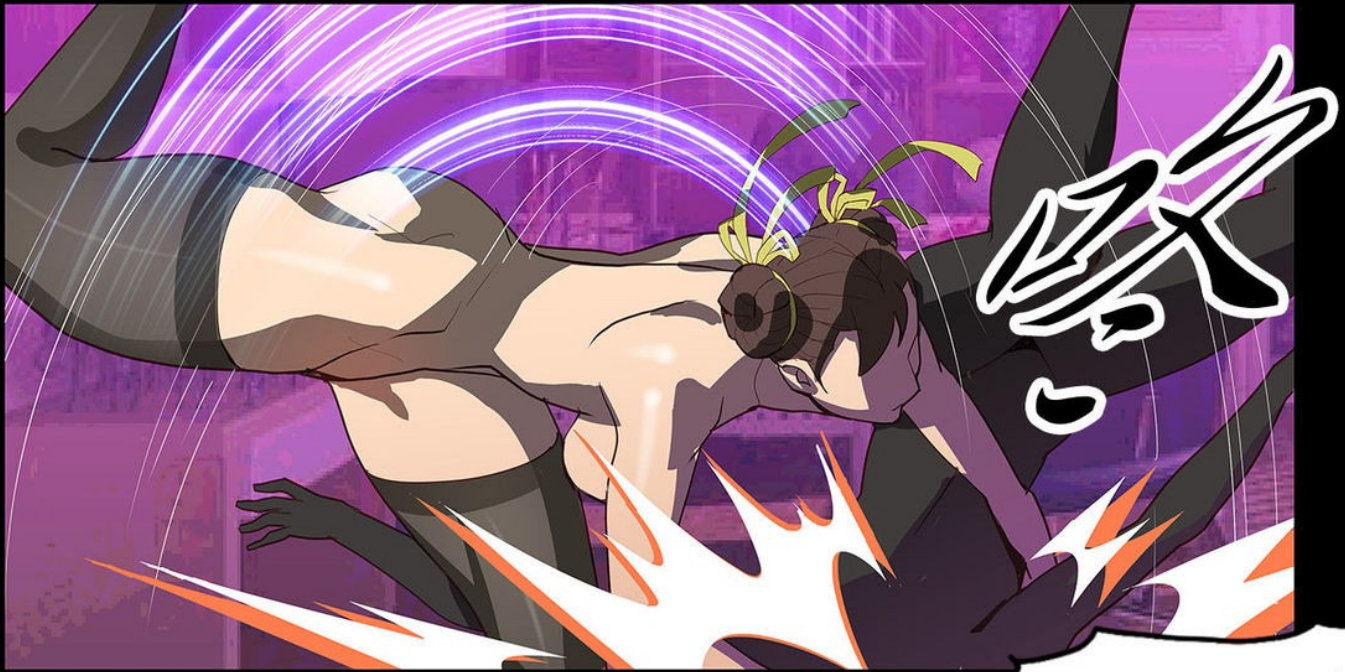

Ugh

うぐ

Ha!

Fuck off!

AH?!

Cammy?!

Yeah, it's me...

Chun-Li,
wait...!

*I told you to wait
for me at home!*

What a pain...

*But Chun-Li...
I was worried
about you.*

Damnit!

nude

Hurry!

*That noise came
from Chun-Li's
office!!*

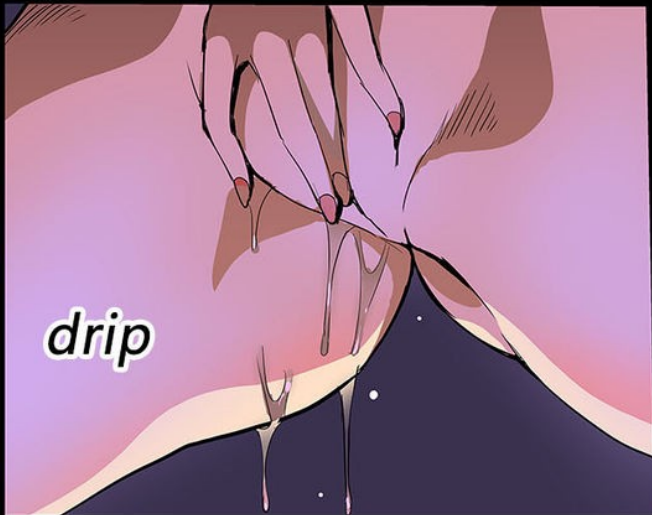

Eh?

Officer Chun-Li!

drip

drip

She's not in here.

Shut up!
We could never do
that to Chun-Li.

Now's our chance.
We can snoop around a
little and maybe find some
sweet smelling underwear.

咣!

Dumbass!

**You trying to say you
don't wanna fuck her?**

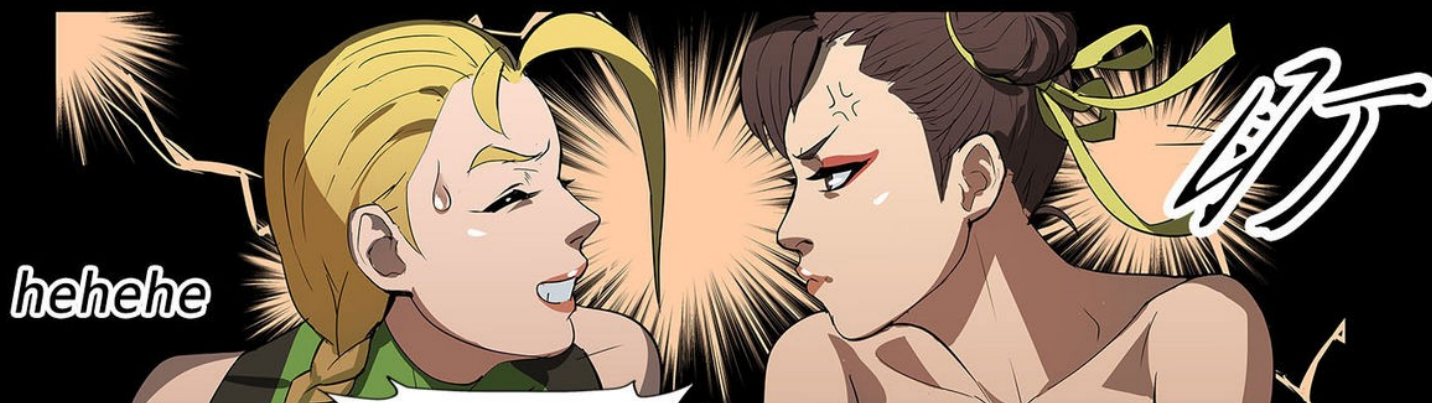

I bet that was
crazy embarrassing
for you, huh?

That was way
too close!

咚!

hehehe

I'm so going
to kill you...!

Wow, it smells
nice down here.
Ow, that hurts!

Don't
lick that!
It's dirty!

This is all your
fault, Cammy!

But you're the one who
took off all your clothes...
Just to masturbate...

Sorry to keep you waiting.

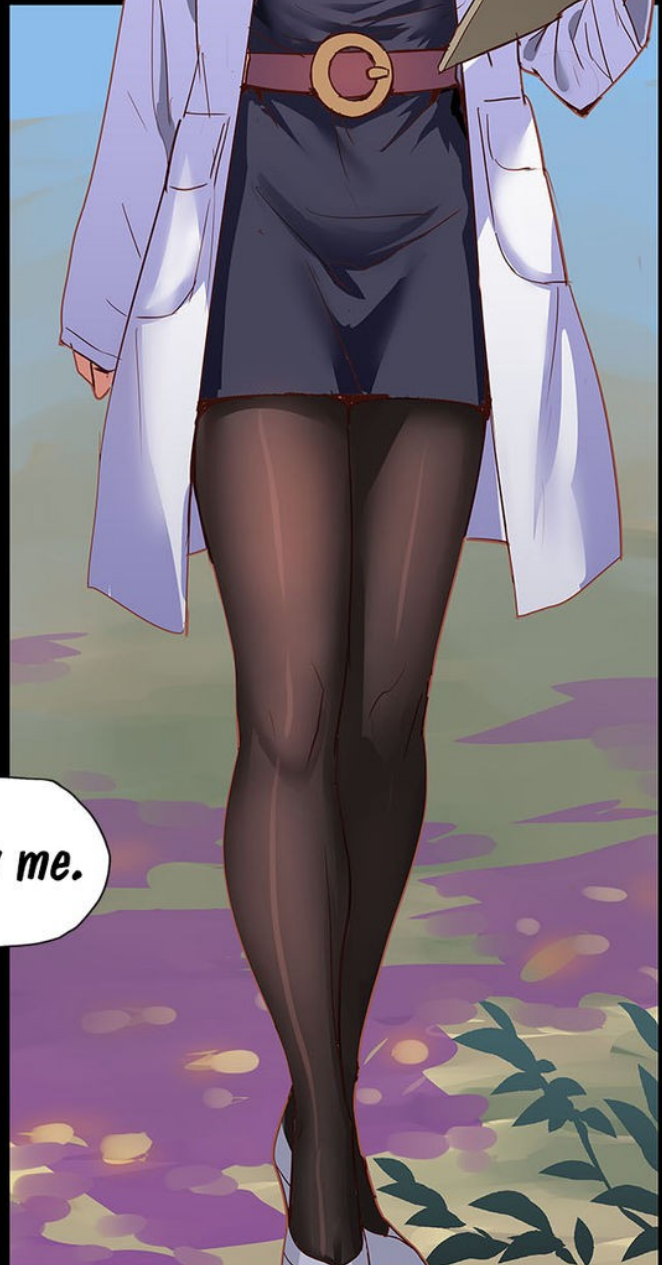

Sister Rose!

*Don't call me that...
I know why you're here.*

Follow me.

Chun-Li, you remember that evil organization you took down?

Well, the police found a machine based on psychic powers, which is my field of expertise~

哒哒

Of course!

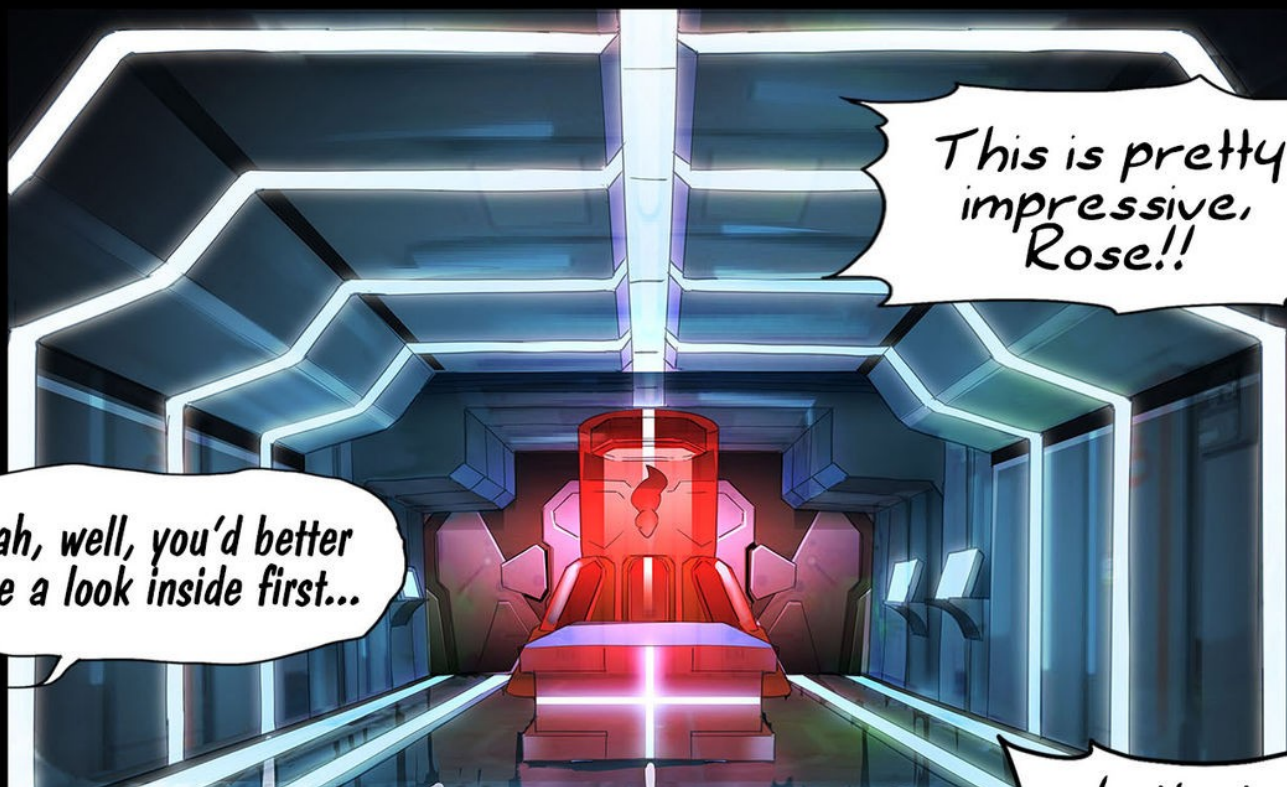

哒哒

嗒嗒

Whoa!

That's the reason why I'm here~ Observe!

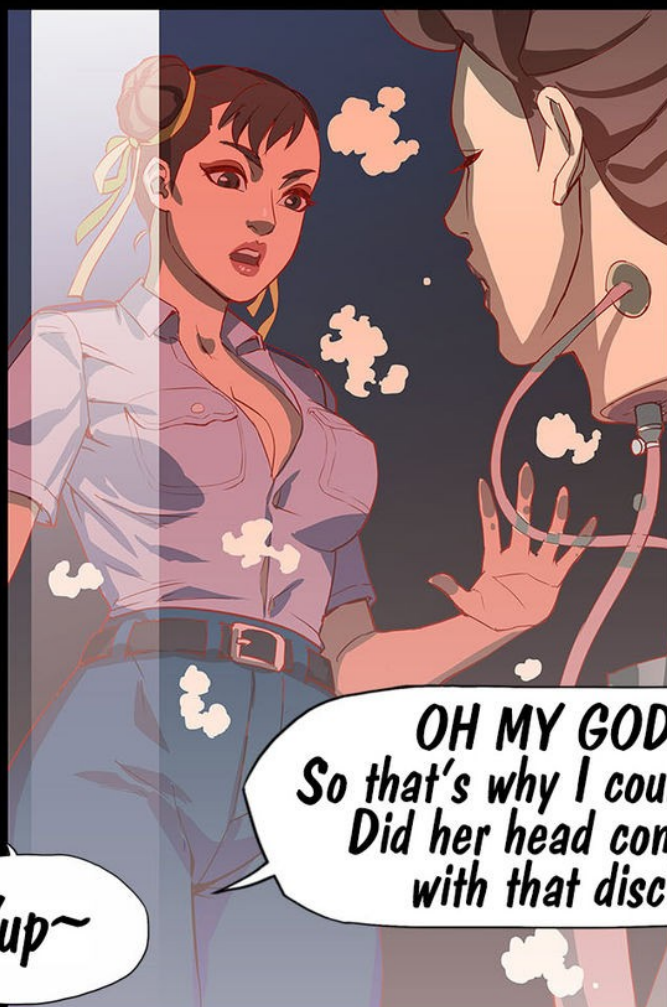

滴~

This is pretty impressive, Rose!!

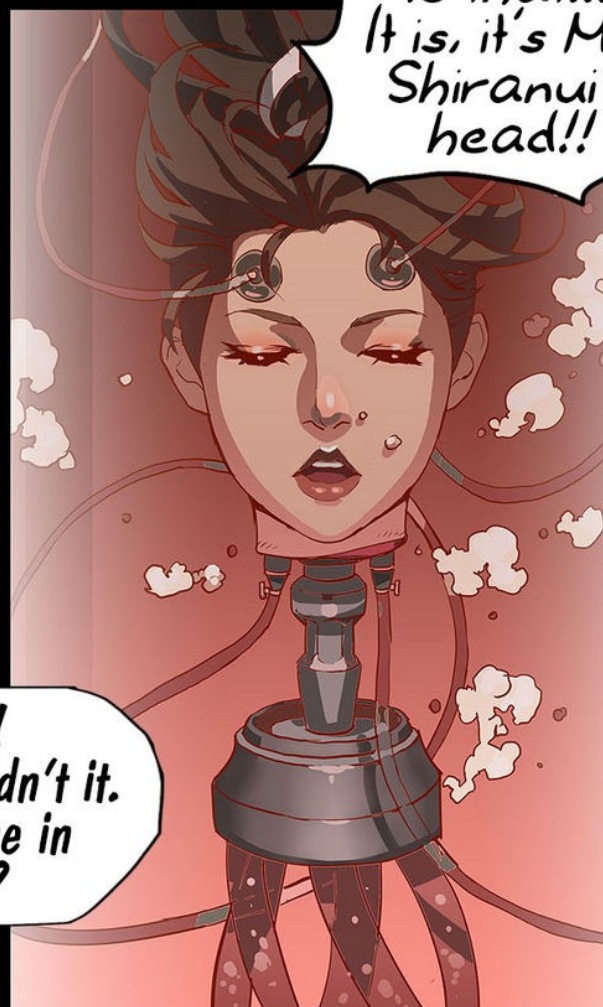

Yeah, well, you'd better have a look inside first...

*Is that...
It is, it's Mai Shiranui's head!!*

OH MY GOD!
*So that's why I couldn't it.
Did her head come in
with that disc?*

Yup~

Are you saying her head is still alive?
Impossible!

It's because of that drug you found, Chun-Li.

I call this, "Source Code."
It can simulate a time and place from her consciousness where she was still alive.
It can even recreate the moment of her death.

The construction of a virtual world in the brain is called the "Main Brain."

Once you enter it that's called "Contact."

We need to set a time and place of entry for the simulation to have the most accurate recreation of history.

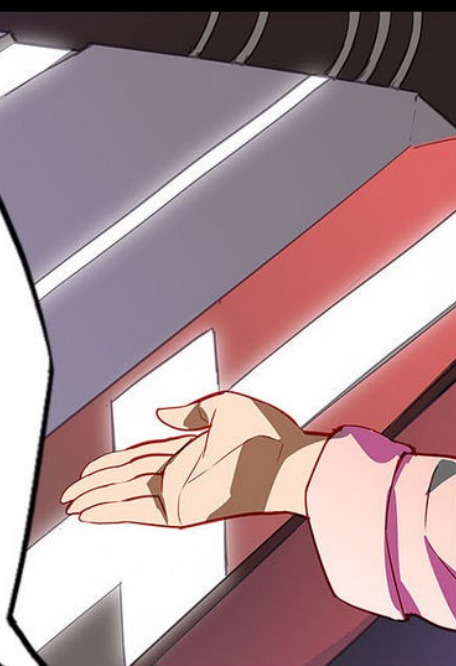

The system protects the "Mastermind" at that point in time and once you're in her memory will slowly recover.

In this system, all people of the real world exist.

That means when you go in, you replace your self of the virtual world, and if you come back to this lab, you'll encounter the virtual "me."

You can use the source code in there to dive deeper.

Time will slow down, so even if Mai's head dies, you'll still have some time left.

In Limbo, you can't be woken up by dying.
The only way is through pain or pleasure...
And currently, the highest success rate
for that is by... **HAVING ORGASMS!**

There are two ways to wake up.
The first way is I wake you up.
The second way is dying in the
virtual world, but if you're on a
deeper level you'll just go up.

However, there's one situation
where you won't wake up...
and that's... **LIMBO.**

The only thing I'm worried about
is if Mai dies before you get out.
That's when you'll go
straight to Limbo.

And even then,
I can't save you.

nod

*Why do we have to
get naked for this?*

This feels so weird...

*It's just a
water tank.*

gurgle

*Ah!
The tank's
filling up!*

gurgle

*Don't worry, this liquid
has a high oxygen content.*

*Don't be shy.
Please get in.*

Aahhh...

Can't breath...

Relax~ Once your lungs
are filled with fluid,
you'll fall asleep~

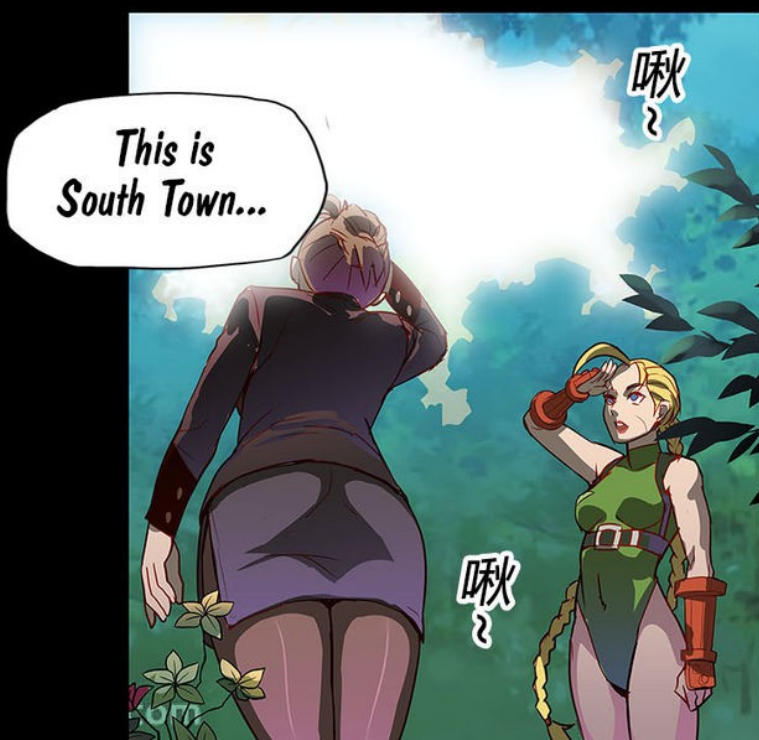

Now to create an anchor
point of where and when
Mai Shiranui was killed.
Hope it all goes well.

哔哩!

Okay!
Let's go!

I mean pass out.

It sounds
like Mai!

That
voice!

You're no
match for
me, Mai.
Give it up!

haha

I-In.. your.. dreams!

hoop

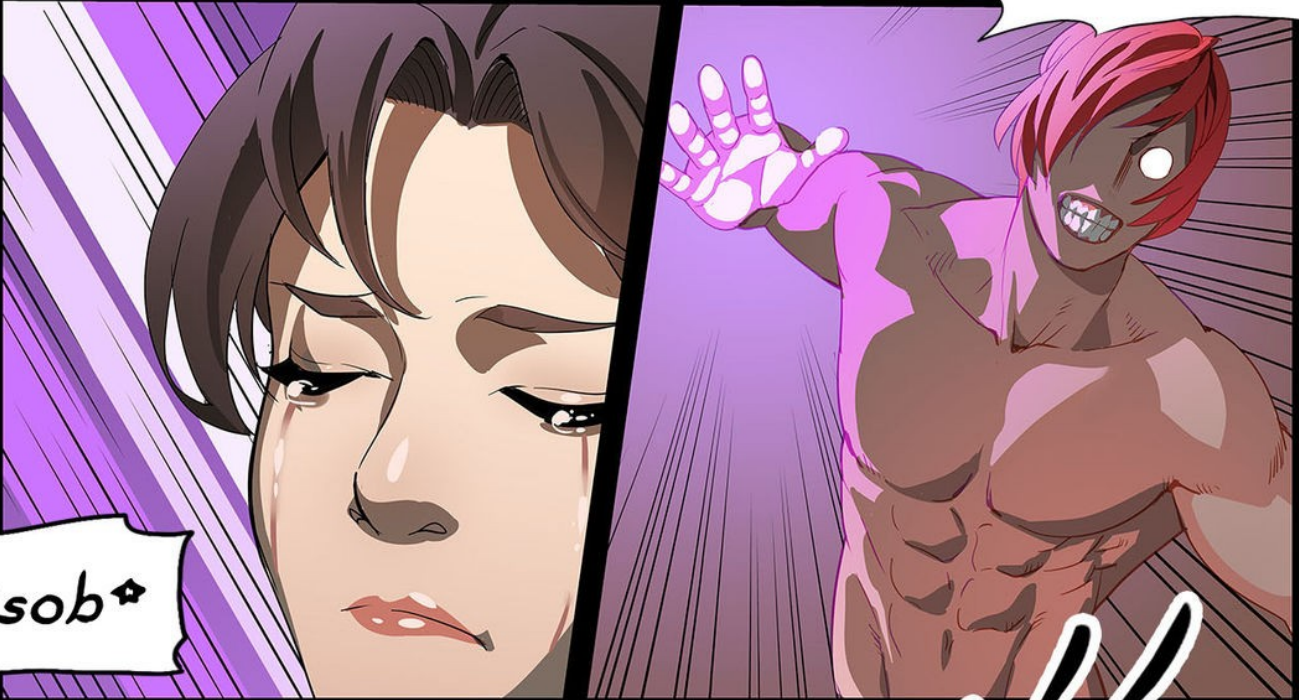

Godamnit!

hoop

Go to hell!

☆sob☆

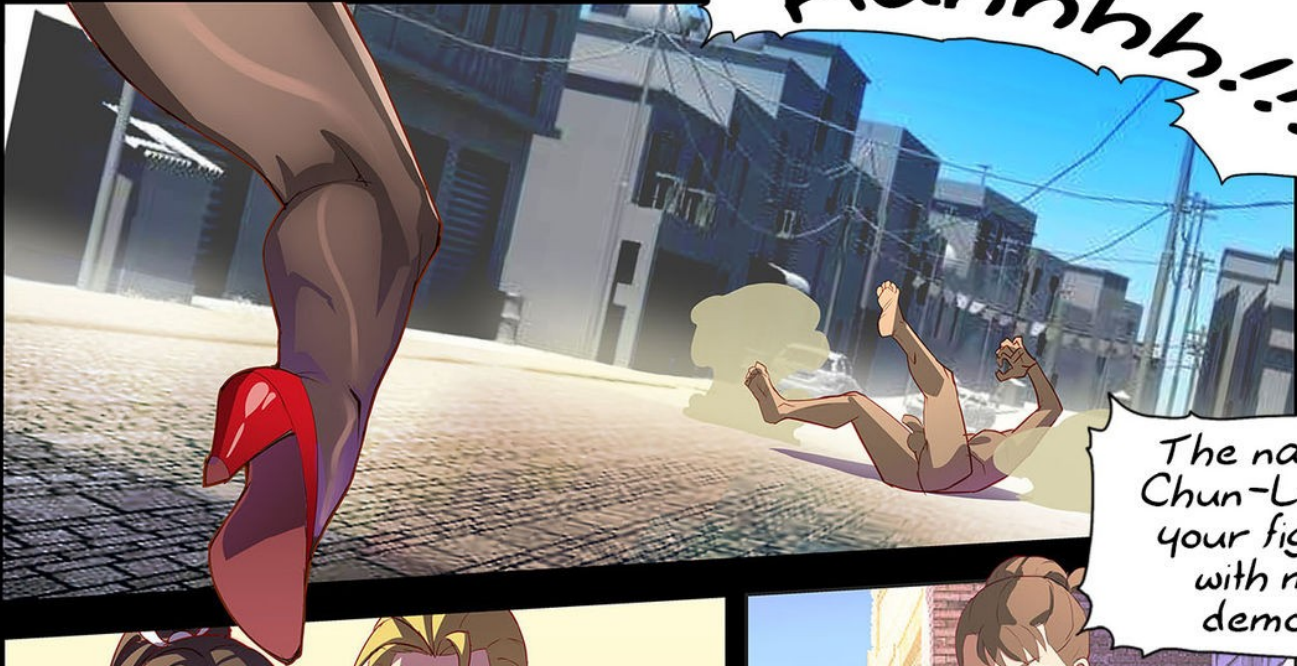

Who the fuck?!

Aahhhh!!!

The name's Chun-Li, and your fight is with me, demon!

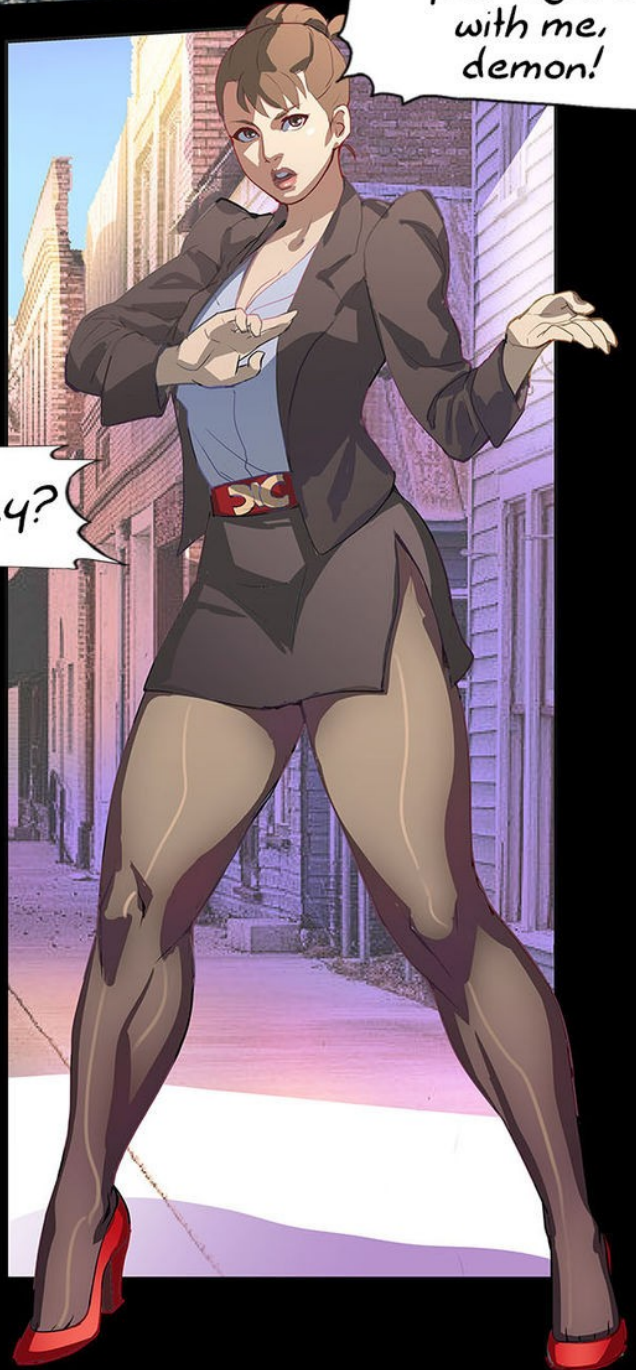

Mai! Are you okay?

I'm alright, don't worry.

Oooooooooooooo!
Don't you look delicious.

The fuck
did he just
say?!

An angel's face
and a devil's figure.
You're an even better
match for me than
Mai, I like it!

Shit!

That's a mighty tasty foot.
I want to eat you right now!
Ready or not, here I come!!

Who the hell do
you think you are,
talking to me
like that?!

no use

Fuck off!
yah!! yah!!
yah!!

百裂!!

Damn it!

咻!!

2/3

And tastes so divine!!

fizz

Let me go, asshole!

Smells so good~

Keep your filthy mouth away from my Chun-Li!!

Nobody gets to touch
her feet but me!

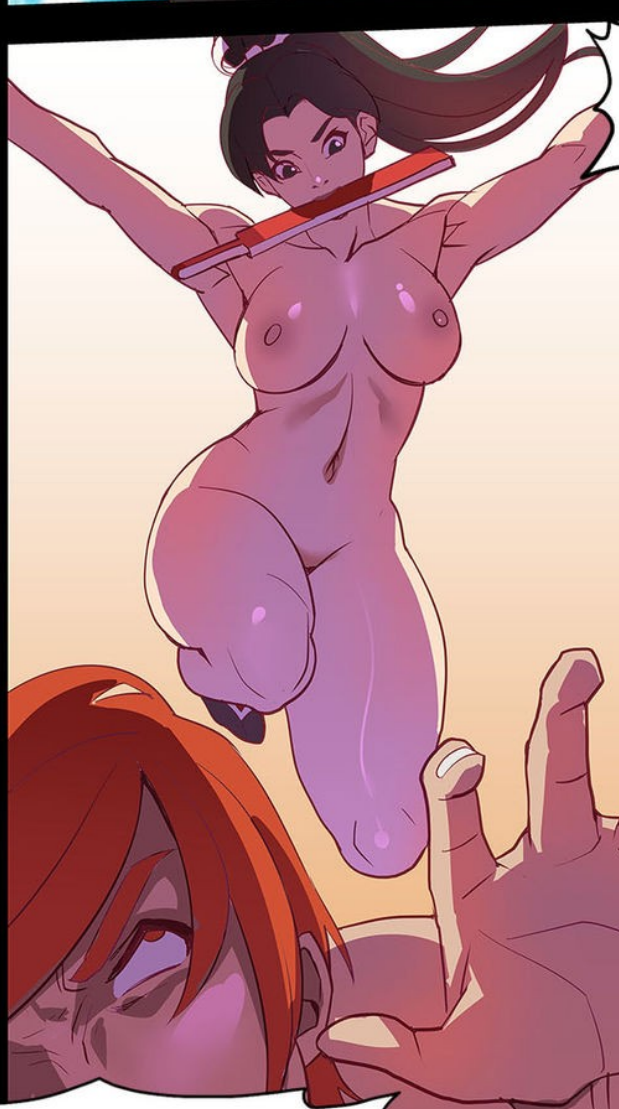

Thanks,
Cammy~

Now then, let's
kick his ass
together!

Roger!

GO!

You're
disgusting,
lori!

getup

Finish him!!

FFFuuu-!!

Satisfied?

噗唧!

Aghh!

You can eat my foot now! Here, eat it!

噗!

Ah! That hurts!

It's okay, Mai!
We're here to save
you in this world!!

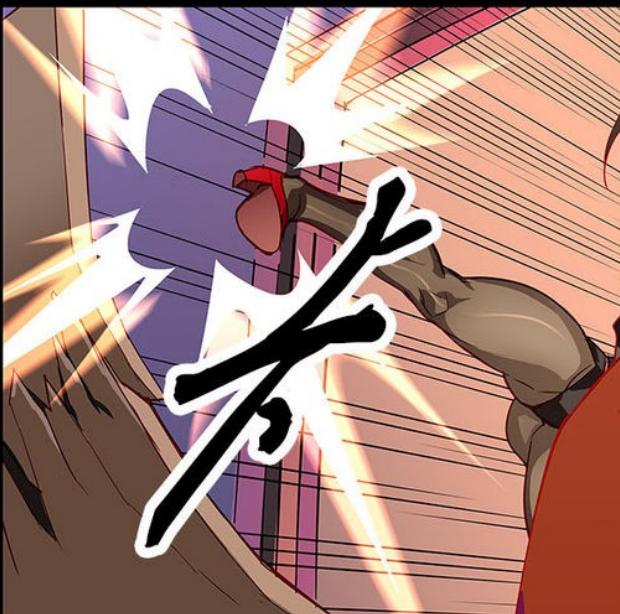

I remember...
They killed me
and now I'm in the
world of my own
consciousness!!

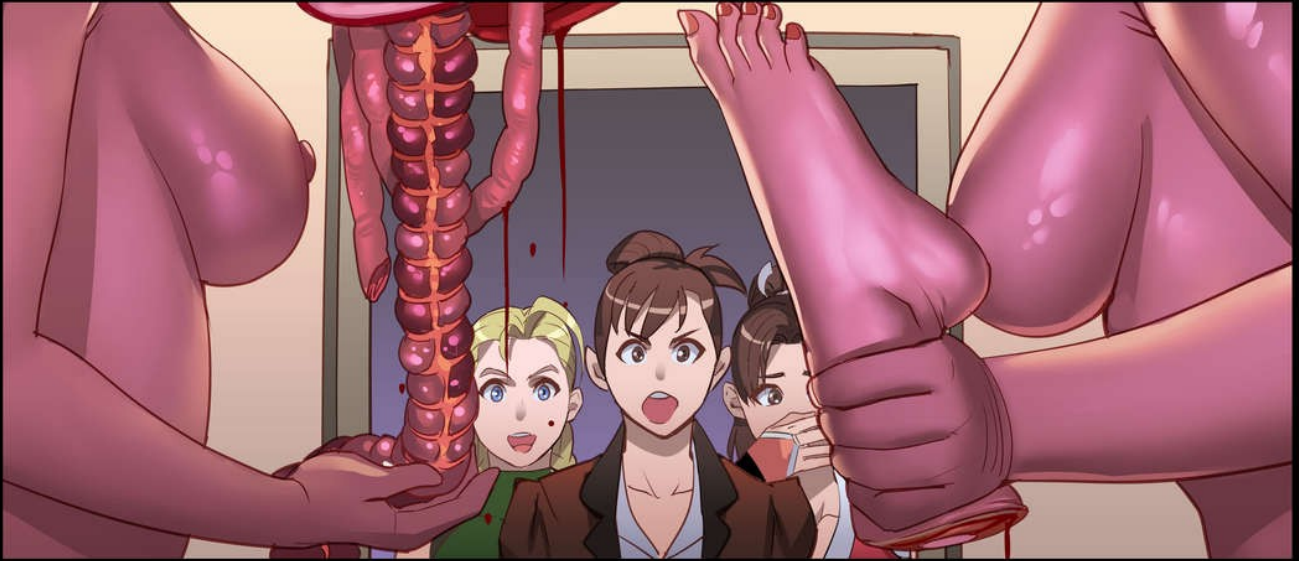

And then they ate me...
I... I can't take this!

That's the room,
I recognize
the door!!

There it is, the
place where you died.

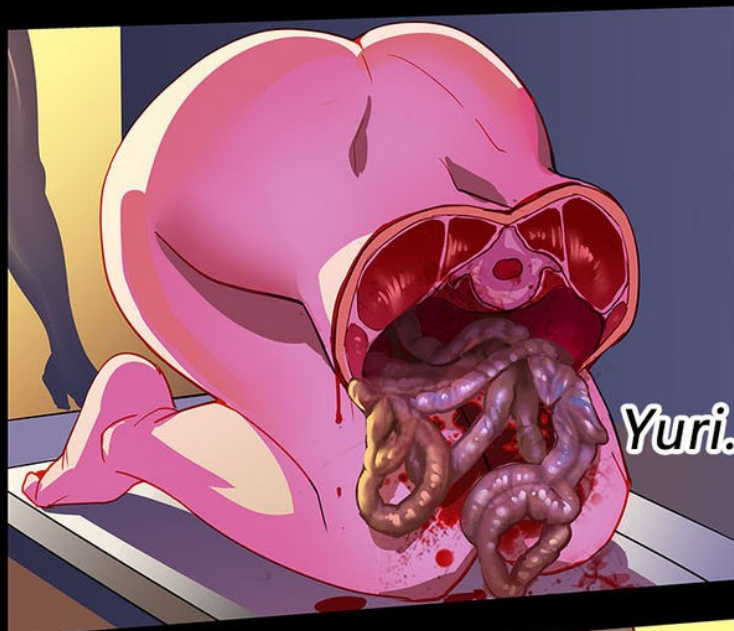

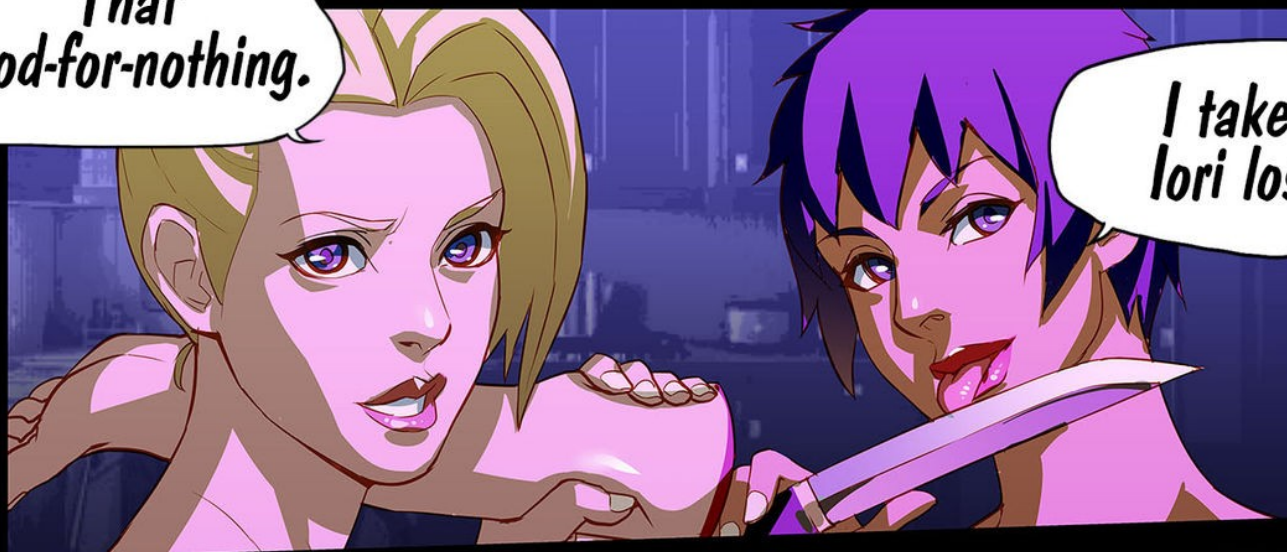

I hope King
and Yuri are
still alive.

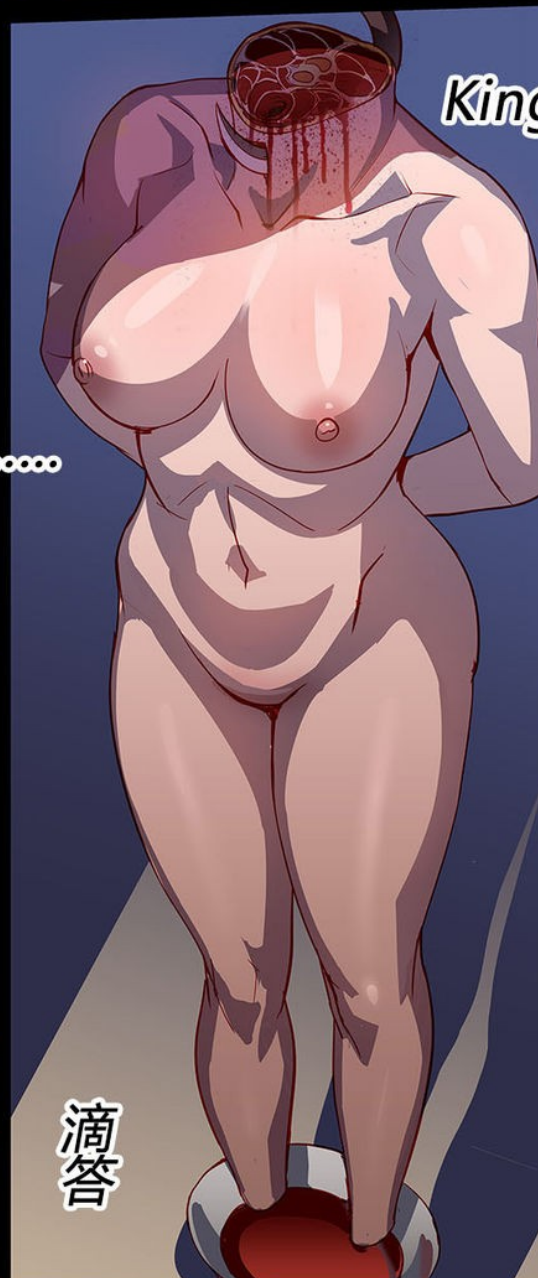

That
good-for-nothing.

I take it
lori lost?

Yuri.....

King.....

滴答

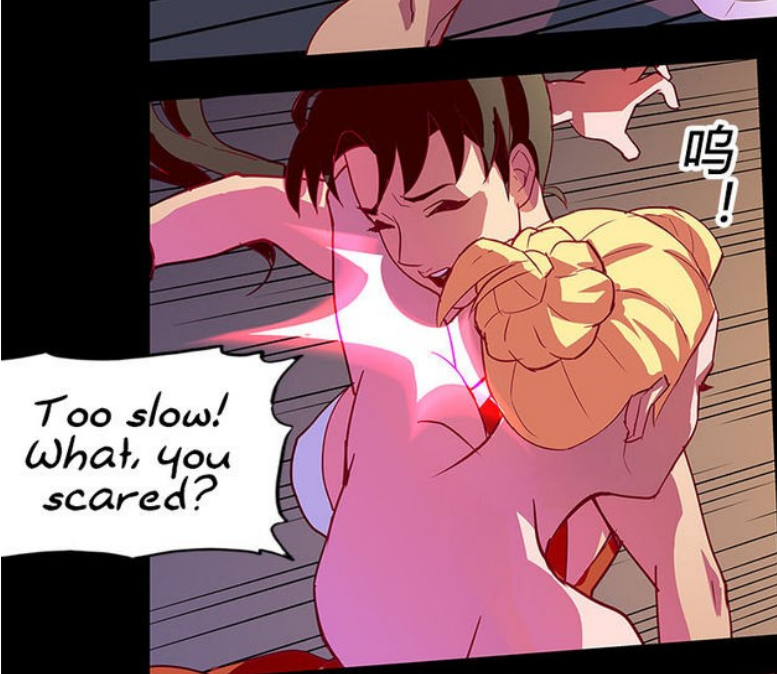

You bitch,
I'll kill you!!

Give me back my friend!!

Hmm?

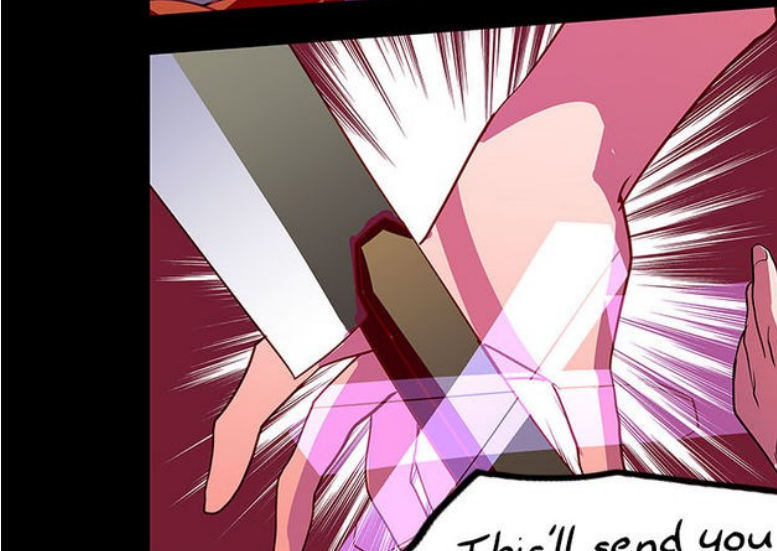

呜!

Too slow!
What, you
scared?

Oof!

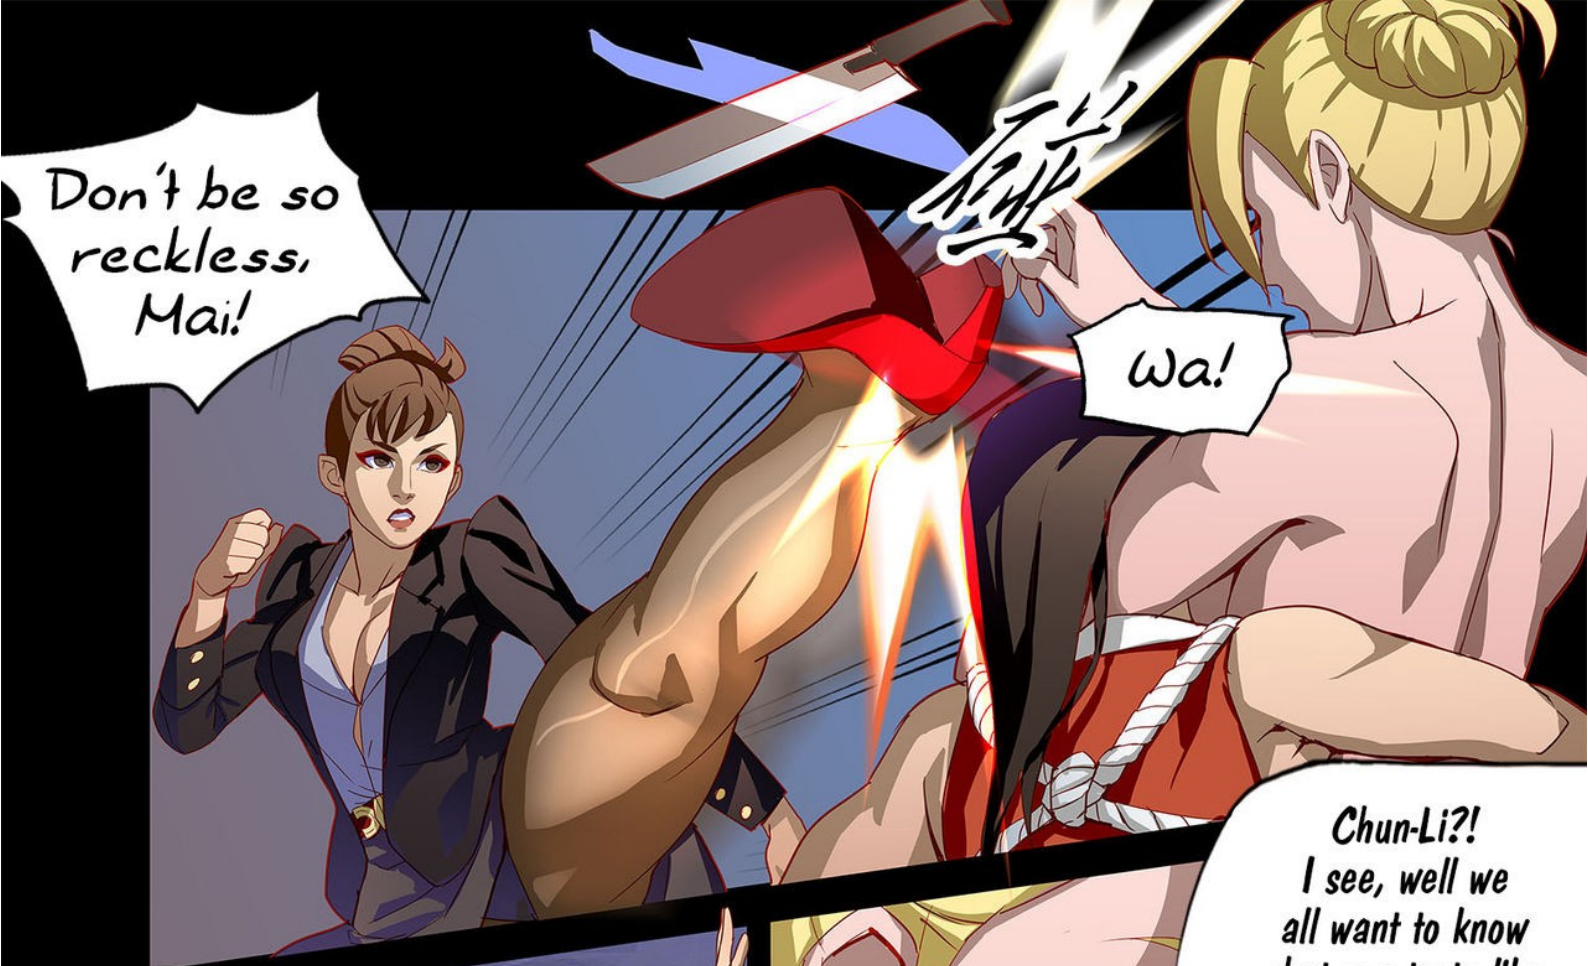

呜!

This'll send you
back to the grave!!

Sure, here's
her foot, catch!

Don't be so reckless, Mai!

This panel shows M. Bison, a large man with a red topknot and a red sash, kicking Chun-Li. Chun-Li is on the right, wearing her signature red and white outfit, with a surprised expression. M. Bison is on the left, wearing a dark suit over a blue shirt, looking sternly at her. A sword is visible in the background.

Wa!

Chun-Li?!
I see, well we all want to know what you taste like, Ms. Strongest Fighting Woman in the World... Especially the meat on your feet!

A close-up of Chun-Li's face, showing her blue eyes and a determined, slightly smug expression. She is holding her hand near her mouth.

Yeah, I probably do taste good...

Chun-Li is shown in a full-body crouching pose, ready for action. She is wearing her dark suit and red high-heeled shoes. Her arms are outstretched, and she has a confident, challenging look on her face.

But if you want my meat, you'll have to take it, which I doubt you can!
Now come at me!

to be continued

A close-up of Chun-Li's face, looking directly at the viewer with a determined and slightly provocative expression. The background is dark with some blurred lights.
